The exact stock prices and effective dates may not be set forth in the table above, in which case if the stock price is:

between two stock prices in the table or the effective date is between two effective dates in the table, the number of additional shares will be determined by a straight-line interpolation between the number of additional shares set forth for the higher and lower stock prices and the earlier and later effective dates, based on a 365-day year, as applicable.

in excess of \$80.00 per share (subject to adjustment in the same manner as the stock prices set forth in the column headings of the table above as described in the Notes Preliminary Prospectus Supplement), no additional shares will be added to the conversion rate.

less than \$18.25 per share (subject to adjustment in the same manner as the stock prices set forth in the column headings of the table above as described in the Notes Preliminary Prospectus Supplement), no additional shares will be added to the conversion rate.

Notwithstanding the foregoing, the Issuer may not increase the conversion rate to more than 54.7945 shares per \$1,000 principal amount of Notes pursuant to the events described in Description of the Notes Conversion of Notes Adjustment to Conversion Rate upon Conversion upon a Make-Whole Adjustment Event in the Notes Preliminary Prospectus Supplement, though the Issuer will adjust such number of shares for the same events for which it must adjust the conversion rate as described under Description of the Notes Conversion of Notes Conversion Rate Adjustments in the Notes Preliminary Prospectus Supplement.

Changes from Common Stock Preliminary Prospectus Supplement and Notes Preliminary Prospectus Supplement:

Notes Offering Size

KB Home has increased the Notes Offering from the previously announced \$150.0 million in aggregate principal amount (or \$172.5 million in aggregate principal amount if the underwriters' over-allotment option is exercised in full) to \$200.0 million in aggregate principal amount (or \$230.0 million in aggregate principal amount if the underwriters' over-allotment option is exercised in full). Corresponding changes will be made wherever applicable in the final prospectus supplement for each of the Notes Offering and Common Stock Offering from the disclosure provided in the Notes Preliminary Prospectus Supplement and Common Stock Preliminary Prospectus Supplement, respectively.

The Issuer has filed a registration statement (including a prospectus and the related Preliminary Prospectus Supplements) with the Securities and Exchange Commission, or SEC, for the Common Stock Offering and the Notes Offering to which this communication relates.
