You will find details of the business to be conducted at the annual meeting provided in the attached formal Notice of Annual Meeting and Proxy Statement. Our directors and executive officers are expected to be present at the annual meeting.

Among the matters to be acted on at the annual meeting is the election of directors, ratification of the appointment of our independent auditors, the advisory vote on named executive compensation, and the advisory vote on the frequency of future advisory votes on named executive officer compensation. For the reasons set forth in the Proxy Statement, the board of directors recommends that you vote **FOR** each of the board's nominees on Proposal 1, **FOR** Proposals 2 and 3, and **FOR** a frequency of every **1 YEAR** on Proposal 4.

The board of directors has fixed April 9, 2013 as the record date for the annual meeting. Only holders of our common stock of record at the close of business on that date will be entitled to notice of, and to vote at, the annual meeting.

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held June 5, 2013

WMI Holdings Corp., a Washington corporation (WMIHC), is the successor to Washington Mutual, Inc. (WMI). We emerged from Chapter 11 bankruptcy on March 19, 2012 with a new board of directors and certain new officers. During our nearly 3 1/2 year bankruptcy, WMI did not hold any meetings of shareholders. As a result, we view our 2013 annual meeting of shareholders (the Annual Meeting) as an important step for us as it signals a return to having direct contact with and input from our shareholders as we begin this new chapter in our business.

As used in this proxy statement, the terms WMIHC, Company, we, us and our refer to WMI Holdings Corp. and the terms board of directors refer to the Board of Directors of WMIHC.

MEETING AND VOTING INFORMATION

Date, Time and Place of Meeting

Our board of directors is furnishing this notice of annual meeting and proxy statement and the enclosed proxy card in connection with the board's solicitation of proxies for use at the Annual Meeting, and at any adjournments or postponements thereof. The Annual Meeting will be held on Wednesday, June 5, 2013, at 11:00 a.m. Eastern Time, at The Roosevelt Hotel, 45 East 45th Street (at Madison Avenue), New York, New York 10017. These proxy materials and the related 2012 Annual Report to Shareholders (which includes WMIHC's audited financial statements for the fiscal year ended December 31, 2012, and the other portions of WMIHC's 2012 Annual Report on Form 10-K for the fiscal year ended December 31, 2012) are first being made available to shareholders on April 23, 2013.

We urge you to promptly vote your proxy **FOR** each of the board's nominees on Proposal 1, **FOR** Proposals 2 and 3, and **FOR** a frequency of every **1 YEAR** on Proposal 4, as recommended by the board, either by telephone, via the Internet, or by completing, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided. By submitting a proxy, you are legally authorizing another person to vote your shares on your behalf. If you vote your proxy by telephone, via the Internet, or submit your executed proxy card by mail, but you do not indicate how your shares are to be voted, then your shares will be voted in accordance with the board's recommendations set forth in this proxy statement.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING
TO BE HELD ON JUNE 5, 2013**

The proxy statement for the Annual Meeting and the 2012 Annual Report to Shareholders are available at www.proxyvote.com

Solicitation and Revocation of Proxies

Shares represented by validly executed proxies will be voted in accordance with instructions contained in the proxies. If no direction is given, proxies will be voted:

Edgar Filing: WMI HOLDINGS CORP. - Form DEF 14A

FOR each of the director nominees selected by the board of directors;

FOR ratification of the appointment of Burr Pilger Mayer, Inc., as our independent registered public accounting firm;

Table of Contents

FOR the approval, on an advisory basis, of the compensation of our named executive officers; and

FOR the approval, on an advisory basis, a frequency of **1 YEAR** for future advisory votes on named executive officer compensation. If other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their judgment with respect to such matters. The board of directors has selected the two persons named in the enclosed proxy card to serve as proxies in connection with the Annual Meeting.

Any proxy given by a shareholder may be revoked at any time prior to its use in one of four ways: (1) by execution of a later-dated proxy delivered to WMIHC's Secretary; (2) by vote in person at the Annual Meeting; (3) by written notice of revocation delivered to WMIHC's Secretary before the Annual Meeting; or (4) by voting again by telephone or via the Internet. Only the latest validly executed proxy that you submit will be counted.

Purposes of the Annual Meeting

The Annual Meeting has been called for the following purposes:

to elect a board of directors consisting of seven members, each to serve until the next annual meeting of shareholders and until his or her successor is duly elected and qualified;

to ratify the appointment of Burr Pilger Mayer, Inc. as WMIHC's independent registered public accounting firm for the fiscal year ending December 31, 2013;

to approve, as an advisory vote, the compensation of WMIHC's named executive officers;

to approve, as an advisory vote, the frequency of future advisory votes on named executive officer compensation; and

to transact such other business as may properly come before the meeting or any adjournments or postponements thereof.

Section 2.13 of WMIHC's Amended and Restated Bylaws, as amended through April 1, 2013 (the "Bylaws"), sets forth certain procedures to be followed for introducing business at a shareholders meeting. WMIHC has no knowledge of any other matters that may be properly presented at the Annual Meeting. If other matters do properly come before the Annual Meeting, or any postponement or adjournment thereof, the persons named in the proxy will vote in accordance with their judgment on such matters in the exercise of their sole discretion.

Record Date and Shares Outstanding

Only shareholders of record at the close of business on April 9, 2013, which is the record date (the "Record Date") set by the board of directors, are entitled to notice of, and to vote at, the Annual Meeting and any adjournments or postponements. At the close of business on the Record Date, 201,156,078 shares of WMIHC's common stock were outstanding. For information regarding the ownership of WMIHC common stock by holders of more than five percent of the outstanding shares and by WMIHC's directors and executive officers, see the "Security Ownership of Certain Beneficial Owners and Management" section of this proxy statement beginning on page 19 below.

Voting; Quorum; Vote Required

Each share of common stock outstanding on the Record Date is entitled to one vote per share at the Annual Meeting. Shareholders are not entitled to cumulate their votes. The presence, in person or by proxy, of the holders of a majority of WMIHC's outstanding shares of common stock is necessary to constitute a quorum at the Annual Meeting.

Table of Contents

The votes required to approve the proposals to be considered at the Annual Meeting are as follows:

Proposal 1 Election of Directors. The seven nominees for the board of directors receiving the highest number of affirmative votes cast at the meeting, in person or by proxy, will be elected as directors. Election of our board of directors is by a plurality of votes. You may vote FOR the nominees for election as directors, or you may WITHHOLD your vote with respect to one or more nominees. For purposes of determining whether a quorum exists for the meeting, if you return a proxy and withhold your vote from the election of all directors, your shares will be counted as present.

Proposal 2 Ratification of the Appointment of Independent Registered Public Accounting Firm. Ratification of the appointment of Burr Pilger Mayer, Inc., as our independent registered public accounting firm for the fiscal year ending December 31, 2013 requires the affirmative vote of a majority of the shares present at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the Annual Meeting. You may vote FOR, AGAINST, or ABSTAIN from the proposal to ratify the appointment of Burr Pilger Mayer, Inc. as our independent registered public accounting firm for the fiscal year ending December 31, 2013.

Proposal 3 Advisory Approval of Compensation of Named Executive Officers. Approval, on an advisory basis, of the compensation of WMIHC's named executive officers requires the affirmative vote of a majority of the shares present at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the Annual Meeting. Although the board of directors will consider the outcome of the vote when making future decisions regarding the compensation of WMIHC's named executive officers, the results of the vote are not binding on WMIHC. You may vote FOR, AGAINST, or ABSTAIN on the proposal to approve, on an advisory basis, the compensation of WMIHC's named executive officers.

Proposal 4 Advisory Approval of the Frequency of Future Advisory Votes on Named Executive Officer Compensation. For approval, on an advisory basis, of the proposal regarding the frequency of future advisory votes on named executive officer compensation, the alternative that receives the highest number of votes cast by shares present at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the Annual Meeting will be the frequency approved by the shareholders. Although the board of directors will consider the advice of the shareholders in determining how frequently WMIHC will hold future advisory votes on named officer compensation, the results of the vote are not binding on WMIHC. The board of directors may decide that, after considering the results of this vote, it is in the best interest of WMIHC and its shareholders to hold an advisory vote on the compensation of our named executive officers more or less frequently than the frequency approved by our shareholders. You may vote 1 YEAR, 2 YEARS, 3 YEARS, or ABSTAIN on the proposal regarding the frequency of future advisory votes on named executive officer compensation.

Effect of Abstentions

If you abstain from voting, your shares will be deemed present at the Annual Meeting for purposes of determining whether a quorum is present. Abstentions have no effect on Proposal 1, the election of directors, because directors are elected by a plurality of the votes cast. Abstentions also have no effect on Proposal 2, the ratification of the selection of our independent registered public accounting firm; Proposal 3, the advisory approval of WMIHC's named executive officer compensation; or Proposal 4, the advisory approval of the frequency of future advisory votes on named executive compensation, because abstentions, in each case, will not be included in tabulations of the votes cast and shares entitled to vote for purposes of determining whether a proposal has been approved.

Table of Contents

Effect of Broker Non-Votes

If a broker holds your shares in street name, you should instruct your broker how to vote. A broker non-vote occurs when a nominee holding shares for a beneficial owner returns a duly executed proxy that does not include any vote with respect to a particular proposal because the nominee did not have discretionary voting power with respect to the matter being considered and did not receive voting instructions from the beneficial owner. Only Proposal 2, the ratification of the selection of our independent registered public accounting firm, is considered a discretionary matter.

Broker non-votes are deemed present at the Annual Meeting for purposes of determining whether a quorum is present, but will have no effect on the outcome of any of the proposals on the ballot. Broker non-votes will have no effect on Proposal 1, the election of directors, because directors are elected by a plurality of the votes cast. Broker non-votes also will have no effect on Proposal 3, the advisory approval of WMIHC's named executive officer compensation, and Proposal 4, the advisory approval of the frequency of future advisory votes on named executive officer compensation, because broker non-votes will not be included in tabulations of votes cast and shares entitled to vote for purposes of determining whether a proposal has been approved. Broker non-votes will have no effect on Proposal 2, ratification of the appointment of our independent registered public accounting firm, because brokers or nominees have discretionary authority to vote on this proposal.

We urge you to provide voting instructions to your broker on all voting items.

Costs of Solicitation

WMIHC will bear all costs and expenses associated with this solicitation. In addition to solicitation by mail, directors, officers, and employees of WMIHC may solicit proxies from shareholders, personally or by telephone, facsimile, or e-mail transmission, without receiving any additional remuneration. WMIHC has asked brokerage houses, nominees and other agents and fiduciaries to forward soliciting materials to beneficial owners of WMIHC's common stock and will reimburse all such persons for their expenses.

Attendance at Meeting

Only shareholders of record or joint holders as of the close of business on the Record Date or a person holding a valid proxy for the Annual Meeting may attend the meeting. If you are not a shareholder of record but hold shares through a bank, broker or nominee (in street name), you should provide proof of beneficial ownership on the Record Date, such as a recent account statement or a copy of the voting instruction card provided by your bank, broker or nominee.

PROPOSAL 1

ELECTION OF DIRECTORS

Under that certain Seventh Amended Joint Plan of Affiliated Debtors Pursuant to Chapter 11 of the United States Bankruptcy Code, as amended, modified or supplemented (the Bankruptcy Plan), a new board of directors was established. As of the time the Bankruptcy Plan became effective, all former directors of WMI resigned as directors pursuant to the Bankruptcy Plan.

Since our emergence from Chapter 11 bankruptcy and as contemplated by the Bankruptcy Plan, our board consists of seven directors, all of whom commenced service as of March 19, 2012. The directors were selected by certain stakeholders involved in the Chapter 11 bankruptcy, including the Official Committee of Equity Security Holders (the Equity Committee) and creditor constituencies. Our newly established board of directors was approved by the bankruptcy court as part of confirming the Bankruptcy Plan.

All seven of our current directors, Michael Willingham, Eugene I. Davis, Diane B. Glossman, Timothy R. Graham, Mark E. Holliday, Michael Renoff and Steven D. Scheiwe, each of whom has served as a director of the Company since our emergence from Chapter 11 bankruptcy, have been nominated by the board of directors to stand for re-election as directors for an additional one year term to serve until the next annual meeting of shareholders or until their successors are duly elected and qualified.

WMIHC s Amended and Restated Articles of Incorporation (the Articles) and the Bylaws currently in effect provide that the number of directors that constitute the entire board will be seven (7). Under our Bylaws, one of our directors must be an FA Director for so long as that certain Financing Agreement, dated March 19, 2012, by and among WMIHC, the lenders from time to time party thereto, U.S. Bank National Association, as agent for lenders, and certain other parties thereto (the Financing Agreement), remains in effect. Mr. Davis was named as the FA Director and the board has nominated Mr. Davis to stand for re-election. Under our Bylaws, the board cannot nominate a successor to the FA Director or appoint to fill the vacancy of the FA Director without the written approval of the Required Lenders under the Financing Agreement.

If for any reason any of these nominees should become unavailable for election (an event the board does not anticipate), proxies will be voted for the election of such substitute nominee as the board in its discretion may recommend, subject to the provision of the Bylaws regarding the selection of a successor FA Director. Proxies cannot be voted for more than seven nominees. Directors are re-elected annually to serve until the next annual meeting of shareholders and until their successors are duly elected and qualified. If a vacancy occurs after the Annual Meeting, the board of directors may elect a replacement to serve for the remainder of the unexpired term, subject to the provision of the Bylaws regarding the filling of a vacancy of the FA Director.

WMIHC has adopted the independence standard of the NASDAQ listing standards for its definition of independence. The board of directors has determined that each current director (and nominee for director) is an independent director under Rule 5605(a)(2) of the NASDAQ listing standards. The Company does not have a website and is therefore disclosing its definition of independence in Appendix A to this proxy statement.

The board of directors recommends each of the following nominees for director:

MICHAEL WILLINGHAM, (age 42). Since June 2002, Mr. Willingham has been a principal at Willingham Services, which provides consulting advice for a diverse portfolio of clients and constituencies regarding strategic considerations involving complex litigation across a variety of industries, including energy, financial services and varying wholesale/retail products. Mr. Willingham became a director of WMIHC on March 19, 2012 as part of the Bankruptcy Plan. The board has nominated Mr. Willingham for election as a director because of his experience in recovering over \$1 billion of value for shareholders, estates and creditors in various bankruptcy cases; negotiating complex financial instruments, including hedging derivatives and credit agreements; and providing consulting services regarding the Sarbanes-Oxley Act of 2002, internal controls and

policies. Mr. Willingham is the Chairman of the Board and a member of the Audit Committee. Mr. Willingham is also a member of the Trust Advisory Board and Litigation Subcommittee of WMI Liquidating Trust.

He is also a director of ALST Casino Holdco, LLC and Lumenis Ltd., whose common stock is registered under the Exchange Act but does not publicly trade, and a director of Trump Entertainment Resorts, Inc. and Viskase, Inc., whose common stock is deregistered under the Exchange Act and is no longer publicly traded. During the past five years, Mr. Davis has also been a director of Ambassadors International, Inc., American Commercial Lines Inc., Delta Airlines, Foamex International Inc., Dex One Corp., Footstar, Inc., Granite Broadcasting Corporation, GSI Group, Inc., Ion Media Networks, Inc., Knology, Inc., Media General, Inc., Mosaid Technologies, Inc., Ogelbay Norton Company, Orchid Cellmark, Inc., PRG-Schultz International Inc., Roomstore, Inc., Rural/Metro Corp., SeraCare Life Sciences, Inc., Silicon Graphics International, Smurfit-Stone Container Corporation, Solutia Inc., Spansion, Inc., Tipperary Corporation and YRC Worldwide, Inc. Mr. Davis became one of our directors on March 19, 2012 and was selected as the FA Director as part of the Bankruptcy Plan. The board has nominated Mr. Davis since he is the FA Director and in addition, his broad experience as a director of other public companies, including his broad experience with acquisitions and finance, led the board of directors to conclude that he should continue as a member of the board of directors. Mr. Davis is Chair of the Corporate Strategy and Development Committee and a member of the Compensation Committee.

DIANE BETH GLOSSMAN, (age 57). Ms. Glossman has over 25 years of experience as an investment analyst and over a decade of governance experience on boards. Ms. Glossman currently serves on the board of directors of Ambac Assurance Company. She periodically performs consulting projects, primarily for various financial institutions. Previously, Ms. Glossman served on the board of directors of A.M. Todd Company from 1998 to July 2011, and as an independent trustee on State Street Global Advisors mutual fund board from October 2009 to April 2011. Ms. Glossman became a director of WMIHC on March 19, 2012 as part of the Bankruptcy Plan. The board has nominated Ms. Glossman for election as a director because of her experience as an investment analyst, reviewing and forecasting performance for companies in financial services. Ms. Glossman is a member of the Corporate Strategy and Development Committee.

TIMOTHY R. GRAHAM, (age 63). Mr. Graham is the principal at Brookwall, LLC, a privately held restructuring and business advisory firm, since May 2010. During the last five years, Mr. Graham has advised a number of institutional investors with respect to distressed investments relating primarily to monoline insurers, reinsurers and structured investments, served as a restructuring advisor at Triad Mortgage Guaranty Corporation, a mortgage insurance company, and served as President and Chief Restructuring Officer of LaSalle Re Limited, a Bermuda domiciled international catastrophe and casualty reinsurer which completed its successful runoff and closure in 2008. Mr. Graham's prior experience includes acting as an executive and director of several publicly traded companies, a partner and general counsel of a fund focused on media, natural resource and retail

investments and chief restructuring officer of several troubled insurance entities appointed to serve at the request of institutional creditors and with the consent of the primary regulators. Mr. Graham was general counsel of an international telecommunications and internet company with licensed operations throughout the United States and in 12 countries from 1994 to 2001. Mr. Graham began his career as an attorney and a member of several law firms where he focused on corporate transactions, creditor rights, general corporate governance, regulatory compliance and securities law issues. Mr. Graham has been a frequent lecturer on legal and business subjects including restructuring of regulated businesses, corporate governance, the cost effective management of external professionals, and has co-authored several books on foreign entities raising capital under United States securities laws. Mr. Graham became a director of WMIHC on March 19, 2012 and serves as Chair of the Compensation Committee. The board has nominated Mr. Graham for election as a director because of his experience with insurance companies including restructuring national and international insurance operations.

MARK E. HOLLIDAY, (age 45). PROPOSAL 3

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

We are asking shareholders to approve an advisory resolution on WMIHC's named executive officer compensation as disclosed in this proxy statement. As described below in the Executive Compensation Compensation Discussion and Analysis section of this proxy statement beginning on page 23 below, our Compensation Committee has structured our executive compensation program to attract and retain highly qualified executive officers. Our Compensation Committee and board of directors believe that the compensation policies and procedures articulated in the Compensation Discussion and Analysis section of this proxy statement are effective in achieving our goals.

We urge shareholders to read the Executive Compensation section of this proxy statement beginning on page 23 below, including the Compensation Discussion and Analysis that discusses our named executive compensation for fiscal 2012 in more detail, as well as the 2012 Summary Compensation Table and other related compensation tables, notes and narrative, beginning on page 26 of this proxy statement, which provide detailed information on the compensation of our named executive officers.

In accordance with recently adopted Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act), and as a matter of good corporate governance, we are asking shareholders to approve the following resolution at the Annual Meeting:

RESOLVED, that the shareholders of WMI Holdings Corp. (the Company) approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the proxy statement for the Company's 2013 Annual Meeting of Shareholders.

Although this proposal, commonly referred to as a say-on-pay vote, is an advisory vote that will not be binding on our board of directors or Compensation Committee, the board of directors and Compensation Committee will consider the results of this advisory vote when making future decisions regarding our named executive officer compensation programs.

*The board of directors unanimously recommends that you vote **FOR** the approval, on an advisory basis, of the compensation of WMIHC's named executive officers.*

PROPOSAL 4

**ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON
NAMED EXECUTIVE OFFICER COMPENSATION**

Pursuant to Section 14A of the Exchange Act, we are asking shareholders to vote on whether future advisory votes on named executive officer compensation of the nature reflected in Proposal 3 above should occur every year, every two years or every three years.

Our Compensation Committee and board of directors believe that conducting future say-on-pay advisory votes every year will provide shareholders with the optimal opportunity to evaluate the effectiveness of our named executive officer compensation program.

Please note that shareholders will not be voting to approve or disapprove the board of director's recommendation that shareholders vote for future advisory votes on named executive officer compensation to be held every year. The proxy card provides shareholders with the opportunity to vote for one of four alternatives: holding future say-on-pay advisory votes every one year, every two years or every three years, or abstaining from the voting on this proposal.

Although this proposal to vote on the frequency of future say-on-pay votes is an advisory vote and will not be binding on WMIHC, we value the opinions of our shareholders and the Compensation Committee and board of directors will take into account the results of this advisory vote when considering how frequently to conduct future advisory votes on named executive officer compensation. In addition, the board of directors and the Compensation Committee may decide to conduct future say-on-pay advisory votes on more or a less frequent basis than recommended above or approved by WMIHC's shareholders, and may decide to vary the frequency of future say-on-pay advisory votes, including based on factors such as discussions with our shareholders and material changes to our named executive officer compensation programs.

*The board of directors unanimously recommends that you vote **FOR** a frequency of every **1 YEAR**, on an advisory basis, for future advisory votes on named executive officer compensation.*

COMMITTEES AND MEETINGS OF THE BOARD

During the fiscal year ended December 31, 2012, the board of directors held seven (7) meetings. The board of directors has established three standing committees, including an Audit Committee, a Compensation Committee and a Corporate Strategy and Development Committee. Each director attended at least 75% of the total number of meetings held by the board of directors and the board committees on which he or she served during fiscal 2012.

Although the board has not adopted a policy with respect to board member attendance at annual shareholder meetings, the board strongly encourages all directors to make attendance at the Annual Meeting a priority. Due to our involvement in Chapter 11 bankruptcy, WMI has not held an annual meeting of shareholders since 2008.

Audit Committee

WMIHC has a standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is governed by a written charter, a copy of which is attached as Appendix B to this proxy statement. The Audit Committee held six (6) meetings during the fiscal year ended December 31, 2012.

Mark E. Holliday (Chair), Steven D. Scheiwe and Michael Willingham, each of whom meets the financial literacy and independence requirements for audit committee membership specified in the NASDAQ listing standards and rules adopted by the Securities and Exchange Commission (the "SEC"), are the current members of the Audit Committee. The board of directors has determined that each member is qualified to be an audit committee financial expert as defined in the SEC's rules.

The Audit Committee's duties and responsibilities include: (a) selection, retention, compensation, evaluation, replacement and oversight of WMIHC's independent registered public accounting firm, including resolution of disagreements between management and the independent auditors regarding financial reporting; (b) establishment of policies and procedures for the review and pre-approval of all audit services and permissible non-audit services to be performed by WMIHC's independent registered public accounting firm; (c) review and discuss with management and the independent auditors, the annual audited financial statements (including the report of the independent auditor thereon) or quarterly unaudited financial statements contained in WMIHC's periodic reports with the SEC; (d) obtain and review a report from the independent registered public accounting firm describing WMIHC's internal quality control procedures; (e) periodic assessment of WMIHC's accounting practices and policies and risk and risk management; (f) review policies and procedures with respect to transactions between WMIHC and related-persons and review and approve those related-person transactions that would be disclosed pursuant to SEC Regulation S-K, Item 404; (g) establishment of procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters, in each case, pursuant to and to the extent required by laws, rules and regulations applicable to WMIHC; and (h) oversight of the Code of Ethics for senior financial officers and development and monitoring of compliance with the code of conduct applicable to the WMIHC's directors, officers and employees, in each case, pursuant to and to the extent required by laws, rules and regulations applicable to WMIHC.

Compensation Committee

The members of the Compensation Committee are Timothy R. Graham (Chair), Eugene I. Davis and Steven D. Scheiwe, each of whom is an independent director as defined in Rule 5605(a)(2) of the NASDAQ listing standards. The Compensation Committee is governed by a written charter, a copy of which is attached as Appendix C to this proxy statement. During the fiscal year ended December 31, 2012, the Compensation Committee held four (4) meetings.

Table of Contents

Responsibilities and Processes of Compensation Committee. The board of directors has delegated to the Compensation Committee responsibility for considering and approving the compensation programs and awards for all of WMIHC's executive officers, including the named executive officers identified in the 2012 Summary Compensation Table on page 26 below who commenced service on or after March 19, 2012. The Compensation Committee consists entirely of independent, non-employee directors. The Compensation Committee is responsible for: (a) reviewing WMIHC's overall compensation philosophy and related compensation and benefit policies, programs and practices; (b) reviewing and approving goals and objectives relevant to compensation of the Chief Executive Officer, the Chief Financial Officer and other executive officers; (c) reviewing and recommending equity compensation plans; (d) overseeing and reviewing the non-employee director compensation program; (e) reviewing and discussing with WMIHC's management the compensation discussion and analysis, if required by the Exchange Act and recommending to the board of directors, if appropriate, for inclusion in WMIHC's proxy statement; and (f) monitoring compliance with applicable laws governing executive compensation.

Engagement of Independent Consultant. During 2012, the Compensation Committee engaged the services of Towers Watson, an independent consultant, to assist in designing WMIHC's director compensation program to meet our goals and objectives. Towers Watson was instructed and directed to provide reports, updates and related advice to the committee regarding the compensation paid to directors at similar companies who hold positions similar to those of our directors. Towers Watson also advised on structuring the equity compensation component of directors compensation and appropriate measures for determining the stock's fair market value for purposes of determining the number of restricted shares to grant to the directors. The fees paid and equity granted to non-employee directors for fiscal 2012, were recommended to the Compensation Committee by Towers Watson, approved and recommended to the board by the Compensation Committee and approved by the board of directors.

Role of Executive Officers. WMIHC has two executive officers: (a) Charles Edward Smith, its President, Interim Chief Executive Officer, Interim Chief Legal Officer and Secretary; and (b) Timothy F. Jaeger, its Interim Chief Financial Officer and Interim Chief Accounting Officer. In addition, Mr. Smith is an employee and General Counsel of the Trust.

Mr. Smith provides services to WMIHC under the Transition Services Agreement, dated March 23, 2012, by and between WMIHC and the Trust (as amended, the Transition Services Agreement), under which Mr. Smith provides certain designated services to the Company. Under the Transition Services Agreement, each party has agreed to make available to the other party certain services and employees as described therein. Pursuant to the Transition Services Agreement, we have agreed to reimburse the Trust at a fixed rate per hour in exchange for Mr. Smith's services as an executive of WMIHC. Mr. Jaeger provides services to the Company under an Engagement Agreement, effective May 28, 2012, entered into by and between WMIHC and CXO Consulting Group, LLC (as amended, the Engagement Agreement), under which Mr. Jaeger acts as Interim Chief Accounting Officer and Interim Chief Financial Officer to WMIHC.

Subject to the terms of those agreements, the executive officers are elected by and serve at the discretion of WMIHC's board of directors. Mr. Smith on behalf of the Trust, and Mr. Jaeger on behalf of CXO Consulting Group, LLC, negotiated their respective reimbursement or compensation arrangements (as the case may be) with the Chairman of the Board and were approved by the board and the Compensation Committee. Neither Mr. Smith nor Mr. Jaeger was present at the Compensation Committee's deliberations or approval of their respective reimbursement or compensation agreements.

Mr. Smith was present during the Compensation Committee's deliberations and approval process regarding compensation of non-employee directors.

Corporate Strategy and Development Committee

The members of the Corporate Strategy and Development Committee (CS&D Committee) are Eugene I. Davis (Chair), Diane B. Glossman and Michael Renoff, each of whom is an independent director as defined in Rule 5605(a)(2) of the NASDAQ listing standards. The CS&D Committee is governed by a written charter. The purpose of the CS&D Committee is to support the board of directors with the identification, review and assessment of potential acquisitions and strategic or business investment opportunities. During the fiscal year ended December 31, 2012, the CS&D Committee held eight (8) meetings and is actively engaged in pursuing acquisition opportunities for the Company.

Upon the recommendation of the CS&D Committee, the Company retained Blackstone Advisory Partners L.P. to assist WMIHC in developing our acquisition strategy and to provide financial advisory services in connection with potential transactions. Under the terms of the agreement, Blackstone Advisory Partners L.P. is working with us to consider potential mergers, acquisitions or business combinations and is assisting us with developing an acquisition strategy, identifying and evaluating strategic opportunities, collecting and analyzing information regarding potential target companies, determining the valuation of potential target companies and advising on capital-raising, if needed, to fund our external growth strategy. In connection with the foregoing, we may explore various financing alternatives to fund our external growth strategy, which may result in changes to our capital structure, including financing alternatives such as increasing, reducing and/or refinancing debt; pursuing capital raising activities, such as the issuance of new preferred or common equity and/or a rights offering to our existing shareholders; launching an exchange offer; and pursuing other transactions involving our outstanding securities. There can be no assurance that any transaction will occur or if so, on what terms.

Nominating Function

The board of directors has no standing nominating committee nor does it have a committee performing similar functions. Furthermore, it has no nominating committee charter. Since WMIHC recently emerged from bankruptcy, the board of directors has determined that it is more efficient and cost effective for the entire board of directors to consider nominees for director instead of a separate nominating committee. The board of directors will evaluate, from time to time, the desirability of a separate nominating committee, and will establish a committee if it deems that doing so would benefit WMIHC. The board of directors has determined that each of the directors standing for reelection is independent as defined in Rule 5605(a)(2) of the NASDAQ listing standards.

The entire board of directors is responsible for identifying individuals qualified to become directors of WMIHC, recommending to the board of directors candidates for election, and recommending individuals to serve on each board committee. It is also responsible for addressing and approving board organizational issues, governance guidelines, committee structure and membership, and succession planning for WMIHC's chief executive officer position.

With the exception of the FA Director requirements set out in the Bylaws, the board has not adopted any specific, minimum qualifications for director candidates. In evaluating potential director nominees, the board will take into account all factors that it considers appropriate, including strength of character, maturity of judgment, career specialization, relevant technical skills, financial acumen, diversity of viewpoints, industry knowledge, and the highest personal and professional ethics, integrity and sound business judgment.

In determining whether to recommend nomination of current directors for re-election, the board performed a board self-assessment evaluation. Non-employee directors are generally expected to retire upon reaching age 75 or completing ten years of service, whichever is later.

When the board is required to identify new director candidates because of a vacancy or a desire to expand the board, the board will poll current directors for suggested candidates. The board has the authority to hire a

Table of Contents

third party search firm if it deems such action to be appropriate. Once potential candidates are identified, the board will conduct interviews with the candidates and perform such investigations into the candidates' background as the board deems appropriate.

Formal nomination of candidates by shareholders requires compliance with Section 2.13 of our Bylaws. Shareholders wishing to suggest a candidate to the board should do so by nominating the person in accordance with the procedures set forth in Section 2.13 of our Bylaws, including sending the candidate's name, biographical information, and qualifications to the Secretary of the Company at WMI Holdings Corp., 1201 Third Avenue, Suite 3000, Seattle, Washington 98101. Candidates suggested by shareholders will be evaluated by the same criteria and process as candidates from other sources.

RISK MANAGEMENT

WMIHC has developed and maintains processes to manage risk in its operations. The board of director's role in risk management is primarily one of oversight, with day-to-day responsibility for risk management implemented by the management team. The board of directors executes its oversight role directly and through its various committees. The Audit Committee has principal responsibility for implementing the board of director's risk management oversight role. The Audit Committee is also responsible for reviewing conflict of interest transactions and handling complaints about accounting and auditing matters and violations of WMIHC's Code of Conduct and Code of Ethics. Any waivers of the codes for executive officers and directors must be submitted to the Chair of the Audit Committee and may be made only by the board. The Audit Committee monitors certain key risks, such as risk associated with internal control over financial reporting, liquidity risk and risks associated with potential business acquisitions, in addition to assessing the risks in proposed financing or investments of the Company. The Compensation Committee assesses risks created by the incentives inherent in WMIHC's compensation policies. Finally, the full board of directors reviews strategic and operational risk in the context of reports from the management team and the board committees.

LEADERSHIP STRUCTURE

Since our emergence from Chapter 11 bankruptcy, the positions of Chairman of the Board and Chief Executive Officer have been held by two different individuals. The board has determined that Mr. Willingham, who is presently serving as Chairman of the Board, is independent under NASDAQ listing standards. The board believes that this structure is appropriate for the Company at this time. Each of WMIHC's board committees is made up solely of independent directors and sets its own agenda. The independent directors also meet in executive session on a regular basis without management present.

CODE OF ETHICS

WMIHC has adopted a Code of Ethics for senior financial officers, which is applicable to its chief executive officer, president, principal financial officer, and principal accounting officer. The Code of Ethics focuses on honest and ethical conduct, the adequacy of disclosure in WMIHC's financial reports, and compliance with applicable laws and regulations. The Code of Ethics is available as Exhibit 14 to WMIHC's Annual Report on Form 10-K and is administered by the Audit Committee.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

Communications by shareholders to the board of directors should be sent to the attention of the Chairman of the Board, in care of Charles Edward Smith, Interim Chief Executive Officer, WMI Holdings Corp., 1201 Third Avenue, Suite 3000, Seattle, Washington 98101. Such communications will be forwarded unopened to the individual serving as Chairman of the Board, who will be responsible for responding to or forwarding such communications as appropriate, including communications directed to individual directors or board committees. Communications will not be forwarded if the Chairman of the Board determines that they do not appear to be within the scope of the board's (or such other intended recipient's) responsibilities or are otherwise inappropriate or frivolous.

Narrative to Director Compensation Table***Pre-Emergence Director Compensation***

With respect to those directors who served during fiscal year 2012 and resigned on the date of our emergence from Chapter 11 bankruptcy in accordance with the Bankruptcy Plan (the Pre-Emergence Directors), such directors received a monthly cash payment of \$5,000 during the post-petition term of their service. In addition, Mr. Frank, as Chairman, received an additional \$7,500 per month. Messrs. Fishman and Stever and Mrs. McQuade received an additional \$2,500 per month for serving on WMI's Operations Committee; Mr. Frank did not accept any additional compensation for his service on WMI's Operations Committee. The monthly payments were prorated for the month of March to reflect partial service on account of our emergence from Chapter 11 bankruptcy on March 19, 2012. The Pre-Emergence Directors also were entitled to reimbursement for expenses they incurred for serving on the board. During the pendency of the Company's Chapter 11 bankruptcy, except as disclosed above, these Pre-Emergence Directors did not receive any other bonus payments, equity awards or any other compensation in any form.

Post-Emergence Director Compensation

Edgar Filing: WMI HOLDINGS CORP. - Form DEF 14A

In establishing compensation for non-employee directors for service during fiscal 2012 and commencing after our emergence from Chapter 11 bankruptcy (the Post-Emergence Directors), the Compensation Committee and our board considered recommendations of an independent compensation consultant and reviewed information provided by the consultant, including information regarding compensation paid to directors of

similar companies collected by the compensation consultant and derived from other sources. Director compensation has three components: (1) annual cash retainer for board service; (2) annual cash retainers based on committee chair positions and committee membership; and (3) annual restricted stock grants. The annual cash retainer for board service was \$100,000. Annual retainers for committee or chair service include: (i) \$10,000 for each non-Chair member of the Audit Committee; (ii) \$10,000 for each non-Chair member of the Corporate Strategy and Development Committee; (iii) \$5,000 for each non-Chair member of the Compensation Committee; (iv) \$50,000 for being Chairman of the Board; (v) \$25,000 for the Audit Committee Chair; (vi) \$25,000 for the Corporate Strategy and Development Committee Chair; and (vii) \$12,500 for the Compensation Committee Chair. All retainers for fiscal 2012 for Post-Emergence Directors were prorated based on the board service commencement date of March 19, 2012. All retainers were paid in quarterly installments, in advance, on the last day of the prior quarter. WMIHC also reimburses directors for their travel expenses for each meeting attended in person; however, reimbursement amounts are not included in the totals above.

Each Post-Emergence Director also received an annual restricted stock grant issued pursuant to the Company's 2012 Long-Term Incentive Plan (the Plan). The value of the restricted stock grant was based on an annual value of \$100,000, prorated for 2012 based on the board service commencement date of March 19, 2012, resulting in a grant date fair value of \$78,630. The number of shares in the grant is based on the fair market value of the Company's common stock as of the grant date. The board determined that the fair market value should be determined based on the trading of the Company's stock on the OTC Market. The trading closing value as of the grant date of October 18, 2012 was \$0.4761 per share, resulting in a grant of 165,154 shares per director. The restricted stock grant vests in three equal installments on March 19 of each year over a three year period, subject to continued service as a director through the vesting dates. The 2012 restricted stock grant will be fully vested on March 19, 2015. The shares also immediately vest in the event of a Change of Control, as defined in the Plan. Directors are subject to stock ownership guidelines that require that the director must at all times during service on the board hold shares of the WMIHC's stock equal to 50% of the aggregate number of shares awarded to the director as director compensation and that have vested. To monitor the guideline, board members are not permitted to sell shares without Compensation Committee approval.

Upon our emergence from Chapter 11 bankruptcy on March 19, 2012, all outstanding shares of the old common stock, including all equity awards that were issued and/or traded under the trading symbols WM or WAMUQ were cancelled pursuant to the Bankruptcy Plan. As a result, our executive officers are not currently beneficial owners of the common stock. Mr. Kosturos, as liquidating trustee, is the escrow agent for the Disputed Equity Escrow; however, in accordance with the Bankruptcy Plan, the liquidating trustee does not have a pecuniary interest in, or investment control over, the shares of common stock held in the Disputed Equity Escrow. Consequently, these shares are not deemed to be beneficially owned by Mr. Kosturos or the Trust.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

This compensation discussion and analysis discusses the principles underlying our executive compensation program and the important factors relevant to the analysis of the compensation of our executive officers in 2012 following our emergence from Chapter 11 bankruptcy on March 19, 2012 (the Emergence Date). Our Interim Chief Executive Officer and Interim Chief Financial Officer, the individuals who commence service on behalf of WMIHC on or after the Emergence Date, are referred to as our Named Executive Officers. All other named executive officers on the 2012 Summary Compensation Table on page 26 below were officers of WMI prior to the Emergence Date (and not WMIHC), and the compensation reflected on the 2012 Summary Compensation Table for such other named executive officers was approved by WMI's board of directors, and reflects compensation paid for services rendered, prior to the Emergence Date. Such compensation was not approved or reviewed by the Compensation Committee or our current board of directors.

Compensation Objectives and Philosophy

Due to the nature of the Company's business transition and emergence from Chapter 11 bankruptcy, the primary objectives of the 2012 executive compensation programs established by the Compensation Committee were to retain executive officers and employees capable of: (a) ensuring the Company's compliance, including with respect to the Indentures and the Financing Agreement; (b) operating the Company's reinsurance subsidiary, WM Mortgage Reinsurance Company, Inc., in runoff mode; and (c) complying with the periodic disclosure and other obligations of a publicly traded company. Although requested to provide assistance as required, our executive officers are not primarily responsible for the Company's primary business objective of identifying and assessing potential acquisitions and developing business investment opportunities as that responsibility rests with the board and its Corporate Strategy and Development Committee. As such, during this transition period, the compensation objectives did not include providing compensation incentives for achieving performance objectives. To achieve the objectives of attracting and retaining suitable executive officers, the 2012 executive compensation philosophy was comprised of the following key principles:

Establish executive compensation appropriate for the varying degrees of executive responsibility, accountability and impact on the Company's business.

Ensure compensation is reasonably competitive relative to similarly sized companies, taking into account that our only operating business is WM Mortgage Reinsurance Company, Inc., which is being operated in runoff mode.

Ensure a flexible compensation structure to facilitate acquisitions or restructurings and the hiring of permanent officers, including a chief executive officer and chief financial officer.

Business Context for Compensation Decisions

The 2012 compensation program for Named Executive Officers was influenced by the desire to retain interim executives providing services on an independent contractor basis, which the board believes will facilitate the Company's ability to transition to the appropriate permanent executive officers as the Company determines its future business strategy. The board determined that given their background experience, Messrs. Smith and Jaeger were appropriately positioned for their respective interim roles for purposes of maintaining operational stability and continuity while the board makes progress on positioning the Company for future growth. The board also determined that these executive officers would be most cost-effectively employed through the independent contractor structure, rather than a full time employment position. In addition, the Company has two employees that are subject to employment agreements, but are not executive officers.

The discussion that follows elaborates on the decision-making process governing the compensation of our Named Executive Officers, our compensation philosophy, and the specific elements of compensation paid to our Named Executive Officers in 2012.

Table of Contents

Role of the Compensation Committee

The Compensation Committee of the board of directors is responsible for the oversight of our executive compensation program. Each director who served on the Compensation Committee in 2012 was, and each current member of the Compensation Committee is, a non-employee director within the meaning of SEC Rule 16b-3, an outside director within the meaning of IRC Section 162(m) of the Internal Revenue Code of 1986, as amended, and an independent director under NASDAQ listing standards. The Compensation Committee's purpose is to discharge the board's responsibilities relating to compensation of our executive officers and to adopt policies that govern our compensation and benefit programs in a manner that supports both our short and long term business strategies. The Compensation Committee has overall responsibility for approving and evaluating our executive officer compensation plans, policies and programs. The Compensation Committee may delegate authority to subcommittees, retain or terminate compensation consultants and obtain advice and assistance from internal or external legal, accounting or other advisers.

Role of Compensation Committee Consultants in Compensation Decisions

Under its charter, the Compensation Committee may periodically engage independent compensation consultants to provide assistance and advice as it discharges its responsibilities under its written charter. The duties of compensation consultants engaged by the Compensation Committee may include periodically reviewing the Company's compensation programs to confirm that they are consistent with the executive compensation philosophy and objectives established by the Compensation Committee. Compensation consultants may also advise the Compensation Committee on emerging trends and issues related to the compensation of executive officers and directors and provide recommendations on the appropriate composition of peer group and market data sources to be used by the Compensation Committee as reference points for executive compensation decisions.

In 2012, the Compensation Committee retained Towers Watson as its independent third party consultant to provide advice and recommendations in connection with the establishment of appropriate compensation of our directors. Towers Watson did not advise the committee with respect to executive compensation. Towers Watson provides no other services to the Company and has no prior relationship with any of the named executive officers. The Compensation Committee has verified that the compensation consultant does not have any business or personal relationships with any Committee members or with Company management and that the compensation consultant does not own any Company stock.

Elements of Compensation

Since our emergence from Chapter 11 bankruptcy, the only element of compensation for our Named Executive Officers is cash compensation paid for services provided to WMIHC by each of these individuals pursuant to the Transition Services Agreement, in the case of Mr. Smith, and the Engagement Agreement, in the case of Mr. Jaeger. Messrs. Smith and Jaeger negotiated their respective compensation arrangements with WMIHC. The terms of both those agreements were negotiated and reviewed by the board of directors and the Compensation Committee. The compensation arrangements contained therein were considered to be adequate for purposes of supporting the current goals and objectives of the Company.

The cash compensation compensates the executive officers for services rendered in fulfilling their day-to-day roles and responsibilities needed to run the business as it currently exists. The amount of cash compensation for Named Executive Officers was determined for each interim executive based on position, responsibility, and experience (including, in the case of Mr. Smith, familiarity with the Company's past and current operations). Given the interim nature of the engagements and the simplicity of the compensation structure, as well as the dearth of similarly situated companies, the Compensation Committee did not conduct a specific analysis of compensation of executives at peer companies; however, based on the experience of the board members and the Compensation Committee members, the Compensation Committee determined that the cash compensation level was appropriate under our circumstances.

Table of Contents

Since emerging from Chapter 11 bankruptcy, because of the interim nature of the executive positions, our Named Executive Officers were not provided with any performance-based cash incentive compensation, discretionary cash bonus awards, retention arrangements, equity incentive compensation, benefits, perquisites, severance or change in control benefits.

Compensation of the Chief Executive Officer

Two individuals served in the role of Chief Executive Officer in 2012. Mr. Alan Fishman served as Chief Executive Officer until the Emergence Date and Mr. Smith has served as Interim Chief Executive Officer thereafter. See the 2012 Summary Compensation Table on page 26 below. The compensation of Mr. Fishman was not determined by WMIHC's Compensation Committee and such compensation was paid prior to the Emergence Date. Mr. Smith is compensated pursuant to the Transition Services Agreement with the Trust, Mr. Smith's employer, at an hourly rate and not to exceed 40 hours per month (unless otherwise consented to by the parties). Mr. Smith has regularly worked more than 40 hours per month, for which the Trust has been compensated accordingly pursuant to the Transition Services Agreement.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally limits the federal corporate income tax deduction for compensation paid by a public company to its chief executive officer and certain other executive officers to \$1 million in the year the compensation becomes taxable to the executive, unless the compensation is performance-based compensation or qualifies under certain other exceptions. No executive was paid an amount in 2012 where this provision would have been applicable. The Compensation Committee intends to seek to qualify executive compensation for deductibility under Section 162(m) to the extent consistent with the best interests of the Company. Since corporate objectives may not always be consistent with the requirements for full deductibility, it is conceivable that we may enter into compensation arrangements in the future under which payments are not deductible under Section 162(m). Deductibility will not be the sole factor used by the Compensation Committee in ascertaining appropriate levels or modes of compensation.

Compensation Recovery Policy

The Company does not have any incentive based compensation tied to performance at this time. Therefore, the Company has not implemented a policy regarding retroactive adjustments to any cash or incentive compensation paid to our executive officers and other employees where the payments were predicated upon the achievement of financial results that were subsequently the subject of a financial restatement. Our Compensation Committee intends to adopt a general compensation recovery (clawback) policy covering our annual and long-term incentive award plans and arrangements after the SEC adopts final rules implementing the requirement of Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act. In addition, if the Company is required to restate its financial results due to material noncompliance with any financial reporting requirements under the federal securities laws, our chief executive officer and chief financial officer may be legally required to reimburse us for any bonus or other incentive-based or equity-based compensation they receive pursuant to the provisions of Section 304 of the Sarbanes-Oxley Act of 2002.

Narrative to Summary Compensation Table

Pre-Emergence Compensation of Named Executive Officers

Prior to the Emergence Date, Mr. Fishman served as WMI s Chief Executive Officer and was compensated in 2010, 2011, and 2012 solely through director fees. Prior to the Emergence Date, Mr. Williams served as President of WMI and was paid cash compensation, which compensation was approved by the bankruptcy court. Prior to the Emergence Date, Mr. Smith served as General Counsel, Executive Vice President and Secretary of WMI, and was compensated pursuant to the terms of his employment arrangement with WMI. Mr. Smith was awarded discretionary bonuses by WMI in 2010 and 2011, and a prorated discretionary bonus in 2012, for services rendered prior to the Emergence Date. Mr. Maciel and Mr. Kosturos served as Chief Restructuring Officer and Chief Financial Officer, respectively, of WMI prior to the Emergence Date and received cash compensation pursuant to an arrangement between WMI and Alvarez & Marsal North America, LLC, which arrangement was approved by the bankruptcy court.

Post-Emergence Compensation of Named Executive Officers

Since the Emergence Date, WMIHC has had only two executive officers, Mr. Smith and Mr. Jaeger, both of whom are independent contractors, paid solely cash compensation pursuant to the terms of their respective compensation arrangements with WMIHC.

Mr. Smith provides services to WMIHC as Interim Chief Executive Officer pursuant to the Transition Services Agreement with the Trust, Mr. Smith s employer. WMIHC pays the Trust an hourly rate of approximately \$400 (inclusive of overhead charges) for Mr. Smith s services. Mr. Smith provides a maximum of 40 hours per month pursuant to the Transition Services Agreement (unless otherwise consented to by the parties).

Mr. Jaeger has provided services as Interim Chief Accounting Officer since May 28, 2012 and Interim Chief Financial Officer since June 25, 2012 pursuant to an Engagement Agreement with CXO Consulting Group, LLC (CXOC), which is owned by Mr. Jaeger. The rate of compensation under the Engagement Agreement was initially \$15,000 per month, but was increased to \$20,000 per month effective October 1, 2012 to reflect the increased time commitment required of Mr. Jaeger to fulfill the duties of Interim Chief Financial Officer. WMIHC also reimburses CXOC for related out of pocket expenses, which are not reflected in the 2012 Summary Compensation Table. The Engagement Agreement renews for successive three-month terms, unless either party terminates with 30 days notice prior to the termination of the applicable term.

Potential Payments upon Termination or Change in Control

WMIHC has no obligation for severance and other benefits payable to the Named Executive Officers following termination of employment or a change in control of WMIHC.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee is an executive officer or former officer of the Company. In addition, no executive officer of the Company served on the board of directors of any entity whose executive officers included a director of the Company.

MATTERS RELATING TO OUR AUDITORS

Selection of Independent Auditors

The Audit Committee has appointed and engaged Burr Pilger Mayer, Inc. to be WMIHC's independent auditors for the Company's fiscal year ending December 31, 2013. Burr Pilger Mayer, Inc. was also engaged by the Audit Committee to audit WMIHC's financial statements for the fiscal years ended December 31, 2012 and December 31, 2011. A representative of Burr Pilger Mayer, Inc. is expected to either be present or available by phone at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so. Such representative will be available to respond to appropriate questions. As described under the Proposal 2 Ratification of Appointment of Independent Registered Public Accounting Firm section of this proxy statement on page 9 above, the shareholders are being asked to ratify the selection of Burr Pilger Mayer, Inc. as our independent auditors for the fiscal year ending December 31, 2013.

On April 10, 2012, the Audit Committee approved the dismissal of Deloitte & Touche LLP (Deloitte) as WMIHC's independent registered public accounting firm. Deloitte had not performed any auditing services for WMIHC since on or about September 26, 2008. As such, Deloitte did not issue a report on WMIHC's consolidated financial statements for the fiscal years ended December 31, 2011 and 2010 and therefore, there is no report which could contain an adverse opinion or disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope or accounting principles.

Table of Contents

As Deloitte performed no auditing or other services for the Company since on or about September 26, 2008 there were: (a) no disagreements (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) between the Company and Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Deloitte would have caused Deloitte to make reference thereto in connection with a report; and (b) no reportable events (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

On April 12, 2012, the Company provided Deloitte with a copy of the disclosures it made in response to Item 304(a) of Regulation S-K in the Current Report on Form 8-K filed on April 16, 2012 and requested that Deloitte provide the Company with a letter addressed to the SEC stating whether or not Deloitte agrees with the above disclosures. On April 20, 2012, Deloitte provided a letter stating that it agreed with the disclosures and a copy of the letter dated April 20, 2012 is attached as Exhibit 16.1 to Amendment No. 1 Current Report on Form 8-K/A filed on April 24, 2012.

On April 10, 2012, the Audit Committee approved the appointment of Burr Pilger Mayer, Inc. as the Company's new independent registered public accounting firm, effective immediately, to perform independent audit services for the Company. Prior to the appointment of Burr Pilger Mayer, Inc., neither the Company, nor anyone on its behalf, had consulted with Burr Pilger Mayer, Inc. during the Company's two most recent fiscal years and for fiscal 2012 through April 10, 2012, in any matter regarding: (a) either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and no written report or oral advice was provided to the Company that Burr Pilger Mayer, Inc. concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (b) any matter that was the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

CERTAIN RELATIONSHIPS AND TRANSACTIONS

Transition Services Agreement

On March 23, 2012, WMIHC and the Trust entered into the Transition Services Agreement. Pursuant to the Transition Services Agreement, each party has agreed to make available to the other certain services and employees, including the services of Charles Edward Smith who is our President, Interim Chief Executive Officer, Interim Chief Legal Officer and Secretary. In addition, we pay a monthly overhead charge of \$8,468.00 to the Trust under the Transition Services Agreement for office space, common area space and use of supplies and equipment. The Trust was established as part of the Bankruptcy Plan. The Trust emerged on the effective date of the Bankruptcy Plan and was formed for the purpose of holding, managing and administering the Liquidating Trust Assets (as defined in the Bankruptcy Plan) on behalf of the Trust's beneficiaries, and distributing the proceeds thereof to such beneficiaries. The Trust is managed by a trustee, William Kosturos, and a Trust Advisory Board. Michael Willingham, Chairman of the Board, board member and Audit Committee member of WMIHC, is also a member of the Trust Advisory Board and the Litigation Subcommittee of the Trust. WMIHC paid the Trust approximately \$321,000 for services provided under the Transition Services Agreement in 2012, of which \$163,778 was paid for the services of Mr. Smith. Based on disclosures by the Trust in its recently filed Form 10-K as of April 1, 2013, the Trust holds approximately \$114.8 million of our Runoff Notes.

Potential participation by WMIHC in proceeds received with respect to Recovery Claims.

To the extent any electing creditor of the Debtors (as defined in the Bankruptcy Plan) received common stock of WMIHC pursuant to a Reorganized Common Stock Election (as defined in the Disclosure Statement filed in connection with the Bankruptcy Plan), such creditor's share of the Runoff Notes to which the election was effective (*i.e.*, one dollar (\$1.00) of original principal amount of Runoff Notes for each share of common stock of WMIHC) were not issued. As a result, each creditor making such an election conveyed to, and WMIHC retained an economic interest in the Litigation Proceeds (as defined below, and such proceeds do not constitute part of the Liquidating Trust Assets) equal to, fifty percent (50%) of the Litigation Proceeds such creditor otherwise would have received. Litigation Proceeds is defined in the Bankruptcy Plan, in the relevant part, as the recoveries, net of related legal fees and other expenses, of the Trust on account of causes of action against third parties and includes Recovery Claims (as defined in the Bankruptcy Plan). As of the date of this proxy statement, no Litigation Proceeds have been received by the Trust with respect to Recovery Claims, but WMIHC could theoretically receive a portion of any proceeds that are received pursuant to the Bankruptcy Plan. As a member of the Litigation Subcommittee of the Trust, Mr. Willingham participates in overseeing the prosecution of Recovery Claims by the Trust.

Company's Definition of Independence

NASDAQ Stock Market Corporate Governance Requirements 5605(a)(2)

5605. Board of Directors and Committees

(a) Definitions

(2) Independent Director means a person other than an Executive Officer or employee of the Company or any other individual having a relationship which, in the opinion of the Company's board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. For purposes of this rule, Family Member means a person's spouse, parents, children and siblings, whether by blood, marriage or adoption, or anyone residing in such person's home. The following persons shall not be considered independent:

(A) a director who is, or at any time during the past three years was, employed by the Company;

(B) a director who accepted or who has a Family Member who accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:

(i) compensation for board or board committee service;

(ii) compensation paid to a Family Member who is an employee (other than an Executive Officer) of the Company; or

(iii) benefits under a tax-qualified retirement plan, or non-discretionary compensation.

Provided, however, that in addition to the requirements contained in this paragraph (B), audit committee members are also subject to additional, more stringent requirements under Rule 5605(c)(2).

(C) a director who is a Family Member of an individual who is, or at any time during the past three years was, employed by the Company as an Executive Officer;

(D) a director who is, or has a Family Member who is, a partner in, or a controlling Shareholder or an Executive Officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than the following:

(i) payments arising solely from investments in the Company's securities; or

(ii) payments under non-discretionary charitable contribution matching programs.

(E) a director of the Company who is, or has a Family Member who is, employed as an Executive Officer of another entity where at any time during the past three years any of the Executive Officers of the Company serve on the compensation committee of such other entity; or

(F) a director who is, or has a Family Member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

(G) in the case of an investment company, in lieu of paragraphs (A)-(F), a director who is an interested person of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940, other than in his or her capacity as a member of the board of directors or any board committee.

IM-5605. Definition of Independence Rule 5605(a)(2)

It is important for investors to have confidence that individuals serving as Independent Directors do not have a relationship with the listed Company that would impair their independence. The board has a responsibility to make an affirmative determination that no such relationships exist through the application of Rule 5605(a)(2). Rule 5605(a)(2) also provides a list of certain relationships that preclude a board finding of independence. These objective measures provide transparency to investors and Companies, facilitate uniform application of the rules, and ease administration. Because NASDAQ does not believe that ownership of Company stock by itself would preclude a board finding of independence, it is not included in the aforementioned objective factors. It should be noted that there are additional, more stringent requirements that apply to directors serving on audit committees, as specified in Rule 5605(c).

The Rule's reference to the Company includes any parent or subsidiary of the Company. The term parent or subsidiary is intended to cover entities the Company controls and consolidates with the Company's financial statements as filed with the Commission (but not if the Company reflects such entity solely as an investment in its financial statements). The reference to Executive Officer means those officers covered in Rule 16a-1(f) under the Act. In the context of the definition of Family Member under Rule 5605(a)(2), the reference to marriage is intended to capture relationships specified in the Rule (parents, children and siblings) that arise as a result of marriage, such as in-law relationships.

The three year look-back periods referenced in paragraphs (A), (C), (E) and (F) of the Rule commence on the date the relationship ceases. For example, a director employed by the Company is not independent until three years after such employment terminates.

For purposes of paragraph (A) of the Rule, employment by a director as an Executive Officer on an interim basis shall not disqualify that director from being considered independent following such employment, provided the interim employment did not last longer than one year. A director would not be considered independent while serving as an interim officer. Similarly, for purposes of paragraph (B) of the Rule, compensation received by a director for former service as an interim Executive Officer need not be considered as compensation in determining independence after such service, provided such interim employment did not last longer than one year. Nonetheless, the Company's board of directors still must consider whether such former employment and any compensation received would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director. In addition, if the director participated in the preparation of the Company's financial statements while serving as an interim Executive Officer, Rule 5605(c)(2)(A)(iii) would preclude service on the audit committee for three years.

Paragraph (B) of the Rule is generally intended to capture situations where a compensation is made directly to (or for the benefit of) the director or a Family Member of the director. For example, consulting or personal service contracts with a director or Family Member of the director would be analyzed under paragraph (B) of the Rule. In addition, political contributions to the campaign of a director or a Family Member of the director would be considered indirect compensation under paragraph (B). Non-preferential payments made in the ordinary course of providing business services (such as payments of interest or proceeds related to banking services or loans by a Company that is a financial institution or payment of claims on a policy by a Company that is an insurance company), payments arising solely from investments in the Company's securities and loans permitted under Section 13(k) of the Act will not preclude a finding of director independence as long as the payments are non-compensatory in nature. Depending on the circumstances, a loan or payment could be compensatory if, for example, it is not on terms generally available to the public.

Paragraph (D) of the Rule is generally intended to capture payments to an entity with which the director or Family Member of the director is affiliated by serving as a partner, controlling Shareholder or Executive Officer of such entity. Under exceptional circumstances, such as where a director has direct, significant business holdings, it may be appropriate to apply the corporate measurements in paragraph (D), rather than the individual

Table of Contents

measurements of paragraph (B). Issuers should contact NASDAQ if they wish to apply the Rule in this manner. The reference to a partner in paragraph (D) is not intended to include limited partners. It should be noted that the independence requirements of paragraph (D) of the Rule are broader than Rule 10A-3(e)(8) under the Act.

Under paragraph (D), a director who is, or who has a Family Member who is, an Executive Officer of a charitable organization may not be considered independent if the Company makes payments to the charity in excess of the greater of 5% of the charity's revenues or \$200,000. However, NASDAQ encourages Companies to consider other situations where a director or their Family Member and the Company each have a relationship with the same charity when assessing director independence.

For purposes of determining whether a lawyer is eligible to serve on an audit committee, Rule 10A-3 under the Act generally provides that any partner in a law firm that receives payments from the issuer is ineligible to serve on that issuer's audit committee. In determining whether a director may be considered independent for purposes other than the audit committee, payments to a law firm would generally be considered under Rule 5605(a)(2), which looks to whether the payment exceeds the greater of 5% of the recipient's gross revenues or \$200,000; however, if the firm is a sole proprietorship, Rule 5605(a)(2)(B), which looks to whether the payment exceeds \$120,000, applies.

Paragraph (G) of the Rule provides a different measurement for independence for investment companies in order to harmonize with the Investment Company Act of 1940. In particular, in lieu of paragraphs (A)-(F), a director who is an interested person of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940, other than in his or her capacity as a member of the board of directors or any board committee, shall not be considered independent.
