Item 7.01. Regulation FD Disclosure.

On June 12, 2013, Consumers Energy Company (Consumers) filed, with the Michigan Public Service Commission (MPSC), a petition to close the docket or in the alternative, suspend and indefinitely extend the schedule in its present natural gas rate case. Overall non-fuel costs for 2013 are forecast to be lower than anticipated when Consumers originally filed the case. Consumers plans to file a new and amended case containing more recent historical data and an updated projected test year, primarily for rate relief associated with projected capital expenditures.

CMS Energy Corporation reaffirmed its guidance for 2013 adjusted earnings of \$1.63 to \$1.66 per share.

For more information and to obtain a copy of the petition please visit the MPSC s website at:
