**Item 7.01 Regulation FD Disclosure**

On June 26, 2013, the New Hampshire Public Utilities Commission ( NHPUC ) approved a settlement agreement providing for a \$2.5 million temporary rate increase effective July 1, 2013 for the New Hampshire division of Northern Utilities, Inc. ( Northern Utilities ), Unitil Corporation's natural gas distribution utility subsidiary. The settlement agreement was a result of Northern Utilities' base rate case filing earlier this year in April 2013 which included a request for temporary rates, a \$5.2 million permanent increase in base revenue and the recovery of future capital costs associated with operational and safety-related improvements and upgrades. A final rate order on the filing is expected in mid-2014. Once permanent rates are approved by the NHPUC, they will be reconciled to the date temporary rates were established, July 1, 2013.
