Item 14. *Indemnification of Directors and Officers.*

Section 145 of the Delaware General Corporation Law, or the DGCL, provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee or agent to the Registrant. The DGCL provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise. Article Ninth of the Registrant's amended and restated certificate of incorporation provides for indemnification by the Registrant of members of its board of directors, members of committees of its board of directors and of other committees of the Registrant, and its executive officers, and allows the Registrant to provide indemnification for its other officers and its agents and employees, and those serving another corporation, partnership, joint venture, trust or other enterprise at the request of the Registrant, in each case to the maximum extent permitted by the DGCL.

Section 102(b)(7) of the DGCL permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for unlawful payments of dividends or unlawful stock repurchases, redemptions or other distributions or (iv) for any transaction from which the director derived an improper personal benefit. The Registrant's amended and restated certificate of incorporation provides for such limitation of liability.

The Registrant has also entered into separate indemnification agreements with each of its directors which are in addition to the Registrant's indemnification obligations under its amended and restated certificate of incorporation. These indemnification agreements may require the Registrant, among other things, to indemnify its directors against

expenses and liabilities that may arise by reason of their status as directors, subject to certain exceptions. These indemnification agreements may also require the Registrant to advance any expenses incurred by its directors as a result of any proceeding against them as to which they could be indemnified and to obtain and maintain directors' and officers' insurance.

II-1

The Registrant maintains standard policies of insurance under which coverage is provided (a) to its directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act and (b) to the Registrant with respect to payments which may be made by the Registrant to such officers and directors pursuant to the above indemnification provision or otherwise as a matter of law.

The proposed form of underwriting agreement filed as Exhibit 1.1 to this Registration Statement provides for indemnification of directors and officers of the Registrant by the underwriters against certain liabilities.

Item 15. Recent Sales of Unregistered Securities.

Since three years before the date of the initial filing of this Registration Statement, the Registrant has sold the following securities without registration under the Securities Act of 1933, as amended, or the Securities Act:

1. On January 30, 2012, we purchased 87,100 shares of common stock from Mr. Faitelson at a purchase price of \$11.48 per share, representing an aggregate total purchase price of \$999,999. Mr. Faitelson used the proceeds of this sale to pay taxes owed by him due upon the exercise of certain company stock options. We then sold 43,550 of the acquired shares at the same price to affiliates of Accel Partners (of which 42,531 were purchased by Accel Europe L.P. and 1,019 were purchased by Accel Europe Investors 2004 L.P.) and 43,550 of the acquired shares at the same price to affiliates of Pitango (of which 42,629 were purchased by Pitango Venture Capital Fund IV L.P. and 921 were purchased by Pitango Venture Capital Principals Fund IV L.P.).
2. On February 24, 2011, we issued and sold an aggregate of 217,752 shares of our Series E convertible preferred stock, \$0.001 par value per share, in a private placement transaction at a price per share of \$11.48. All shares of our Series E convertible preferred stock are convertible into shares of our common stock at the option of the holder, in whole or in part, at a price of \$11.48 per share. The conversion price is subject to adjustment upon recapitalizations and other events.

We used the net proceeds of this issuance and sale of our Series E convertible preferred stock to pay the purchase price for 108,876 shares of common stock from each of Mr. Faitelson, our President, Chief Executive Officer and director, and Mr. Korkus, our Chief Technology Officer and director, on the same day as described under Certain Relationship and Related Transactions Transactions With Our Directors, Executive Officers and 5% Holders Repurchase of Shares.

The following table sets out the participation in this transaction of all purchasers involved:

Name	Aggregate Consideration Paid	Shares of Series E Convertible Preferred Stock
Accel Europe L.P.	\$ 1,445,844.05	125,934
Accel Europe Investors 2004 L.P.	\$ 34,638.08	3,017
Pitango Venture Capital Fund IV L.P.	\$ 997,971.54	86,924
Pitango Venture Capital Principals Fund IV L.P.	\$ 21,549.77	1,877

TOTAL	\$	2,500,003.44	217,752
-------	----	--------------	---------

3. During this period, we issued to directors, officers and employees options to purchase an aggregate of 847,829 shares of common stock with a weighted average exercise price of \$12.75 per share, pursuant to the our 2005 Plan.

4. During this period, upon the exercise of stock options, we issued 744,829 shares of common stock to certain officers, directors and employees in exchange for \$746,723.

None of these transactions involved any underwriters, underwriting discounts or commissions or any public offering. The securities referenced in 1 and 2 above were issued in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act.

II-2

The securities referenced in 3 and 4 above were issued in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act and Regulation S and Rule 701 thereunder.

Item 16. Exhibits and Financial Statement Schedules.

- (a) The Exhibit Index is hereby incorporated herein by reference.
- (b) All schedules have been omitted because they are not required, are not applicable or the information is otherwise set forth in the Consolidated Financial Statements and related notes thereto.

Item 17. Undertakings.

The undersigned registrant hereby undertakes to provide to the underwriters at the closing specified in the underwriting agreement certificates in such denominations and registered in such names as required by the underwriters to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions referenced in Item 14 of this Registration Statement, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered hereunder, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

- (1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this Registration Statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this Registration Statement as of the time it was declared effective.
- (2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
