Item 8.01 Other Events.

On July 11, 2014, Noble Corporation plc, a public limited company incorporated under the laws of England and Wales (Noble), announced that its board of directors has approved the separation and spin-off of its standard specification offshore drilling business (the Spin-off) through a pro rata distribution of an aggregate of 84,753,393 ordinary shares of its wholly-owned subsidiary, Paragon Offshore Limited, a limited company incorporated under the laws of England and Wales (Paragon Offshore), to the holders of Noble ordinary shares. Noble shareholders will receive one ordinary share of Paragon Offshore for every three ordinary shares of Noble held at 5:00 p.m., New York City time, on the record date of the distribution, July 23, 2014. No fractional Paragon Offshore shares will be issued; however, shareholders entitled to receive a fractional Paragon Offshore share in the distribution will instead receive the cash value of that fractional share. The distribution is expected to occur on August 1, 2014. The distribution is subject to the satisfaction of conditions to the Spin-off described in Paragon Offshore s Registration Statement on Form 10, as filed with the Securities and Exchange Commission. Following the distribution of the Paragon Offshore ordinary shares, Paragon Offshore will be a separate, publicly traded company, and Noble will not retain any ownership interest in Paragon Offshore. A copy of Noble s press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference herein.
