PROPOSAL 1 -APPROVAL OF PROPOSED INVESTMENT ADVISORY AGREEMENT

On May 30, 2014, the Board of Directors, all of whom are Independent Directors, voted to approve and recommend to stockholders the approval of the proposed Investment Advisory Agreement between the Fund and JF International Management Inc. (JFIMI) (the Proposed Agreement). The Proposed Agreement will replace the Interim Investment Adviser Agreement dated, July 22, 2014, between the Fund and JFIMI (the Current Agreement). The Current Agreement replaced the Interim Investment Advisory Agreement dated, February 22, 2014, between the Fund and Allianz Global Investors U.S. LLC (Allianz) (the Prior Agreement). The Prior Agreement replaced the Investment Advisory and Management Agreement, dated February 23, 2012, between Martin Currie, Inc. (Martin Currie) and the Fund (the Martin Currie Agreement). The Prior Agreement was submitted to the stockholders for approval at the Annual Meeting of Stockholders of the Fund held on May 14, 2014 but more shares were voted against approval of a proposed agreement with Allianz than for approval at that meeting. This Special Meeting is being held to permit stockholders to consider approval of the Proposed Agreement.

The Board has concluded that the Proposed Agreement provides for JFIMI to provide substantially the same investment advisory and management services as provided under the Current Agreement. JFIMI 's duties under the Proposed Agreement include making investment decisions, supervising the acquisition and disposition of investments and supervising the selection of brokers or dealers to execute these transactions in accordance with the Fund 's investment objective and policies and within the guidelines and directions established by the Board.

Under the Proposed Agreement, and similar to the terms of the Current Agreement, JFIMI may engage employees of an affiliated non-SEC registered entity through a participating affiliate arrangement to assist JFIMI in providing services to the Fund, provided that JFIMI supervises the services provided by those employees and such engagement will not relieve JFIMI of its obligations under the Proposed Agreement.

Under the Proposed Agreement, JFIMI will bear all expenses arising out of its duties under the Proposed Agreement but will not be responsible for any expenses of the Fund other than those specifically allocated to JFIMI in the Proposed Agreement. In particular, the Fund bears expenses for legal fees and expenses of counsel to the Fund; fees for directors and officers other than those employed by JFIMI; auditing and accounting expenses; taxes and governmental fees; New York Stock Exchange listing fees; dues and expenses incurred in connection with membership in investment company organizations; fees and expenses of the Fund 's custodian, sub-custodian, transfer agents and registrars; fees and expenses with respect to administration (except as may be expressly provided otherwise); expenses for portfolio pricing services by a pricing agent, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering and underwriting of shares issued by the Fund; expenses relating to investor and public relations; expenses of registering or qualifying securities of the Fund for public sale; freight, insurance and other charges in connection with the shipment of the Fund 's portfolio securities; brokerage commissions or other costs of acquiring or disposing of any portfolio holding of the Fund; expenses of preparation

and distribution of reports, notices and dividends to stockholders; expenses of the Fund's dividend reinvestment and cash purchase plan; costs of stationery; any litigation expenses; and costs of stockholders and other meetings. Under the Proposed Agreement, as is the case under the Current Agreement, JFIMI will pay the salaries and expenses of such of the Fund's officers and directors who are directors, officers or employees of JFIMI, *provided, however*, that the Fund, and not JFIMI, will bear travel expenses or an appropriate fraction thereof of directors and officers of the Fund who are directors, officers or employees of JFIMI to the extent that such expenses relate to attendance at meetings of the Board or any committee thereof, and *provided, further*, that such expenses are incurred in accordance with the Fund's travel policy.

Under the Proposed Agreement and the Current Agreement, neither JFIMI nor its affiliates, directors, employees, or agents will be subject to any liability for any act or omission, error of judgment or mistake of law, or for any loss suffered by the Fund in the course of, connected with or arising out of any services to be rendered thereunder, except by reason of the Adviser's willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of the Adviser's reckless disregard of its obligations and duties under the applicable agreement.

The Proposed Agreement may be terminated at any time, without payment of penalty, by JFIMI, or by the Fund acting pursuant to a vote of the Board of Directors or by a vote of a majority of the Fund's outstanding securities (as defined in the 1940 Act) upon sixty days' written notice, and will terminate automatically in the event of its assignment (as defined in the 1940 Act) by JFIMI.

If approved by stockholders, the Proposed Agreement would remain in effect for an initial period of two years from the date it becomes effective. Thereafter, the Proposed Agreement would continue in effect from year to year if its continuance is specifically approved at least annually by (i) a vote of a majority of the Independent Directors, cast in person at a meeting called for the purpose of voting on such approval, and (ii) either a vote of a majority of the Board of Directors as a whole or a majority of the Fund's outstanding shares of common stock as defined in the 1940 Act.

Fee Provisions

Under the terms of the Martin Currie Agreement, Martin Currie was entitled to receive fees for its services, computed daily and payable monthly in US dollars, at the annual rate of 0.90% on the first \$150 million in total net assets under management, 0.80% on the next \$150 million in total net assets under management and 0.70% on total net assets under management over \$300 million.

Under the terms of the Prior Agreement, Allianz was entitled to receive fees for its services, computed daily and payable monthly in US dollars, at the rate of 0.85% per annum of the value of the Fund's average daily net assets up to and including \$150 million of net assets; 0.80% per annum of the value of the Fund's average daily net assets on the next \$150 million of net assets; and 0.70% per annum of the value of the Fund's average daily net assets in excess thereof.

Under the terms of the Current Agreement, services are rendered by JFIMI without fee.

Under the terms of the Proposed Agreement, JFIMI would be entitled to receive fees for its services, computed daily and payable monthly in US dollars, at the rate of 0.90% per annum of the value of the Fund's average daily net assets up to and including \$150 million of net assets; 0.80% per annum of the value of the Fund's average daily net assets on the next \$150 million of net assets; and 0.70% per annum of the value of the Fund's average daily net assets in excess thereof.

The Fund's total net assets as of July 31, 2014 were [\$].

For the fiscal year ended August 31, 2013, the aggregate amount of advisory fees paid by the Fund was \$1,393,636. Had the Proposed Agreement been in place for the fiscal year ended August 31, 2013, the advisory fees paid by the Fund would have been [\$].

Approval Process and the Factors Considered by the Board of Directors in Approving the Proposed Agreements

On September 5, 2013, Martin Currie received a notice from Asset Management Ptd Ltd (APS,) the Fund's sub-adviser, that APS intended to resign as sub-adviser of the Fund effective February 22, 2014. At a special Board meeting held on September 17, 2013, the Board determined it would be appropriate for the Board to meet with Martin

Currie to review the arrangements for the management of the Fund's assets. At that time, and at subsequent Board meetings held on October 8, 2013, November 11, 2013 and December 12, 2013, the Board discussed the ramifications of the APS resignation; the proposal by Martin Currie to continue to serve as the Adviser, subject to the engagement of an individual with the requisite expertise; and possible courses of action in the event that Martin Currie was unable to provide a satisfactory alternative. The Board retained a consultant to assist the Board in identifying and evaluating appropriate alternative investment advisers. After reviewing the consultant's report, a committee of the Board identified three potential investment adviser candidates and requested that those candidates provide certain additional information. Two of those candidates, JFIMI and Allianz, provided additional information, and then were requested to make a presentation to the Board on January 20, 2014. Martin Currie was not included in the later stages of the selection process when it

became clear that it would not be able to employ on a timely basis an experienced Taiwan equity portfolio manager to manage the Fund's portfolio.

Following those presentations and further discussions with the consultant, the Board, at a meeting on January 21, 2014, determined that it would be appropriate to enter into an interim arrangement with Allianz and at the Board meeting held on January 21, 2014, the Board approved the Prior Agreement with Allianz. At that Board meeting, the Board also approved the selection of Allianz as the investment adviser for the Fund and agreed to submit the selection of Allianz for approval by the Fund's stockholders at the next annual stockholders meeting which after adjournments was held in May 2014. At the annual meeting of stockholders held on May 14, 2014, the stockholders of the Fund did not approve the proposed agreement with Allianz.

The Board then determined to ask JFIMI to update the information that it had provided in January 2014 in response to the Fund's Request for Proposal. After considering that information the Board held a meeting on May 30, 2014 during which it received a presentation by JFIMI and discussed the information provided by JFIMI. At that meeting, the Board approved the selection of JFIMI as Investment Adviser to the Fund noting that JFIMI proposed to engage employees of its affiliate, JPMorgan Asset Management (Taiwan) Limited (JPMAM Taiwan) to provide non-discretionary investment advice to JFIMI in its management of the Fund as well as trade execution and other support services via a participating affiliate arrangement. Such arrangement was subject to JPMAM Taiwan receiving necessary regulatory approvals and exemptions. These approvals and exemptions were received on July 16, 2014, which did not provide sufficient time for the Fund to seek approval of its stockholders for the appointment of JFIMI as Investment Adviser before July 21, 2014. The Board therefore entered into the Current Agreement on July 22, 2014 for a maximum term of 150 days with the understanding that it would seek stockholder approval of the Proposed Agreement at the earliest opportunity. The Board now submits the selection of JFIMI for formal approval by the Fund's stockholders at a special stockholders' meeting.

In making this selection the Board noted that JFIMI managed other portfolios containing Taiwan equity securities and that JFIMI proposed to engage employees of JPMAM (Taiwan) to provide non-discretionary investment advice to JFIMI in its management of the Fund as well as trade execution and other support services via a participating affiliate arrangement. The Board also noted that the advisory fee agreed to by JFIMI was the same as under the Martin Currie Agreement and slightly higher than under the Prior Agreement and compared favorably with fees charged by advisers of other U.S. registered closed-end funds that invest in the Greater China region. The Board also considered the terms and conditions of the Proposed Agreement and the nature, scope and quality of services that JFIMI is expected to provide to the Fund. The Board also based its decision on the following considerations, among others, although the Board did not identify any consideration that was all important or controlling, and each Director attributed different weights to the various factors.

Nature, Extent and Quality of the Services provided by the Investment Adviser. The Board reviewed and considered the nature and extent of the investment management services to be provided by JFIMI under the Proposed Agreement. The Board noted the following:

J.P. Morgan Asset Management (JPMAM), which is the brand name for the asset management business of JPMorgan Chase & Co. and its affiliates worldwide, is one of the leading sponsors and administrators of closed-end funds, with over \$14.3 billion of closed-end fund assets under management as of June 30, 2014. The Board also noted that JFIMI managed one other Asian equity closed-end fund.

JFIMI informed the Board that the Fund's portfolio manager is proposed to be Shumin Huang, an officer and portfolio manager of JFIMI with assistance from investment professionals employed by JPMAM Taiwan and supervised by JFIMI through a participating affiliate arrangement. The Board determined that JFIMI appeared to be capable of providing the Fund with investment management services of above average quality.

Performance, Fees and Expenses of the Fund. The Board noted that, at the time of JFIMI's selection by the Board, JFIMI had not been providing services to the Fund; therefore, there were limitations on the Board's ability to evaluate the performance of JFIMI in managing the Fund. Based, however, on JFIMI's performance in managing other portfolios containing Taiwan equity securities utilizing the resources of JPMAM Taiwan, the Board concluded that there was reason to believe that JFIMI could achieve competitive performance over the long term in managing the Fund. The Board also noted that, except for certain compliance and treasury services fees that Martin Currie had been paying, other expenses of the Fund were not expected to increase as a result of the retention of JFIMI.

Economies of Scale. The Board considered the economy of scale benefits that the Fund's stockholders would be afforded as the management fee rate under the Proposed Agreement declines as the Fund's assets grow.

Other Benefits of the Relationship. The Board considered whether there were other benefits that JFIMI and its affiliates may derive from its relationship with the Fund and concluded that any such benefits were likely to be minimal.

Resources of the Proposed Investment Adviser. The Board considered whether JFIMI is financially sound and has the resources necessary to perform its obligations under the Proposed Agreement, noting that JFIMI appears to have the financial resources necessary to fulfill its obligations under the Proposed Agreement.

General Conclusions. After considering and weighing all of the above factors, the Board concluded that it would be in the best interest of the Fund and its stockholders to approve the Proposed Agreement. In reaching this conclusion, the Board did not give particular weight to any single factor referenced above.

Required Vote			

The 1940 Act requires that an investment advisory contract between an investment company and an investment adviser be in writing, that such contract specify, among other things, the compensation payable to the adviser pursuant thereto and that such contract be approved by the holders of a majority of the investment company's outstanding shares of common stock as defined in the 1940 Act and discussed below.

Approval of the Proposed Agreement will require the affirmative vote of a majority of the Fund's outstanding shares of common stock. As defined in the 1940 Act, a majority of the outstanding shares means the lesser of 67% of the voting securities present at the Annual Meeting of Stockholders, if more than 50% of the outstanding shares are present, or more than 50% of the outstanding securities. For this purpose, both abstentions and broker non-votes will have the effect of a vote to disapprove the Proposed Agreement. If this proposal is not approved by stockholders, the Fund will continue under the Current Agreement while the Board of Directors considers other steps.

A Form of the Proposed Agreement is attached as Appendix A.

NOW THEREFORE, in consideration of the mutual covenants hereinafter contained, it is hereby agreed by and between the parties hereto as follows:

1. The Adviser hereby undertakes and agrees, upon the terms and conditions herein set forth, (i) to make investment decisions for the Fund, to prepare and make available to the Fund research and statistical data in connection therewith and to supervise the acquisition and disposition of securities by the Fund, including the selection of brokers or dealers to carry out the transactions, all in accordance with the Fund's investment objectives and policies and in accordance with guidelines and directions from the Fund's Board of Directors; (ii) to assist the Fund as it may reasonably request in the conduct of the Fund's business, subject to the direction and control of the Fund's Board of Directors; (iii) to maintain or cause to be maintained for the Fund all books, records, reports and any other information required under the Investment Company Act of 1940, as amended (the 1940 Act) and to furnish or cause to be furnished all required reports or other information under Taiwan securities laws, to the extent that such books, records and reports and other information are not maintained or furnished by the custodian or other agents of the Fund; (iv) to report regularly to the Fund's Board of Directors on the investment program for the Fund and to furnish the Fund's Board of Directors such periodic and special reports as the Fund's Board of Directors may reasonably request, including, but not limited to, reports concerning investment transactions and performance of the Fund; (v) to provide reasonable assistance to the Fund's administrator as needed in the preparation of reports and notices by the Fund to stockholders, in the preparation of filings with the Securities and Exchange Commission (the SEC) and other regulatory and self-regulatory organizations, including preliminary and definitive proxy materials and post-effective amendments to the Fund's registration statement on Form N-2 under the Securities Act of 1933, as amended, and the 1940 Act, as amended from time to time, (vi) to provide reasonable assistance to the Fund's Board of Directors or the Fund's administrator to determine or confirm the value of any portfolio security for which the Fund's administrator seeks assistance from the Adviser or identifies for review by the Adviser, (vii) to the extent permitted, to assist in such marketing and investor relations activities with respect to the Fund as the Fund may reasonably request, (viii) to vote the Fund's proxies only in accordance with the Adviser's proxy voting policies in effect from time to time, provided that the Fund's Board of Directors has approved the Adviser's proxy voting guidelines including any amendments from time to time; and (ix) to pay the salaries and expenses of such of the Fund's officers and directors as are directors, officers or employees of the Adviser (and to permit its directors, officers or employees to so serve if elected to such positions by the Fund's Board of Directors); provided, however, that the Fund, and not the Adviser, shall bear travel expenses (or an appropriate portion thereof) of directors and officers of the Fund who are directors, officers or employees of the Adviser to the extent that such expenses relate to attendance at meetings of the Board of Directors of the Fund or any committees thereof or advisers thereto and provided further that such expenses are incurred in accordance with the Fund's travel policy in effect at the time. The Adviser shall bear all expenses arising out of its duties hereunder but shall not be responsible for any

expenses of the Fund other than those specifically allocated to the Adviser in this paragraph 1. In particular, but without limiting the generality of the foregoing, the Adviser shall not be responsible for the following expenses of the Fund: organization and certain offering expenses of the Fund (including out-of-pocket expenses, but not including overhead or employee costs of the Adviser or of any one or more organizations acting as participating affiliate of the Adviser); fees payable to any consultants, including an advisory board, if applicable; legal expenses; auditing and accounting expenses; telephone, telex, facsimile, postage and other communication expenses; taxes and governmental fees; stock exchange listing fees; fees, dues and expenses incurred by the Fund in connection with membership in investment company trade organizations; fees and expenses of the Fund's custodians, subcustodians, transfer agents and registrars; payment for portfolio pricing or valuation services to pricing agents, accountants, bankers and other specialists, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering, distribution, sale or underwriting of securities issued by the Fund; expenses of registering or qualifying securities of the Fund for sale; expenses relating to investor and public relations; freight, insurance and other charges in connection with the shipment of the Fund's portfolio securities; brokerage commissions or other costs of acquiring or disposing of any portfolio securities of the Fund; expenses of preparing and distributing reports, notices and dividends to stockholders; costs of stationery; costs of stockholders' and other meetings; litigation expenses; or expenses relating to the Fund's dividend reinvestment and cash purchase plan (except for brokerage expenses paid by participants in such plan).

2. The Fund acknowledges that in rendering investment advisory services to the Fund under this Agreement, the Adviser may use the resources of its affiliate, JPMorgan Asset Management (Taiwan) Limited (JPMAM Taiwan) that is not registered under the U.S. Investment Advisers Act of 1940 (the Advisers Act) to provide non-discretionary investment advice to the Adviser and execute portfolio trades for the Fund. JPMAM Taiwan is a participating affiliate of the Adviser as that term is used in relief granted by the staff of the SEC allowing U.S. registered advisers to use investment advisory and trading resources of unregistered non-U.S. advisory affiliates subject to the regulatory supervision of the registered adviser. JPMAM Taiwan and its employees who provide services to the Fund are considered under the Memorandum of Understanding (MOU) between the Adviser and JPMAM Taiwan to be associated persons of the Adviser as that term is defined in the Advisers Act for purposes of the Adviser's required supervision.

3. In the selection of brokers or dealers and the placing of orders for the purchase and sale of portfolio investments for the Fund, the Adviser shall seek to obtain for the Fund the most favorable price and execution available, except to the extent it may be permitted to pay higher brokerage commissions for brokerage and research services as described below. In using its best efforts to obtain for the Fund the most favorable price and execution available, the Adviser, bearing in mind the Fund's best interests at all times, shall consider all factors it deems relevant, including by way of illustration, price, the size of the transaction, the nature of the market for the security, the amount of the commission, the timing of the transaction taking into account market prices and trends, the reputation, experience and financial stability of the broker or dealer involved and the quality of service rendered by the broker or dealer in other transactions. Subject to such policies as the Fund's Board of Directors may determine, the Adviser shall not be deemed to have acted unlawfully or to have breached any duty created by this Agreement or otherwise solely by reason of its having caused the Fund to pay a broker or dealer that provides brokerage and research services to the Adviser an amount of commission for effecting a portfolio investment transaction in excess of the amount of commission another broker or dealer would have charged for effecting that transaction, if the Adviser determines in good faith that such amount of commission was reasonable in relation

to the value of the brokerage and research services provided by such broker or dealer, viewed in terms of either that particular transaction or the Adviser's overall responsibilities with respect to the Fund and to other clients of the Adviser as to which the Adviser exercises investment discretion. In selecting brokers or dealers to execute a particular transaction and in evaluating the best overall terms available, the Adviser may consider the brokerage and research services (as those terms are defined in Section 28(e) of the Securities Exchange Act of 1934) provided to the Fund and/or other accounts over which the Adviser or an affiliate exercises investment discretion. The Fund hereby agrees with the Adviser that any entity or person associated with the Adviser which is a member of a national securities exchange is authorized to effect any transaction on such exchange for the account of the Fund which is permitted by Section 11(a) of the Securities Exchange Act of 1934 (the "1934 Act"), subject to compliance with the 1940 Act and the rules thereunder.

4. The Fund agrees to pay to the Manager in United States dollars, as full compensation for the services to be rendered and expenses to be borne by the Manager hereunder, a monthly fee which, on an annual basis, is equal to 0.90% per annum of the value of the Fund's average daily net assets up to and including \$150 million of net assets; 0.80% per annum of the value of the Fund's average daily net assets on the next \$150 million of net assets; and 0.70% per annum of the value of the Fund's average daily net assets in excess thereof. All fees and charges payable by the Fund under this Agreement are exclusive of any taxes and shall be paid free of withholding or deduction. If there are any taxes imposed on the remuneration of the Manager, then the remuneration will be grossed up accordingly such that the Manager will receive an amount for remuneration as if the taxes were not imposed. The fees payable to the Manager shall be computed and accrued daily and paid monthly. If the Manager shall serve for less than any whole month, the foregoing compensation shall be prorated.

The value of the net assets of the Fund shall be determined pursuant to the applicable provisions of the valuation policies of the Fund, as amended from time to time.

5. The Adviser agrees that it will not make a short sale of any capital stock of the Fund or purchase any share of the capital stock of the Fund otherwise than for investment. Where the Adviser provides services to the Fund in relation to derivative products, including futures contracts and options, the Adviser shall provide to the Fund, upon request, product specifications and prospectus or offering documents (if any).

6. Nothing herein shall be construed as prohibiting the Adviser from providing investment advisory services to, or entering into investment advisory agreements with, other clients (including other registered investment companies), including clients which may invest in securities of Taiwan issuers, except that the Adviser shall notify the Fund where it acts as the investment adviser or investment manager to any other investment company that is listed on the New York Stock Exchange and has a policy to invest primarily in Taiwan securities. The Fund acknowledges and agrees that the Adviser will not give such notice to the Fund until its appointment as adviser to another investment company is public information. In addition, the Adviser may not utilize information furnished to the Adviser by advisers and consultants to the Fund in providing investment management services to another New York Stock Exchange listed investment company with a policy to invest primarily in Taiwan securities. Nothing contained herein shall be construed as constituting the Adviser as an agent of the Fund.

Whenever the Fund and one or more other accounts or investment companies advised by the Adviser have available funds for investment, investments suitable and appropriate for each shall be allocated in accordance with procedures believed by the Adviser to be equitable to

each entity, which procedures and any amendments thereto shall be provided to the Fund's Board for review. Similarly, opportunities to sell securities shall be allocated in a manner believed by the Adviser to be equitable. The Fund recognizes that in some cases this procedure may adversely affect the size of the position that may be acquired or disposed of for the Fund. In addition, the Fund acknowledges that the persons employed by the Adviser to assist in the performance of the Adviser's duties hereunder will not devote their full time to such service and nothing contained herein shall be deemed to limit or restrict the right of the Adviser or any affiliate of the Adviser to engage in and devote time and attention to other businesses or to render services of whatever kind or nature.

7. (a) The Adviser does not guarantee the future performance of the Fund or any specific level of performance, the success of any investment decision or strategy that the Adviser may use, or the success of the Adviser's overall management of the Fund. The Fund understands that investment decisions made for the Fund by the Adviser are subject to various market, currency, economic, political and business risks, and that those investment decisions will not always be profitable.

(b) The Adviser may rely on information reasonably believed by it to be accurate and reliable. Neither the Adviser nor its officers, directors, employees or agents shall be subject to any liability for any act or omission, error of judgment or mistake of law, or for any loss suffered by the Fund, in the course of, connected with or arising out of any services to be rendered hereunder, except by reason of willful misfeasance, bad faith, or gross negligence on the part of the Adviser in the performance of its duties or by reason of reckless disregard on the part of the Adviser of its obligations and duties under this Agreement. Any person, even though also employed by the Adviser, who may be or become an employee of the Fund and paid by the Fund shall be deemed, when acting within the scope of his employment by the Fund, to be acting in such employment solely for the Fund and not as an employee or agent of the Adviser.

(c) Neither party shall be liable to the other for any indirect, consequential, punitive or special loss or damages under this Agreement.

8. (a) The Adviser agrees to indemnify the Fund for, and hold it harmless against, any and all losses, claims, damages, liabilities (including amounts paid in settlement with the written consent of the Adviser) or litigation (including reasonable legal and other expenses) to which the Fund may become subject ("Losses") as a direct result of Adviser's willful misfeasance, bad faith or gross negligence in the performance of its duties or from reckless disregard by it of its obligations and duties under this Agreement; provided, however, that nothing contained herein shall require that the Fund be indemnified for Losses that resulted from the Fund's or its agent's willful misfeasance, bad faith or gross negligence in the performance of its duties or from reckless disregard by it of its obligations and duties under this Agreement; further provided that the Adviser shall have been given written notice concerning any matter for which indemnification is claimed under this Section.

(b) The Fund agrees to indemnify the Adviser for, and hold it harmless against, any and all Losses to which the Adviser may become subject as a direct result of this Agreement or the Adviser's performance of its duties hereunder; provided, however, that nothing contained herein shall require that the Adviser be indemnified for Losses that resulted from the Adviser's willful misfeasance, bad faith or gross negligence in the performance of its duties or from reckless disregard by it of its obligations and duties under this Agreement; provided that the Fund shall have been given written notice concerning any matter for which indemnification is claimed under this Section.

9. This Agreement shall be in effect for an initial term of two years from the date of this Agreement and shall continue in effect from year to year thereafter, but only so long as such continuance is specifically approved at least annually by the affirmative vote of (i) a majority of the members of the Fund's Board of Directors who are not parties to this Agreement or interested persons of any party to this Agreement, or of any entity regularly furnishing investment advisory services with respect to the Fund pursuant to an agreement with any party to this Agreement, cast in person at a meeting called for the purpose of voting on such approval, and (ii) the holders of a majority of the outstanding voting securities of the Fund. This Agreement may nevertheless be terminated at any time without penalty, on 60 days written notice, by the Fund's Board of Directors, by vote of holders of a majority of the outstanding voting securities of the Fund, or by the Adviser.

This Agreement shall automatically be terminated in the event of its assignment. Any notice to the Fund or the Adviser shall be deemed given when received by the addressee.

10. This Agreement may not be transferred, assigned, sold or in any manner hypothecated or pledged by either party hereto, except as permitted under the 1940 Act or rules and regulations adopted thereunder. It may be amended by mutual agreement of the parties, but only after authorization of such amendment by the affirmative vote of (i) a majority of the members of the Fund's Board of Directors who are not parties to this Agreement or interested persons of any party to this Agreement, or of any entity regularly furnishing investment advisory services with respect to the Fund pursuant to an agreement with any party to this Agreement, cast in person at a meeting called for the purpose of voting on such approval and (ii) if required by applicable SEC rules, regulations or orders, a vote of the holders of a majority of the outstanding voting securities of the Fund,

11. The Adviser may, without cost to the Fund, employ an affiliate or a third party to perform any accounting, administrative, reporting and ancillary services required to enable the Adviser to perform its functions under this Agreement. Notwithstanding any other provision of the Agreement, the Adviser may provide information about the Fund to any such affiliate or other third party for the purpose of providing the services contemplated under this clause. The Adviser will act in good faith in the selection, use and monitoring of affiliates and other third parties, and any delegation or appointment hereunder shall not relieve the Adviser of any of its obligations under this Agreement.

12. This Agreement shall be construed in accordance with the laws of the State of New York, without giving effect to the conflicts of laws principles thereof, provided, however, that nothing herein shall be construed as being inconsistent with the 1940 Act. As used herein, the terms interested person, assignment, and vote of a majority of the outstanding voting securities shall have the meanings set forth in the 1940 Act, the rules and regulations thereunder and interpretations thereof by the SEC or its staff.

13. This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, and it shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart.

14. Each party hereto irrevocably agrees that any suit, action or proceeding against either of the Adviser or the Fund arising out of or relating to this Agreement shall be subject to the jurisdiction of the United States District Court for the Southern District of New York or the Supreme Court of the State of New York, New York County, and each party hereto irrevocably submits to the jurisdiction of each such court in connection with any such suit,

action or proceeding. Each party hereto waives any objection to the laying of venue of any such suit, action or proceeding in either such court, and waives any claim that such suit, action or proceeding has been brought in an inconvenient forum. Each party hereto irrevocably consents to service of process in connection with any such suit, action or proceeding by mailing a copy thereof by registered or certified mail, postage prepaid, to its address as set forth in this Agreement.

15. The Adviser represents and warrants that it is duly registered as an investment adviser under the U.S. Investment Advisers Act of 1940 and licensed by the Hong Kong Securities and Futures Commission (the SFC) to carry out Type 4 (advising on securities), and Type 9 (asset management) regulated activities as set out in Schedule 5 to the Securities and Futures Ordinance. The Adviser s CE number with the SFC is ABG492. JPMAM Taiwan has received a license from the Financial Supervisory Commission (the FSC) in the Republic of China to provide services under the MOU. The Adviser will use its reasonable efforts to, and to procure JPMAM Taiwan (as the case may be) to, maintain in effect such registration and license during the term of this Agreement. The MOU complies with the laws and regulations of the Republic of China.

The Fund acknowledges that the Fund may have provided and may, from time to time, provide certain personal information on individuals relating to the Fund and/or a third party (Data) to the Adviser. The Fund acknowledges that the Adviser has informed the Fund of its right to request access to and/or correction of the Data which the Adviser may hold and that request may be made to the Personal Data Officer of the Adviser at its principal place of business in Hong Kong as stated at the beginning of this Agreement. The Fund further acknowledges that the Adviser has informed the Fund and the Fund hereby consents that Data may be collected, held, processed, disclosed or used by the Adviser and transferred to any office of the Adviser, any of Adviser s holding companies or Associates, any of the Adviser s agents and any other third party which provides services to the Adviser, within or outside Hong Kong, for the purposes of the Adviser or any such other entity providing the services contemplated under this Agreement and to facilitate the provision by an affiliate to the Fund of potential additional products and services. The Fund represents and warrants that appropriate consent has been obtained from the relevant individuals for such collection, storage, processing, disclosure, usage and transfer of Data.

16. The Fund represents and warrants that it has full legal right to enter into this Agreement and to perform the obligations hereunder and that it has obtained all necessary consents and approvals to enter into this Agreement. The Fund also confirms that it has notice of the risk disclosure statement as set out in Appendix to this Agreement.

17. The parties will inform each other in writing within a reasonable time of material changes to the information provided to each other under this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement by their officers thereunto duly authorized as of the day and year first written above.

APPENDIX

RISK DISCLOSURE STATEMENT

RISK OF SECURITIES TRADING

The prices of securities fluctuate, sometimes dramatically. The price of a security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling securities.

RISK OF TRADING FUTURES AND OPTIONS

The risk of loss in trading futures contracts or options is substantial. In some circumstances, you may sustain losses in excess of your initial margin funds. Placing contingent orders, such as stop-loss or stop-limit orders, will not necessarily avoid loss. Market conditions may make it impossible to execute such orders. You may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, your position may be liquidated. You will remain liable for any resulting deficit in your account. You should therefore study and understand futures contracts and options before you trade and carefully consider whether such trading is suitable in the light of your own financial position and investment objectives. If you trade options you should inform yourself of exercise and expiration procedures and your rights and obligations upon exercise or expiry.

RISK OF TRADING IN LEVERAGED FOREIGN EXCHANGE CONTRACTS

The risk of loss in leveraged foreign exchange trading can be substantial. You may sustain losses in excess of your initial margin funds. Placing contingent orders, such as stop-loss or stop-limit orders, will not necessarily limit losses to the intended amounts. Market conditions may make it impossible to execute such orders. You may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, your position may be liquidated. You will remain liable for any resulting deficit in your account. You should therefore carefully consider whether such trading is suitable in light of your own financial position and investment objectives.

RISK OF MARGIN TRADING

The risk of loss in financing a transaction by deposit of collateral is significant. You may sustain losses in excess of your cash and any other assets deposited as collateral with the dealer or securities margin financier. Market conditions may make it impossible to execute contingent orders, such as stop-loss or stop-limit orders. You may be called upon at short notice to make additional margin deposits or interest payments. If the required margin deposits or interest payments are not made within the prescribed time, your collateral may be liquidated without your consent. Moreover, you will remain liable for any resulting deficit in your account and interest charged on your account. You should therefore carefully consider whether such a financing arrangement is suitable in light of your own financial position and investment objectives.
