Substantially all of our assets are held by, and all of our operations are conducted through, Chesapeake Lodging, L.P., our operating partnership. In order for us to qualify as a REIT, neither the Trust nor the operating partnership can operate hotels directly. Therefore, the operating partnership leases its hotels to a wholly owned, taxable REIT subsidiary, or TRS, that, in turn, engages hotel management companies to operate our hotels pursuant to management

agreements.

Pending Acquisition and Disposition Activity

JW Marriott San Francisco Union Square Acquisition

We have entered into an agreement to acquire the 337-room JW Marriott San Francisco Union Square located in San Francisco, California, for a purchase price of \$147.2 million, or approximately \$437,000 per key, subject to customary pro-rations at closing. At closing, we expect to assume the existing management agreement with Marriott International, Inc. as well as the existing ground lease covering the property on which the hotel is located, which expires in 2083. The acquisition is expected to close within the next 45 days, subject to satisfactory completion by us of our due diligence investigation into the hotel and related assets, as well as satisfaction or waiver of customary closing requirements and conditions. There can be no assurance that the acquisition will close on the terms described above or at all or, if it does, when the closing will occur. We expect to use the net proceeds from this offering, together with the net proceeds to us from the pending hotel sale described below, if completed, or a borrowing under our revolving credit facility, to fund this acquisition; however, the contemplated acquisition is not dependent on the completion of this offering or the pending hotel sale and we expect to consummate the offering whether or not we proceed with this acquisition. See Use of Proceeds.

Courtyard Anaheim at Disneyland Resort Disposition

We have entered into an agreement to sell our 153-room Courtyard Anaheim at Disneyland Resort for \$32.5 million, or approximately \$212,000 per key, subject to customary pro-rations at closing. The sale is expected to close within the next 45 days, subject to customary closing requirements and conditions. There can be no assurance that the sale will close on the terms described above or at all or, if it does, when the closing will occur.

Table of Contents**THE OFFERING**

The following is a brief summary of certain terms of this offering. For a more complete description of our common shares, see [Description of Shares of Beneficial Interest](#) in the accompanying prospectus.

Issuer	Chesapeake Lodging Trust.
Common shares offered	4,200,000 shares.
Common shares to be outstanding after this offering	54,248,154 shares.
Use of proceeds	We expect to use the net proceeds from this offering, together with the net proceeds to us from the pending hotel sale described under Prospectus Supplement Summary Pending Acquisition and Disposition Activity , if completed, or a borrowing under our revolving credit facility, to fund the acquisition of the JW Marriott San Francisco Union Square. Subject to the foregoing, we may use a portion of the net proceeds of this offering to repay outstanding borrowings under our revolving credit facility, for future acquisitions of hotels in accordance with our investment strategy or for general corporate purposes. Pending such uses, we intend to invest the net proceeds in certificates of deposit, interest bearing short-term investment grade securities or money-market accounts which are consistent with our intention to qualify as a REIT. Any initial investments are expected to provide a lower net return than we will seek to achieve from investments in our target hotels. See Use of Proceeds .
Distribution policy	We currently pay regular quarterly dividends on our common shares at a rate of \$0.30 per share. We intend to continue to make quarterly distributions to holders of our common shares. To maintain our qualification as a REIT, we intend to make annual distributions to our shareholders of at least 90% of our REIT taxable income, subject to certain adjustments and excluding net capital gains (which does not necessarily equal net income as calculated in accordance with GAAP). The timing and frequency of distributions will be authorized by our board of trustees and declared by us based upon a variety of factors deemed relevant by our trustees. Our ability to pay distributions to our shareholders depends, in part, upon our receipt of rent payments with respect to our hotels from our TRS, and,

in turn, upon the management of our hotels by the various managers

S-3

Table of Contents

	<p>our TRS has engaged to operate our hotels. In addition to the factors outlined above, the per share amounts of future distributions will depend on the number of our common and preferred shares outstanding from time to time. As of the date of this offering, 5,000,000 of our series A preferred shares are outstanding, and our common shares rank junior to our series A preferred shares with respect to payment of dividends.</p>
Listing	<p>Our common shares are listed on the NYSE under the symbol CHSP.</p>
Restrictions on ownership	<p>To assist us in maintaining our qualification as a REIT, our Declaration of Trust provides that no person, other than a person that has received an exemption, may own directly or indirectly, or be deemed to own by virtue of certain attribution provisions of the Internal Revenue Code, more than 9.8%, in value or number of shares, whichever is more restrictive, of our outstanding common shares. For more information, see Description of Shares of Beneficial Interest Restrictions on Ownership and Transfer Applicable to Our Shares of Beneficial Interest on page 13 of the accompanying prospectus.</p>
Tax consequences	<p>The federal income tax consequences of purchasing, owning and disposing of our common shares are summarized in Material U.S. Federal Income Tax Considerations in our Current Report on Form 8-K filed with the SEC on March 7, 2014.</p>
Settlement date	<p>Delivery of the common shares will be made against payment therefor on or about September 9, 2014.</p>
Transfer agent	<p>The transfer agent for our common shares is American Stock Transfer & Trust Company, LLC.</p>
Conflicts of interest	<p>As described in Use of Proceeds, we expect to use the net proceeds from this offering, together with the net proceeds to us from the pending hotel sale described under Prospectus Supplement Summary Pending Acquisition and Disposition Activity, if completed, or a borrowing under our revolving credit facility, to fund the acquisition of the JW Marriott San Francisco Union Square. Subject to completion of that pending acquisition, we may use a portion of the net proceeds of this offering to repay outstanding borrowings under</p>

under our revolving credit facility and would receive a pro rata portion of the net proceeds used to repay borrowings outstanding on our revolving credit facility. See Underwriting (Conflicts of Interest).

Risk factors

See Risk Factors on page S-6 and Risk Factors in our 2013 Annual Report on Form 10-K, filed with the SEC on February 20, 2014 and incorporated by reference into this prospectus supplement, for other information you should consider before buying our common shares.

RISK FACTORS

You should carefully consider the risks described below and the risks described under the heading "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2013, filed with the SEC on February 20, 2014 before making an investment decision. You should also refer to the other information included or incorporated by reference in this prospectus supplement and the accompanying prospectus, including our consolidated financial statements and the related notes. The risks and uncertainties described below and in the documents incorporated by reference herein are not the only risks and uncertainties we face. Additional risks and uncertainties not presently known to us or that we currently deem immaterial also may impair our business operations. If certain of the risks described in the risk factors incorporated by reference herein actually occur, our business, results of operations and financial condition would suffer. In that event the trading price of our common shares could decline, and you may lose all or part of your investment. The risk factors incorporated by reference herein and discussed below also include forward-looking statements and our actual results may differ substantially from those discussed in these forward-looking statements. See "Cautionary Note Regarding Forward-looking Statements and Projections" in this prospectus supplement.

Future issuances or sales of our common shares may depress the price of these securities.

We cannot predict whether future issuances of our common shares or the availability of common shares for future sale will decrease the market price of these shares. Future issuances or sales of a substantial number of our common shares in the public market (including shares issued pursuant to our previously announced at-the-market offering program, as well as shares issued under our equity incentive plan to our trustees, officers and other employees), or the perception that such issuances or sales might occur, may cause the market price of our shares to decline.

Each of our executive officers and trustees has agreed that, for a period of 30 days after the date of this prospectus supplement and subject to certain exceptions, he will not directly or indirectly, without the prior written consent of the underwriter, sell or otherwise dispose of any common shares. We have entered into a similar agreement with the underwriter, but our agreement will not apply in respect of common shares we may issue under our existing equity incentive plan. At any time, the underwriter may release all or a portion of the common shares subject to the foregoing lock-up provisions. If the restrictions under such agreements are waived, the affected common shares may be available for sale into the market, which could reduce the market price for our common shares.

In addition, we may issue from time to time additional common shares or limited partnership interests in our operating partnership that are exchangeable for common shares in connection with the acquisition of hotels, and we may grant demand or piggyback registration rights in connection with these issuances. The issuance of our common shares or operating partnership units in connection with hotel acquisitions may be dilutive to existing shareholders, may adversely affect the prevailing market price for our common shares, and may impair our ability to raise capital through a sale of additional equity securities.

There can be no assurance that we will be able to consummate the acquisition described in this prospectus supplement on the schedule or on the terms described in this prospectus supplement or at all.

We anticipate that the closing of the acquisition described in this prospectus supplement will occur within the next 45 days. However, we can give no assurance that we will consummate the acquisition on the terms described in this prospectus supplement or at all. If we are unable to complete the acquisition described in this prospectus supplement, our deployment of some or all of the net proceeds of the offering would be delayed until we could identify other acquisitions of hotels in accordance with our investment strategy. Any other acquisition would require us to negotiate and execute a mutually

Table of Contents

acceptable definitive and binding purchase and sale agreement with the seller of a hotel, which we expect will contain a number of conditions to closing the acquisition, including:

our ability to negotiate and execute new management and franchise agreements, or assume the existing agreements, for the hotel;

our completion of satisfactory due diligence with respect to the hotel; and

satisfaction of customary closing conditions including, where applicable, lender approval of our assumption of existing debt secured by the hotel.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS AND PROJECTIONS

This prospectus supplement, the accompanying prospectus and the documents incorporated by reference herein and therein contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, or the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, or the Exchange Act. Forward-looking statements relate to future events or our future financial performance. We generally identify forward-looking statements by terminology such as may, will, should, expects, plans, anticipates, could, target, projects, contemplates, believes, estimates, predicts, potential or continue or the negative of these other similar words. These statements are only predictions. The outcome of the events described in these forward-looking statements is subject to known and unknown risks, uncertainties and other factors that may cause the Trust's or our industry's actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements. The Risk Factors section included in this prospectus supplement and the Risk Factors, Management's Discussion and Analysis of Financial Condition and Results of Operations and Business sections of our 2013 Annual Report on Form 10-K, filed with the SEC on February 20, 2014, as well as other disclosures included or incorporated by reference into this prospectus supplement, discuss some of the factors that could contribute to these differences, including, but not limited to:

U.S. economic conditions generally and the real estate market and the lodging industry specifically;

management and performance of our hotels;

our plans for renovation of our hotels;

our financing plans and the terms on which capital is available to us;

supply and demand for hotel rooms in our current and proposed market areas;

Edgar Filing: Chesapeake Lodging Trust - Form 424B5

our ability to acquire additional hotels and the risk that potential acquisitions may not be completed or perform in accordance with expectations;

legislative/regulatory changes, including changes to laws governing taxation of real estate investment trusts; and

our competition.

The forward-looking statements made in this prospectus supplement, the accompanying prospectus, and the documents incorporated by reference herein and therein relate only to events as of the date on which the statements are made. We undertake no obligation to update any forward-looking statement to reflect events or circumstances after the date on which the statement is made or to reflect the occurrence of unanticipated events, except as required by law.

This prospectus supplement, the accompanying prospectus, and the documents incorporated by reference herein and therein also contain market data related to our business and industry. This market data includes

S-7

Table of Contents

projections that are based on a number of assumptions. If these assumptions turn out to be incorrect, actual results may differ from the projections based on these assumptions. As a result, our markets may not grow at the rates projected by these data, or at all. The failure of these markets to grow at these projected rates may have a material adverse effect on our business, financial condition, results of operations and the market price of our securities.

USE OF PROCEEDS

We estimate that the net proceeds from this offering, after deducting the estimated offering costs, will be approximately \$125.2 million. If the underwriter's option to purchase additional common shares is exercised in full, our net proceeds from this offering will be approximately \$144.1 million. We expect to use the net proceeds from this offering, together with the net proceeds to us from the pending hotel sale described under Prospectus Supplement Summary Pending Acquisition and Disposition Activity, if completed, or a borrowing under our revolving credit facility, to fund the acquisition of the JW Marriott San Francisco Union Square. We expect this acquisition to close within the next 45 days, subject to satisfactory completion by us of our due diligence investigation into the hotel and related assets, as well as satisfaction or waiver of customary closing requirements and conditions. There can be no assurance that the acquisition will close on the terms described above or at all, or if it does, when the closing will occur.

If the closing of this acquisition were to fail to occur or to be materially delayed, we expect to use the net proceeds from this offering to repay borrowings under our revolving credit facility, for future acquisitions of hotels in accordance with our investment strategy or for general corporate purposes. As of September 2, 2014, we had approximately \$32.0 million of cash and cash equivalents and \$30.0 million outstanding under our revolving credit facility. After giving effect to the use of estimated net proceeds from this offering to repay amounts outstanding under the revolving credit facility, under these circumstances, we expect we would have approximately \$127.2 million of cash and cash equivalents and \$250.0 million of available borrowing capacity under our revolving credit facility to invest in future acquisitions of hotels in accordance with our investment strategy and for general corporate purposes. If completed, the net proceeds to us from the pending hotel sale described under Prospectus Supplement Summary Pending Acquisition and Disposition Activity would increase the amount of cash and cash equivalents available to us for these purposes. We continue to review and underwrite other potential hotel acquisition opportunities, but cannot assure you that we will seek to, or ultimately be able to, acquire any of the other hotels we currently are evaluating. Accordingly, the failure to complete the acquisition of the JW Marriott San Francisco Union Square could delay the deployment of some or all of the net proceeds of this offering.

Amounts borrowed under our revolving credit facility bear interest at variable rates based on LIBOR, plus 1.75% - 2.75%, with the spread over LIBOR determined based on our consolidated leverage ratio. As of September 2, 2014, the interest rate on borrowings under our revolving credit facility was 1.91% and our maximum borrowing capacity under the facility was \$250.0 million based on the hotels included in the borrowing base at that time. The initial term of the revolving credit facility matures in April 2016, but the term may be extended for one year subject to satisfaction of certain customary conditions. We have used amounts borrowed under our revolving credit facility to acquire hotels and for general corporate purposes. An affiliate of the underwriter is a lender to us under our revolving credit facility and will receive its proportionate share of amounts outstanding under our revolving credit facility that are repaid with the net proceeds of this offering. See Underwriting (Conflicts of Interest) in this prospectus supplement.

Prior to the full investment of the net proceeds from this offering as described above, we intend to invest these net proceeds in certificates of deposit, interest-bearing short-term investment grade securities or money-market accounts which are consistent with our intention to qualify as a REIT. These initial investments are expected to provide a lower net return than we will seek to achieve from investments in our target hotels.

UNDERWRITING (CONFLICTS OF INTEREST)

We and the underwriter named below have entered into an underwriting agreement with respect to the shares being offered. Subject to certain conditions, the underwriter has agreed to purchase all of the shares being offered at a price of \$29.88 per share. J. P. Morgan Securities LLC will be the underwriter.

The underwriter is committed to take and pay for all of the shares being offered, if any are taken, other than the shares covered by the option described below unless and until this option is exercised.

We have granted the underwriter a 30-day option to purchase up to 630,000 common shares at a price of \$29.88 per share.

The underwriter proposes to offer the common shares offered hereby from time to time for sale in one or more transactions on the NYSE, in the over-the-counter market, through negotiated transactions or otherwise at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices, subject to receipt and acceptance by it and subject to its right to reject any order in whole or in part. The underwriter may effect such transactions by selling the common shares to or through dealers and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriter and/or purchasers of common shares for whom they may act as agents or to whom they may sell as principal. The difference between the price at which the underwriter purchases shares and the price at which the underwriter resells such shares may be deemed underwriting compensation.

We estimate that our share of the total expenses of this offering will be approximately \$250,000.

A prospectus supplement in electronic format may be made available on the web sites maintained the underwriter. The underwriter may agree to sell a number of shares to its online brokerage account holders. Internet distributions will be made by the underwriter on the same basis as other sales.

Each of our executive officers and trustees has agreed, subject to certain exceptions, not to, directly or indirectly, offer, sell, pledge, contract to sell, grant any option to purchase or otherwise dispose of, or enter into any transaction that is designed to or reasonably expected to lead to or result in the disposition of any of our common shares or other securities convertible into or exchangeable or exercisable for our common shares or derivatives of our common shares owned by these persons prior to this offering for a period of 30 days after the date of this prospectus supplement without the prior written consent of the underwriter. This consent may be given at any time without public notice. We have entered into a similar agreement with the underwriter, subject to certain exceptions.

Notwithstanding the foregoing, if, subject to certain exceptions, (i) during the last 17 days of the 30-day restricted period we release earnings results or material news or a material event relating to us occurs, or (ii) prior to the expiration of the 30-day restricted period, we announce that we will release earnings results during the 16-day period following the last day of the 30-day period, then the above restrictions will continue to apply until the expiration of the 18-day period beginning on the date of the release of the earnings results or the occurrence of the material news or event (unless the underwriter waives in writing such extension).

We have agreed to indemnify the underwriter against certain liabilities, including liabilities under the Securities Act of 1933.

Our common shares are listed on the NYSE under the symbol CHSP.

Edgar Filing: Chesapeake Lodging Trust - Form 424B5

In connection with the offering, the underwriter may engage in stabilizing transactions, which involves making bids for, purchasing and selling common shares in the open market for the purpose of preventing or retarding a decline in the market price of the common shares while the offering is in progress. These stabilizing

S-9

Table of Contents

transactions may include making short sales of the common shares, which involves the sale by the underwriter of a greater number of common shares than it has agreed to purchase in the offering, and purchasing common shares on the open market to cover positions created by short sales. Short sales may be covered shorts, which are short positions in an amount not greater than the underwriter's option to purchase additional shares referred to above, or may be naked shorts, which are short positions in excess of that amount. The underwriter may close out any covered short position either by exercising its option to purchase additional shares, in whole or in part, or by purchasing shares in the open market. In making this determination, the underwriter will consider, among other things, the price of shares available for purchase in the open market compared to the price at which the underwriter may purchase shares through the option to purchase additional shares. A naked short position is more likely to be created if the underwriter is concerned that there may be downward pressure on the price of the common shares in the open market that could adversely affect investors who purchase in the offering. To the extent that the underwriter creates a naked short position, it will purchase shares in the open market to cover the position.

The underwriter has advised us that, pursuant to Regulation M of the Securities Act of 1933, it may also engage in other activities that stabilize, maintain or otherwise affect the price of the common shares. These activities may have the effect of raising or maintaining the market price of the common shares or preventing or retarding a decline in the market price of the common shares, and, as a result, the price of the common shares may be higher than the price that otherwise might exist in the open market. If the underwriter commences these activities, it may discontinue them at any time. The underwriter may carry out these transactions on the New York Stock Exchange, in the over-the-counter market or otherwise.

The underwriter and its affiliates have engaged in, and may in the future engage in, investment banking, financial advisory, lending services and other commercial dealings in the ordinary course of business with us. The underwriter and such affiliates receive customary fees and commissions for these services and may continue to do so in the future.

Prior to the full investment of the net proceeds from this offering in hotels, as described under "Use of Proceeds" above, we may use a portion of the net proceeds from this offering to repay borrowings outstanding under our revolving credit facility. An affiliate of the underwriter is a lender under our revolving credit facility and will receive its pro rata portion of amounts repaid from the proceeds of this offering. The affiliate of the underwriter serves as the syndication agent for the revolving credit facility.

Other than in the United States, no action has been taken by us or the underwriter that would permit a public offering of the securities offered by this prospectus supplement and the accompanying prospectus in any jurisdiction where action for that purpose is required. The securities offered by this prospectus supplement and the accompanying prospectus may not be offered or sold, directly or indirectly, nor may this prospectus supplement and the accompanying prospectus or any other offering material or advertisements in connection with the offer and sale of any such securities be distributed or published in any jurisdiction, except under circumstances that will result in compliance with the applicable rules and regulations of that jurisdiction. Persons into whose possession this prospectus supplement and the accompanying prospectus come are advised to inform themselves about and to observe any restrictions relating to the offering and the distribution of this prospectus supplement and the accompanying prospectus. European Economic Area

In relation to each Member State of the European Economic Area (the "EEA") that has implemented the Prospectus Directive, as defined below (each, a "Relevant Member State"), an offer to the public of any common shares that are the subject of the offering contemplated in this prospectus supplement may not be made in that Relevant Member State, except that an offer to the public in that Relevant Member State of any of the common shares may be made at any time under the following exemptions under the Prospectus Directive, if they have been implemented in that Relevant Member State:

at any time to any legal entity which is a "qualified investor" as defined in the Prospectus Directive;

by the underwriter to fewer than 100 or, if the Relevant Member State has implemented the relevant provisions of the 2010 PD Amending Directive, 150 natural or legal persons (other than "qualified investors," as defined in the Prospectus Directive), as permitted under the Prospectus Directive, subject to obtaining the prior consent of the underwriter for any such offer; or

in any other circumstances falling within Article 3(2) of the Prospectus Directive, provided that no such offer of the common shares shall result in a requirement for us or the underwriter to publish a prospectus pursuant to Article 3 of the Prospectus Directive.

Any person making or intending to make any offer within the EEA of the common shares that are the subject of the offering contemplated in this prospectus supplement and the accompanying prospectus should only do so in circumstances in which no obligation arises for us or the underwriter to produce a prospectus for such offer. Neither we nor the underwriter has authorized, or will authorize, the making of any offer of the common shares offered hereby through any financial intermediary, other than offers made by the underwriter that constitute the final offering of the securities contemplated in this prospectus supplement and the accompanying prospectus.

For the purposes of this provision and the buyer's representation below, the expression an "offer of securities to the public" in relation to the common shares in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the common shares to be offered so as to enable an investor to decide to purchase the common shares, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State and the expression "Prospectus Directive" means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression "2010 PD Amending Directive" means Directive 2010/73/EU.

Each person in a Relevant Member State who receives any communication in respect of, or who acquires any of the common shares that are the subject of the offering contemplated by this prospectus supplement and the accompanying prospectus will be deemed to have represented, warranted and agreed to and with the underwriter and us that:

it is a qualified investor within the meaning of the law in that Relevant Member State implementing Article 2(1)(e) of the Prospectus Directive; and

in the case of any common shares acquired by it as a financial intermediary, as that term is used in Article 3(2) of the Prospectus Directive, (i) the common shares acquired by it in the offering have not been acquired on behalf of, nor have they been acquired with a view to their offer or resale to, persons in any Relevant Member State other than qualified investors, as defined in the Prospectus Directive,

S-11

Table of Contents

or in circumstances in which the prior consent of the underwriter has been given to the offer or resale; or (ii) where the common shares have been acquired by it on behalf of persons in any Relevant Member State other than qualified investors, the offer of those common shares to it is not treated under the Prospectus Directive as having been made to such persons.

United Kingdom

Any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the FSMA)), in connection with the issue or sale of the common shares, has only been, and will only be, communicated or caused to be communicated in circumstances in which Section 21(1) of the FSMA does not apply to us.

Anything in relation to the common shares in, from or otherwise involving the United Kingdom, has been, and may only be done, in compliance with all applicable provisions of the FSMA.

Investors, however, do not benefit from protection under CISA or CISO or supervision by FINMA. This prospectus supplement and the accompanying prospectus and any other materials relating to the common shares are strictly personal and confidential to each offeree and do not constitute an offer to any other person. This prospectus supplement and the accompanying prospectus may only be used by those qualified investors to whom they have been handed out in connection with the offer described herein and may neither directly or indirectly be distributed or made available to any person or entity other than their recipients. They may not be used in connection with any other offer and shall in particular not be copied and/or distributed to the public in Switzerland or from Switzerland. This prospectus supplement and the accompanying prospectus do not constitute an issue prospectus as that term is understood pursuant to Article 652a and/or 1156 of the Swiss Federal Code of Obligations. We have not applied for a listing of the common shares on the SIX Swiss Exchange or any other regulated securities market in Switzerland, and consequently, the information presented in this prospectus supplement and the accompanying prospectus does not necessarily comply with the information standards set out in the listing rules of the SIX Swiss Exchange and corresponding prospectus schemes annexed to the listing rules of the SIX Swiss Exchange.

Substantially all of our assets are held by, and all of our operations are conducted through, Chesapeake Lodging, L.P., our operating partnership. In order for us to qualify as a REIT, neither the Trust nor the operating partnership can operate hotels directly. Therefore, the operating partnership leases its hotels to a wholly owned taxable REIT subsidiary, or TRS, that, in turn, engages hotel management companies to operate our hotels pursuant to management agreements.

Table of Contents

RISK FACTORS

Investing in our securities involves risks. Before deciding to invest in our securities, you should consider carefully the discussion of risks and uncertainties affecting us and our securities incorporated in this prospectus by reference to our most recent Annual Report on Form 10-K, the other information contained or incorporated by reference in this prospectus, and the information contained in any applicable prospectus supplement. As a result of these risks and uncertainties, our business, financial condition and results of operations could be materially and adversely affected, and the value of our securities could decline. The risks and uncertainties we discuss in this prospectus and in the documents incorporated by reference in this prospectus are those that we currently believe may materially affect the Trust. Additional risks and uncertainties not presently known to us or that we currently deem immaterial also may materially and adversely affect our business, financial condition and results of operations.

FORWARD-LOOKING STATEMENTS AND PROJECTIONS

This prospectus and the documents incorporated by reference in this prospectus contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, or the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, or the Exchange Act. Forward-looking statements relate to future events or our future financial performance. We generally identify forward-looking statements by terminology such as may, will, should, expects, plans, anticipates, could, intends, target, projects, contemplates, predicts, potential or continue or the negative of these terms or other similar words. These statements are only predictions. The outcome of the events described in these forward-looking statements is subject to known and unknown risks, uncertainties and other factors that may cause the Trust's or our industry's actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements. The Risk Factors, Management's Discussion and Analysis of Financial Condition and Results of Operations and Business sections of our most recent Annual Report on Form 10-K filed with the SEC, as well as other sections of our other reports filed with the SEC incorporated by reference into this prospectus, discuss some of the factors that could contribute to these differences, including, but not limited to:

U.S. economic conditions generally and the real estate market and the lodging industry specifically;

management and performance of our hotels;

our plans for renovation of our hotels;

our financing plans and the terms on which capital is available to us;

supply and demand for hotel rooms in our current and proposed market areas;

our ability to acquire additional hotels and the risk that potential acquisitions may not be completed or perform in accordance with expectations;

legislative/regulatory changes, including changes to laws governing taxation of real estate investment trusts;
and

our competition.

The forward-looking statements made in this prospectus and the documents incorporated by reference relate only to events as of the date on which the statements are made. We undertake no obligation to update any forward-looking statement to reflect events or circumstances after the date on which the statement is made or to reflect the occurrence of unanticipated events, except as required by law.

This prospectus and the documents incorporated by reference also may contain market data related to our business and the lodging industry. This market data includes projections that are based on a number of

Table of Contents

assumptions. If these assumptions turn out to be incorrect, actual results may differ from the projections based on these assumptions. As a result, our targeted markets and segments of the lodging industry may not grow at the rates projected by these data, or at all. The failure of these markets and segments to grow at these projected rates may have a material adverse effect on our business, financial condition, results of operations and the market price of our securities.

Table of Contents**USE OF PROCEEDS**

Unless otherwise described in the applicable supplement to this prospectus used to offer specific securities, we intend to use the proceeds from the sale of securities under this prospectus for general corporate purposes, which may include the funding of future lodging-related investments, the repayment of outstanding indebtedness, capital expenditures, the expansion, redevelopment and/or improvement of hotels in our portfolio, working capital and other general purposes. Pending such uses, we anticipate that we will invest the net proceeds in interest-bearing securities consistent with maintaining our qualification as a REIT.

RATIO OF EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED SHARE DIVIDENDS

Our ratios of earnings to combined fixed charges and preferred share dividends were computed by dividing earnings by the sum of fixed charges and preferred share dividends. For this purpose, earnings consist of pre-tax income (loss) before fixed charges, and fixed charges consist of interest expense and a portion of rental expense representing interest. The following table sets forth our ratio of earnings to combined fixed charges and preferred share dividends for the periods shown:

	For the six months ended	For the year ended	For the year ended	For the year ended	For the year ended
	June 30, 2014 (1)	December 31, 2013 (1)	December 31, 2012 (1)	December 31, 2011 (2)	December 31, 2010 (2)

DESCRIPTION OF SHARES OF BENEFICIAL INTEREST

The following is a summary of the material terms of our common and preferred shares of beneficial interest. The discussion that follows is based in part on the terms of our declaration of trust and bylaws, as well as applicable provisions of Maryland law. All references to the declaration of trust and bylaws are to the amended versions, copies of which have been filed as exhibits to the registration statement of which this prospectus forms a part. See [Where You Can Find More Information](#).

Common Shares of Beneficial Interest

General Information

We are authorized to issue up to 400,000,000 common shares of beneficial interest, par value \$0.01 per share. As of September 2, 2014, there were 50,048,154 common shares issued and outstanding. All of our outstanding common shares are, and all common shares that we may offer by this prospectus and any prospectus supplement will be when issued, fully paid and non-assessable.

Holders of our common shares are entitled to receive dividends when, as and if declared by our board of trustees, out of funds legally available for distribution. If we were to liquidate, dissolve or wind up our affairs, holders of our common shares would be entitled to share equally and ratably in any assets available for distribution to them, after payment or provision for payment of our debts and other liabilities and the preferential amounts owing with respect to any of our outstanding preferred shares, including our Series A Preferred Shares. Holders of our common shares have no preemptive rights, which means they have no right to acquire any additional common shares that we may issue at a later date.

The holders of our common shares are entitled to cast one vote for each share on all matters presented to our shareholders for a vote.

The rights, preferences and privileges of holders of our common shares are subject to, and may be adversely affected by, the rights of the holders of our Series A Preferred Shares and shares of any other series of our preferred shares which we may designate and issue in the future. For instance, if we were to fail to pay dividends on our Series A Preferred Shares or any other outstanding preferred shares of beneficial interest, generally we would be prohibited from paying dividends on or repurchasing our common shares.

Certain Provisions of Maryland Law, Our Declaration of Trust and Bylaws Affecting Our Common Shares

Number of Trustees; Filling of Vacancies on Our Board

Our declaration of trust and bylaws provide that the number of our trustees is established by a vote of a majority of the members of our board of trustees. We currently have seven trustees. Our bylaws provide that any vacancy, including a vacancy created by an increase in the number of trustees, may be filled by a majority of the remaining trustees, even if the remaining trustees do not constitute a quorum.

Removal of Trustees

Our declaration of trust and bylaws provide that, subject to the rights of holders of our Series A Preferred Shares and any other classes or series of preferred shares that may be issued in the future to elect or remove one or more trustees, a trustee may be removed only for cause and only by the affirmative vote of at least two-thirds of the votes entitled to

Edgar Filing: Chesapeake Lodging Trust - Form 424B5

be cast generally in the election of trustees. For this purpose, "cause" means, with respect to any particular trustee, conviction of a felony or a final judgment of a court of competent jurisdiction holding that such trustee caused demonstrable, material harm to us through gross negligence, willful misconduct, bad

Table of Contents

faith or active and deliberate dishonesty. This provision, together with the provision of our bylaws described above which provides that our board has the exclusive power to fill vacancies on the board, may preclude shareholders from removing incumbent trustees and filling the vacancies created by such removal with their own nominees.

Business Combinations

Our board of trustees has adopted a resolution opting us out of the business combinations provisions of Maryland law. The board of trustees further has resolved to prohibit the repeal, amendment or alteration of this resolution without the approval by our shareholders by the affirmative vote of a majority of the votes cast on the matter by shareholders entitled to vote on the matter. Maryland law prohibits business combinations between us and an interested shareholder or an affiliate of an interested shareholder for five years after the most recent date on which the interested shareholder becomes an interested shareholder. These business combinations include a merger, consolidation, share exchange, or, in circumstances specified in the statute, an asset transfer or issuance or reclassification of equity securities. Maryland law defines an interested shareholder as:

any person who beneficially owns 10% or more of the voting power of our shares; or

an affiliate or associate of ours who, at any time within the two year period prior to the date in question, was the beneficial owner of 10% or more of the voting power of our then outstanding voting shares.

A person is not an interested shareholder if our board of trustees approves in advance the transaction by which the person otherwise would have become an interested shareholder.

However, in approving a transaction, our board of trustees may provide that its approval is subject to compliance, at or after the time of approval, with any terms and conditions determined by our board of trustees.

After the five year prohibition, any business combination between us and an interested shareholder generally must be recommended by our board of trustees and approved by the affirmative vote of at least:

80% of the votes entitled to be cast by holders of our then outstanding voting shares of beneficial interest, voting together as a single group; and

two-thirds of the votes entitled to be cast by holders of our voting shares other than voting shares held by the interested shareholder with whom or with whose affiliate the business combination is to be effected or shares held by an affiliate or associate of the interested shareholder, voting together as a single group.

These super-majority vote requirements do not apply if our common shareholders receive a minimum price, as described under Maryland law, for their shares in the form of cash or other consideration in the same form as previously paid by the interested shareholder for its shares.

Control Share Acquisitions

Our bylaws contain a provision exempting any and all acquisitions of our common shares from the control shares provisions of Maryland law. The bylaws further prohibit the repeal, amendment or alteration of this bylaws provision

without the approval by our shareholders by the affirmative vote of a majority of the votes cast on the matter by shareholders entitled to vote on the matter. Maryland law provides that control shares of a Maryland REIT acquired in a control share acquisition have no voting rights unless approved by a vote of two-thirds of the votes entitled to be cast on the matter. Shares owned by the acquiror or by officers or trustees are excluded from the shares entitled to vote on the matter. Control shares are voting shares that, if aggregated with all other shares previously acquired by the acquiring person, or in respect of which the acquiring person is able to exercise or direct the exercise of voting power (except solely by virtue of a revocable proxy), would

Table of Contents

entitle the acquiring person to exercise or direct the exercise of the voting power in electing trustees within one of the following ranges of voting power:

one-tenth or more but less than one-third;

one-third or more but less than a majority; or

a majority or more of all voting power.

A control share acquisition means the acquisition of control shares, subject to certain exceptions. A person who has made or proposes to make a control share acquisition may compel our board of trustees to call a special meeting of shareholders to be held within 50 days of demand to consider the voting rights of the shares. The right to compel the calling of a special meeting is subject to the satisfaction of certain conditions, including an undertaking to pay the expenses of the special meeting. If no request for a special meeting is made, we may present the question at any shareholders meeting.

If voting rights are not approved at the shareholders meeting or if the acquiring person does not deliver the statement required by Maryland law, then, subject to certain conditions and limitations, we may redeem any or all of the control shares, except those for which voting rights have previously been approved, for fair value. Fair value is determined without regard to the absence of voting rights for the control shares and as of the date of the last control share acquisition or of any meeting of shareholders at which the voting rights of the shares were considered and not approved. If voting rights for control shares are approved at a shareholders meeting, the acquiror may then vote a majority of the shares entitled to vote, and all other shareholders may exercise appraisal rights. The fair value of the shares for purposes of these appraisal rights may not be less than the highest price per share paid by the acquiror in the control share acquisition. The control share acquisition statute does not apply to shares acquired in a merger, consolidation or share exchange if we are a party to the transaction, nor does it apply to acquisitions approved by or exempted by our declaration of trust or bylaws.

Unsolicited Takeovers

Our board of trustees has adopted a resolution opting us out of the unsolicited takeover provisions of Maryland law. The board of trustees further resolved that it will not repeal this resolution unless the repeal is approved by our shareholders by the affirmative vote of a majority of the votes cast on the matter by shareholders entitled to vote on the matter. As a result, unless it obtains shareholder approval to do so in the future, the board of trustees may not elect to cause us to be subject to any or all of the following provisions:

mandatory classification of the board of trustees into three classes;

requiring the affirmative vote of two-thirds of the votes cast in the election of trustees generally to remove a trustee;

limiting the number of trustees to be fixed only by vote of the trustees;

requiring any vacancy on the board of trustees to be filled only by the remaining trustees to serve for the remainder of the term in which the vacancy occurred; and

requiring that a special meeting may only be called by a request of shareholders entitled to cast a majority of all the votes entitled to be cast at a meeting.

Merger, Amendment of Declaration of Trust or Bylaws

Under the Maryland REIT law, a Maryland REIT generally cannot dissolve, amend its declaration of trust or merge with another entity unless recommended by the trustees and approved by the affirmative vote of shareholders holding at least two-thirds of the shares entitled to vote on the matter unless a lesser percentage, but not less than a majority of all the votes entitled to be cast on the matter, is set forth in the REIT's declaration of trust. In our declaration of trust, we have set the vote required to approve most amendments of our declaration of

Table of Contents

trust and mergers required to be submitted to our shareholders at a majority of all votes entitled to be cast on the matter. In addition, under the Maryland REIT law and our declaration of trust, our trustees are permitted, without any action by our shareholders, to amend the declaration of trust from time to time to qualify as a REIT under the Internal Revenue Code or the Maryland REIT law or in any manner in which the charter of a Maryland corporation may be amended without shareholder approval. Our board of trustees has the exclusive power to amend or repeal any provision of our bylaws and to make new bylaws.

Action by Written Consent

Our declaration of trust provides that any action required or permitted to be taken by the shareholders may not be taken without a meeting by less than unanimous written consent of our shareholders.

Limitation of Liability and Indemnification

Our declaration of trust limits the liability of our trustees and officers to us and our shareholders for money damages, except for liability resulting from:

actual receipt of an improper benefit or profit in money, property or services for the amount of the benefit or profit actually received; or

a final judgment based upon a finding of active and deliberate dishonesty by the trustee/officer that was material to the cause of action adjudicated.

Our declaration of trust requires us, to the maximum extent permitted by Maryland law, to pay and advance reasonable expenses to any of our present or former trustees or officers or any individual who, while a trustee or officer, and at our request, serves or has served another entity, employee benefit plan or any other enterprise as a trustee, director, officer, partner or otherwise against any claim or liability arising by reason of service in such capacity.

Consistent with Maryland law, we are required to indemnify our present and former trustees and officers against liabilities and reasonable expenses actually incurred by them in any proceeding unless:

the act or omission of the trustee or officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty;

the trustee or officer actually received an improper personal benefit in money, property or services; or

in a criminal proceeding, the trustee or officer had reasonable cause to believe that the act or omission was unlawful.

However, Maryland law prohibits us from indemnifying our present and former trustees and officers for an adverse judgment in a derivative action or if the trustee or officer was adjudged to be liable for an improper personal benefit. Our bylaws and Maryland law require us, as a condition to advancing expenses in certain circumstances, to obtain:

a written affirmation by the trustee or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification; and

a written undertaking to repay the amount advanced if the standard of conduct is not met.

We have entered into indemnification agreements with our trustees and our officers providing for procedures for indemnification by us to the fullest extent permitted by law, and advancements by us of certain expenses and costs relating to claims, suits or proceedings arising from their service to us.

We have obtained an insurance policy under which our trustees and executive officers are insured, subject to the limits of the policy, against certain losses arising from claims made against such trustees and officers by reason of any acts or omissions covered under such policy in their respective capacities as trustees or officers, including certain liabilities under the Securities Act.

Table of Contents

We have been advised that the SEC has expressed the opinion that indemnification of trustees, officers or persons otherwise controlling a company for liabilities arising under the Securities Act is against public policy and is therefore unenforceable.

Term and Termination

Our declaration of trust provides for us to have a perpetual existence. Pursuant to our declaration of trust, and subject to the provisions of any of our classes or series of shares of beneficial interest then outstanding and the approval by a majority of the entire board of trustees, our shareholders, at any meeting thereof, by the affirmative vote of at least two thirds of all of the votes entitled to be cast on the matter, may approve a plan of liquidation and dissolution.

Meetings of Shareholders

Under our bylaws, annual meetings of shareholders are to be held each year at a date and time as determined by our board of trustees. Special meetings of shareholders may be called only by a majority of our board of trustees, by the chairman of our board of trustees, our chief executive officer or our president, or by our secretary upon written request of the holders of at least a majority of our outstanding shares entitled to vote at the meeting. Only matters set forth in the notice of the meeting may be considered and acted upon at such a meeting. In addition, under our bylaws, a majority voting standard is required for the election of trustees in uncontested elections, and a plurality standard is required for elections in which the number of trustee nominees exceeds the number of trustees to be elected. In uncontested elections, trustee nominees will be elected by the vote of a majority of the votes cast with respect to the nominee, which means that the number of votes cast for a trustee nominee must exceed the number of votes cast against the nominee. Under our bylaws, if an incumbent trustee is not elected pursuant to the majority voting standard in an uncontested election, the trustee must tender his or her resignation to the board of trustees for consideration. The Nominating and Corporate Governance Committee of the board of trustees will recommend to the full board of trustees (excluding the trustee who has tendered such resignation) whether to accept or reject the resignation, and the board of trustees will act on the resignation and disclose its decision and reasoning within 90 days from the date of certification of the election results. Notwithstanding the foregoing, if an incumbent trustee were to receive more votes against than for his or her election in uncontested elections at two consecutive annual meetings of shareholders, the bylaws require the board of trustees to accept that trustee's resignation.

Advance Notice of Trustee Nominations and New Business

Our bylaws provide that, with respect to an annual meeting of shareholders, nominations of persons for election to our board of trustees and the proposal of business to be considered by shareholders at the annual meeting may be made only:

pursuant to our notice of the meeting;

by our board of trustees; or

by a shareholder who was a shareholder of record both at the time of the provision of notice and at the time of the meeting who is entitled to vote at the meeting and has complied with the advance notice procedures set forth in our bylaws.

Edgar Filing: Chesapeake Lodging Trust - Form 424B5

With respect to special meetings of shareholders, only the business specified in our notice of meeting may be brought before the meeting of shareholders.

The purpose of requiring shareholders to give advance notice of nominations and other proposals is to afford our board of trustees the opportunity to consider the qualifications of the proposed nominees or the advisability of the other proposals and, to the extent considered necessary by our board of trustees, to inform shareholders and make recommendations regarding the nominations or other proposals. The advance notice procedures also

Table of Contents

permit a more orderly procedure for conducting our shareholder meetings. These advance notice provisions may have the effect of precluding a contest for the election of trustees or proposals for other action if the proper procedures are not followed, and of discouraging or deterring a third party from conducting a solicitation of proxies to elect its own slate of trustees to our board of trustees or to approve its own proposal.

Appraisal Rights

As permitted by Maryland law, our declaration of trust contains a provision that denies our shareholders appraisal rights in connection with any merger, consolidation or other business combination transaction.

Possible Anti-takeover Effect of Certain Provisions of Maryland Law and of Our Declaration of Trust and Bylaws

The business combination provisions of Maryland law (if our board of trustees opts to make them applicable to us), the control share acquisition provisions of Maryland law (if the applicable provision in our bylaws is rescinded), the inability of our shareholders to remove incumbent trustees other than for cause, the restrictions on the acquisition of our shares of beneficial interest, the power to issue additional common shares or preferred shares, and the advance notice provisions of our bylaws could have the effect of delaying, deterring or preventing a transaction or a change in the control that might involve a premium price for holders of the common shares or might otherwise be in their best interest. Maryland law permits our board of trustees, without shareholder approval and regardless of what is provided in our declaration of trust or bylaws, to implement takeover defenses that we may not yet have and to take, or refrain from taking, certain other actions without those decisions being subject to any heightened standard of conduct or standard of review as such decisions may be subject in certain other jurisdictions.

Preferred Shares of Beneficial Interest

General Information

We are authorized to issue up to 100,000,000 preferred shares of beneficial interest, par value \$0.01 per share. As of the date of this prospectus, 5,000,000 of our 7.75% Series A Cumulative Redeemable Preferred Shares are issued and outstanding.

Our declaration of trust provides that preferred shares may be issued from time to time in one or more series and gives our board of trustees broad authority to fix the dividend and distribution rights, conversion and voting rights, if any, redemption provisions and liquidation preferences of each series of preferred shares. Holders of preferred shares will have no preemptive rights. The preferred shares that we may offer by this prospectus and any prospectus supplement will be, when issued, fully paid and non-assessable.

The rights, preferences, privileges and restrictions of each series of preferred shares will be fixed by articles supplementary relating to the series. We will describe the specific terms of the particular series of preferred shares in the prospectus supplement relating to that series, which terms will include:

the designation and par value of the preferred shares;

the voting rights, if any, of the preferred shares;

the number of preferred shares offered, the liquidation preference per preferred share and the offering price of the preferred shares;

the relative ranking and preferences of the preferred shares as to distribution rights and rights upon the liquidation, dissolution or winding up of our affairs;

any limitation on issuance of any other series of preferred shares, including any series of preferred shares ranking senior to or on parity with the series of preferred shares as to distribution rights and rights upon the liquidation, dissolution or winding up of our affairs;

if appropriate, a discussion of any additional material U.S. federal income tax considerations applicable to the preferred shares;

in addition to those restrictions described below, any other restrictions on the ownership and transfer of the preferred shares; and

any additional rights, preferences, privileges or restrictions of the preferred shares.

Description of Our Series A Cumulative Redeemable Preferred Shares

In addition to any other class or series of preferred shares that we may offer, issue or sell pursuant to this prospectus, we have previously issued 5,000,000 Series A Cumulative Redeemable Preferred Shares. We may reopen this series and issue additional Series A Preferred Shares pursuant to a supplement to this prospectus. Our Series A Preferred Shares rank senior to our common shares with respect to distribution rights and rights upon our voluntary or involuntary liquidation, dissolution or winding up. In addition to other preferential rights, each holder of our Series A Preferred Shares is entitled to receive a liquidation preference, which is equal to \$25.00 per Series A Preferred Share, plus any accrued and unpaid distributions thereon, before the holders of our common shares receive any distributions in the event of any voluntary or involuntary liquidation, dissolution or winding-up. Furthermore, we are generally restricted from declaring or paying any distributions, or setting aside any funds for the payment of distributions, on our common shares or, subject to certain exceptions, redeeming or otherwise acquiring any of our common shares unless full cumulative distributions on our Series A Preferred Shares have been declared and either paid or set aside for payment in full for all past distribution periods.

Dividends on the Series A Preferred Shares are payable quarterly in arrears on or about the 15th day of January, April, July, and October of each year. The dividend rate is 7.75% per annum of the \$25.00 liquidation preference, which is equivalent to \$1.9375 per share per year.

Table of Contents

Generally, we may not redeem the Series A Preferred Shares until July 17, 2017. On and after July 17, 2017, we may, at our option, redeem the Series A Preferred Shares, in whole or from time to time in part, by paying \$25.00 per share, plus any accrued and unpaid dividends to, but not including, the date of redemption. In addition, upon the occurrence of a change of control (as defined in the articles supplementary relating to the Series A Preferred Shares), as a result of which neither our common shares nor the common securities of the acquiring or surviving entity (or American Depositary Receipts, or ADRs, representing such common securities) are listed on the NYSE, the NYSE Amex Equities, or NYSE Amex, or the NASDAQ Stock Market, or listed or quoted on a successor exchange or quotation system, we may, at our option, redeem the Series A Preferred Shares, in whole or in part within 120 days after the first date on which such change of control occurred, by paying \$25.00 per share, plus any accrued and unpaid dividends to, but not including, the date of redemption. If we exercise any of our redemption rights relating to the Series A Preferred Shares, the holders of Series A Preferred Shares will not be permitted to exercise the conversion right described below in respect of their shares called for redemption. The Series A Preferred Shares have no maturity date and will remain outstanding indefinitely unless redeemed by us or converted in connection with a change of control by the holders of Series A Preferred Shares.

Upon the occurrence of a change of control, each holder of Series A Preferred Shares will have the right (subject to our right to redeem the Series A Preferred Shares in whole or in part, as described above, prior to the change of control conversion date (as defined in the articles supplementary relating to the Series A Preferred Shares)) to convert some or all of the Series A Preferred Shares held by such holder on the change of control conversion date into a number of our common shares per Series A Preferred Share to be converted equal to the lesser of the following, subject, in each case, to provisions for the receipt of alternative consideration as provided for in the articles supplementary relating to the Series A Preferred Shares:

(A) the quotient obtained by dividing (i) the sum of the \$25.00 liquidation preference plus the amount of any accrued and unpaid dividends to, but not including, the change of control conversion date (as defined in the articles supplementary relating to the Series A Preferred Shares) (unless the Change of Control Conversion Date is after a record date for a Series A Preferred Share dividend payment and prior to the corresponding Series A Preferred Share dividend payment date, in which case no additional amount for such accrued and unpaid dividend will be included in this sum) by (ii) the Common Share Price (as defined in the articles supplementary relating to the Series A Preferred Shares); and

(B) 2.9189 common shares, subject to certain adjustments.

Except as provided above in connection with a change of control, the Series A Preferred Shares are not convertible into or exchangeable for any other securities or property, and the holders of the Series A Preferred Shares have no preemptive rights to purchase or subscribe for our common shares or any other security of the Trust.

Except as required by law and in certain other limited circumstances, holders of our Series A Preferred Shares are not entitled to vote on any matters put to a vote of the Trust's shareholders. Our board of trustees will not, however:

authorize or create, or increase the authorized or issued amount of, any class or series of senior equity securities, or reclassify any authorized shares of the Trust into any such shares, or create, authorize or issue any obligations or security convertible into or evidencing the right to purchase any such shares without the affirmative vote of the holders of at least two-thirds of the then-outstanding Series A Preferred Shares and all

other classes or series of parity equity securities upon which like voting rights have been conferred and are exercisable (voting together as a single class), provided if any of the foregoing materially and adversely affects the rights, preferences, privileges or voting power of the Series A Preferred Shares disproportionately relative to other parity equity securities, the affirmative vote of the holders of at least two-thirds of the outstanding Series A Preferred Shares at the time (voting as a separate class) also will be required; or

Table of Contents

amend, alter or repeal the provisions of our declaration of trust (including the articles supplementary with respect to the Series A Preferred Shares), whether by merger, consolidation or otherwise, in each case in such a way that would materially and adversely affect any right, preference, privilege or voting power of the Series A Preferred Shares without the affirmative vote of the holders of at least two-thirds of the outstanding Series A Preferred Shares at the time (voting as a separate class).

Notwithstanding the preceding sentence, with respect to the occurrence of a merger, consolidation or a sale or lease of all of our assets as an entirety, so long as Series A Preferred Shares remain outstanding with the terms thereof materially unchanged or the holders of Series A Preferred Shares receive shares with rights, preferences, privileges and voting powers substantially the same as those of the Series A Preferred Shares, then the occurrence of any such event will not be deemed to materially and adversely affect the rights, privileges or voting powers of the holders of Series A Preferred Shares. In addition, any increase in the amount of authorized Series A Preferred Shares or the creation or issuance, or increase in the amounts authorized, of any other parity equity securities, will not be deemed to materially and adversely affect the rights, preferences, privileges or voting powers of the Series A Preferred Shares.

Our Series A Preferred Shares are subject to the restrictions on ownership and transfer described below.

Our Series A Preferred Shares are listed on the NYSE under the symbol CHSPPrA. The transfer agent and registrar for our Series A Preferred Shares is American Stock Transfer & Trust Company, LLC.

Power to Reclassify Shares and Issue Additional Shares

Our declaration of trust authorizes our board of trustees to classify any unissued preferred shares and to reclassify any previously classified but unissued common shares and preferred shares of any series from time-to-time in one or more series, as authorized by the board of trustees. Prior to issuance of any classified or reclassified shares of a particular class or series, our board of trustees is required by Title 8 of the Corporations and Associations Article of the Annotated Code of Maryland, which we refer to as the Maryland REIT law, and our declaration of trust to set for each such class or series, subject to the provisions of our declaration of trust regarding the restrictions on transfer of shares of beneficial interest, the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms or conditions of redemption for each such class or series. As a result, our board of trustees could authorize the issuance of preferred shares that have priority over the common shares with respect to dividends and rights upon liquidation and with other terms and conditions that could have the effect of delaying, deterring or preventing a transaction or a change in control that might involve a premium price for holders of common shares or otherwise might be in their best interest.

Restrictions on Ownership and Transfer Applicable to Our Shares of Beneficial Interest

To qualify as a REIT under the Internal Revenue Code, our shares must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable year. Also, not more than 50% of the value of our outstanding shares (after taking into account options to acquire shares) may be owned, directly, indirectly or through attribution, by five or fewer individuals (as defined in the Internal Revenue Code to include certain entities) during the last half of a taxable year. Under the rules applicable to REITs, corporations are not considered individuals for purposes of this test. These requirements need not be satisfied during our first initial tax year as a REIT, but must be satisfied every year thereafter.

To maintain our qualification as a REIT, our declaration of trust includes restrictions on the number of our shares that a person may own. The declaration of trust provides:

no person, other than a person that has received an exemption, may own directly or indirectly, or be deemed to own by virtue of certain attribution provisions of the Internal Revenue Code, more than 9.8%, in value or number of shares, whichever is more restrictive, of the outstanding common shares of any class or series;

Table of Contents

no person, other than a person that has received an exemption, may own directly or indirectly, or be deemed to own by virtue of certain attribution provisions of the Internal Revenue Code, more than 9.8%, in value or number of shares, whichever is more restrictive, of the outstanding preferred shares of any class or series;

no person (as defined in the declaration of trust) shall actually or beneficially own our shares to the extent that such ownership would result in our being closely held under Section 856(h) of the Internal Revenue Code or otherwise cause us to fail to qualify as a REIT at any time;

no person (as defined in the declaration of trust) shall transfer our shares if such transfer would result in our shares being owned by fewer than 100 persons at any time;

no person may own our shares if such ownership would cause any of our income that would otherwise qualify as rents from real property to fail to qualify as such, including as a result of any of our hotel management companies failing to qualify as eligible independent contractors under the REIT rules; and

no person may own our shares if such ownership would result in our failing to qualify as a REIT for U.S. federal income tax purposes.

Under the declaration of trust, the board of trustees, in its sole and absolute discretion, may exempt a shareholder that is not an individual from the 9.8% ownership limit for common shares and the 9.8% ownership limit for preferred shares, if such shareholder provides information and makes representations to the board of trustees that are satisfactory to the board of trustees, in its reasonable discretion, to establish that such person's ownership in excess of the applicable ownership limit would not jeopardize our qualification as a REIT. Our board of trustees has granted in the past, and may grant in the future, ownership waivers.

In addition, our board of trustees from time to time may increase the ownership limits. However, the ownership limits may not be increased if, after giving effect to such increase, five or fewer individuals could own or constructively own in the aggregate, more than 49.9% in value of the shares then outstanding.

Any person who acquires or attempts or intends to acquire actual or beneficial or constructive ownership of our shares that will or may violate any of the foregoing restrictions on transferability and ownership is required to give notice immediately to us and provide us with such other information as the board of trustees may request in order to determine the effect of such transfer on our qualification as a REIT. If any transfer of our shares occurs which, if effective, would result in any person beneficially or constructively owning shares in excess, or in violation, of the above transfer or ownership limitations, then that number of shares, the beneficial or constructive ownership of which otherwise would cause such person (referred to as a prohibited owner) to violate the transfer or ownership limitations (rounded up to the nearest whole share), will be automatically transferred to a charitable trust for the exclusive benefit of a charitable beneficiary, and the prohibited owner will not acquire any rights in such shares. This automatic transfer will be considered effective as of the close of business on the business day before the violative transfer. If the transfer to the charitable trust would not be effective for any reason to prevent the violation of the above transfer or ownership limitations, then the transfer of that number of shares that otherwise would cause any person to violate the above limitations will be void. Shares held in the charitable trust will continue to constitute issued and outstanding shares. The prohibited owner will not benefit economically from ownership of any shares held in the charitable trust, will have no rights to dividends or other distributions and will not possess any rights to vote or other rights attributable to the shares held in the charitable trust. The trustee of the charitable trust will be designated by us and must be

unaffiliated with us or any prohibited owner and will have all voting rights and rights to dividends or other distributions with respect to shares held in the charitable trust, and these rights will be exercised for the exclusive benefit of the trust's charitable beneficiary. Any dividend or other distribution paid before our discovery that shares have been transferred to the trustee will be paid by the recipient of such dividend or distribution to the trustee upon demand, and any dividend or other distribution authorized but unpaid will be paid when due to the trustee. Any dividend or distribution so paid to the trustee will be held in trust for the trust's charitable beneficiary. Subject to Maryland

law, effective as of the date that such shares have been transferred to the charitable trust, the trustee, in its sole discretion, will have the authority to:

rescind as void any vote cast by a prohibited owner prior to our discovery that such shares have been transferred to the charitable trust; and

recast such vote in accordance with the desires of the trustee acting for the benefit of the trust's charitable beneficiary.

However, if we have already taken irreversible corporate action, then the trustee will not have the authority to rescind and recast such vote.

Within 20 days of receiving notice from us that shares have been transferred to the charitable trust, and unless we buy the shares first as described below, the trustee will sell the shares held in the charitable trust to a person, designated by the trustee, whose ownership of the shares will not violate the ownership limitations in our declaration of trust. Upon the sale, the interest of the charitable beneficiary in the shares sold will terminate and the trustee will distribute the net proceeds of the sale to the prohibited owner and to the charitable beneficiary. The prohibited owner will receive the lesser of:

the price paid by the prohibited owner for the shares or, if the prohibited owner did not give value for the shares in connection with the event causing the shares to be held in the charitable trust (for example, in the case of a gift or devise), the market price of the shares on the day of the event causing the shares to be held in the charitable trust; and

the price per share received by the trustee from the sale or other disposition of the shares held in the charitable trust (less any commission and other expenses of a sale).

The trustee may reduce the amount payable to the prohibited owner by the amount of dividends and distributions paid to the prohibited owner and owed by the prohibited owner to the trustee. Any net sale proceeds in excess of the amount payable to the prohibited owner will be paid immediately to the charitable beneficiary. If, before our discovery that shares have been transferred to the charitable trust, such shares are sold by a prohibited owner, then:

such shares will be deemed to have been sold on behalf of the charitable trust; and

to the extent that the prohibited owner received an amount for such shares that exceeds the amount that the prohibited owner was entitled to receive as described above, the excess must be paid to the trustee upon demand.

In addition, shares held in the charitable trust will be deemed to have been offered for sale to us, or our designee, at a price per share equal to the lesser of:

the price per share in the transaction that resulted in such transfer to the charitable trust (or, in the case of a gift or devise, the market price at the time of the gift or devise); and

the market price on the date we, or our designee, accept such offer.

We may reduce the amount payable to the prohibited owner by the amount of dividends and distributions paid to the prohibited owner and owed by the prohibited owner to the trustee. We may pay the amount of such reduction to the trustee for the benefit of the charitable beneficiary. We will have the right to accept the offer until the trustee has sold the shares held in the charitable trust. Upon such a sale to us, the interest of the charitable beneficiary in the shares sold will terminate and the trustee will distribute the net proceeds of the sale to the prohibited owner and any dividends or other distributions held by the trustee will be paid to the charitable beneficiary. Any certificates we may issue representing our shares will bear a legend referring to the restrictions described above.

Table of Contents

Every owner of more than 5% (or such lower percentage as required by the Internal Revenue Code or the Treasury Regulations promulgated thereunder) of all classes or series of our shares, including common shares, is required to give written notice to us within 30 days after the end of each taxable year stating the name and address of such owner, the number of shares of each class and series of shares that the owner beneficially owns and a description of the manner in which such shares are held. Each such owner shall provide to us such additional information as the board of trustees may request in order to determine the effect, if any, of such beneficial ownership on our status as a REIT and to ensure compliance with the various ownership limitations. In addition, each shareholder shall upon demand be required to provide to the board of trustees such information as the board of trustees may request, in good faith, in order to determine our qualification as a REIT and to comply with the requirements of any taxing authority or governmental authority or to determine such compliance.

These ownership limitations could delay, deter or prevent a transaction or a change in control that might involve a premium price for the common shares or might otherwise be in the best interest of our shareholders.
