Item 5.02. Compensatory Arrangements of Certain Officers
Non-Employee Director Compensation

On February 19, 2015, the Compensation Committee (the *Committee*) of the Board of Directors (the *Board*) of Destination Maternity Corporation (the *Company*) approved the following with respect to compensation payable to the Company's non-employee directors (the *Non-Employee Directors*).

- (a) Adjustment to Cash Compensation. Due to the change in the Company's fiscal year to the retail calendar commencing on February 1, 2015 and the delayed timing of the latest Annual Meeting of Stockholders, the term of each of the Non-Employee Directors was extended by approximately one month. In addition, it is anticipated that the next Annual Meeting of Stockholders will be held in May of 2016 (with the term of each of the Non-Employee Directors anticipated to be 15 months instead of 12 months). In consideration thereof, the Committee: (1) approved that a special payment (equal to one-third of the otherwise payable aggregate quarterly amount paid to each Non-Employee Director) be made to each Non-Employee Director to account for the one month term extension; and (2) confirmed its intention to pay Non-Employee Directors the typical quarterly payment amounts for each three-month period from now until the expected timing of the 2016 Annual Meeting of Stockholders (with a total of five such periods anticipated before the May 2016 Annual Meeting).

- (b) Adjustment to Annual Equity Grants. According to the Company's compensation policy for Non-Employee Directors, each Non-Employee Director of the Company in office after the Annual Meeting of Stockholders held on February 19, 2015 (the *Annual Meeting*) is required to be granted 4,000 shares of restricted stock of the Company, and Mr. Arnaud Ajdler, as the Non-Executive Chairman (the *Chairman*) of the Board, is required to be granted an additional 2,000 shares of restricted stock of the Company. However, the change in the Company's fiscal year to the retail calendar commencing on February 1, 2015 caused a delay in the timing of this year's Annual Meeting (which was typically in January) as well as a delay in the timing of the next Annual Meeting. As a result, the Committee does not currently intend to next make annual equity grants to Non-Employee Directors until mid-2016. In light of the foregoing, the Committee approved a 40% one-time increase in the number of shares granted to Non-Employee Directors with the result that each Non-Employee Director was awarded 5,600 shares of restricted stock with Mr. Ajdler receiving an additional 2,800 shares of restricted stock as Chairman. Each of these awards will vest on the earlier of (a) the first anniversary of the date of grant, or (b) the end of the day immediately prior to the Company's first Annual Meeting of Stockholders held after the date of grant.

- (c) Special Equity Award to Mr. Michael J. Blitzer. In fiscal year 2014, the Board of Directors adopted equity ownership guidelines for its Non-Employee Directors, requiring each Non-Employee Director to own shares of the Company's common stock having an aggregate fair market value equal to or greater than four times the annual cash retainer then payable to such Non-Employee Director. Currently all of our Non-Employee Directors for whom the equity ownership guidelines are currently effective, except Mr. Blitzer, hold Company equity in excess of the guidelines' requirement. Mr. Blitzer joined the Board in January 2013 (a little over two years ago). Consistent with the Board's policy with regard to newly elected directors, the Committee (which administers the guidelines as directed by the Board) has decided to waive this non-compliance. However, assuming his reelection, Mr. Blitzer and the Committee agreed that Mr. Blitzer will be issued restricted stock (which such stock will have a fair value of \$50,000 less the value of any regular dividends expected to be payable within the one year vesting period) upon conclusion of the Annual Meeting in lieu of receiving the first \$50,000 of the compensation otherwise payable to him for fiscal year

2015 service. This special restricted stock grant to Mr. Blitzler was approved by the Committee on February 19, 2015.

Item 5.03. Amendments to Bylaws

On February 19, 2015, following the Company's Annual Meeting, the Board voted to amend the Company's Amended and Restated Bylaws (the *Bylaws*) in order to provide for a majority voting standard in the uncontested election of directors, and to make other technical amendments (collectively, the *Bylaw Amendments*).

Pursuant to the Bylaw Amendments, in any uncontested election of directors (i.e., an election where the number of nominees does not exceed the number of directors to be elected), each nominee to the Board will be elected by the vote of a majority of the votes cast, meaning that the number of votes cast for a director's election must exceed the number of votes cast against that director's election. Abstentions and broker non-votes will not count as votes cast for purposes of this provision. If any incumbent director does not receive a majority of votes cast in favor of his or her re-election to the Board, that director will be required to submit his or her resignation to the full Board, with a presumption that the resignation will be accepted unless the Board determines that there is a compelling reason for the director to remain on the Board. In the case of a contested election, directors will continue to be elected by a plurality vote.

A copy of the Bylaw Amendments is attached hereto as Exhibit 3.2.
