Executive Compensation

Principles (page 20)

We generally target total direct compensation (base salary, annual incentive and long-term incentive compensation) at the 50th-75th percentile of that paid at similarly-situated public companies in the retail and consumer finance sector, with cash compensation (base salary and annual incentives) targeted at the 50th percentile, and long-term incentive compensation targeted at the 75th percentile. The objectives of our executive compensation program are to:

attract, retain and motivate senior executives with competitive compensation opportunities;

balance short-term and long-term strategic goals;

align our executive compensation program with the core values identified in our mission statement, which focuses on improving the quality of life for our co-workers and our customers; and

reward achievement of our financial and non-financial goals.

The following forms of compensation are currently utilized by the Compensation Committee in compensating our named executive officers:

base salary, which is paid in cash;

annual incentive compensation, which is paid in cash and is focused on three metrics – profitability, revenue, and a servant leadership component that supports our desired culture (beginning in 2015, the annual cash incentive plan will be based solely on profitability and revenue);

long-term incentive compensation, which consists of stock options which vest ratably over four years beginning on the first anniversary of the date of grant, restricted stock units which cliff vest after three years, and performance stock units which vest only upon achievement of a specified three-year EBITDA target (beginning with grants made in 2015, we adopted a relative total shareholder metric over a three-year measurement period as the vesting condition for performance stock units);

double trigger severance arrangements; and

fringe benefits, including perquisites, with no tax gross-ups.

Relative Total Shareholder Return (page 27)

Our Compensation Committee has adopted a relative total shareholder metric over a three-year measurement period as the vesting condition for future grants of performance stock units pursuant to our long-term incentive compensation program (beginning in 2015).

Stock Ownership Guidelines (pages 12 and 29)

We believe that our Board and our management should have a significant financial stake in the Company to ensure that their interests are aligned with those of our stockholders. To that end, our directors, as well as our Chief Executive Officer and our President and Chief Operating Officer are subject to equity interest guidelines as described on pages 12 and 29, respectively. In addition, our insider trading policy prohibits our directors and executive officers from engaging in hedging or other derivative transactions involving our common stock. We also do not allow shares of our common stock owned by any of our directors or named executive officers to be pledged.

Clawback Policy (page 28)

Our Board has adopted a clawback policy applicable to our executive officers as described on page 28.

2014 Executive Total Compensation Mix (page 21)

Pay for Performance. Our executive compensation program directly links a substantial portion of executive compensation to our financial performance through annual and long-term incentives. For the 2014 annual cash incentive program, the EBITDA goal was achieved at 86.4% of target (resulting in a 30% payout of the 65% of the target bonus amounts attributable to the EBITDA target), and the revenue goal was achieved at 96.7% of target (resulting in a 30% payout of the 25% of the target bonus amounts attributable to the revenue target).

We failed to achieve more than 80% of the three-year EBITDA target established in connection with the grant in 2012 of performance-based restricted stock units pursuant to our long-term incentive compensation program. Accordingly, none of the performance-based restricted stock units granted as part of the 2012 long-term incentive compensation awards was earned and no shares were issued to our named executive officers pursuant to such awards.

The mix of the key compensation elements for our Chief Executive Officer and our other named executive officers for fiscal 2014 is shown below. The Actual Compensation Mix charts describe each element of actual compensation as a percent of total direct compensation for fiscal 2014.

Table of Contents

The Actual Compensation Mix charts above include salary with respect to 2014, the actual amount paid under the 2014 annual cash incentive program, and the estimated grant date value of stock options, restricted stock units and performance stock units granted during fiscal 2014, as shown in the Summary Compensation Table on page 30. The value of all of the long-term incentive compensation vehicles (stock options, restricted stock units (RSUs), and performance share units (PSUs)) is time vested and depends upon our financial performance over the measurement or vesting period.

QUESTIONS AND ANSWERS ABOUT THE 2015 ANNUAL MEETING AND VOTING PROCEDURES

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

In accordance with rules adopted by the Securities and Exchange Commission (SEC), we are making this proxy statement and our Annual Report on Form 10-K available on the Internet, in addition to mailing a printed copy of these materials to our registered stockholders. If you received the Notice by mail and would prefer to receive a printed copy of our proxy materials, please follow the

instructions for requesting printed copies included in the Notice. The Notice also contains instructions on how to access and review all of the important information contained in the proxy materials provided on the Internet, including how you may submit your proxy by telephone or over the Internet.

Who may vote?

Stockholders of record as of the close of business on April 6, 2015, the record date for the annual meeting, may vote at the meeting. Each share of common stock entitles the holder to one vote per share. As of February 23, 2015, there were 53,025,180 shares of our common stock outstanding.

What constitutes a quorum?

The holders of a majority of our outstanding shares of common stock entitled to vote at the annual meeting must be represented at the annual meeting in person or by proxy to have a quorum. Any stockholder present at the annual meeting, either in person or by proxy, but who abstains from voting, will be counted for purposes of determining whether a quorum exists.

How do I vote?

You cannot vote your shares of common stock unless you are present at the meeting or you have previously given your proxy. You can vote by proxy in one of the following three convenient ways:

by mail if you received your proxy materials by mail, you can vote by mail by completing, signing, dating and returning the proxy card in the enclosed envelope;

on the Internet, by visiting the website shown on the Notice or the proxy card and following the instructions; or

by telephone, by calling the toll-free telephone number shown on the Notice or the proxy card and following the instructions.

How will the proxies be voted?

All properly executed proxies, unless revoked as described below, will be voted at the meeting in accordance with your directions on the proxy. If a properly executed proxy does not provide instructions, the shares of common stock represented by your proxy will be voted:

FOR each of the Board's nominees for Class III director;

FOR the ratification of the Audit & Risk Committee's appointment of KPMG LLP as our independent registered public accounting firm for 2015; and

FOR the resolution approving the compensation of the named executive officers for the year ended December 31, 2014, as set forth in the proxy statement.

The proxy holders will use their discretion on any other matters that properly come before the meeting. Unless otherwise stated, all shares represented by your completed, returned, and signed proxy will be voted as described above. If you are voting on the Internet or by telephone, the proxies will be voted in accordance with your voting instructions. If you are voting on the Internet or by telephone, your voting instructions must be received by 11:59 p.m., Eastern time on June 3, 2015, unless you are a participant in our 401(k) plan, in which case your voting instructions must be received by 11:59 p.m., Eastern time, on June 2, 2015.

Table of Contents

QUESTIONS AND ANSWERS ABOUT THE 2015 ANNUAL MEETING AND VOTING PROCEDURES

How may I revoke my proxy?

You may revoke your proxy at any time before or at the annual meeting (in each case, before the vote at the annual meeting) by:

Delivering a signed, written revocation letter, dated later than the proxy, to Dawn M. Wolverton, Vice President Assistant General Counsel and Secretary, at 5501 Headquarters Drive, Plano, TX 75024;

Delivering a signed proxy, dated later than the first one, to Alliance Advisors, 200 Broadacres Drive, 3rd Floor, Bloomfield, NJ 07003;

Voting at a later time on the Internet or by telephone, if you previously voted on the Internet or by telephone; or

Attending the meeting and voting in person or by proxy. Attending the meeting alone will not revoke your proxy.

How many votes must each proposal receive to be adopted?

Under our Bylaws, directors are elected by a majority of the votes cast in uncontested elections. Accordingly, the numbers of votes cast for a director nominee must exceed the number of votes cast against that nominee. In contested elections, the vote standard would be a plurality of votes cast. Each share may be voted for each of the nominees, but no share may be voted more than once for any particular nominee. Broker non-votes and abstentions will not affect the outcome of the vote.

A majority of the votes cast is required to ratify KPMG as our independent registered public accounting firm. Broker non-votes and abstentions will have no effect on the outcome of the vote to ratify KPMG.

The affirmative vote of a majority of the shares of common stock present in person or represented by proxy and entitled to vote at the meeting is required to approve the advisory resolution on executive compensation. Broker non-votes will not affect the outcome of the vote. Because abstentions are counted as shares present and entitled to

vote on the proposal, each abstention will have the same effect as a vote against the advisory resolution on executive compensation.

What are broker non-votes?

Broker non-votes occur when nominees, such as banks and brokers, holding shares on behalf of beneficial owners, or customers, do not receive voting instructions from the customers. Brokers holding shares of record for customers generally are not entitled to vote on certain matters unless they receive voting instructions from their customers. In the event that a broker does not receive voting instructions for these matters, a broker may notify us that it lacks voting authority to vote those shares. These broker non-votes refer to votes that could have been cast on the matter in question by brokers with respect to uninstructed shares if the brokers had received their customers' instructions. These broker non-votes will be included in determining whether a quorum exists.

Your bank or broker is not permitted to vote your uninstructed shares in the election of directors on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote, no votes will be cast on your behalf in the election of directors, or with respect to Proposal 3 (advisory vote on executive compensation). To be sure your shares are voted in the manner you desire, you should instruct your broker how to vote your shares.

Who is soliciting this proxy?

The Board of Directors is soliciting this proxy. In addition to the solicitation of proxies by mail, proxies may also be solicited by telephone, electronic mail or personal interview. We will reimburse banks, brokers, custodians, nominees and fiduciaries for reasonable expenses they incur in sending these proxy materials to you if you are a beneficial holder of our shares. We have engaged

Alliance Advisors LLC, a proxy solicitation firm, to assist in the solicitation of proxies. We will pay that firm \$7,500 for its proxy solicitation services and reimburse its out-of-pocket expenses for such items as mailing, copying, phone calls, faxes and other related matters in an amount not to exceed \$2,000.

Table of Contents**BOARD INFORMATION****Independent Directors**

As part of the Company's corporate governance practices, and in accordance with Nasdaq rules, the Board has established a policy requiring a majority of the members of the Board to be independent. In January 2015, each of our non-employee directors (other than Mr. Speese) completed a questionnaire which inquired as to their (and those of their immediate family members) relationship with us and other potential conflicts of interest. Our legal department reviewed the responses of our directors to such questionnaire, as well as material provided by management related to transactions, relationships and arrangements between us and our

directors or parties related to our directors. In March 2015, our Board met to discuss the independence of our directors who are not employed by us. Following such discussions, our Board determined that the following directors are independent as defined under Nasdaq rules: Michael J. Gade, Jeffery M. Jackson, J.V. Lentell, Steven L. Pepper, Leonard H. Roberts, and Paula Stern, Ph.D. The table below includes a description of categories or types of transactions, relationships or arrangements considered by our Board in reaching its determination that the directors are independent.

Board Leadership Structure

Prior to February 1, 2014, we combined the roles of Chairman and Chief Executive Officer and appointed an independent Lead Director. Mr. Speese served as Chairman and Chief Executive Officer and Mr. Lentell as Lead Director. Mr. Speese retired as Chief Executive Officer as of January 31, 2014. In connection with Mr. Speese's retirement and the appointment of Robert D. Davis as Chief Executive Officer effective as of February 1, 2014, our Nominating and Corporate Governance Committee recommended to our Board, and our Board determined, to separate the roles of Chairman and CEO and have Mr. Speese continue to serve as Chairman.

The Board believes that the separation of the roles of Chairman and Chief Executive Officer at this time is appropriate in light of Mr. Davis' tenure as Chief Executive Officer and is in the best interests of the Company's stockholders. Separating these positions aligns the

Chairman role with our independent directors, enhances the independence of our Board from management and allows our Chief Executive Officer to focus on developing and implementing our growth initiatives and supervising our day-to-day business operations. Our Board believes that Mr. Speese is best situated to serve as Chairman because, as a

founder of our company, he is the director most familiar with our business and the rent-to-own industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Mr. Speese works closely with Mr. Davis to set the agenda for Board meetings and to facilitate information flow between the Board and management.

Our Board will review its determination to separate the roles of Chairman and Chief Executive Officer periodically or as circumstances and events may require.

Board Meetings; Executive Session

During 2014, our Board met 11 times, including regularly scheduled and special meetings, and acted twice by unanimous written consent. All of our directors attended more than 75% of the aggregate of the total number of meetings of the Board and the total number of meetings of the Board committees on which they serve.

Our independent directors meet in executive session at each in-person meeting of the Board. Mr. Gade presides over such executive sessions.

BOARD INFORMATION

Role of the Board in Risk Oversight

Our Board takes an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board and the relevant committees receive regular reports from members of senior management on areas of material risk to the Company, including operational, financial, strategic, competitive, reputational, legal and regulatory risks. The Board also meets with senior management annually for a strategic planning session and discussion of the key risks inherent in our

short- and long-term strategies at the development stage, and also receives periodic updates on our strategic initiatives throughout the year. In addition, our Board has delegated the responsibility for oversight of certain risks to its standing committees, as discussed below. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, our entire Board is regularly informed through committee reports concerning such risks.

Board Committees

The standing committees of the Board during 2014 included the Audit & Risk Committee, the Compensation Committee, the Nominating and Corporate Governance Committee, and the Finance Committee. Each of the standing committees has the authority to retain independent advisors and consultants, with all fees and expenses to be paid by us.

The *Audit & Risk Committee* assists the Board in fulfilling its oversight responsibilities by reviewing risks relating to accounting matters, financial reporting, legal and regulatory compliance, and other enterprise-wide risks. To satisfy these oversight responsibilities, our Audit & Risk Committee reviews, among other things, (1) the financial reports and other financial information provided by us to the SEC or the public, (2) our systems of controls regarding finance, accounting, legal compliance and ethics that management and the Board have established, (3) our independent auditor's qualifications and independence, (4) the performance of our internal audit function and our independent auditors, (5) the efficacy and efficiency of our auditing, accounting and financial reporting processes generally, and (6) our risk management practices. The Audit & Risk Committee has the direct responsibility for the appointment, compensation, retention and oversight of our independent auditors, and reviews our internal audit department's reports, responsibilities, budget and staffing. The Audit & Risk Committee also pre-approves all audit and non-audit services provided by our independent auditors and oversees compliance with our code of ethics. In addition, the Audit & Risk Committee meets regularly with our Chief Financial Officer, the head of our internal audit department, our independent auditors, and management (including regularly scheduled executive sessions with the vice president of internal audit and our independent auditors).

The Board has adopted a charter for the Audit & Risk Committee, which can be found in the Corporate Governance section of the Investor Relations section of our website at www.rentacenter.com. The Audit & Risk Committee reviews, updates and assesses the adequacy of its charter on an annual basis, and may recommend any proposed modifications to its charter to the Board for its approval, if and when appropriate.

During 2014, the Audit & Risk Committee held 13 meetings. All members of the Audit & Risk Committee are independent under SEC and Nasdaq rules. In addition, the Board has determined that each of Mr. Jackson and Mr. Pepper is an audit

committee financial expert as defined by SEC rules and Dr. Stern meets the financial sophistication requirements of Nasdaq. Members: Mr. Jackson, Chairman, Mr. Pepper and Dr. Stern.

The *Compensation Committee* (1) discharges the Board's responsibilities with respect to all forms of compensation of our Chief Executive Officer, Chief Operating Officer, Chief Financial Officer, and each of our Executive Vice Presidents, including assessing the risks associated with our executive compensation policies and practices and employee benefits, (2) administers our equity incentive plans and (3) reviews and discusses with our management the Compensation Discussion and Analysis to be included in our annual proxy statement, annual report on Form 10-K or information statement, as applicable, and makes a recommendation to the Board as to whether the Compensation Discussion and Analysis should be included in our annual proxy statement, annual report on Form 10-K or any information statement, as applicable. The Compensation Committee is also responsible for recommending to the Board the form and amount of director compensation and conducting a review of such compensation as appropriate.

The Board has adopted a charter for the Compensation Committee, which can be found in the Corporate Governance section of the Investor Relations section of our website at www.rentacenter.com. In addition, the Compensation Committee reviews, updates and assesses the adequacy of its charter on an annual basis, and may recommend any proposed modifications to its charter to the Board for its approval, if and when appropriate.

The Compensation Committee's processes for fulfilling its responsibilities and duties with respect to executive compensation and the role of our executive officers in the compensation process are described under Compensation Discussion and Analysis Compensation Process beginning on page 22 of this proxy statement.

Pursuant to its charter, the Compensation Committee has the authority, to the extent it deems necessary or appropriate, to retain compensation consultants, independent legal counsel or other advisors and has the sole authority to approve the fees and other retention terms with respect to such advisors. From time to time, the Compensation Committee has engaged compensation consultants to advise it on certain matters. See Compensation Discussion and Analysis Compensation Process beginning on

page 22 of this proxy statement. In addition, the Compensation Committee also has the authority, to the extent it deems necessary or appropriate, to delegate matters to a sub-committee composed of members of the Compensation Committee.

The Compensation Committee held five meetings in 2014, and acted by unanimous written consent twice. All members of the Compensation Committee are non-employee directors and are independent under Nasdaq rules. Members: Mr. Roberts, Chairman, Mr. Lentell and Mr. Gade.

The *Nominating and Corporate Governance Committee* manages risks associated with corporate governance and potential conflicts of interest and assists the Board in fulfilling its responsibilities by (1) identifying individuals believed to be qualified to become members of the Board, consistent with criteria approved by the Board, (2) recommending to the Board candidates for election or reelection as directors, including director candidates submitted by the Company's stockholders and (3) overseeing, reviewing and making periodic recommendations to the Board concerning our corporate governance policies. In addition, the Nominating and Corporate Governance Committee directs the succession planning efforts for the Chief Executive Officer and reviews management's succession planning process with respect to our other senior executive officers.

The Board has adopted a written charter for the Nominating and Corporate Governance Committee, which is available in the Corporate Governance section of the Investor Relations section of our website at www.rentacenter.com. In addition, the

Nominating and Corporate Governance Committee reviews, updates and assesses the adequacy of its charter on an annual basis, and may recommend any proposed modifications to its charter to the Board for its approval, if and when appropriate.

During 2014, the Nominating and Corporate Governance Committee held four meetings, and acted by unanimous written consent once. The Board has determined that each member of the Nominating and Corporate Governance Committee is independent as defined under Nasdaq rules. Members: Mr. Lentell, Chairman, Mr. Gade and Dr. Stern.

The *Finance Committee* assists the Board in fulfilling its responsibilities by reviewing and advising the Board with respect to the financial policies, capital structure and operating plans that support our mission, values and critical growth initiatives.

The Board has adopted a written charter for the Finance Committee, which is available in the Corporate Governance section of the Investor Relations section of our website at www.rentacenter.com. In addition, the Finance Committee reviews, updates and assesses the adequacy of its charter on an annual basis, and may recommend any proposed modifications to its charter to the Board for its approval, if and when appropriate.

During 2014, the Finance Committee held four meetings. A majority of the members of the Finance Committee must be independent. Members: Mr. Pepper, Chairman, Mr. Jackson, Mr. Roberts and Mr. Speese.

CORPORATE GOVERNANCE

Director Nominations

Director Nominees

Under our Bylaws, only persons who are nominated in accordance with the procedures set forth in our Bylaws are eligible for election as, and to serve as, members of our Board. Under our Bylaws, nominations of persons for election to our Board may be made at a meeting of our stockholders (1) by or at the direction of our Board or (2) by any stockholder, provided they comply with the provisions of Article I, Sections 3 and 4 of our Bylaws. The Board has delegated the screening and recruitment process for Board members to the Nominating and Corporate Governance

Committee. The Nominating and Corporate Governance Committee selects individuals it believes are qualified to be members of the Board, and recommends those individuals to the Board for nomination for election or re-election as directors. From time to time, the Nominating and Corporate Governance Committee may engage a consultant to conduct a search to identify qualified candidates. The Nominating and Corporate Governance Committee then undertakes the evaluation process described below for any candidates so identified.

Qualifications

The Nominating and Corporate Governance Committee believes that the minimum requirements for a person to be qualified to be a member of the Board are that a person must be committed to equal opportunity employment, and must not be a director, consultant, or employee of or to any competitor of ours (i.e., a company in the rent-to-own business). The Nominating and Corporate Governance Committee also believes that members of the Board should possess character, judgment, skills (such as an understanding of the retail and rent-to-own industries, business management, finance, accounting, marketing, operations and strategic planning), diversity, and experience with businesses and other organizations of a comparable size and industry. In addition, the Nominating and Corporate Governance Committee considers the composition of the current Board and the Board's needs when evaluating the experience and qualification of director candidates. The Nominating and Corporate Governance Committee evaluates whether certain individuals possess the foregoing qualities and

recommends to the Board candidates for nomination to serve as our directors. This process is the same regardless of whether the nominee is recommended by one of our stockholders.

As noted above, our Nominating and Corporate Governance Committee believes that diversity is one of many attributes to be considered when selecting candidates for nomination to serve as one of our directors. In general, our Nominating and Corporate Governance Committee's goal in selecting directors for nomination to our Board is to create a well-balanced team that (1) combines diverse business and industry experience, skill sets and other leadership qualities, (2) represents diverse viewpoints and (3) enables us to pursue our strategic objectives. While the Committee carefully considers diversity when evaluating nominees for director, the Committee has not established a formal policy regarding diversity in identifying director nominees.

Advance Resignation Policy

As a condition to nomination by the Nominating and Corporate Governance Committee of an incumbent director, a nominee shall submit an irrevocable offer of resignation to the Board, which resignation shall become effective in the event that (a) such nominee is proposed for reelection and is not reelected at a

meeting of the stockholders in which majority voting applies and (b) the resignation is accepted by the Board by the vote of a majority of the directors, not including any director who has not been reelected.

Stockholder Nominations

In addition to nominees by or at the direction of our Board, the Nominating and Corporate Governance Committee will consider candidates for nomination proposed by a stockholder, so long as the stockholder provides notice and information on the proposed nominee to the Nominating and Corporate Governance Committee through the Secretary in accordance with the provisions of Article I, Sections 3 and 4 of our Bylaws relating to direct stockholder nominations.

For the Nominating and Corporate Governance Committee to consider candidates recommended by a stockholder, Article I, Section 3 of our Bylaws requires that the stockholder provide notice to our Secretary (1) not less than 90 nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders, or (2) with respect to an election to be held at a special meeting of stockholders for the election of directors, no earlier than 120 days prior to the date of such special

meeting, nor later than the close of business on the later to occur of the 90th day prior to the date of such special meeting or the 10th day following the day on which public disclosure of the date of the special meeting was made (if the first public announcement of the date of the special meeting is less than 100 days prior to the date of the special meeting). The notice to our Secretary must set forth, among other things:

the name & address of the stockholder and/or beneficial owner making such nomination;

class & number of shares of capital stock owned, directly or indirectly, beneficially or of record by such stockholder and/or beneficial owner;

any derivative interests held by such stockholder and/or beneficial owner;

proxy or voting agreements to which such stockholder and/or beneficial owner may vote any shares of any of our securities;

short interest position of such stockholder and/or beneficial owner, if any;

dividend rights to which such stockholder and/or beneficial owner are entitled, if separable;

proportionate interests of such stockholder and/or beneficial owner arising out of partnership arrangements;

performance related fees to which such stockholder and/or beneficial owner is entitled based on the increase or decrease in the value of such shares or derivative instrument;

with respect to each proposed stockholder nominee, information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected); and

with respect to each proposed stockholder nominee, a description of any compensatory and other material agreements among the nominating stockholder/beneficial owner, its affiliates and associates, and the proposed nominee.

In addition, to be timely, a stockholder's notice shall further be updated and supplemented, if necessary, so that the information provided or required to be provided in such notice shall be correct as of the record date for the meeting and as of the date that is 10 business days prior to the meeting, and such update and supplement must be delivered to our Secretary not later than 5 business days after the record date for the meeting in the case of the update and supplement required to be made as of the record date, and not later than 8 business days prior to the date for the

meeting in the case of the update and supplement required to be made as of 10 business days prior to the meeting. In addition, as to each person whom the stockholder proposes to nominate for election or re-election as a director, the following information must be provided to our Secretary in accordance with the time period prescribed for the notice to our Secretary described above:

a questionnaire furnished by our Secretary and completed by the proposed nominee; and

the representation and agreement of the proposed nominee regarding no voting agreements, non-disclosed compensation arrangements, and compliance upon election with our governance policies and guidelines. The above description of the requirements that stockholders must comply with when recommending candidates for our Board is a summary only, and stockholders interested in nominating candidates to our Board are encouraged to closely review our Bylaws.

Director Attendance at Annual Meeting of Stockholders

Our Board has adopted a policy stating that each member of the Board should attend our annual meeting of stockholders. All of our directors then serving as directors attended the 2014 Annual Meeting of Stockholders.

**PROPOSAL TWO: RATIFICATION OF THE SELECTION
 OF INDEPENDENT REGISTERED
 PUBLIC ACCOUNTING FIRM**

During 2012, the Audit & Risk Committee solicited proposals from several audit firms to serve as our independent registered public accounting firm. Following a thorough formal review of these proposals, the Audit & Risk Committee decided on December 13, 2012 to engage KPMG LLP as our independent registered public accounting firm beginning with the audit for the year ending December 31, 2013, including the 2013 quarterly reviews. In March 2015, the Audit & Risk Committee again appointed KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2015. Our Board has further directed that we submit the selection of our independent registered public accounting firm for ratification by our stockholders at the annual meeting.

Grant Thornton LLP was engaged to audit our consolidated financial statements for the year ended December 31, 2012 and was dismissed as our independent registered public accounting firm upon completion of these services when we filed our Annual Report on Form 10-K for that year. During the years ended December 31, 2011 and 2012, and through the date we filed our Annual Report on Form 10-K for the year ended December 31, 2012, we had no disagreements with Grant Thornton on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Grant Thornton's satisfaction, would have caused it to make reference to the matter in conjunction with its report on our consolidated financial statements for the relevant year; and there were no reportable events as defined in Item 304(a)(1)(v) of SEC Regulation S-K.

Grant Thornton's audit reports on our consolidated financial statements for the years ended December 31, 2011 and 2012 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the years ended December 31, 2011 and 2012, and through the date we filed our Annual Report on Form 10-K for the year ended December 31, 2012, neither we, nor anyone on our behalf, consulted with KPMG with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements, and no written report or oral advice was provided by KPMG to us that KPMG concluded was an important factor considered by us in reaching a decision as to the accounting, auditing, or financial reporting issue or (ii) any matter that was the subject of either a disagreement (as defined in Item 304(a)(1)(iv) of SEC Regulation S-K) or a reportable event (as described in Item 304(a)(1)(v) of SEC Regulation S-K).

Representatives of KPMG will attend the annual meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions from stockholders.

The Audit & Risk Committee reviews and pre-approves both audit and all permissible non-audit services provided by our independent registered public accounting firm, and accordingly, all services and fees in 2014 and 2013 provided by KPMG were pre-approved by the Audit & Risk Committee. The Audit & Risk Committee has considered whether the provision of services, other than services rendered in connection with the audit of our annual financial statements, is compatible with maintaining KPMG's independence. The Audit & Risk Committee has determined that the rendering of non-audit services by KPMG during the years ended December 31, 2014 and 2013, was compatible with maintaining such firm's independence.

Stockholder ratification of the selection of KPMG as our independent registered public accounting firm is not required by our Bylaws or otherwise. However, the Board is submitting the selection of KPMG to the stockholders for ratification as a matter of good corporate practice. The Audit & Risk Committee believes it to be in the best interests of our stockholders to retain, and has retained, KPMG as our independent registered public accounting firm for the year ending December 31, 2015. If the stockholders fail to ratify the selection, the Audit & Risk Committee will reconsider whether or not to continue the retention of KPMG. Even if the selection is ratified, the Audit & Risk Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in our best interests and those of our stockholders. The Audit & Risk Committee annually reviews the performance of our independent registered public accounting firm and the fees charged for their services. Based upon the Audit & Risk Committee's analysis of this information, the Audit & Risk Committee will determine which registered independent public accounting firm to engage to perform our annual audit each year.

Our Board of Directors recommends that you vote FOR the proposal to ratify the selection of KPMG LLP as our independent registered public accounting firm.

AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board, the Audit & Risk Committee assists the Board in fulfilling its oversight responsibilities by, among other things, reviewing the financial reports and other financial information provided by the Company to any governmental body or the public.

In discharging its oversight responsibilities, the Audit & Risk Committee obtained from the independent registered public accounting firm a formal written statement describing all relationships between the firm and the Company that might bear on the auditors' independence consistent with the applicable requirements of the Public Company Accounting Standards Board, discussed with the independent auditors any relationships that may impact their objectivity and independence, and satisfied itself as to the auditors' independence. The Audit & Risk Committee also discussed with management, the internal auditors and the independent auditors the integrity of the Company's financial reporting processes, including the Company's internal accounting systems and controls, and reviewed with management and the independent auditors the Company's significant accounting principles and financial reporting issues, including judgments made in connection with the preparation of the Company's financial statements. The Audit & Risk Committee also reviewed with the independent auditors their audit plans, audit scope and identification of audit risks.

The Audit & Risk Committee discussed with the independent auditors the matters required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board, and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the consolidated financial statements of the Company.

The Audit & Risk Committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the year ended December 31, 2014 with management and the independent auditors. Management is responsible for the

Company's financial reporting process, including its system of internal control over financial reporting (as defined in Rule 13a-15(f) promulgated under the Securities Exchange Act of 1934), and for the preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles. The independent auditor is responsible for auditing those financial statements, and expressing an opinion on the effectiveness of internal control over financial reporting. The Audit & Risk Committee's responsibility is to monitor and review these processes. The members of the Audit & Risk Committee are independent as defined by SEC and Nasdaq rules, and our Board has determined that each of Jeffery M. Jackson and Steven L. Pepper is an audit committee financial expert as defined by SEC rules.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Compensation Program Objectives

Decisions with respect to compensation of our executive officers, including our Chief Executive Officer and other named executive officers, are made by our Compensation Committee, which is comprised solely of independent directors. Our Compensation Committee has identified four primary objectives for our executive compensation program, which guide the decisions it makes with respect to the amount and type of compensation paid to our named executive officers. The objectives of our executive compensation program are to:

attract, retain and motivate senior executives with competitive compensation opportunities;

balance short-term and long-term strategic goals;

align our executive compensation program with the core values identified in our mission statement, which focuses on improving the quality of life for our co-workers and our customers; and
reward achievement of our financial and non-financial goals.

The compensation philosophy is generally to target total direct compensation (base salary, annual incentive and long-term incentive compensation) at the 50th-75th percentile of that paid at similarly-situated public companies in the retail and consumer finance sector, with cash compensation (base salary and annual incentives) targeted at the 50th percentile, and long-term incentive compensation targeted at the 75th percentile. The Company places a premium on aligning rewards with desired performance, and as such spends a noticeable portion of its variable compensation on key performers and those deemed to be critical contributors over the longer term.

Executive Summary

We are committed to a pay-for-performance culture. The compensation program is reviewed annually in order to assure that its objectives and components are aligned with the Company's growth goals and culture, and also that it incentivizes short- and long-term profitable growth.

2014 Financial and Strategic Highlights

In 2014, we continued to return value to our stockholders and focus on our strategic growth goals. The following key accomplishments were achieved in fiscal 2014:

Continued executing on our multi-year program designed to transform and modernize our operations company-wide in order to improve the profitability of the Core U.S. segment while continuing to grow our Acceptance Now segment:

- i launched the flexible labor model pilot in November 2014

Same store sales increases of over 28% in our Acceptance Now segment and 17% in our Mexico segment; Increased earnings per diluted share to \$0.48 compared to \$0.25 for the fourth quarter of 2014; and

Increased quarterly dividend from \$0.23 to \$0.24, beginning with the dividend for the first quarter of 2015. Please refer to our Annual Report on Form 10-K for the year ended December 31, 2014 for more information.

Pay for Performance

Our executive compensation program directly links a substantial portion of executive compensation to our financial performance through annual and long-term incentives. For the 2014 annual cash incentive program, the EBITDA goal was achieved at 86.4% of target (resulting in a 30% payout of the 65% of the target bonus amounts attributable to the EBITDA target), and the revenue goal was achieved at 96.7% of target (resulting in a 30% payout of the 25% of the target bonus amounts attributable to the revenue target).

We failed to achieve more than 80% of the three-year EBITDA target established in connection with the grant in 2012 of

performance-based restricted stock units pursuant to our long-term incentive compensation program. Accordingly, none of the performance-based restricted stock units granted as part of the 2012 long-term incentive compensation awards was earned and no shares were issued to our named executive officers pursuant to such awards.

The mix of the key compensation elements for our Chief Executive Officer and our other named executive officers for fiscal 2014 is shown below. The Actual Compensation Mix charts describe each element of actual compensation as a percent of total direct compensation for fiscal 2014.

The Actual Compensation Mix charts above include salary with respect to 2014, the actual amount paid under the 2014 annual cash incentive program, and the estimated grant date value of stock options, restricted stock units and performance stock units granted during fiscal 2014, as shown in the Summary

Compensation Table on page 30. The value of all of the long-term incentive compensation vehicles (stock options, restricted stock units (RSUs), and performance share units (PSUs)) is time vested and depends upon our financial performance over the measurement or vesting period.

Stockholder Advisory Vote

In May 2014, we held a stockholder advisory vote on the compensation of our named executive officers, referred to as a say-on-pay vote. Our stockholders approved the compensation of our named executive officers, with approximately 98% of the shares of common stock present and entitled to vote at the meeting cast in favor of our proposal.

Compensation decisions and changes implemented in fiscal 2014 were made keeping in

mind the support stockholders expressed for our compensation philosophy and pay-for-performance culture. As a result, our Compensation Committee kept most facets of the executive compensation program consistent, with an emphasis on short and long-term incentive compensation that rewards our executives upon value creation for our stockholders.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS****Compensation Process**

The Compensation Committee typically begins the process of determining the amount and mix of total compensation to be paid to our senior executives, including our named executive officers, in December of each year and finalizes the amounts the following January. This enables the Compensation Committee to examine and consider our performance during the previous year in establishing the current year's compensation.

The Compensation Committee determines each year whether to retain a compensation consultant to assist it with compensation decisions for the upcoming fiscal year. In May 2013, the Compensation Committee approved the engagement of Hay Group, Inc. (Hay Group) to conduct a formal evaluation of, and advise it with respect to, the compensation arrangements for our Chief Executive Officer, as well as provide guidance with respect to the compensation of our senior executives, including our other

named executive officers, for the 2014 fiscal year. In determining whether to engage Hay Group to provide such services, the Compensation Committee considered whether such engagement would create any conflicts of interest and determined that the engagement of Hay Group by the Company to advise it with respect to compensation to be paid to our senior executive management for 2014 did not create any such conflicts. Hay Group was engaged directly by the Compensation Committee and has performed no other services to us or any of our executive officers or directors.

Based on the work performed by Hay Group, the Compensation Committee determined that the following similarly-situated public companies (the Peer Group) provided an appropriate comparison for the purpose of evaluating our compensation arrangements for our senior executives:

Aaron's, Inc.	Advance Auto Parts, Inc.	Big Lots Inc.	Brinker International Inc.
Cash America International, Inc.	DFC Global Corp.	Dollar Tree, Inc.	EZCORP, Inc.
Fred's, Inc.	hhgregg, Inc.	H&R Block, Inc.	Michaels Stores, Inc.
O'Reilly Automotive Inc.	Pier 1 Imports, Inc.	RadioShack Corp.	Sally Beauty, Inc.

The following criteria were used to establish this Peer Group:

U.S.-based public companies with a similar business focus as ours, including both consumer finance and retail (particularly home furnishings, appliances and other retail organizations with which we compete for customers in a similar demographic);

Companies with revenue similar to us (generally 0.5 to 2.0 times our revenue); and

Competitors for executive talent.

Two companies which were previously included in the Peer Group (AutoZone, Inc. and Family Dollar Stores, Inc.) were removed and replaced with Michaels Stores, Inc. and Sally Beauty, Inc. because such companies more closely matched the criteria set forth above. In the fall of 2013, the Compensation Committee approved the use of this Peer Group for use in connection with compensation decisions to be made for the 2014 fiscal year.

Finally, various members of the Compensation Committee have significant professional experience in the retail industry, as well as with respect to the executive compensation practices of large publicly-traded companies. This experience provides a frame of reference within which to evaluate our executive compensation program relative to general economic conditions and our progress in achieving our short-term and long-term goals.

When the Compensation Committee considers the mix and amount of total compensation for our named executive officers, it

reviews tally sheets which contains information regarding, among other things:

each named executive officer's compensation and benefits for the previous three years; and

the type and amount of long-term incentive awards granted to each named executive officer in the previous three years, including any amounts which have become vested.

The Compensation Committee uses these tally sheets to estimate the total annual compensation of the named executive officers, and to provide a perspective on the named executive officers' wealth accumulation from our compensation programs. Before finalizing the compensation of the named executive officers for any given year, the tally sheets allow the Compensation Committee to fully understand the impact that its decisions will have on each named executive officer's total existing and potential compensation.

See the sections entitled "Potential Payments and Benefits Upon Termination Without a Change in Control" and "Potential Payments and Benefits Upon Termination With a Change in Control" beginning on pages 36 and 37, respectively, of this proxy statement for the total amount of compensation and benefits each named executive officer could receive as a result of the various termination events and a description of our severance arrangements beginning on page 34 of this proxy statement.

COMPENSATION DISCUSSION AND ANALYSIS

Forms of Compensation

The following forms of compensation are currently utilized by the Compensation Committee in compensating our named executive officers:

base salary, which is paid in cash;

annual incentive compensation, which is paid in cash;

long-term incentive compensation, which consists of stock options, restricted stock units, and performance stock units;

severance arrangements; and

fringe benefits, including perquisites, with no tax gross-ups.

Base Salary

The base salary for each of our named executive officers represents the guaranteed portion of their total compensation and is determined annually by the Compensation Committee. Base salary is intended to reward the performance of each named executive officer during the fiscal year relative to his position with us. In establishing the base salary for each of our named executive officers, the Compensation Committee reviews:

the named executive officer's historical performance in his position with us, including the financial performance within his or her area of responsibility and other factors;

Mr. Davis' recommendations as to the proposed base salary (other than his own);

our financial performance; and

market pay practices.

At the beginning of each year, the Compensation Committee considers whether adjustments would be made to the annual base salaries for our named executive officers. During the Compensation Committee's review of the current base salaries, the Compensation Committee primarily considers market data, input provided by our Human Resources department, the input of Mr. Davis (other than with respect to his own base salary),

individual performance, our financial performance, the experience of the executive officer, and each named executive officer's compensation in relation to our other executive officers.

In connection with Mr. Davis's appointment as Chief Executive Officer, the Board, upon recommendation of the Compensation Committee, approved a base salary for Mr. Davis of \$750,000, effective February 1, 2014. The Compensation Committee determined to increase the base salary for Mr. Mussat in 2014 to more closely align his base pay with the market median data as reported by the peers in the Hay Group 2013 Retail Remuneration Survey, and in recognition of his expanded scope of responsibilities as the Company's recently named Chief Omnichannel Officer. The Compensation Committee increased the base salary for 2014 for each of our other named executive officers (other than Mr. Constant) at a modest rate consistent with the salary increases for our other senior executive management.

The Compensation Committee approved the following base salaries of the named executive officers for 2013 and 2014 as set forth in the table below. The base salary adjustments for 2013 and 2014 were effective March 2, 2013, and March 1, 2014, respectively, except with respect to Mr. Davis's increase for 2014, which was effective on February 1, 2014.

COMPENSATION DISCUSSION AND ANALYSIS

Annual Cash Incentive Compensation

The Compensation Committee maintains an annual incentive compensation program for our executive officers that provides for awards in the form of a cash bonus. The Compensation Committee believes that cash bonuses are appropriate to promote our interests as well as those of our stockholders by providing our named executive officers with short-term financial rewards based upon achievement of specified short-term objectives, which the Compensation Committee believes will ultimately increase the value of our stock, as well as help us attract and retain our named executive officers by providing attractive compensation opportunities.

Our named executive officers participate in our annual cash incentive program. Under our annual cash incentive program, cash bonus eligibility is established at a pre-determined percentage of the named executive officer's base salary, with such percentage amount set in accordance with the eligible named executive officer's position and responsibilities with us. The percentage allocated as well as the potential ultimate payouts pursuant to our annual cash incentive program for each year are typically approved by the Compensation Committee in January at the same time that all compensation for our named executive officers is reviewed and, if applicable, approved. This enables the Compensation Committee to examine the named executive officer's performance during the previous year, as well as determine financial performance targets for the new fiscal year based in part upon the previous year's performance. In connection with Mr. Davis' appointment as Chief Executive Officer, the Board, upon recommendation of the Compensation Committee, approved an increase in the eligible bonus percentage for Mr. Davis from 55% to 100% of his base salary. No changes to the eligible bonus percentages for our other named executive officers were made for the 2014 annual cash incentive program.

As in prior years, the annual cash incentive program for 2014 included two financial performance metrics: EBITDA and corporate revenue, as well as a target tied to each named executive officer's compliance with our servant leadership values. Previously, the Compensation Committee included pre-tax net income as one of the performance measures for our annual cash incentive program. The Compensation Committee adopted the change to an EBITDA target from a pre-tax net income target because it believes EBITDA generally represents an accurate indicator of our financial performance over a one-year period of time, while excluding the impact of interest and depreciation which can vary significantly. The inclusion of the corporate revenue target in the annual cash incentive program reflects the Compensation Committee's determination that although a substantial portion of the cash bonus opportunity should be dependent on our profitability, a portion of such cash bonus opportunity should be based on our revenue growth. In addition, the Compensation Committee believes that a portion of each named executive officer's cash bonus opportunity should be determined on the basis of such individual's compliance with our servant leadership values. Accordingly, the potential annual incentive award for the named executive officers for the 2014 annual cash incentive program was divided as follows: 65% EBITDA; 25% revenue; and 10% servant leadership. The annual cash incentive program for 2015 will include only the financial

performance metrics and be divided 75% EBITDA and 25% revenue. Each individual named executive officer's compliance with our servant leadership values will be considered when setting such individual's base salary for the following year, rather than as a component of the annual cash incentive program.

The financial performance targets for the 2014 annual cash incentive program were established in January 2014 following a review of our financial projections developed pursuant to our strategic plan and objectives for 2014. Based upon that review, the Compensation Committee established a corporate revenue target under the 2014 annual cash incentive program in the amount of \$3.288 billion and an EBITDA target under the 2014 annual cash incentive program in the amount of \$334.3 million. In setting the EBITDA target under the 2014 annual cash incentive program, the Compensation Committee considered (i) the level of achievement of the pre-tax consolidated net income target for the 2013 annual cash incentive program and (ii) the level of the Company's anticipated investment in its growth strategies for 2014. The Compensation Committee further determined that, consistent with its views as to the financial performance measures for our annual cash incentive program, each eligible executive officer may receive (1) an additional bonus amount in the event that we exceed the financial performance targets for the fiscal year, and (2) a portion of the bonus in the event that we approach, yet fail to achieve, the target levels of financial performance.

With respect to the servant leadership portion of the 2014 annual cash incentive program, which represents 10% of the total bonus opportunity, the named executive officer could earn from 0% to 100% depending on the score such officer receives on a servant leadership index survey completed with respect to such officer by his supervisor, peers and direct reports. Survey participants review a series of positive behavior statements (such as "has earned my trust," "clearly communicates expectations," "displays humility" and "demonstrates respect for others by listening to their viewpoint") and rank the subject officer on a scale of one to five, with five indicating that the subject officer always demonstrates the applicable behavior, and one indicating that the subject officer never demonstrates the applicable behavior. Each named executive officer receives an aggregated score based on all responses. A score of 4.60 or higher is required to earn 100% of the 10% total bonus opportunity with respect to servant leadership. All of our named executive officers received a score of 4.60 or higher in 2014.

In January 2015, the Compensation Committee determined the level of achievement of the revenue and EBITDA targets as previously set by the Committee with respect to the 2014 annual cash incentive program. EBITDA as reported in accordance with GAAP for the year ended December 31, 2014, was \$283.4 million. In reviewing our actual 2014 performance relative to the EBITDA goal, the Compensation Committee determined that it would be appropriate, consistent with past practices, to adjust for certain non-operating items for purposes of determining whether the financial target had been met for the year. The Compensation Committee concluded that the failure to adjust for such items would inappropriately penalize management for certain

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

operational decisions which the Compensation Committee believed were in the best interests of the Company's stockholders. Accordingly, the Compensation Committee made adjustments to EBITDA pertaining to (i) restructuring charges related to (a) expenses associated with the 150 rent-to-own stores closed in the second quarter of 2014 (a \$2.3 million increase), (b) severance payments in connection with the July 2014 corporate restructuring (a \$2.8 million increase), and (c) the write-down of internally developed software (a \$4.8 million increase); (ii) certain settlement credits (a decrease of \$6.8 million); (iii) a reduction in revenue due to consumer refunds as a result of an operating system programming error (an increase of \$0.6 million); and (iv) certain adjustments relating to accounting changes (a \$1.6 million increase). The Compensation Committee reviewed the combined proposed adjustments and their impact on the calculation of the Company's EBITDA for the fiscal year ended December 31, 2014, and determined that the Company's EBITDA for purposes of the 2014 annual cash incentive program was equal to \$288.7 million.

Total revenue as reported in the Company's financial statements for the year ended December 31, 2014, was \$3.158 billion. In reviewing our actual 2014 performance relative to the revenue target, the Compensation Committee again determined that it would be appropriate, consistent with past practices, to adjust for certain non-GAAP adjustments for purposes of determining whether the revenue target had been met for the year. The Compensation Committee concluded that the failure to adjust for

such items would unfairly penalize management for adopting accounting changes which the Compensation Committee believed to be in the best interests of the Company's stockholders. Accordingly, the Compensation Committee made adjustments to revenue pertaining to non-GAAP reconciliations recorded in the fourth quarter related to the accounting for franchise sales, delivery fees, extended warranties and employee purchases. The Compensation Committee reviewed the combined proposed adjustments and their impact on the calculation of the Company's revenue for the fiscal year ended December 31, 2014, and determined that the Company's revenue for purposes of the 2014 annual cash incentive program was equal to \$3.181 billion.

Accordingly, the Compensation Committee determined that the Company achieved (i) 86.4% of the EBITDA objective for 2014 resulting in payment of 30% of the 65% of the target bonus amounts attributable to the EBITDA condition pursuant to the 2014 annual cash incentive program, and (ii) 96.7% of the revenue objective for 2014 resulting in payment of 30% of the 25% of the target bonus amounts attributable to the revenue condition pursuant to the 2014 annual cash incentive program.

The target and actual amounts awarded to our named executive officers for their annual cash incentive bonus for 2014 performance are set forth below and included in the Summary Compensation Table under the column "Non-Equity Incentive Plan Compensation" on page 30 of this proxy statement.

Long-Term Incentive Compensation

Our equity incentive plans are administered by the Compensation Committee and are designed to enable the Compensation Committee to provide incentive compensation to our employees in the form of stock options, stock awards, other equity awards, and performance-based equity awards. The Compensation Committee believes that awarding our named executive officers non-cash, long-term equity incentive compensation, primarily in the form of long-term incentive awards which may increase in value in conjunction with the satisfaction by us of pre-determined performance measures and/or an increase in the value of our common stock, more effectively aligns their interests with ours. The Compensation Committee also believes that such awards will provide our named executive officers with an incentive to remain in their positions with us, since the determination as to whether a particular measure for our performance and/or an increase in the

value of our common stock has been satisfied is typically made over an extended period of time. In general, the Compensation Committee considers equity awards to our named executive officers on an annual basis, normally in January of each year.

Generally, long-term incentive awards are made to our named executive officers pursuant to (i) the 2006 Plan and (ii) the Rent-A-Center, Inc. 2006 Equity Incentive Plan, which we refer to as the Equity Plan. Under the terms of each of the 2006 Plan and the Equity Plan, awards may be granted at times and upon vesting and other conditions as determined by the Compensation Committee, and may be made in the form of stock options, stock awards, other equity awards, and performance-based equity awards. Stock option awards under our equity incentive plans are granted at the fair market value per share of our common stock

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

on the date the option is granted as determined by reference to the closing price for shares of our common stock on the Nasdaq Global Select Market on the last market trading day prior to the date the option is granted. The options granted to our named executive officers typically vest ratably over a four-year period, commencing one year from the date of grant, and expire after 10 years.

The restricted stock units granted by our Compensation Committee cliff vest either after a set period of time or upon the achievement of specified goals for our performance over a period of time. Awards of restricted stock with time-based vesting provide our named executive officers with a minimum level of value while also providing an additional incentive for such individuals to remain in their positions with us. Awards of restricted stock with performance-based vesting provide an additional incentive for our named executive officers to remain in their positions with us in order to realize the benefit of such award and also focus them on a performance parameter which the Compensation Committee considers beneficial to increasing the value of our stock, and consequently, stockholder value.

The Compensation Committee determines the timing of the annual grants of stock options and restricted stock units to our named executive officers as well as the terms and restrictions applicable to such grants. The Compensation Committee

approves generally in January of each year the annual grant to our executive officers after the Compensation Committee has reviewed the information set forth in the tally sheets. Grants may also be made in connection with commencement of employment, promotions, or tenure.

2014 Long-term Incentive Compensation Awards. The Compensation Committee adjusted the aggregate amount of the long-term incentive compensation award for 2014 for Mr. Davis from 100% to 200% of his base salary in connection with his promotion to Chief Executive Officer. No changes to the aggregate amount of the long-term incentive compensation awards for 2014 were made for our other named executive officers. Consistent with prior years, the long-term incentive compensation awards for 2014 were comprised of three vehicles, but the Compensation Committee determined to place more emphasis on the portion of the long-term incentive award which is contingent on financial performance. Accordingly the award tranches are weighted as follows: (i) 25% of the value of the award issued in stock options, (ii) 25% of the value of the award issued in time based restricted stock units and (iii) 50% of the value of the award issued in performance-based restricted stock units. On January 31, 2014, the Compensation Committee granted awards under the long-term incentive plan to our named executive officers, targeting grant values by type of award, as follows:

Name	Restricted Stock Units				Total
	Stock Options	Time-Based Vesting	Performance-Based Vesting		
Mark E. Speese	\$ 0	\$ 0	\$ 0	\$ 0	\$ 0
Robert D. Davis	\$ 375,000	\$ 375,000	\$ 750,000	\$	\$ 1,500,000

(1) Granted 7/1/2014

Consistent with long-term incentive awards made in prior years, the awards to our named executive officers in January 2014 of restricted stock with performance-based vesting contained provisions with respect to our achievement of EBITDA. The Compensation Committee established a three-year EBITDA target as the appropriate basis upon which to measure our performance in this context. The Compensation Committee believed EBITDA represents an accurate indicator of our performance over an extended period of time, as an EBITDA measure incorporates certain factors which the Compensation Committee believed are important to an understanding of our performance over such period, such as an increase in revenue as well as the management of our expenses, while not incorporating other factors which the Compensation Committee does not believe are important to an understanding of our performance over such period, such as any repurchases of our outstanding shares which would affect an earnings per share measurement. The Compensation Committee selected a three-year period over which to measure EBITDA based

upon the time-period utilized with respect to awards made by similarly-situated public companies in the retail industry, as well as upon its belief that a three-year measurement period was appropriate to place an emphasis on our operating results over an extended period of time, as opposed to the single year measure which is utilized in our annual cash incentive program.

In setting the target amount of EBITDA over such three-year period, the Compensation Committee reviewed with management our financial projections as well as the market's expectations with respect to our financial performance over such period. The three-year EBITDA target for the 2014 performance-based awards was set at \$1.203 billion. Each eligible named executive officer may receive (1) an additional payout pursuant to such award in the event that we exceed the target EBITDA over such period, and (2) a portion of the target payout pursuant to such award in the event that we approach, yet fail to achieve, the target level of financial performance.

Determination of Long-term Incentive Compensation Awards. In January 2014, the Compensation Committee determined the level of achievement of the three-year EBITDA target previously set by the Compensation Committee with respect to the long-term incentive performance-based awards made in January 2012. The Compensation Committee reviewed the Company's EBITDA for each of the three years in the period January 1, 2012 through December 31, 2014, and determined that the Company's aggregate EBITDA for such three-year period for purposes of the 2012 long-term incentive performance-based awards was equal to \$1.090 billion, or less than 80% of the EBITDA target previously set by the Compensation Committee in the amount of \$1.381 billion. Accordingly, the Compensation Committee determined, in accordance with the terms of the 2012 long-term incentive performance-based awards, that none of the performance-based

restricted stock units granted as part of the 2012 long-term incentive compensation awards was earned and no shares were issued to our name executive officers pursuant to such awards.

Adoption of Relative Total Shareholder Return as Performance Measure. Our Compensation Committee has adopted a relative total shareholder return metric over a three-year measurement period as the vesting condition for future grants of performance stock units (beginning in 2015) under our long-term incentive compensation program. The Compensation Committee made this decision in order to tie the external performance of our common stock to executive compensation and because the Compensation Committee believes that a relative measure is a more appropriate basis for measuring long-term performance than an absolute measure. In order to immediately emphasize

the relative total shareholder return metric to our senior executive officers, the Compensation Committee also determined to grant performance stock unit awards with one- and two-year measurement periods to our senior executive officers, including our named executive officers, in January 2015.

Severance Arrangements

We have executive transition agreements with our named executive officers to provide certain payments and benefits upon an involuntary termination of the named executive officer's employment or the occurrence of certain other circumstances that may affect the named executive officer. The Compensation Committee believes that such severance arrangements assist us in recruiting and retaining top-level talent. In addition, formalizing our severance practices benefits us (1) by providing us with certainty in terms of our obligations to an eligible executive in the event that our relationship with him or her is severed and (2) by virtue of the non-competition, non-solicitation and release provisions in our loyalty agreements, which inure to our benefit in the event that an eligible executive severs employment with us.

For a more detailed description of the severance arrangements which apply to our named executive officers, please see *Termination of Employment and Change-in-Control Arrangements* beginning on page 34 of this proxy statement.

Fringe Benefits and Perquisites

Our named executive officers are eligible to participate in the benefit plans generally available to all of our employees, which include health, dental, life insurance, vision and disability plans, all of which the Compensation Committee believes are commensurate with plans of other similarly situated public companies in the retail industry. In addition, we will pay for the cost of an executive physical examination for each named executive officer each year. Our named executive officers are not eligible to participate in our 401(k) Retirement Savings Plan. Instead, our named executive officers are eligible to participate in the Rent-A-Center, Inc. Deferred Compensation Plan. The Deferred Compensation Plan allows our executive officers to defer tax liability on a portion of their compensation.

In addition, we own and operate a corporate jet for use by management for business purposes which is available to our named executive officers for limited non-business use. Use of the corporate aircraft by these executives for non-business use is subject to availability. The executive must pay us all direct operating costs and any additional charges incurred by the executive for any non-business use of the corporate aircraft (no later than at the completion of such non-business use). If the actual cost for the non-business use of the corporate aircraft is not paid in full at the completion of the non-business use, such

amount is deemed compensation for the requesting executive and reflected on his or her W-2 earnings statement for the year.

The Compensation Committee has determined it is beneficial to offer the above-described fringe benefits and perquisites in order to attract and retain our named executive officers by offering compensation opportunities that are competitive with those offered by similarly-situated public companies in the retail industry. In determining the total compensation payable to our named executive officers for a given fiscal year, the Compensation Committee will examine such fringe benefits and perquisites in the context of the total compensation which our named executive officers are eligible to receive. However, given the fact that such fringe benefits and perquisites which are available to our named executive officers represent a relatively insignificant portion of their total compensation, the availability of such items does not materially influence the decisions made by the Compensation Committee with respect to other elements of the total compensation to which our named executive officers are entitled or awarded.

For a description of the fringe benefits and perquisites received by our named executive officers in 2014, please see All Other Compensation on page 30 of this proxy statement.

CEO Transition

Mr. Speese retired as Chief Executive Officer as of January 31, 2014, and Robert D. Davis became Chief Executive Officer as of February 1, 2014. Mr. Speese continues to serve as our Chairman. Mr. Speese specified to us that his resignation as Chief Executive Officer did not constitute a termination of his employment agreement for good reason and no severance benefits were paid to Mr. Speese. Mr. Speese is now compensated as a non-employee director, as set forth on pages 11-12. In addition, on February 1, 2014, Mr. Speese was granted 3,676 director deferred stock units representing a pro-rated portion of the 2014 award value of \$100,000.

In connection with Mr. Davis' appointment as Chief Executive Officer, the Board, upon recommendation of the Compensation Committee, approved the following compensation arrangements for Mr. Davis for 2014:

effective February 1, 2014, his salary was increased to \$750,000;

the annual cash incentive compensation target was increased to 100% of his base salary; and

the long term incentive target value was increased to 200% of his base salary.

Clawback Policy

Our Board has adopted a compensation recovery (clawback) policy which provides that, in the event of a restatement of our financial results due to our material noncompliance with any financial reporting requirement under the U.S. federal securities laws, we may seek reimbursement of any portion of incentive compensation paid, vested, or awarded during the three-year period preceding the date on which we are required to prepare such a re-statement, which is in excess of the amount that would have been paid or awarded if calculated based on the restated financial results. Restatements of financial results that are the

direct result of changes in accounting standards will not result in recovery of performance-based or incentive compensation under this policy. This policy is intended to be administered in a manner consistent with any applicable rules, regulations or listing standards adopted by the SEC or The Nasdaq Global Select Market, Inc., as contemplated by the Dodd-Frank Wall Street Reform and Consumer Protection Act. We intend to revise our clawback policy to the extent we deem necessary to comply with such rules, regulations or listing standards.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS****Executive Stock Ownership Guidelines**

We believe that our Chief Executive Officer and our President and Chief Operating Officer should have a meaningful financial stake in the Company to ensure that their interests are aligned with those of our stockholders. To that end, our Board adopted equity ownership guidelines to define our expectations for these officers. Under these guidelines, these officers are expected to own shares

of our common stock at certain minimum levels within five years of the later of (i) January 1, 2014, or (ii) the date on which such officer becomes subject to the applicable requirement, taking into account direct and indirect ownership of shares and share equivalents held in our benefit plans. The required levels under our equity ownership guidelines are as follows:

Chief Executive Officer	5x annual base salary
President & Chief Operating Officer	2x annual base salary

Restricted stock unit awards which have not yet vested are counted toward the ownership requirement. Unexercised stock options are not counted. Currently, Mr. Davis owns shares and unvested restricted stock unit awards valued at approximately

6.8X his 2015 annual salary. Mr. Fadel currently owns shares and unvested restricted stock unit awards valued at approximately 4.8X his 2015 annual salary.

Section 162(m)

In general, Section 162(m) of the Internal Revenue Code imposes a \$1,000,000 limit on the amount of compensation we can deduct in any year with respect to our Chief Executive Officer, Chief Financial Officer, and each of our three other most highly compensated executive officers. The limit does not apply to so-called performance-based compensation, which includes

compensation attributable to stock options and performance-based restricted stock awards granted pursuant to the 2006 Plan or the Equity Plan. The Compensation Committee believes that our executive compensation deduction for 2014 will not be materially affected by the Section 162(m) limitations.

Summary of Compensation

The following table summarizes the compensation earned by our named executive officers in 2014, as well as the compensation earned by such individuals in each of 2013 and 2012, if serving as an executive officer during that time. For 2014, our named executive officers consisted of our Chairman (who also served as Chief Executive Officer until January 31, 2014), our Chief Executive Officer, our Chief Financial Officer, and our three other most highly compensated executive officers. The table specifically identifies the dollar value of compensation related to 2014, 2013 and 2012 paid to such named executive officers in the form of:

base salary, paid in cash;

stock awards, comprised of awards of restricted stock relating to the 2014, 2013 and 2012 fiscal years;
option awards, comprised of awards of options during the 2014, 2013 and 2012 fiscal years and identified based upon the aggregate fair value in dollars of such award;

non-equity plan incentive plan compensation, listing the aggregate dollar value of the awards paid to our named executive officers; and

all other compensation, which includes amounts paid by us to the named executive officers as matching contributions under our Deferred Compensation Plan and insurance premiums.

Our named executive officers were not entitled to receive payments which would be characterized as Bonus payments for purposes of the Summary Compensation Table for 2014, 2013 and 2012.

The potential payout is performance-based and driven by company and individual performance. The actual amount of the annual cash incentive bonuses paid for 2014 performance is shown in the Summary Compensation Table under the Non-Equity Incentive Plan Compensation column.

(2) Represents restricted stock units which vest upon our achievement of a three-year EBITDA of \$1.203 billion for the three year period ending December 31, 2016 and the named executive officer remains an employee through December 31, 2016. The issuance of the stock underlying the performance-based restricted stock units granted to our named executive officers will range from a minimum of zero shares if we achieve less than 80% of the target EBITDA, to the maximum number of shares if we achieve at least 115.1% of the target EBITDA. EBITDA for the fiscal year ended December 31, 2014 was \$283.4 million, determined in accordance with the terms of the performance-based award.

Nonqualified Deferred Compensation

The Rent-A-Center, Inc. Deferred Compensation Plan is an unfunded, nonqualified deferred compensation plan for a select group of our key management personnel and highly compensated employees. The Deferred Compensation Plan first became available to eligible employees in July 2007, with deferral elections taking effect as of August 3, 2007. Beginning in 2012, highly compensated employees (including our named executive officers) are no longer eligible to participate in our 401(k) Retirement Savings Plan and must participate in the Deferred Compensation Plan in order to defer any compensation.

The Deferred Compensation Plan allows participants to defer up to 50% of their base compensation and up to 100% of any bonus compensation. Participants may invest the amounts

deferred in measurement funds that are the same funds offered as the investment options in our 401(k) Retirement Savings Plan. We may make discretionary contributions to the Deferred Compensation Plan, which are subject to a three-year graded vesting schedule based on the participant's years of service with us. Currently, we make matching contributions in the Deferred Compensation Plan of 50% of the employee's contribution to the plan up to an amount not to exceed 4% of such employee's compensation, which is the same matching policy as under our 401(k) Retirement Savings Plan. We are obligated to pay the deferred compensation amounts in the future in accordance with the terms of the Deferred Compensation Plan.

Termination of Employment and Change-in-Control Arrangements**Severance Arrangements**

We have entered into executive transition agreements with each of our named executive officers, other than Mr. Speese. Each executive transition agreement has substantially identical terms and is intended to provide certain payments and benefits upon an involuntary termination of the named executive officer's employment or the occurrence of certain other circumstances that may affect the named executive officer.

Termination Not in Conjunction with a Change in Control. If the named executive officer's employment is terminated without cause, the named executive officer will be entitled to receive:

unpaid but earned base salary through the date of termination;

a pro rata bonus calculated based upon the named executive officer's bonus amount from the previous year;

one and one half times the sum of the named executive officer's highest annual rate of salary during the previous 24 months, and the named executive officer's average annual bonus for the two preceding calendar years; and

continued health insurance coverage for the named executive officer and the named executive officer's spouse and covered dependents for up to 18 months.

If the named executive officer's employment is terminated due to disability or death, the named executive officer will be entitled to receive:

unpaid but earned base salary through the date of termination;

a pro rata bonus calculated based upon the named executive officer's bonus amount from the previous year; and

continued health insurance coverage for the named executive officer and the named executive officer's spouse and covered dependents for 12 months.

If the named executive officer's employment is terminated for cause or if the named executive officer terminates his employment for any reason other than death, the named executive officer will be entitled to receive his unpaid but earned base salary through the date of termination (reduced by amounts owed by the named executive officer to us or our affiliates).

Termination in Conjunction With a Change In Control. If the named executive officer's employment is terminated in conjunction with a change in control of us without cause or by the named executive officer for good reason, the named executive officer will be entitled to receive the same severance payments and benefits as described above (not in connection with a change in control) with respect to a termination without cause, except that the named executive officer will be entitled to receive two times the sum of the named executive officer's highest annual rate of salary during the previous 24 months, and the named executive officer's average annual bonus for the two preceding calendar years, rather than one and one half times such amount, and the named executive officer will be entitled to continued health insurance coverage for up to two years, rather than 18 months. If the named executive officer's employment is terminated in connection with a change in control due to disability or death, or for cause or without good reason, the named executive officer will be entitled to receive the same severance payments and benefits as described above (not in connection with a change in control) with respect to a termination due to disability or death or for cause, respectively.

Under each of the executive transition agreements, the term change in control generally means the occurrence of any of the following after September 14, 2006:

any person becomes the beneficial owner of 40% or more of the combined voting power of our then outstanding voting securities;

Table of Contents

COMPENSATION DISCUSSION AND ANALYSIS

a consolidation, merger or reorganization of us, unless (i) our stockholders immediately prior to such transaction own at least a majority of the voting power of the outstanding voting securities of the resulting entity, (ii) the members of our Board immediately prior to the execution of the agreement providing for such a transaction constitute a majority of the board of directors of the surviving corporation or of its majority stockholder, and (iii) no person beneficially owns more than 40% of the combined voting power of the then outstanding voting securities of the surviving corporation (other than a person who is (a) us or a subsidiary of us, (b) an employee benefit plan maintained by us, the surviving corporation or any subsidiary, or (c) the beneficial owner of 40% or more of the combined voting power of our outstanding voting securities immediately prior to such transaction;

individuals who, as of September 14, 2006, constitute our entire Board cease to constitute a majority of our Board, provided that anyone who later becomes a director and whose appointment or nomination for election was approved by at least two-thirds of our directors at the time shall be considered as though such individual were a member of our Board; or

a complete liquidation or dissolution of us, or a sale or other disposition of all or substantially all of our assets (other than to an entity described in the second bullet point above).

Long-Term Incentive Plans

Awards Pursuant to the 2006 Plan and the Equity Plan. Pursuant to stock option agreements under the 2006 Plan and the Equity Plan, if the individual's employment with us is terminated because of death or disability, any options that are vested and exercisable on the date of termination will remain exercisable for 12 months thereafter, but not beyond the term of the agreement. If the individual's employment is terminated by us for cause, then the options (whether or not then vested and exercisable) will immediately terminate and cease to be exercisable. If the individual's employment with us is terminated for any other reason, any options that are vested and exercisable as of the date of termination will remain exercisable for three months thereafter, but not beyond the term of the agreement.

Pursuant to the 2006 Plan and the Equity Plan, each holder of an option to purchase shares of our common stock may exercise such option immediately prior to an exchange transaction, regardless of whether currently vested, and any outstanding options not exercised before the exchange transaction shall terminate. However, if, as part of an exchange transaction, our stockholders receive capital stock of another corporation in exchange for our common stock, and if our Board so directs, then all outstanding options shall be converted into options to purchase shares of such stock, with the amount and price to be determined by adjusting the amount and price of the options granted under the 2006

Plan or the Equity Plan, as applicable, on the same basis as the determination of the number of shares of exchange stock the holders of our outstanding common stock are entitled to receive in the exchange transaction. In addition, unless our Board determines otherwise, the vesting conditions with respect to the converted options shall be substantially the same as those set forth in the original option agreement. The Board may accelerate the vesting of stock awards and other awards, provide for cash settlement of and/or make such other adjustments to any outstanding award as it deems appropriate in the context of an exchange transaction.

Under the 2006 Plan and the Equity Plan, the term "exchange transaction" means a merger (other than in which the holders of our common stock immediately prior thereto have the same proportionate ownership of common stock in the surviving corporation immediately thereafter), consolidation, acquisition or disposition of property or stock, separation, reorganization (other than a reincorporation or the creation of a holding company), liquidation of us or any other similar transaction or event so designated by our Board, as a result of which our stockholders receive cash, stock or other property in exchange for or in connection with their shares of our common stock.

Pursuant to stock compensation agreements under the 2006 Plan and the Equity Plan, if the individual's employment with us is terminated because of death or disability, or there is a change in ownership of us, then any unvested restricted stock units will vest on the date of such termination of employment or immediately prior to the consummation of the change in ownership of us, as the case may be. However, any unvested restricted stock units do not vest by reason of a change in ownership unless the individual remains continuously employed by us until such change in ownership is complete or the individual's employment is sooner terminated by us in connection with such change in ownership. In addition, upon the termination of the individual's employment or other service with us for any reason other than disability or death, any unvested restricted stock units will thereupon terminate and be canceled.

Under each of the stock compensation agreements, the term "change in ownership" is defined as any transaction or series of transactions as a result of which any one person or group of persons acquires (i) ownership of our common stock that, together with the common stock previously held by such person, constitutes more than 50% of the total fair market value or total voting power of such stock, or (ii) ownership of our assets having a total gross fair market value at least equal to 80% of the total gross fair market value of all of the assets immediately prior to such transaction or series of transactions.

Compensation Related Risk

The Compensation Committee believes that the design of our compensation programs, including our executive compensation program, does not encourage our executives or employees to take unnecessary and excessive risks and that the risks arising from these programs are not reasonably likely to have a material adverse effect on us. The Compensation Committee considered the following factors in making that determination:

The allocation among the components of direct annual compensation provides an appropriate balance between annual and long-term incentives and between fixed and performance-based compensation.

The performance measures and the multi-year vesting features of the long-term equity incentive compensation component encourage participants to seek sustainable growth and value creation.

Inclusion of share-based compensation through the long-term equity incentive compensation component encourages appropriate decision-making that is aligned with the long-term interests of our stockholders.

Our annual cash incentive program and the awards of restricted stock with performance-based vesting contain provisions with respect to our achievement of the applicable financial target such that each participant may receive (1) an additional payout pursuant to such award in the event that we exceed the applicable financial target, and (2) a portion of the target payout pursuant to such award in the event that we approach, yet fail to achieve, the target level of financial performance.

We maintain a values-driven, ethics-based culture supported by a strong tone at the top.

PROPOSAL THREE: ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are seeking stockholder approval of our executive compensation program and practices as disclosed in this proxy statement. As described above in the Compensation Discussion and Analysis section of this proxy statement, the Compensation Committee has structured our executive compensation program to achieve the following key objectives:

attract, retain and motivate senior executives with competitive compensation opportunities;

balance short-term and long-term strategic goals;

align our executive compensation program with the core values identified in our mission statement which focuses on improving the quality of life for our co-workers and our customers; and

reward achievement of our financial and non-financial goals.

We urge stockholders to read the Compensation Discussion and Analysis beginning on page 20 of this proxy statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation Table and other related compensation tables and narrative disclosures, appearing on pages 30 through 38, which provide detailed information on the compensation of our named executive officers. The Compensation Committee and the Board believe that the policies and procedures articulated in the Compensation Discussion and Analysis are effective in achieving our goals and that the compensation of our named executive officers reported in this proxy statement has contributed to our recent and long-term success.

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act), and as a matter of good corporate governance, we are asking stockholders to approve the following advisory resolution at the 2015 Annual Meeting of Stockholders:

RESOLVED, that the stockholders of Rent-A-Center, Inc. (the Company) approve, on an advisory basis, the compensation of the Company's named executive officers for the year ended December 31, 2014, as disclosed in the 2015 Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission (including Item 402 of Regulation S-K), including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and narrative disclosure.

This advisory resolution, commonly referred to as a say-on-pay resolution, is non-binding on the Board. Although non-binding, the Board and the Compensation Committee will carefully take into account the outcome of the vote when considering future compensation arrangements for our named executive officers. We intend to conduct future advisory votes on executive compensation at each subsequent annual meeting.

The affirmative vote of a majority of the shares of common stock present in person or represented by proxy and entitled to be voted on the proposal at the meeting is required for approval of this advisory resolution.

Our Board of Directors recommends that you vote FOR approval of the advisory resolution on executive compensation.

RELATED PERSON TRANSACTIONS

Policy on Review and Approval of Transactions

with Related Persons

The Board has adopted a written statement of policy and procedures for the identification and review of transactions involving us and related persons (our directors and executive officers, stockholders owning five percent or greater of our outstanding stock, immediate family members of any of the foregoing, or any entity in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person has a five percent or greater beneficial ownership interest).

Our directors and executive officers are required to provide notice to our legal department of the facts and circumstances of any proposed transaction involving amounts greater than \$50,000 involving them or their immediate family members that may be deemed to be a related person transaction. Our legal department will then assess whether the proposed related person transaction requires approval pursuant to the policy and procedures. If our

legal department determines that any proposed, ongoing or completed transaction involves an amount in excess of \$100,000 and is a related person transaction, our Chief Executive Officer and the Chairman of the Nominating and Corporate Governance Committee must be notified (unless it involves our Chief Executive Officer, in which case the Chairman of the Nominating and Corporate Governance Committee must be notified), for consideration at the next regularly scheduled meeting of the Nominating and Corporate Governance Committee. In certain instances, the Chairman of the Nominating and Corporate Governance Committee may pre-approve or ratify, as applicable, any related person transaction in which the aggregate amount involved is, or is expected to be, less than \$500,000. The Nominating and Corporate Governance Committee or its Chairman, as applicable, will approve or ratify, as applicable, only those related person transactions that are in, or are not inconsistent with, our best interests and those of our stockholders.

Intrust Bank, N.A. is a \$15 million participant (total commitment) in our senior credit facility. We also maintain operational checking and other accounts, including a \$20 million revolving line of credit, with Intrust Bank, N.A. In addition, Intrust Bank, N.A. serves as trustee of our 401(k) and deferred compensation plans. During

2014, we paid Intrust a total of \$1,383,816 in fees in connection with banking services provided by them, of which \$928,103 was for administration fees and trustee fees for our 401(k) and deferred compensation plans. The total fees paid to Intrust during 2014 constituted less than 1% of Intrust's annual revenue for the year ended December 31, 2014.
