PLAN OF DISTRIBUTION

The Plan permits us to issue Ordinary Shares to our and our Affiliates (as defined in the Plan) eligible officers, directors, employees, consultants, persons who at the time of grant may be performing services for the Company and non-employee directors. Ordinary Shares being registered hereunder are issuable pursuant to stock options, restricted stock and other share-based award issued under the Plan.

DESCRIPTION OF THE PLAN

On June 11, 2014, the Company's shareholders approved the Plan. The purpose of the Plan is to give the Company a competitive advantage in attracting and retaining officers, employees, consultants and non-employee directors by offering stock options, restricted shares and other stock-based awards.

Administration. The Plan is administered by the Compensation & Benefits Committee (the Compensation Committee) of the board of directors of the Company (the Board) or by a committee of the Board that may be designated from time to time to administer or make certain decisions required under the Plan. Subject to the terms and conditions of the Plan, the Compensation Committee is authorized to determine which eligible participants will be granted awards, determine the number of Ordinary Shares covered by an award, determine the terms and conditions of each award granted thereunder, amend awards, determine if amounts payable under an award may be deferred, adopt, alter and repeal any administrative rules and practices governing the Plan, interpret the terms of the Plan and any award granted under the Plan, adopt any sub-plans as necessary, and generally supervise and administer the Plan.

Ordinary Shares Available for Issuance. As of April 30, 2015, the number of the Company's Ordinary Shares reserved and available for grant under the Plan was 1,201,106 shares, subject to any applicable increases or decreases as set forth in the terms of the Plan, and 500,000 shares which are subject to outstanding options. Ordinary Shares which have been forfeited to the Company or awards which have been terminated without being exercised, shall be again available for distribution in connection with awards granted under the Plan. Ordinary Shares delivered or exchanged by a participant as full or partial payment to the Company for the exercise price or withholding taxes of an award shall be again available for purposes of awards under the Plan. The total number of Ordinary Shares subject to any stock option grant to any one participant shall not exceed 100,000 shares during each fiscal year of the Company. No one participant may be granted more than 50,000 shares in other share-based awards that are contingent upon the attainment of performance goals in any fiscal year of the Company.

Participants. The following Persons are eligible to be granted awards under the Plan: (i) Persons who are officers, directors, employees or consultants of the Company and/or any of its affiliates; (ii) Persons who at the time of grant may be performing (or subject to being required to perform) services for the Company or any of its affiliates (including, without limitation, officers, directors, employees, affiliates and consultants of FPC); and (iii) non-employee directors of the Company and its affiliates who are responsible for or contribute to the management, growth and profitability of the business of the Company and its affiliates. However, incentive stock options may be granted only to employees of the Company its subsidiaries or its Parent. For purposes of the Plan,

Terms of Stock Options. The Compensation Committee is authorized to grant and administer stock options (including incentive stock options and nonstatutory stock options) under the Plan. The terms of any awards granted under the Plan will be determined by the Compensation Committee. For awards consisting of stock options, the exercise price shall be determined at the time of grant and may not be less than the fair market value of the Ordinary Shares on the date the option is granted. The term of an option may not exceed ten years. The exercise price of options is payable in cash, in shares (including by withholding shares deliverable upon the exercise of options), bank check, or such other instrument or method of payment as the Compensation Committee may accept, as set forth in the individual award agreement. The Plan gives the Compensation Committee discretion to determine the exercisability of stock options granted under the Plan.

Generally, unless otherwise determined by the Compensation Committee or specified in the applicable option, employment or consulting agreement, in the event of a termination of a participant's employment for any reason, other than for cause, the vesting of any awarded stock options ceases, the term of any unvested stock options lapses and any vested and unvested portions will become unexercisable, except the participant shall have 90 days to exercise any vested stock options that are vested on the date of the participant's termination. In the event of a termination of a participant's employment for cause, all outstanding and unexercised stock options, whether vested or unvested, as of the time the participant is notified that his employment is terminated or if the participant voluntarily terminates employment within 90 days after an occurrence of an event that would be grounds for a termination for cause, will be cancelled immediately. Stock options granted under the Plan are generally not transferable other than by will or the laws of descent and distribution or as otherwise permitted under an applicable option agreement to a family member, and are only exercisable during the lifetime of the holder.

Terms of Restricted Shares. The Compensation Committee is authorized to grant and administer restricted shares under the Plan. The terms of any awards granted under the Plan will be determined by the Compensation Committee. Each participant receiving restricted shares shall be issued a share certificate in respect of such restricted shares, unless the Compensation Committee elects to use another system to evidence ownership of the restricted shares. Unless otherwise specified in the term of the agreement issuing the restricted shares, upon a participant's termination for any reason during the relevant restriction period, all unvested restricted shares will be forfeited to the Company, without compensation. Except as provided in the Plan, any participant who is issued restricted shares shall have all the rights of a shareholder of the Company that holds Ordinary Shares, including, if applicable, the right to vote the shares and the right to receive cash dividends or distributions.

Terms of Other Share-Based Awards. The Compensation Committee is authorized to grant and administer other share-based awards under the Plan. The terms of any awards granted under the Plan will be determined by the Compensation Committee, including if the award is payable in, valued in reference to or based on Ordinary Shares. The awards may be given purely as a bonus and not subject to any restrictions or conditions, in payment of the amounts due under an incentive or performance plan sponsored or maintained by the Company, as share appreciation rights, as share equivalent units, or as awards valued by reference to the book value of the Ordinary Shares. Other share-based awards may be given upon the achievement of performance goals, the criteria of which will be determined by the Compensation Committee. Subject to the determination of the Compensation Committee, other share-based awards will be entitled to receive dividends or dividend equivalents with respect to the number of Ordinary Shares covered by the award, may be subject vesting or forfeiture, may be subject to special waivers of limitations by the Compensation Committee, may be issued for no cash consideration, may be priced as determined by the

Compensation Committee and the Compensation Committee will determine the extent to which a participant's performance goals have been achieved.

Amendments, Adjustments & Termination. The Board or the Committee may amend, suspend or terminate the Plan, prospectively or retroactively. However, unless otherwise required by law or the Plan, no amendment, suspension or termination shall be made that is adverse to the rights of a participant under and award without such participant's consent. In some cases, the Board may not amend the Plan without the approval of the stockholders to the extent such approval is required under applicable NASDAQ rules, the Internal Revenue Code, and SEC rules. The Committee may amend the terms of any award that was previously granted, prospectively or retroactively, but no such amendment can be made that is adverse to the rights of the participant thereunder without the participant's consent. The Plan terminates on February 10, 2019, unless earlier terminated by the Board. Awards outstanding as of such date shall not be affected or impaired by the expiration of the Plan and shall be subject to the terms of the Plan.

The foregoing description of the Plan does not purport to be complete and is qualified in its entirety by the full text of the Plan, a copy of which is filed herewith as Exhibit 4.1.
