**Our Company**

We are a leading provider of high-quality child care, early education and other services designed to help employers and families better address the challenges of work and life. We provide services primarily under multi-year contracts with employers who offer child care and other dependent care solutions as part of their employee benefits packages to improve employee engagement, productivity, recruitment and retention. As of June 30, 2015, we had more than 900 client relationships with employers across a diverse array of industries, including more than 140 Fortune 500 companies and more than 80 of *Working Mother* magazine's 2014 100 Best Companies for Working Mothers. Our service offerings include:

Center-based full service child care and early education (representing approximately 86% of our revenue in the year ended December 31, 2014);

Back-up dependent care; and

Educational advisory services.

We believe we are a provider of choice for each of the solutions we offer. As of June 30, 2015, we operated a total of 922 child care and early education centers across a wide range of customer industries with the capacity to serve approximately 106,000 children in the United States, as well as in the United Kingdom, the Netherlands, Ireland, Canada and India. We have achieved satisfaction ratings of approximately 95% among respondents in our employer and parent satisfaction surveys over each of the past five years and an annual client retention rate of 97% for employer-sponsored centers over each of the past ten years.

We have a more than 25-year track record of providing high-quality services and a history of strong financial performance. From 2001 through 2014, we have achieved year-over-year revenue and adjusted EBITDA growth at a compound annual growth rate of 11% for revenue and 17% for adjusted EBITDA. We also achieved year-over-year net income growth at a compound annual growth rate of 23% from 2001 to 2007. In 2008 through 2010, we incurred net losses due primarily to the additional debt service obligations and amortization expense incurred in connection with our going private transaction. In 2011, 2012, 2013 and 2014, our net income grew \$14.8 million, \$3.7 million, \$3.8 million and \$59.7 million, respectively, over the prior year to \$4.8 million, \$8.5 million, \$12.3 million and \$72.0 million, respectively. For the six months ended June 30, 2015, our net income grew \$11.7 million to \$49.5 million compared to the six month period ended June 30, 2014. Our strong revenue growth has been driven by additions to our center base through organic center growth and acquisitions, expansions of our service offerings to back-up dependent care and educational advisory services and consistent annual tuition increases. We have also increased our adjusted EBITDA margin in each year from 2001 through 2014. For the years ended December 31, 2013 and 2014 and the six months ended June 30, 2015, we generated revenue of \$1.2 billion, \$1.4 billion and \$720.9 million, net income of \$12.3 million, which included a loss on extinguishment of debt of \$63.7 million related to our debt refinancing in January 2013, \$72.0 million, and \$49.5 million, adjusted EBITDA of \$208.5 million,

\$238.1 million and \$140.2 million and adjusted net income of \$78.3 million, \$97.2 million and \$60.2 million, respectively.
