**Item 1.01 Entry into a Material Definitive Agreement.**

On April 1, 2016, T-Mobile USA, Inc. ( "T-Mobile USA" ), a direct, wholly-owned subsidiary of T-Mobile US, Inc. (the "Company" ), issued \$1,000,000,000 principal amount of its 6.000% Senior Notes due 2024 (the "Notes" ) pursuant to an Indenture (the "Base Indenture" ), dated as of April 28, 2013, among T-Mobile USA, the guarantors party thereto and Deutsche Bank Trust Company Americas, as trustee, as amended and supplemented with respect to the Notes by the Twenty-First Supplemental Indenture, dated as of April 1, 2016 (the "Twenty-First Supplemental Indenture" ), among T-Mobile USA, the Company, the other guarantors party thereto and Deutsche Bank Trust Company Americas, as trustee (the Base Indenture, as amended and supplemented with respect to the Notes by the Twenty-First Supplemental Indenture, the "Indenture" ). The Notes will bear interest at a rate of 6.000% per year and mature on April 15, 2024. T-Mobile USA will pay interest on the notes semiannually in arrears on each April 15 and October 15, commencing October 15, 2016.

The Notes will initially be guaranteed on a senior unsecured basis by the Company and all of T-Mobile USA's wholly-owned domestic restricted subsidiaries (excluding certain designated special purpose entities, a certain reinsurance subsidiary and immaterial subsidiaries), all of T-Mobile USA's restricted subsidiaries that guarantee certain of its indebtedness, and any future subsidiary of the Company that directly or indirectly owns any of T-Mobile USA's equity interests (the "Guarantors" ). The Notes and the guarantees will be T-Mobile USA's and the Guarantors' senior unsecured obligations and will rank equally in right of payment with all of T-Mobile USA's and the Guarantors' existing and future indebtedness and other liabilities that are not by their terms subordinated in right of payment to the Notes and the guarantees, and will rank senior in right of payment to any future indebtedness of T-Mobile USA or any Guarantor that provides by its terms that it is subordinated in right of payment to the Notes and the guarantees. The Notes and the guarantees will be effectively subordinated to all of T-Mobile USA's and the Guarantors' existing and future secured indebtedness to the extent of the assets securing such indebtedness, and will be structurally subordinated to all of the liabilities and preferred stock of any of T-Mobile USA's subsidiaries that do not guarantee the Notes.

If T-Mobile USA experiences specific kinds of changes of control as set forth in the Indenture and any such change of control is accompanied or followed by rating downgrades during a specified period of time after the change of control, each holder of Notes may require T-Mobile USA to repurchase all or a portion of the Notes so held at a price equal to 101% of the principal amount of such Notes, plus any accrued and unpaid interest on the Notes repurchased to, but not including, the date of repurchase.

The Indenture contains covenants that, among other things, restrict the ability of T-Mobile USA and its restricted subsidiaries to incur more debt, pay dividends and make distributions, make certain investments, repurchase stock, create liens or other encumbrances, enter into transactions with affiliates, enter into agreements that restrict dividends or distributions from subsidiaries, and merge, consolidate or sell, or otherwise dispose of, substantially all of their assets. These limitations are subject to a number of important qualifications and exceptions.

The Indenture contains customary Events of Default (as defined in the Indenture), including:

default for 30 days in the payment when due of interest (including Additional Interest (as defined in the Indenture)) on the Notes;

default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes;

Edgar Filing: T-Mobile US, Inc. - Form 8-K

failure by T-Mobile USA to comply with its other obligations under the Indenture, in certain cases subject to notice and grace periods;

payment defaults and accelerations with respect to other indebtedness of T-Mobile USA and certain of its restricted subsidiaries in the aggregate principal amount of \$100.0 million or more;

specified events involving bankruptcy, insolvency or reorganization of T-Mobile USA or certain of its restricted subsidiaries; and

failure by T-Mobile USA or certain of its restricted subsidiaries to pay certain final judgments aggregating in excess of \$100.0 million within 60 days of such final judgment.

Upon an Event of Default, the trustee or the holders of at least 25% in aggregate principal amount of the Notes then outstanding may declare all the Notes to be due and payable immediately. In the case of Events of Default relating to bankruptcy, insolvency or reorganization, all outstanding Notes will become due and payable immediately without further action or notice.

This description of the Twenty-First Supplemental Indenture is a summary only and is qualified in its entirety by the full and complete terms of the Twenty-First Supplemental Indenture, which is filed as Exhibit 4.1 to this Current Report on Form 8-K and incorporated herein by reference.
