Proxy Statement

Annual Meeting of Stockholders

May 25, 2016

This Proxy Statement is being furnished by Builders FirstSource, Inc. (the Corporation, the Company, or Builders FirstSource) in connection with a solicitation of proxies by its Board of Directors (the Board of Directors or the Board) to be voted at the annual meeting of the Corporation's stockholders to be held on May 25, 2016 (the annual meeting or meeting). Whether or not you personally attend, it is important that your shares be represented and voted at the annual meeting. Most stockholders have a choice of voting over the internet, by using a toll-free telephone number, or, for stockholders who elect to receive their proxy materials by mail, by completing a proxy card and mailing it in the postage-paid envelope provided. Check the Notice Regarding the Availability of Proxy Materials, your proxy card, or the information forwarded by your bank, broker, or other stockholder of record, as applicable, to determine which voting options are available to you. Please be aware that if you vote over the internet, you may incur costs, such as telecommunication and internet access charges, for which you will be responsible. The internet voting and telephone voting facilities for stockholders of record will be available until 11:59 p.m. eastern daylight time on May 24, 2016. The Notice Regarding the Availability of Proxy Materials was first mailed on or about April 14, 2016.

SOLICITATION AND RATIFICATION OF PROXIES

If any matters not specifically set forth in this Proxy Statement properly come to a vote at the meeting, the members of the Proxy Committee, comprised of Donald F. McAleenan and Chad Crow, will vote regarding those matters in accordance with their best judgments. If a proxy card is signed and returned, it will be voted as specified on the proxy card, or, if no vote is specified, it will be voted FOR all nominees presented in Proposal 1 and FOR Proposals 2 and 3. At any time before it is exercised, you may revoke your proxy by timely delivery of written notice to the Corporate Secretary, by timely delivery of a properly executed, later-dated proxy (including by internet or telephone vote), or by voting via ballot at the annual meeting. Voting in advance of the annual meeting will not limit your right to vote at the annual meeting if you decide to attend in person. If you are a beneficial owner, but your shares are registered in the name of a bank, broker, or other stockholder of record, to be able to vote in person at the annual meeting you must obtain, from the stockholder of record, a proxy in your name and present it at the meeting. See Questions and Answers about the Meeting and Voting in this Proxy Statement for an explanation of the term stockholder of record.

The proxy accompanying this Proxy Statement is being solicited by the Board of Directors. The Corporation will bear the entire cost of this solicitation, including the preparation and delivery of this Proxy Statement, the proxy, and any additional information furnished to stockholders. In addition to using the mail and the internet, proxies may be solicited by directors, executive officers, and other employees of Builders FirstSource or its subsidiaries, in person or by telephone. No additional compensation will be paid to directors, executive officers, or other employees for their services in this regard. Builders FirstSource will also request banks, brokers, and other stockholders of record to forward proxy materials, at the Corporation's expense, to the beneficial owners of the Corporation's shares.

GENERAL INFORMATION ABOUT PROXIES AND VOTING

Outstanding Stock

The stockholders of record of Builders FirstSource, Inc. Common Stock (Common Stock) at the close of business on April 1, 2016 will be entitled to vote in person or by proxy at the annual meeting. At that time, the Corporation had 110,114,403 outstanding shares of its Common Stock. Each stockholder will be entitled to one vote in person or by proxy for each share of Common Stock held. A quorum for the transaction of business shall be constituted by the presence at the annual meeting, in person or by proxy, of a majority of the outstanding shares of Common Stock entitled to vote. All shares for which proxies or voting instructions are returned are counted as present for purposes of determining the existence of a quorum at the annual meeting.

Internet Availability of Proxy Materials

As permitted by the Federal securities laws, Builders FirstSource is making this Proxy Statement and 2015 Annual Report on Form 10-K (the 2015 Annual Report) available to its stockholders primarily via the internet instead of mailing printed copies of these materials to each stockholder. On or about April 14, 2016, we mailed to our stockholders (other than those who previously requested electronic or paper delivery) a Notice Regarding Internet Availability of Proxy Materials (the Notice) containing instructions on how to access the Proxy Statement and accompanying 2015 Annual Report. These proxy materials are being made available to our stockholders on or about April 14, 2016. The Notice provides instructions regarding how to vote through the internet. The Proxy Statement and 2015 Annual Report are also available on our website at www.blldr.com.

If you received a Notice by mail, you will not receive a printed copy of the proxy materials by mail unless you request printed materials. If you wish to receive printed proxy materials, you should follow the instructions for requesting such materials contained on the Notice.

If you receive more than one Notice, it means your shares are registered differently and are held in more than one account. To ensure all shares are voted, please either vote each account over the internet or by telephone or sign and return by mail all proxy cards.

Voting Procedures

Votes cast by proxy or in person at the meeting will be tabulated by representatives from Broadridge Financial Solutions, Inc. Broadridge Financial Solutions, Inc., or such other person that the Chief Executive Officer appoints in their place, will serve as the Inspector of Election at the annual meeting. In addition, the following voting procedures will be in effect for each proposal described in this Proxy Statement:

Proposal 1. Nominees for available director positions of Builders FirstSource are elected by a plurality of the votes cast at the annual meeting. Abstentions from voting have no effect on the outcome of such vote because the election of directors is determined on the basis of votes cast and abstentions are not counted as votes cast. Please see page 7.

Proposal 2. Approval of the amendment to the 2014 Incentive Plan to increase the number of shares available by 3,500,000 and re-approval of material terms of performance goals for qualified performance-based awards requires the affirmative vote of a majority of the shares represented and entitled to vote at the annual meeting. If you vote by proxy, but abstain from voting on the proposal, your abstention has the same effect as a vote against the proposal. Please see page 38.

Proposal 3. Ratification of the appointment of PricewaterhouseCoopers LLP as the Corporation's independent registered public accounting firm requires the affirmative vote of a majority of the shares represented and entitled to vote at the annual meeting. If you vote by proxy, but abstain from voting on the proposal, your abstention has the same effect as a vote against the proposal. Please see page 46.

If any other matters properly come before the meeting that are not specifically set forth on the Notice and in this Proxy Statement, such matters shall be decided by the affirmative vote of a majority of the shares represented and entitled to vote at the annual meeting on the matter so proposed, unless otherwise provided in the Corporation's Amended and Restated Certificate of Incorporation or Amended and Restated By-laws (the "By-laws") or the Delaware General Corporation Law. None of the members of our Board have informed the Corporation in writing that they intend to oppose any action intended to be taken by the Corporation.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

1. What is a proxy?

A proxy is your legal designation of another person, called a proxy holder, to vote the shares that you own. We designated Chad Crow, our President, Chief Operating Officer, and Chief Financial Officer, and Donald F. McAleenan, our Senior Vice President and General Counsel, to act as proxy holders at the annual meeting as to all shares for which proxy cards are returned or voting instructions are provided by internet or telephone.

2. What is a proxy statement?

A proxy statement is a document that the Securities and Exchange Commission (the SEC) regulations require us to give you when we ask you to provide a proxy (by voting by phone or internet or, if applicable, by returning a proxy card) designating the proxy holders described above to vote on your behalf.

3. What is the difference between a stockholder of record and a stockholder who holds stock in street name, also called a beneficial owner?

If your shares are registered in your name at our transfer agent, Computershare Shareowner Services LLC, you are a stockholder of record.

If your shares are registered at Computershare Shareowner Services LLC in the name of a broker, bank, trustee, nominee, or other similar stockholder of record on your behalf, your shares are held in street name and you are the beneficial owner of the shares.

4. How do you obtain admission to the annual meeting?

Stockholders of Record. Stockholders of record must bring a government-issued photo identification card to gain admission to the annual meeting.

Street Name Holders. To obtain admission to the annual meeting, a street name holder must (1) bring a government-issued photo identification card and (2) ask his or her broker or bank for a legal proxy and must bring that legal proxy with him or her to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement with you to the meeting. We can use that to verify your ownership of Common Stock and admit you to the meeting. However, you will not be able to vote your shares at the meeting without a legal proxy. Please note that if you own shares in street name, and you are issued a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you appear at the meeting and vote in person.

5. What different methods can you use to vote?

By Written Proxy. Stockholders who elect to receive their proxy materials by mail may vote by mailing the written proxy card.

By Telephone and Internet Proxy. All stockholders of record may also vote by telephone from the U.S., using the toll-free telephone number provided on the proxy card or in the website listed on the Notice, or by the internet, using the procedures and instructions described in the Notice or proxy card. Street name holders may vote by telephone or the internet if their bank, broker, or other stockholder of record makes those methods available. If that is the case, the bank, broker, or other stockholder of record will enclose the instructions with the Proxy Statement or other notice of

the meeting. The telephone and internet voting procedures, including the use of control numbers, are designed to authenticate stockholders' identities, allow stockholders to vote their shares, and confirm that their instructions have been properly recorded.

In Person. All stockholders may vote in person at the meeting (unless they are street name holders without a legal proxy, as described in Question 4).

Table of Contents

6. What is the record date and what does it mean?

The record date for the annual meeting is April 1, 2016. The record date is established by the Board of Directors as required by Delaware law. Stockholders of record at the close of business on the record date are entitled to receive notice of the annual meeting and to vote their shares at the meeting.

7. What are your voting choices for director nominees, and what vote is needed to elect directors?

For the vote on the election of the Class II director nominees to serve until the 2019 annual meeting, stockholders may:

vote in favor of all nominees,

vote to withhold votes from all nominees, or

vote to withhold votes as to specific nominees.

Directors will be elected by a plurality of the votes cast in person or by proxy at the annual meeting. Accordingly, abstentions have no effect on Proposal 1. The Board recommends a vote **FOR** each of the director nominees.

8. What is a plurality of the votes?

In order to be elected, a director nominee does not have to receive votes in favor from a majority of the votes cast for directors. Instead, the three nominees elected will be those who receive the most affirmative votes of all the votes cast on Proposal 1 in person or by proxy at the meeting.

9. What are your voting choices on the amendment to the 2014 Incentive Plan to increase the number of shares available by 3,500,000 and re-approval of material terms of performance goals for qualified performance-based awards, and what vote is needed for approval?

On the vote on the amendment to the 2014 Incentive Plan to increase the number of shares available by 3,500,000 and re-approval of material terms of performance goals for qualified performance-based awards, stockholders may:

vote in favor of the amendment and re-approval,

vote against the amendment and re-approval, or

abstain from voting on the amendment and re-approval.

The proposal to amend the 2014 Incentive Plan to increase the number of shares available by 3,500,000 and re-approval of material terms of performance goals for qualified performance-based awards will require the affirmative vote of a majority of the shares represented and entitled to vote at the annual meeting. Accordingly,

abstentions will have the effect of a vote against Proposal 2. The Board recommends a vote FOR Proposal 2.

10. What are your voting choices on the ratification of the appointment of PricewaterhouseCoopers LLP as the Corporation's independent registered public accounting firm, and what vote is needed to ratify their appointment?

On the vote on the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year 2016, stockholders may:

vote in favor of the ratification,

vote against the ratification, or

abstain from voting on the ratification.

Table of Contents

The proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm will require the affirmative vote of a majority of the shares represented and entitled to vote at the annual meeting. Accordingly, abstentions will have the effect of a vote against Proposal 3. The Board recommends a vote FOR Proposal 3.

11. What if a stockholder does not specify a choice for a matter when returning a proxy card?

Stockholders should specify their choice for each proposal described on the proxy card, if they receive one. However, proxy cards that are signed and returned, but for which no specific instruction is given, will be voted FOR all the director candidates listed in Proposal 1 and FOR Proposals 2 and 3.

12. How are broker non-votes counted?

If a broker or other record holder of shares returns a proxy card indicating that it does not have discretionary authority to vote as to a particular matter (broker non-votes), those shares will be treated as not entitled to vote on that matter. Brokers do not have the discretionary authority to vote on Proposals 1 or 2. Broker non-votes will not have any effect on the voting results.

ELECTION OF DIRECTORS AND MANAGEMENT INFORMATION

There are currently ten members of the Board of Directors. Pursuant to the Corporation's By-laws, the Board is classified, which means it is divided into three classes of directors based on the expiration of their terms. Under the classified Board arrangement, directors are elected to terms that expire on the annual meeting date three years following the annual meeting at which they were elected and the terms are staggered so that the terms of approximately one-third of the directors expire each year. Accordingly, Proposal 1 seeks the election of three directors to fill the directorships whose terms expire in 2016.

The terms of three directors, Daniel Agroskin, Kevin J. Kruse, and Floyd F. Sherman, will expire at the annual meeting in 2016. The Board of Directors has nominated Messrs. Agroskin, Kruse, and Sherman for election to a term that will expire at the annual meeting in 2019.

Unless otherwise indicated, all proxies that authorize the proxy holders to vote for the election of directors will be voted FOR the election of the nominees listed below. If a nominee becomes unavailable for election as a result of unforeseen circumstances, it is the intention of the proxy holders to vote for the election of such substitute nominee, if any, as the Board of Directors may propose. As of the date of this Proxy Statement, each of the nominees has consented to serve and the Board is not aware of any circumstances that would cause a nominee to be unable to serve as a director.

INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

Board Purpose and Structure

The mission of the Board is to provide strategic guidance to the Corporation's management, to monitor the performance and ethical behavior of the Corporation's management, and to maximize the long-term financial return to the Corporation's stockholders, while considering and appropriately balancing the interests of other stakeholders and constituencies. The Board consists of ten directors.

Director Independence

The Board of Directors is comprised of one management director, Mr. Sherman, who is the Corporation's CEO, and nine non-management directors. In 2015, our Board of Directors affirmatively determined that Messrs. Levy,

Agroskin, Barr, Christophe, Graff, Griffin, Kruse, Milgrim, and Steinke are independent under the director independence criteria adopted under the Nasdaq Marketplace Rules (the Nasdaq Rules). In addition, our Board of Directors affirmatively determined that Messrs. Griffin, Steinke, and Kruse are independent under the SEC s standards for independent audit committee members and that Messrs. Christophe, Milgrim, and Griffin are independent under the SEC s standards for independent compensation committee members. As a result, the Audit Committee, the Compensation Committee, and the Nominating Committee are each comprised solely of independent directors.

As part of its annual evaluation of director independence, the Board examined, among other things, whether any transactions or relationships exist currently, or existed during the past three years, between each independent director and the Corporation or its subsidiaries or independent registered public accounting firm (the auditors). If such transactions or relationships exist, the Board reviews the nature of those transactions or relationships, including under the relevant Nasdaq and SEC standards, to determine whether those transactions or relationships would impair such director s independence. The Board also examined whether there are, or

Table of Contents

have been within the past year, any transactions or relationships between each independent director and members of the senior management of Builders FirstSource or its affiliates. As a result of this evaluation, the Board affirmatively determined that each of Messrs. Levy, Agroskin, Barr, Christophe, Graff, Griffin, Kruse, Milgrim, and Steinke is independent under those criteria. Each year, the independent directors meet in regularly scheduled executive sessions outside the presence of management representatives. Interested parties, including stockholders, may communicate with the Chairman or the independent directors as a group through the process described in this Proxy Statement under the heading Policy on Stockholder-Director Communications.

Board Meetings and Attendance

In 2015, our Board of Directors met seven times, our Audit Committee met eight times, our Compensation Committee met five times, and our Nominating Committee met two times, including regularly scheduled and special meetings. During 2015, each of the Corporation's incumbent directors attended at least 75% percent of the combined meetings of the Board and any committee on which he served. Pursuant to the Builders FirstSource, Inc. Policy on Director Attendance at Annual Meetings of Stockholders (available on the Governance section of our website), all directors are strongly encouraged to attend the annual meeting in person. Any director who is unable to attend an annual meeting of stockholders is expected to notify the Chairman of the Board in advance of such meeting. In 2015, one member of the Board attended our annual meeting in person and eight members were available by conference call.

Board Leadership Structure and Role in Risk Oversight

The Board is led by the Chairman of the Board, Paul Levy, who is affiliated with JLL Partners, Inc. Floyd Sherman, the Corporation's Chief Executive Officer and the only employee Director, does not have any formal leadership role with the Board. Mr. Levy takes a leading role in establishing the timing, agenda, and procedure of Board meetings. However, each of the Directors actively participates in guiding the actions of the Board. The Board has determined that this leadership structure is appropriate and effective due to the Board's size, the working relationship that has developed between the Directors as a result of their length of service on the Board, and the significant experience that the members of the Board have as directors and members of senior management with other companies.

The Corporation's Board of Directors recognizes that, although day-to-day risk management is primarily the responsibility of the Corporation's management team, the Board plays a critical role in the oversight of risk management. In that light, the Board is active, as a whole and also at the committee level, in reviewing management's assessment of the major risks facing the Corporation and management's processes for monitoring and controlling these risks. The Board regularly receives information from senior management regarding the Corporation's financial results, credit, liquidity, operations, and other matters, as well as reports from the Corporation's Audit Committee and Compensation Committee. During its review of such information, the Board discusses and analyses risks associated with each area, as well as risks associated with new business ventures and those relating to the Company's executive compensation plans and arrangements. The Board assumes ultimate responsibility for ensuring that the Corporation's management adequately assesses the risks facing the Corporation and appropriately manages those risks.

The Audit Committee is specifically responsible for overseeing and monitoring the quality and integrity of the Corporation's financial reports and other financial information provided to its stockholders. This includes reviewing the results of management's risk assessment and compliance with management policies as they relate to financial reporting. The Audit Committee also monitors the Corporation's compliance with legal and regulatory requirements and the risks associated therewith. On a regular basis, the Audit Committee reviews with senior management significant areas of risk exposure, including financial reporting controls, operational risks, pending litigation, employee issues, and issues arising from complaints to the Corporation's hotline and other risk detection mechanisms.

The Compensation Committee reviewed with management the design and operation of our compensation programs for all employees, including executive officers, for the purpose of determining whether such programs might encourage inappropriate risk-taking that could have a material adverse effect on the Corporation. After conducting its evaluation, the Compensation Committee concluded that the Corporation's compensation programs do not encourage employees to take risks that are reasonably likely to have a material adverse effect on the Corporation.

The Compensation Committee may delegate authority to subcommittees when appropriate. The Nominating Committee is composed of three independent directors, Messrs. Steinke, Christophe, and Griffin. Mr. Steinke serves as the Chairman of the Nominating Committee. The Board adopted an amended charter for the Nominating Committee on February 14, 2012. A copy of this charter is available on the Governance section of our website at www.blldr.com.

The purpose of the Nominating Committee is to (i) identify and evaluate individuals qualified to become Board members, consistent with criteria approved by the Board, (ii) recommend to the Board the persons to be nominated for election as directors at any meeting of stockholders and the persons to be elected by the Board to fill any vacancies on the Board, (iii) recommend to the Board the directors to be appointed to each committee of the Board, and (iv) evaluate and make recommendations to the Board regarding (a) the eligibility criteria for receipt of compensation as a director and (b) the appropriate compensation to be paid to eligible members of the Board and to members of Board committees.

Director Compensation Program

Under the Amended and Restated Director Compensation Policy, directors are entitled to compensation for their service on the Board if they were neither (i) concurrently employed in any capacity by the Corporation or any of its subsidiaries nor (ii) unless otherwise determined by the Nominating Committee, concurrently employed by or affiliated with (a) JLL Partners, JLL Associates G.P. V, L.L.C, or JLL Building Holdings, LLC or any of their affiliates or (b) Warburg Pincus & Co., Warburg Pincus LLC, or Warburg Pincus Private Equity IX, L.P. or any of their affiliates. In 2015, the directors who met these standards (Eligible Directors) received an annual cash retainer of \$50,000, payable quarterly.

Table of Contents

Directors receive annual fees for serving on the Board's committees, but do not receive separate per meeting fees for attending Board or committee meetings. The annual fees for serving on the Board's committees are as follows:

Committee	Chairman Fee	Member (non-Chairman) Fee
Audit Committee	\$ 30,000	\$ 5,000
Compensation Committee	\$ 20,000	\$ 5,000
Nominating Committee	\$ 10,000	\$ 5,000

Eligible Directors also receive annual grants of restricted stock units. The number of shares underlying these awards is determined by dividing a dollar value (\$50,000 per year in 2015) by the fair market value of our Common Stock on the date of grant. These awards vest in full on the earlier of the first anniversary of the grant date or upon such director's cessation of service due to death, disability, or retirement. If a new Eligible Director joins the Board, or if an existing director's status changes to allow him or her to qualify as an Eligible Director, that director will receive a grant of restricted stock units on a prorated basis for the remainder of the current director compensation year (August 1 to July 31).

We do not compensate directors for any period of service in which they are not Eligible Directors.

In April 2015, the Board established the Transaction Committee to review the terms of the proposed equity commitment of JLL Partners Fund V, L.P. and Warburg Pincus Fund IX, L.P. to backstop a proposed primary public equity offering of the Corporation, the proceeds of which would be used to fund a portion of the purchase price of ProBuild Holdings LLC. Mr. Griffin received a one-time fee of \$20,000 for his service as the Chairman of the Transaction Committee. Messrs. Christophe and Steinke each received a one-time fee of \$17,500 for service on the Transaction Committee.

Policy on the Director Nomination Process

The Nominating Committee adopted a Policy on the Director Nomination Process that describes the process followed by the Nominating Committee to identify, evaluate, and recommend future director candidates for selection by the full Board. A current copy of the Policy on the Director Nomination Process is available on the Governance section of our website at www.blldr.com.

The Nominating Committee believes the minimum qualifications for serving as a director of the Corporation are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Corporation and have a record and reputation for honest and ethical conduct in both his or her professional and personal activities. Nominees for director shall be those people who, after taking into account their skills, expertise, integrity, character, judgment, age, independence, corporate experience, length of service, diversity of background and experience, conflicts of interest, and commitments, including, among other things, service on the boards (or comparable governing bodies) of other public companies, private business companies, or similar organizations, and other qualities, are believed to enhance the Board's ability to manage and direct, in an effective manner, the affairs and business of the Corporation, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation, or the Nasdaq Rules.

A nominee for director should have an understanding of the workings of large business organizations such as the Corporation, as well as the ability to make independent, analytical judgments, the ability to communicate effectively, and the ability and willingness to devote the time and effort to be an effective and contributing member of the Board. In addition, the Nominating Committee will examine a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest, and independence from management and the Corporation.

The Nominating Committee will identify potential nominees by asking current directors and executive officers to notify the Nominating Committee if they become aware of persons meeting the criteria described above. The Nominating Committee may also, from time to time, engage firms that specialize in identifying director candidates. As described further in the Corporation's Policy on Stockholder Recommendations for Director Candidates, the Nominating Committee will also consider candidates recommended by stockholders.

Once a person is identified by the Nominating Committee as a potential candidate, the Nominating Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Nominating Committee will contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee will request information from the candidate and review the person's

accomplishments and qualifications, including in light of any other candidates that the Nominating Committee might be considering. In certain instances, the Nominating Committee may conduct one or more interviews with the candidate, contact one or more references provided by the candidate, or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The evaluation process conducted by the Nominating Committee does not vary based on whether or not a candidate is recommended by a stockholder, although the Nominating Committee may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

The Nominating Committee considers diversity of background and experience as one of several factors set forth in the Policy on the Director Nomination Process that it takes into account in evaluating a potential director candidate's qualifications. The Nominating Committee considers all types of diversity in making this determination. The Nominating Committee will generally evaluate the effectiveness of the Policy on the Director Nomination Process annually, including those sections dealing with diversity of background and experience, but does not have a formal review process covering diversity.

The persons who served as our Chief Executive Officer and Chief Financial Officer during 2015, as well as the other individuals named in the Summary Compensation table, are referred to as the named executive officers or NEOs throughout this Proxy Statement.

Executive Summary

The housing industry strengthened in 2015, with U.S single-family starts up 10.3% over the prior year. The Company achieved pro forma Adjusted EBITDA¹ of \$313.3 million for fiscal year 2015, a 22% increase over pro forma Adjusted EBITDA¹ of \$257.2 million for 2014. to earn an annual incentive based on (i) the amount of Adjusted EBITDA produced by the Company in 2015; (ii) the level of working capital as a percentage of sales achieved by the Company for 2015; and (iii) a discretionary component based on individual performance. Following the acquisition of ProBuild in July 2015, the Committee determined that the NEOs and other participants in the 2015 Corporate Annual Incentive Plan would be eligible for bonuses under the financial metrics of the Plan based solely on the 2015 operating results of the Company's legacy operations, and that the 2015 operating results of ProBuild would be excluded from consideration for purposes of the Plan.

As a result of the Company's 2015 financial performance as described above, including the performance of the Company's legacy operations, each of the NEOs received a 2015 annual incentive award equal to 76.9% of their base salary for the year.

In February 2015, the Compensation Committee issued 75,000 restricted stock units and 75,000 stock options to Chad Crow in connection with his promotion to President and Chief Operating Officer of the Company in November 2014. Mr. Crow also continues in his role as our Chief Financial Officer. The Committee decided not to issue additional equity awards to our other NEOs or key managers in 2015.

In December 2015, following the closing of the ProBuild acquisition, our Compensation Committee awarded special bonuses to several key members of our management team, including our NEOs. The Committee awarded these bonuses in recognition of (i) the significant contributions and progress made by the management team in integrating ProBuild's operations with those of the Company, (ii) the operational synergies and cost savings achieved as a result of such integration activities, and (iii) the importance of retaining and incentivizing our NEOs and other managers to achieve the Company's overall integration and synergy goals.

Key Executive Compensation Practices

The following is a summary of our compensation practices that we believe drive performance and align with the interests of our stockholders:

We strive to provide balanced pay opportunities for our executives, consisting of an appropriate mix of cash and equity, annual and longer-term incentives, and fixed and variable pay.

Our annual bonus plan is performance-based, and payouts are subject to minimum thresholds based on performance targets and appropriate caps.

Our executive officers participate in the same welfare benefits programs and retirement plans as other salaried employees. We provide only very modest prerequisites to our executive officers.

We recently adopted a compensation clawback policy that allows the Company in the event of a restatement of its financial results to recover excess amounts erroneously paid to executive officers under certain circumstances.

Our incentive plan does not provide for automatic single-trigger vesting for equity awards upon a change in control.

We do not provide any tax gross-ups.

Our insider trading policy prohibits any employee or director from engaging in hedging activities involving Company stock.

Consideration of Most Recent Advisory Stockholder Vote on Executive Compensation

At the annual meeting of stockholders on May 21, 2014, over 99% of the shares represented and entitled to vote at the annual meeting were voted to approve the compensation of the Company's named executive officers, as discussed and disclosed in the 2014 Proxy Statement. The Board and the Compensation Committee appreciate and value the views of our stockholders. In considering the results of this advisory vote on executive compensation, the Committee concluded that the compensation paid to our named executive officers and the Company's overall pay practices enjoy strong stockholder support.

Table of Contents

Going forward, future advisory votes on executive compensation will serve as an additional tool to guide the Board and the Compensation Committee in evaluating the alignment of the Company's executive compensation program with the interests of the Company and its stockholders.

At the annual meeting of stockholders on May 25, 2011, our stockholders expressed a preference that advisory votes on executive compensation occur once every three years. Consistent with this preference, the Board determined to implement an advisory vote on executive compensation once every three years until the next required vote on the frequency of stockholder votes on the compensation of executive officers, which is scheduled to occur at the 2017 annual meeting.

Compensation Principles

Our executive compensation program has been designed to provide a total compensation package that allows us to attract, retain, and motivate executives who have the talent to capably manage our business. Our executive compensation program has historically been guided by several key principles:

Our compensation program should provide total compensation opportunities at levels that are competitive for comparable positions at companies with whom we compete for talent.

Our compensation program should provide incentives to our executive officers to achieve key financial objectives set by the Board of Directors.

Our compensation program should provide an appropriate mix of fixed and variable pay components to establish a pay-for-performance oriented compensation program.

Our compensation program should align the financial interests of executives with stockholder interests by providing significant compensation opportunities in the form of equity awards.

2015 Executive Compensation Process

Role of the Compensation Committee. Under its charter, the Compensation Committee is responsible for designing our executive compensation program and assisting the Board in discharging its responsibilities relating to executive compensation. As part of its evaluation process, the Committee reviewed compensation information from various sources, including data compiled from certain members of our management team. In January 2015, the Compensation Committee approved, and recommended to our Board of Directors for its ratification, the 2015 compensation program for our NEOs.

Role of Executives. Our CEO, CFO, and General Counsel, as well as members of our Legal and Finance Departments, assisted the Compensation Committee and the Board in gathering the information needed for their respective reviews of our 2015 executive compensation program. The Compensation Committee and the Board also considered our CEO's recommendations for our executive officers (other than himself) with respect to the 2015 compensation program.

Role of Compensation Consultants. In 2014, the Committee retained Veritas Executive Compensation Consultants (Veritas), to perform a comprehensive review of our executive compensation program and to conduct market

compensation comparisons for our executive officers in order to assist the Committee in designing our 2015 executive compensation program. The Committee met with Veritas during 2014, reviewed their reports, and considered their advice in connection with structuring our 2015 compensation program.

Market Comparisons. Using data provided by Veritas, in 2014 the Compensation Committee examined the competitiveness of our compensation programs to determine how our compensation levels compare to our overall philosophy and target markets. The Committee relied, in part, on proxy compensation data for individual companies, as well as published survey data, which allowed for a broader comparison to similar positions at both private and public companies.

In our case, peer selection is somewhat difficult due to the lack of publicly-traded companies with whom we compete and the absence of available data for privately-held competitors. Therefore, we have expanded our peer group to include additional publicly-traded building products companies of generally similar size that serve additional end markets to provide a proxy for the market in which we compete for executive talent. Peer selection is primarily focused on size based on revenues, market capitalization, and

Table of Contents

enterprise value because these metrics provide a reasonable point of reference for comparing like positions and scope of responsibility. In reviewing market competitiveness and setting compensation levels for 2015, the primary peer group (our Peer Group) included:

AAON, Inc.	Masonite International Corporation
American Woodmark Corporation	NCI Building Systems Inc.
Apogee Enterprise, Inc.	Nortek Inc.
Beacon Roofing Supply Inc.	Patrick Industries Inc.
Boise Cascade Company	Ply Gem Holdings, Inc.
Continental Building Products, Inc.	Quanex Building Products
En Pro Industries, Inc.	Simpson Manufacturing Inc.
Gibraltar Industries Inc.	Stock Building Supply Holdings
Griffon Corporation	Trex Company Inc.
Louisiana-Pacific Corporation	Universal Forest Products Inc.

Our market comparison analysis consisted of all components of total direct compensation, including base salary, annual bonus, and long-term incentives. These components were measured against data gathered from the proxy statements of the Peer Group as well as from the published surveys. The companies evaluated in the market surveys are not individually identifiable for a particular executive position, and, therefore, we did not benchmark against any particular company in this regard, but rather used this information to obtain a general understanding of current compensation practices.

Role of the Board of Directors. The Board of Directors is responsible for reviewing and ratifying the decisions and recommendations of the Compensation Committee regarding our executive compensation program. In February 2015, after considering the decisions and recommendations of the Compensation Committee, the Board ratified the 2015 executive officer compensation program.

Elements of our Compensation Program

Components of Compensation. There are three main components of our executive compensation program:

Base salary,

Annual cash incentives, and

Long-term equity incentives.

Reflecting our philosophy to focus on direct (rather than indirect) compensation as the most appropriate means to attract and retain key executive talent, and seeking to maintain an egalitarian culture, we provide very few special

benefits to our executive officers that are not generally available to all of our salaried employees. For example, the Board offers no perquisites to our executive officers other than auto allowances and no retirement benefits beyond our company-wide 401(k) plan.

The following sections describe in greater detail each of the elements of our executive compensation program, why they were selected, and how the amounts of each element were determined.

Table of Contents***Base Salary***

Base salary is designed to compensate the executive officers for their roles and responsibilities and to provide a stable and fixed level of compensation that serves as a retention tool throughout the executive's career. In determining base salaries, we generally consider each executive's role and responsibilities, unique skills, the salary levels for similar positions in our target market, and internal pay equity. The Committee decided not to raise the salaries of any of our executive officers for 2015 as part of our ongoing expense control program.

Annual Cash Incentives

We provide annual cash bonus opportunities to our executive officers, which are designed to reward the achievement of financial results measured over the current fiscal year. The Compensation Committee selects the financial performance goals applicable to the annual incentive program, which may be based on one or more stockholder-approved performance criteria under our 2014 Incentive Plan, as amended. In addition, in order to provide a mechanism to reward individual performance and to facilitate retention of key executives, a portion of each NEO's annual cash incentive bonus award has historically been payable at the Board's discretion based on a qualitative review of Company and individual performance.

2015 Corporate Annual Incentive Plan. For 2015, the Committee decided to continue the same annual cash incentive program for our corporate office managers, including our NEOs, that was in place for 2014 (the 2015 Corporate Annual Incentive Plan or the 2015 Plan). The bonus amounts that could be earned by our NEOs under the 2015 Plan ranged from 0% (for performance below threshold levels) to a maximum of 150% (for performance above target levels) of their respective base salaries. Under the 2015 Plan, 90% of a participant's bonus potential is based on the Company's 2015 financial performance.

The 2015 Corporate Annual Incentive Plan provided for bonuses based on the following metrics:

Adjusted EBITDA 70% weighting,

Working Capital as a Percentage of Sales 20% weighting, and

Discretionary factors 10% weighting.

The Committee chose Adjusted EBITDA and Working Capital as a Percentage of Sales as the financial performance goals under the 2015 Corporate Annual Incentive Plan because it believed that these metrics are the most critical in terms of managing the Company's business and measuring its financial and operating performance. Following the ProBuild acquisition, the Committee determined that the NEOs and other participants in the 2015 Corporate Annual Incentive Plan would be eligible for bonuses under the financial metrics of the Plan based solely on the 2015 operating results of the Company's legacy operations, and that the 2015 operating results of ProBuild would be excluded from consideration for purposes of the Plan.

Adjusted EBITDA Metric. The 2015 Plan established a corporate office bonus pool (the Bonus Pool) based on the amount of Adjusted EBITDA earned by the legacy operations of the Company (excluding ProBuild) for the year. Adjusted EBITDA is calculated as earnings before interest, taxes, depreciation, and amortization, as adjusted for other non-recurring and/or non-cash items. The Bonus Pool was approved to be funded in an amount equal to a designated

percentage of annual consolidated Adjusted EBITDA, with the designated percentage increasing as 2015 Adjusted EBITDA increased, as follows:

4.55% of the first \$50 million, or up to \$2,275,000,

5.20% of the next \$50 million (\$50 to \$100 million), or up to an additional \$2,600,000,

5.85% of the next \$50 million (\$100 to \$150 million), or up to an additional \$2,925,000,

6.50% of the next \$50 million (\$150 to \$200 million), or up to an additional \$3,250,000, and

7.15% of any amount above \$200 million.

Table of Contents

The 2015 Plan provided that no bonuses would be earned under the Adjusted EBITDA component unless the Company achieved more than 50% of its Adjusted EBITDA target for the 2015 fiscal year, as set by the Board of Directors. The allocation of the Bonus Pool among participants was determined as follows: (i) each participant's Adjusted EBITDA bonus eligibility amount was set at a percentage of salary, determined based on the participant's salary level; (ii) each participant's Adjusted EBITDA bonus eligibility amount was divided by the sum of all participants' Adjusted EBITDA bonus eligibility amounts; and (iii) the resulting percentage was multiplied by the Bonus Pool dollars to determine a participant's payment for this portion of the Plan. For 2015, based on the above formula, the following percentages of the Bonus Pool were allocated to our executive officers:

Floyd Sherman 8.0%,

Morris Tolly 4.8%,

Chad Crow 6.0%, and

Don McAleenan 4.1%.

The Committee chose Adjusted EBITDA as the primary financial performance metric under the 2015 Corporate Annual Incentive Plan because it believes that this criterion provides an effective incentive to maximize financial performance in various market environments and closely aligns management awards with the financial interests of stockholders.

As noted above, the Company achieved pro forma Adjusted EBITDA of \$313.3 million for fiscal year 2015, a 22% increase over pro forma Adjusted EBITDA for 2014. As a result of the financial performance of the Company's legacy operations, our NEOs earned bonuses under the Adjusted EBITDA component of the 2015 Plan equal to approximately 45.9% of their respective salaries. The Adjusted EBITDA-related bonus amounts paid to our NEOs for 2015 are included in the Non-Equity Incentive Plan Compensation column of the Summary Compensation table in this Proxy Statement.

Working Capital Metric. Working capital is a measurement of the Company's operating liquidity and includes dollars invested in accounts receivable, product inventories, and accounts payable. The Committee set the Working Capital as a Percentage of Sales target under the 2015 Plan at 10%, because that matched the Company's budgeted working capital target for the year. If the actual working capital percentage for the year was lower than the goal, the bonus payment would increase; if the actual working capital percentage was higher than the goal, the bonus payment would decrease. Under the 2015 Plan, the Company had to achieve at least 80% of the 2015 working capital target (or a minimum of 12% Working Capital as a Percentage of Sales) to trigger any payment. The Company's legacy operations achieved a 9.5% Working Capital as a Percentage of Sales metric for 2015, exceeding its target of 10%. As a result, our NEOs earned 105.1% of their working capital-related bonuses, or an amount equal to 21.0% of their respective salaries for the year. The working capital-related bonus amounts paid to our NEOs for 2015 are included in the Non-Equity Incentive Plan Compensation column of the Summary Compensation table in this Proxy Statement.

Discretionary Individual Performance Component. The Compensation Committee believes that the ability to incentivize individual achievement by executives is important to the Company's success. In addition, the Committee believes it is critical to have the ability to offer market competitive compensation and to retain key personnel even if

overall financial results don't meet expectations. The discretionary component of the bonus program is intended to provide the Committee with a mechanism to address these goals. For 2015, the Committee determined that our NEOs would be eligible for a maximum discretionary payment of up to 10% of their base salary, but subject to the caps described below based on the Company's level of Adjusted EBITDA. The Committee did not include specific performance criteria in the 2015 Corporate Annual Incentive Plan that would determine the amount of discretionary bonus paid to a participant.

Table of Contents

The 2015 Plan provided that payment of the discretionary portion of a participant's bonus (maximum of 10% of salary in the case of our NEOs) would be subject to various caps depending on the amount of EBITDA earned by the Company's legacy operations for the year, as follows:

Adjusted EBITDA

Less than \$50 million

\$50 to \$75 million

More than \$75 million

Maximum Discretionary Bonus

50% of Maximum Discretionary Bonus Component

75% of Maximum Discretionary Bonus Component

100% of Maximum Discretionary Bonus Component

In early 2016, the Committee decided to award the full 10.0% discretionary bonus opportunity for 2015 to all Plan participants, including our NEOs. The Committee made this decision in view of (i) the performance of our Corporate managers, including our NEOs, in negotiating and closing the ProBuild acquisition and the related debt and equity financings and (ii) the improved financial performance of the Company in 2015. Each of the executive officers received discretionary bonus payments equal to 10.0% of their 2015 base salary. The discretionary bonus amounts paid to our NEOs for 2015 are included in the Non-Equity Incentive Plan Compensation column of the Summary Compensation table in this Proxy Statement.

2015 Corporate Annual Incentive Plan Results. As noted above, (i) the Company's financial performance significantly improved in 2015; (ii) the Company's legacy operations achieved a 9.5% Working Capital as a Percentage of Sales result for 2015, exceeding our target of 10%; and (iii) the Committee decided to award the full 10.0 % maximum discretionary bonus amount under the 2015 Plan to all participants for the reasons outlined above. As a result, our NEOs received aggregate bonuses equal to approximately 76.9% of their respective base salaries under the 2015 Corporate Annual Incentive Plan.

As noted above, in accordance with our pay-for-performance compensation philosophy, bonus awards under the 2015 Plan were highly correlated with the level of Adjusted EBITDA (70% weighting) earned by the Company's legacy operations for the year and the Working Capital as a Percentage of Sales amount (20% weighting) achieved by the Company's legacy operations in 2015.

Long-Term Equity Incentives

A key component of our executive compensation program consists of rewards for long-term strategic accomplishments and enhancement of long-term stockholder value through the use of equity-based incentives. We believe that long-term incentive compensation performs an essential role in attracting and retaining talented executives and providing them with incentives to maximize stockholder value. Stock options and restricted stock unit awards are the primary long-term incentive vehicles that we use in our executive compensation program. These award vehicles have been selected by the Compensation Committee due to their retention value and the performance link to our stock price.

In February 2015, the Compensation Committee issued 75,000 restricted stock units and 75,000 stock options to Chad Crow in connection with his promotion to President and Chief Operating Officer in November 2014. Mr. Crow also continues in his role as our Chief Financial Officer. In determining the equity awards to Mr. Crow, the Committee (i) considered the market comparison surveys conducted by Veritas and (ii) engaged in a subjective assessment of Mr. Crow's scope of job responsibilities, individual performance, historical award data, and internal pay equity. The awards granted to Mr. Crow vest in equal installments over a four-year period. These awards are reflected in the 2015 Grants of Plan-Based Awards table later in this Proxy Statement

In February and June 2014, the Compensation Committee issued significant new equity awards to key managers, including our NEOs, in order to promote retention and provide incentive to management to maximize performance in a highly competitive operating environment for an extended period. In view of the equity awards made in 2014, the Committee decided not to issue additional equity awards to our NEOs and other top managers in 2015, other than the awards to Mr. Crow.

Table of Contents

Special Bonuses

In December 2015, following the closing of the ProBuild acquisition, our Compensation Committee awarded special bonuses to several key members of our management team, including our NEOs. The Committee awarded these bonuses in recognition of (i) the significant contributions and progress made by the management team in integrating ProBuild's operations with those of the Company, (ii) the operational synergies and cost savings achieved as a result of such integration activities, and (iii) the importance of retaining and incentivizing our managers to achieve the Company's overall integration and synergy goals. The special bonuses awarded to our NEOs were in the amount of \$250,000 to each of Messrs. Sherman, Crow, and McAleenan and \$100,000 to Mr. Tolly. These bonuses are reflected in the Bonus column of the Summary Compensation Table in this Proxy Statement.

Executive Benefits and Perquisites

The Company seeks to maintain an egalitarian culture in its facilities and operations. The Company does not provide its officers with parking spaces or separate dining facilities or country club memberships. Company-provided air travel for officers is for business purposes only and is primarily by commercial air carriers, with limited use of private charters. The Company's health care, insurance, 401(k) plan, and other welfare and employee-benefit programs are the same for all eligible employees, including the NEOs, except that employees making over \$100,000 annually make higher monthly contributions for their health insurance benefits.

The Company offers no perquisites to our executives, including the named executive officers, other than auto allowances to certain individuals. Otherwise, our executives are eligible for the same benefits as all other employees. The perquisites and other benefits provided to our named executive officers are set forth in the All Other Compensation column of the Summary Compensation Table later in this Proxy Statement.

Post-Termination Compensation

The Board believes that severance benefits are necessary in order to attract and retain the caliber and quality of executive that the Company needs in its most senior positions.

The Company has entered into employment agreements with Messrs. Sherman, Crow, Tolly, and McAleenan. The terms of these agreements are described under the caption Employment Agreements later in this Proxy Statement. These agreements provide the Company with protection in the form of restrictive covenants, including non-competition, non-solicitation, and confidentiality covenants. The Board considered the advisability of using employment agreements with its executive officers and determined that they are in the best interests of the Company insofar as they permit the Company to achieve its goals of attracting and retaining the best possible executive talent while obtaining post-employment non-competition and non-solicitation covenants from executive officers.

Under the terms of their employment agreements, Messrs. Sherman, Crow, Tolly, and McAleenan are entitled to certain severance benefits in the event their employment is terminated by the Company without cause or by the NEO under certain circumstances, as described in the employment agreements. These severance benefits include salary continuation for a period of one year (for Messrs. Crow, Tolly, and McAleenan) or up to two years (for Mr. Sherman, depending on termination date and the expiration date of the then-current term of his agreement), continuation of health and welfare benefits during this period, and a payment equal to the average annual bonus amount paid to the executive for the prior two fiscal years (for Messrs. Crow, Tolly, and McAleenan). These severance benefits are described under the caption Potential Payments Upon Termination or Change in Control later in this Proxy Statement.

Retirement / Post-Employment Benefits

The Company does not provide any retirement programs or benefits to its NEOs other than its 401(k) program, which is available to all employees. This is consistent with our emphasis on direct compensation and our philosophy of maintaining an egalitarian culture.

Equity Grant Practices

The Board's historical practice has been to grant equity awards to our NEOs following the release of earnings in February. We do not engage in the practice of timing grants with the release of non-public information. We utilize the closing price on the grant date to establish the exercise price of stock options under our equity plans.

Tax Deductibility Policy

The Board of Directors has carefully considered the implications of Section 162(m) of the Internal Revenue Code. The Board of Directors believes tax deductibility of compensation is an important consideration. Accordingly, the Board of Directors, where possible and considered appropriate, strives to preserve corporate tax deductions, including the deductibility of compensation to NEOs.

The Board of Directors also reserves flexibility, where it is deemed necessary and in the best interests of the Company and its stockholders to continue to attract and retain the best possible executive talent, to approve compensation arrangements that are not necessarily fully tax deductible to the Company. In this regard, certain portions of compensation paid to the NEOs may not be deductible for federal income tax purposes under Section 162(m). The Board of Directors will continue to review the Company's executive compensation practices to determine which elements of executive compensation qualify as performance-based compensation under the Code.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis included in this Proxy Statement with management. Based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and the Corporation's Annual Report on Form 10-K for the year ended December 31, 2015 filed with the SEC.

- (5) Reflects the aggregate grant date fair value of the stock option award. The fair value of this award was determined in accordance with the Compensation - Stock Compensation topic of the Financial Accounting Standards Board Accounting Standards Codification. The grant date fair value of this award is based on the Black-Scholes valuation of the stock options granted, which in turn is based on a number of factors, including the value of our Common Stock on the grant date. The calculation was based on a six year expected option life. The weighted average assumptions used in determining the grant date fair value of this award are set forth in Note 2,

Summary of Significant Accounting Policies, in the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2015.

Potential Payments Upon Termination or Change in Control

As described above in Employment Agreements, we entered into employment agreements with our NEOs, which, among other things, provide benefits to them in the event of a termination of employment under certain circumstances.

Mr. Sherman's Agreement

Termination by the Corporation Without Cause. Mr. Sherman's employment agreement provides that if he is terminated by the Corporation without cause (as defined in the employment agreement) he will be entitled to payment of his annual base salary and health and welfare benefits for the remainder of the term of the employment agreement.

Termination by Reason of Executive's Death or Disability. The agreement also provides that, upon Mr. Sherman's termination of employment by reason of his death or disability, Mr. Sherman (or his beneficiaries) will be entitled to continuation of his base salary and health benefits for one year after his date of termination. In the event of Mr. Sherman's disability, this amount will be reduced by the proceeds of any short- and/or long-term disability payments he receives under the Corporation's plans.

Restrictive Covenants. During his employment with the Corporation and for one year thereafter, Mr. Sherman may not disclose confidential information and may not directly or indirectly compete with the Corporation. In addition, Mr. Sherman may not solicit or hire any employees of the Corporation or any of its subsidiaries during his employment with the Corporation and for two years thereafter.

Agreements with Messrs. Crow, Tolly, and McAleenan

Termination by the Corporation Without Cause; Certain Terminations by the Executive; Non-Renewal of Employment Agreement; Mutual Consent to Termination. Under each of these employment agreements, in the event that (i) the executive's employment is terminated by us without cause (as defined in the employment agreement), (ii) the executive terminates his employment because of a material adverse diminution in job title or responsibilities or a relocation of his principal place of employment more than 100 miles from its current location without his consent, (iii) we notify the executive of our intent not to renew the employment agreement and the executive delivers a notice of resignation (as defined in the employment agreement) within 90 days of receipt of the notice of non-renewal, or (iv) the executive's employment is terminated by mutual consent and the parties enter into an agreement whereby the executive agrees to be bound by the post-termination restrictive covenants in the agreement (described below), the executive will be entitled to continuation of his base salary and health benefits for one year after the date of termination plus payment of an amount equal to his average bonus compensation (defined in the employment agreements as an amount equal to the average of the annual bonus amounts earned by the executive under the Corporation's annual incentive plan during the two most recent fiscal years ended prior to the executive's date of termination).

Termination by Reason of Executive's Death or Disability. The employment agreements also provide that, upon the executive's termination of employment by reason of his death or disability, the executive (or his beneficiaries) will be entitled to continuation of his base salary and health benefits for one year after the date of termination. In the event of executive's disability, this amount will be reduced by the proceeds of any short- and/or long-term disability payments the executive receives under the Corporation's plans.

Restrictive Covenants. During the executive's employment with us and for one year thereafter, the executive may not disclose confidential information and may not directly or indirectly compete with the Corporation. In addition, the executive may not solicit or hire any employees of the Corporation or any of its subsidiaries during his employment with us and for two years thereafter.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

From January 1, 2015 to September 4, 2015, the Compensation Committee consisted of Messrs. Christophe, Kruse, and Milgrim. On September 4, Mr. Griffin took Mr. Kruse's seat on the Committee. No member of the Compensation Committee was an officer or employee of Builders FirstSource or any of its subsidiaries during the last fiscal year or at any other time. None of the members of the Compensation Committee had any relationship with the Corporation during the last fiscal year that would require disclosure under Item 404 of Regulation S-K. No executive officer of the Corporation served as a member of the board of directors or compensation committee of another entity, one of whose executive officers served on the Compensation Committee or the Board of Builders FirstSource.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The Corporation's Code of Business Conduct and Ethics and its Supplemental Code of Ethics, both of which are in writing, provide guidelines for identifying, reviewing, approving, and ratifying related party transactions. Related party transactions include those transactions that create an actual, apparent, or potential conflict of interest. Related party transactions involving the Corporation's Chief Executive Officer, President, Chief Financial Officer, or Controller (or persons forming similar functions) must be submitted to the General Counsel for review. If the General Counsel determines that an actual or apparent conflict of interest exists, the transaction must be submitted to the Audit Committee for approval. The directors and executive officers, as well as all other employees of the Corporation, must obtain a waiver for any activity that violates the Corporation's Code of Business Conduct and Ethics. The Corporation's Compliance Committee, which is made up of representatives from our Finance, Legal, Human Resources, and Internal Audit Departments, is responsible for the administration of the Code of Business Conduct and Ethics. However, only the Audit Committee may waive any violation of this code by directors or executive officers.

The Corporation's By-laws provide that no contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other entity in which one or more of its directors or officers are directors or officers or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board or committee thereof that authorizes the contract or transaction, or solely because any such director's or officer's vote is counted for such purpose if: (i) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the Board or the committee, and the Board or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum, (ii) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders, or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved, or ratified by the Board, a committee thereof, or the stockholders.

In the ordinary course of business and on terms no less favorable to us than we could obtain from unaffiliated third parties, in 2015 we (including ProBuild Holdings LLC and its subsidiaries after their acquisition by the Corporation on July 31, 2015) purchased \$9.3 million in windows and related products from PGT, Inc., through its wholly-owned subsidiary, PGT Industries, Inc. From January 1, 2016 through February 28, 2016, we purchased \$1.7 million in windows and related products from PGT Industries, Inc. Our Chief Executive Officer and Director, Floyd F. Sherman, and our Director, Brett N. Milgrim, are directors of PGT, Inc. We will most likely continue such purchases in the foreseeable future.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee serves an independent oversight role by consulting with and providing guidance to management and the external auditors on matters such as accounting, audits, compliance, controls, disclosure, finance, and risk management. The Board of Directors affirmatively determined that all Audit Committee members are financially literate and possess financial sophistication as defined by the Nasdaq Rules. The Board of Directors designated the Chairman of the Audit Committee, Robert C. Griffin, and committee members Craig A. Steinke and Kevin J. Kruse as audit committee financial experts under the SEC's guidelines.

The Audit Committee's purposes and responsibilities are described in its charter, available on the Governance section of the Corporation's website. They include overseeing the integrity of the Corporation's financial statements and financial reporting processes, overseeing compliance with legal and regulatory requirements, reviewing the external auditors' qualifications and independence (including auditor rotation), and reviewing the performance of the Corporation's internal audit function. The Audit Committee members do not act as accountants or auditors for the Corporation. Management is responsible for the Corporation's financial statements and the financial reporting process, including the implementation and maintenance of effective internal control over financial reporting and the assessment of, and reporting on, the effectiveness of internal control over financial reporting.

In this context, the Audit Committee has reviewed and discussed, with management and the external auditors, the Corporation's audited financial statements for the year ended December 31, 2015. The Audit Committee has discussed with the external auditors the matters required to be discussed by Public Company Accounting Oversight Board (PCAOB) standards, AU Section 380 Communication with Audit Committees. In addition, the Audit Committee has received from the external auditors the written disclosures and the letter required by the applicable requirements of the PCAOB and has discussed with them their independence from the Corporation and its management. The Audit Committee has considered whether the external auditors' provision of non-audit services to the Corporation is compatible with the auditors' independence.

Following the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2015 for filing with the SEC.

Stockholders Agreement Between JLL Building Holdings, LLC and Warburg Pincus Private Equity IX, L.P.

On June 22, 2010, JLL Building Holdings, LLC (JLL Holdings) and Warburg Pincus Private Equity IX, L.P. (WP IX) entered into a Stockholders Agreement (the Stockholders Agreement). The Stockholders Agreement provided that at any meeting of stockholders called for the purpose of electing directors, each of the parties would vote, and would cause their affiliates that owned our Common Stock to vote, for a slate of six directors, half of whom were selected by each party. If the percentage of the combined shares of the parties held by either JLL Holdings or WP IX exceeded 65%, the party having the higher ownership percentage would be permitted to select four of the six director candidates on the slate. If the percentage of the combined shares of the parties held by either JLL Holdings or WP IX exceeded 80%, the party having the higher ownership percentage would be permitted to select five of the six director candidates on the slate. For the purposes of the preceding two sentences, shares of stock held by the affiliates of the parties were deemed to be owned by the parties. The Stockholders Agreement was terminated by mutual agreement of JLL Holdings and WP IX on July 31, 2015.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act (Section 16(a)) requires Builders FirstSource's directors and executive officers, and certain persons who own more than ten percent of a registered class of the Corporation's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other security interests of Builders FirstSource. Directors, executive officers, and greater than ten percent stockholders are required by the regulations of the SEC to furnish the Corporation with copies of all Section 16(a) forms they file.

To the Corporation's knowledge, based solely on a review of the copies of such reports furnished to the Corporation and written representations that no other reports were required during the fiscal year ended December 31, 2015, all Section 16(a) filing requirements were timely complied with, as applicable to its directors, executive officers, and greater than ten percent owners.

PROPOSAL 2 APPROVAL OF AN AMENDMENT TO THE 2014 INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES AVAILABLE BY 3,500,000 AND RE-APPROVAL OF MATERIAL TERMS OF PERFORMANCE GOALS FOR QUALIFIED PERFORMANCE-BASED AWARDS

We are asking stockholders to approve an amendment to the Builders FirstSource, Inc. 2014 Incentive Plan (the 2014 Plan), which was approved by our stockholders at the 2014 Annual Meeting. On March 1, 2016, the Board of Directors approved an amendment to the 2014 Plan to increase the number of shares authorized under the Plan from 5,000,000 to 8,500,000, subject to stockholder approval at this Annual Meeting. Except for the proposed increase in the number of shares authorized under the 2014 Plan, the plan as previously approved by our stockholders in 2014 shall remain in full force and effect.

In addition to the 2014 Plan, the Company currently maintains the Builders FirstSource, Inc. 2007 Incentive Plan (the 2007 Plan), the Builders FirstSource, Inc. 2005 Equity Incentive Plan (the 2005 Plan), and the Builders FirstSource, Inc. 1998 Stock Incentive Plan (the 1998 Plan, and, together with the 2007 Plan and the 2005 Plan, the Prior Plans). As of March 31, 2016, there were approximately 7,154,317 shares of our Common Stock subject to outstanding awards under the 2014 Plan and the Prior Plans. As of such date, there were approximately 2,563,865 shares of our Common Stock reserved and available for future awards under the 2014 Plan and the 2007 Plan. No further awards may be made under the 1998 Plan or the 2005 Plan.

The Compensation Committee believes the number of shares currently available for future awards under the 2014 Plan and the 2007 Plan will not be sufficient to make the grants it believes will be needed over the next few years to provide adequate long-term equity incentives to our key employees. The Company's acquisition of ProBuild significantly expanded the number of key managers potentially eligible for equity awards under the Company's equity incentive plans. Approval of the amendment to the 2014 Plan will enable the Company to continue making equity compensation grants that serve as incentives to recruit and retain key employees and to continue aligning the interests of its employees with stockholders.

In addition, the 2014 Plan permits the grant of awards that are intended to qualify as performance-based awards that are fully deductible without regard to the \$1,000,000 deduction limit imposed by Section 162(m) of the U.S. Internal Revenue Code of 1986 (the Code). One of the requirements for compensation to qualify as performance-based under Section 162(m) is that the material terms of the performance goals, including the list of permissible business criteria for performance objectives under the plan, be disclosed to and approved by stockholders at least every five years. For purposes of Section 162(m), the material terms of the performance goals include (i) the employees eligible to receive compensation, (ii) the description of the performance objectives on which the performance goals may be based, and (iii) the maximum amount, or the formula used to calculate the maximum amount, of compensation that can be paid to an employee under the performance goals. Each of these aspects is discussed below, and stockholder approval of this Proposal 2 constitutes re-approval of each of these aspects for purposes of the Section 162(m) shareholder approval requirements.

A summary of the 2014 Plan is set forth below. This summary is qualified in its entirety by the full text of the 2014 Plan, which is filed as Appendix A to the Company's proxy statement for the 2014 Annual Meeting. A copy of the proposed amendment increasing the number of shares authorized under the Plan from 5,000,000 to 8,500,000 is attached to this proxy statement as Appendix A.

Promotion of Sound Corporate Governance Practices

We designed the 2014 Plan to include a number of features that reinforce and promote alignment of equity compensation arrangements for employees, officers, and non-employee directors with the interests of stockholders and

the Company. These features include, but are not limited to, the following:

Awards Subject to Clawback Policy. Awards under the 2014 Plan will be subject to any compensation recoupment policy adopted by the Company. The Company recently adopted an Executive Compensation Clawback Policy that allows the Company, in the event of a restatement of its financial results, to recover excess amounts erroneously paid to executive officers who engaged in intentional or unlawful misconduct.

No Discounted Stock Options or Stock Appreciation Rights. Stock options and stock appreciation rights may not be granted with exercise prices lower than the fair market value of the underlying shares on the grant date.

Table of Contents

Prohibition on Repricing. The exercise price of a stock option or stock appreciation right may not be reduced, directly or indirectly, without the prior approval of stockholders, including by a cash repurchase of underwater awards, except for equitable adjustments to maintain existing award values if there is a material corporate event.

Minimum Vesting Requirements. Subject to certain limited exceptions, full-value awards granted under the 2014 Plan will be subject to a minimum vesting period of (i) three years if based on continuous service (which may include graduated vesting within such three-year period) or (ii) one year if based on performance criteria other than continuous service.

No Dividends on Unearned Awards. The 2014 Plan prohibits the current payment of dividends or dividend equivalent rights on unearned awards subject to performance-based vesting.

Change of Control Treatment. If awards granted under the 2014 Plan are assumed by the successor entity in connection with a change of control of the Company, such awards will not automatically vest and pay out upon the change of control, except as otherwise provided in an applicable award or employment agreement.

No Tax Gross-Ups. The 2014 Plan does not provide for any tax gross-ups.

Key Data Relating to Outstanding Equity Awards and Shares Available

The following table includes information regarding outstanding equity awards and shares available for future awards under the 2014 Plan and the Prior Plans as of March 31, 2016 (and without giving effect to approval of the amendment to the 2014 Plan under this Proposal):

Total shares underlying outstanding stock options	4,978,923
Weighted average exercise price of outstanding stock options	\$ 5.23
Weighted average remaining contractual life of outstanding stock options	5.6 years
Total shares underlying outstanding full value awards	2,175,394
Total shares currently available for grant of new awards	2,563,865

Summary of the 2014 Plan

Purpose and Eligibility. The purpose of the 2014 Plan is to promote the Company's success by linking the personal interests of its employees, officers, directors, and consultants to those of the Company's stockholders, and by providing participants with an incentive for outstanding performance. As of March 31, 2016, approximately 14,000 employees and five non-employee directors would be eligible to participate in the 2014 Plan.

Administration. The 2014 Plan is administered by the Compensation Committee of the Board of Directors. The Compensation Committee has the authority to: designate participants; grant awards; determine the type or types of awards to be granted to each participant and the number, terms, and conditions thereof; establish, adopt, or revise any rules and regulations as it may deem advisable to administer the 2014 Plan; and make all other decisions and determinations that may be required under the 2014 Plan.

Awards to Non-Employee Directors. Notwithstanding the above, awards granted under the 2014 Plan to the Company's non-employee directors will be made only in accordance with the terms, conditions, and parameters of a plan, program, or policy for the compensation of non-employee directors as in effect from time to time. The Compensation Committee may not make discretionary grants under the 2014 Plan to non-employee directors outside of such established program for director compensation.

Permissible Awards. The 2014 Plan authorizes the granting of awards in any of the following forms:

market-priced options to purchase shares of our Common Stock, which may be designated under the Internal Revenue Code of 1986, as amended from time to time (the Code), as nonstatutory stock options (which may be granted to all participants) or incentive stock options (which may be granted to officers and employees, but not to consultants or non-employee directors),

Table of Contents

stock appreciation rights, which give the holder the right to receive the difference (payable in cash or stock, as specified in the award agreement) between the fair market value per share of our Common Stock on the date of exercise over the base price of the award (which cannot be less than the fair market value of the underlying stock as of the grant date),

restricted stock, which is subject to restrictions on transferability and subject to forfeiture on terms set by the Compensation Committee,

stock units, which represent the right to receive shares of Common Stock (or an equivalent value in cash or other property as specified in the award agreement) at a designated time in the future and subject to any vesting requirement as may be set by the Compensation Committee,

performance awards, which represent any award of the types listed above which have a performance-based vesting component based on the achievement, or the level of achievement, of one or more performance goals during a specified performance period, as established by the Compensation Committee,

other stock-based awards that are payable or valued, in whole or in part, by reference to, or otherwise based on, shares of Common Stock, including unrestricted stock grants, purchase rights, or other rights or securities that are convertible or exchangeable into shares of Common Stock, and

cash-based awards, including performance-based annual bonus awards.

Shares Available for Awards. The aggregate number of shares of Common Stock that may be issued under the 2014 Plan, as proposed to be amended, is 8,500,000 shares, subject to proportionate adjustment in the event of stock splits and similar events. Shares subject to awards that terminate or expire unexercised, or are cancelled, forfeited, or lapse for any reason, and shares delivered by the participant or withheld from an award to satisfy tax withholding requirements or to pay the exercise price of an option, will again become available for future grants of awards under the 2014 Plan. To the extent the full number of shares subject to a full-value award is not issued for any reason, including by reason of failure to achieve maximum performance goals, the unissued shares originally subject to the award will be added back to the plan share reserve. The Compensation Committee may grant awards under the 2014 Plan in substitution for awards held by employees of another entity who become employees of the Company as a result of a business combination. Such substitute awards will not count against the plan share reserve.

Limitations on Awards. The maximum aggregate number of shares of Common Stock subject to time-vesting options that may be granted under the 2014 Plan in any 12-month period to any one participant is 750,000. The maximum aggregate number of shares of Common Stock subject to time-vesting stock appreciation rights that may be granted under the 2014 Plan in any 12-month period to any one participant is 750,000. With respect to performance vesting awards, for any one 12-month period, the maximum amount that may be paid to any one participant payable in cash or property other than shares is \$5,000,000 and the maximum number of shares that may be paid to any one participant payable in stock is 750,000. The maximum aggregate number of shares subject to awards that may be granted under the 2014 Plan to any non-employee director in any 12-month period is 200,000.

Minimum Vesting Requirements. Except in the case of substitute awards granted in a business combination as described above, full-value awards, options, and stock appreciation rights shall either (i) be subject to a minimum

vesting period of three years (which may include graduated vesting within such three-year period), or one year if the vesting is based on performance criteria other than continued service, or (ii) be granted solely in exchange for foregone cash compensation. However, the Compensation Committee may at its discretion (i) accelerate vesting of such awards in the event of the participant's death, disability, or retirement or the occurrence of a change in control or (ii) grant full-value awards, options, or stock appreciation rights without the minimum vesting requirements described above with respect to awards covering 10% or fewer of the total number of shares authorized under the 2014 Plan.

Qualified Performance-Based Awards. All options and stock appreciation rights granted under the 2014 Plan are designed to be exempt from the \$1,000,000 deduction limit imposed by Code Section 162(m). The Compensation Committee may designate any other award granted under the 2014 Plan as a qualified performance-based award in order to make the award fully deductible without regard to the \$1,000,000 deduction limit imposed by Code Section 162(m). If an award is so designated, the Compensation Committee must establish objectively determinable performance goals for the award based on one or more of the following business criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of an affiliate or a division, region, department, individual, or function within the Company or an affiliate over a performance term to be designated by the Compensation Committee that may be as short as a calendar quarter or other three-month period:

The Compensation Committee must establish such goals within the time period prescribed by Code Section 162(m). The Compensation Committee may reduce (but not increase) any award, notwithstanding the achievement of a specified goal.

The Compensation Committee may provide, at the time performance goals are established, that any evaluation of performance shall exclude, or otherwise objectively adjust for, any specified circumstance or event that occurs during a performance period, including, but without limitation: (a) asset write-downs or impairment charges; (b) litigation or claim judgments or settlements; (c) the effect of changes in tax laws, accounting principles, or other laws or provisions affecting reported results; (d) accruals for reorganization and restructuring programs; (e) extraordinary nonrecurring items as described in then-current accounting principles; (f) extraordinary nonrecurring items as described in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; (g) acquisitions or divestitures; and (h) foreign exchange gains and losses. Any payment of an award granted with performance goals will be conditioned on the written certification of the Compensation Committee in each case that the performance goals and any other material conditions were satisfied.

Treatment of Awards upon a Participant's Termination of Service. Unless otherwise provided in an award agreement or any special plan document governing an award, upon the termination of a participant's service due to death or disability:

all of that participant's outstanding options and stock appreciation rights will become fully vested and exercisable and will remain exercisable for one year thereafter (or until the earlier end of the term of the award) and

all time-based vesting restrictions on that participant's outstanding awards will lapse as of the date of termination.

Table of Contents

Treatment of Awards upon a Change of Control. Unless otherwise provided in an award agreement, an employment agreement, or any special plan document governing an award:

(A) in the event of a change of control of the Company in which a successor entity fails to assume and maintain awards under the 2014 Plan:

all of that participant's outstanding options and stock appreciation rights will become fully vested and exercisable, and all time-based vesting restrictions on that participant's outstanding awards will lapse, as of the change of control, and

the target payout opportunities attainable under outstanding performance-based awards will be deemed to have been earned as of the change in control based upon (A) an assumed achievement of all relevant performance goals at the target level if the change in control occurs during the first half of the applicable performance period or (B) the actual level of achievement of all relevant performance goals against pro rata target levels measured as of the date of the change in control if the change in control occurs during the second half of the applicable performance period, and, in either such case, there will be a pro rata payout to the Participant within 60 days following the change in control.

(B) in the event of a change of control of the Company in which a successor entity assumes or otherwise equitably converts awards under the 2014 Plan, if during the term of an award and after the effective date of the change of control, a participant's employment is terminated without Cause or the participant resigns for Good Reason (as such terms are defined), then:

all of that participant's outstanding options and stock appreciation rights will become fully vested and exercisable, and all time-based vesting restrictions on that participant's outstanding awards will lapse, as of the date of termination, and

the target payout opportunities attainable under outstanding performance-based awards will be deemed to have been earned as of the date of termination based upon (A) an assumed achievement of all relevant performance goals at the target level if the date of termination occurs during the first half of the applicable performance period or (B) the actual level of achievement of all relevant performance goals against pro rata target levels measured as of the end of the calendar quarter immediately preceding the date of termination, if the date of termination occurs during the second half of the applicable performance period, and, in either such case, there will be a pro rata payout to the Participant within 60 days following the date of termination.

In addition, subject to limitations applicable to certain qualified performance-based awards, the Compensation Committee may, in its discretion, accelerate awards upon the termination of service of a participant or the occurrence of a change in control. The Compensation Committee may discriminate among participants or among awards in exercising such discretion.

Anti-dilution Adjustments. In the event of a non-reciprocal transaction between us and our stockholders that causes the per-share value of our Common Stock to change (including, without limitation, any stock dividend, stock split, spin-off, rights offering, or large nonrecurring cash dividend), the share authorization limits and annual award limits under the 2014 Plan will be adjusted proportionately and the Compensation Committee shall make such adjustments

to the 2014 Plan and awards as it deems necessary, in its sole discretion, to prevent dilution or enlargement of rights immediately resulting from such transaction. In the event of a stock split, a stock dividend, or a combination or consolidation of the outstanding shares of our Common Stock into a lesser number of shares, the authorization limits and annual award limits under the 2014 Plan will automatically be adjusted proportionately and the shares then subject to each award will automatically be adjusted proportionately without any change in the aggregate purchase price.

Amendment and Termination of the 2014 Plan. The Board or the Compensation Committee may amend, modify, or terminate the 2014 Plan at any time, except that no amendment may be made without the approval of the Company's stockholders if (i) stockholder approval is required by any federal or state law or regulation or by the rules of any stock exchange on which the Common Stock may then be listed, (ii) if the amendment, alteration, or other change materially increases the benefits accruing to participants, increases the number of shares available under the 2014 Plan, or modifies the requirements for participation under the 2014 Plan, or (iii) if the Board or Compensation Committee, in its discretion, determines that obtaining such stockholder approval is for any reason advisable. No termination or amendment of the 2014 Plan may, without the written consent of the participant, reduce or diminish the value of an outstanding award. The Compensation Committee may amend or terminate outstanding awards. However, such amendments may require the consent of the participant and, unless approved by our stockholders, the exercise price of an outstanding option or stock appreciation right may not be reduced, directly or indirectly, except for equitable adjustments to maintain existing award values if there is a material corporate event.

Table of Contents

Prohibition on Repricing. As indicated above under Amendment and Termination of the 2014 Plan, outstanding stock options and stock appreciation rights cannot be repriced, directly or indirectly, without the prior consent of the Company's stockholders, except for equitable adjustments to maintain existing award values if there is a material corporate event. In addition, the Company may not, without the prior approval of stockholders, repurchase an option or stock appreciation right for value from a participant if the current market value of the underlying stock is lower than the exercise price per share of the option or stock appreciation right.

Limitations on Transfer; Beneficiaries. No right or interest of a participant in any award may be pledged or encumbered to or in favor of any person other than the Corporation or be made subject to any lien, obligation, or liability of the participant to any person other than the Corporation. Except as permitted by the Compensation Committee, no award may be assignable or transferable by a participant otherwise than by will or the laws of descent and distribution and any option or other purchase right shall be exercisable during the participant's lifetime only by such participant. A beneficiary, guardian, legal representative, or other person claiming any rights under the 2014 Plan from or through a participant will be subject to all the terms and conditions of the 2014 Plan and any award agreement applicable to the participant.

Clawback Policy. Awards under the 2014 Plan will be subject to any compensation recoupment policy (sometimes referred to as a clawback policy) adopted by the Company. The Company recently adopted a clawback policy that allows the Company, in the event of a restatement of its financial results, to recover excess amounts erroneously paid to executive officers who engaged in intentional or unlawful misconduct.

Federal Income Tax Consequences

The U.S. federal income tax discussion set forth below is intended for general information only and does not purport to be a complete analysis of all of the potential tax effects of the 2014 Plan. It is based upon laws, regulations, rulings, and decisions now in effect, all of which are subject to change. State, local, and ex-U.S. income tax consequences are not discussed and may vary from jurisdiction to jurisdiction.

Nonqualified Stock Options. There will be no federal income tax consequences to the optionee or to the Company upon the grant of a nonqualified stock option under the 2014 Plan. When the optionee exercises a nonqualified option, however, he or she will recognize ordinary income in an amount equal to the excess of the fair market value of the stock received upon exercise of the option at the time of exercise over the exercise price and the Company will be allowed a corresponding federal income tax deduction. Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain depending on how long the shares were held.

Incentive Stock Options. There will be no federal income tax consequences to the optionee or to the Company upon the grant of an incentive stock option. If the optionee holds the option shares for the required holding period of at least two years after the date the option was granted and one year after exercise, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss and the Company will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, he or she will recognize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price and the Company will be allowed a federal income tax deduction equal to such amount. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for purposes of determining the optionee's alternative minimum taxable income.

Stock Appreciation Rights. A participant receiving a stock appreciation right under the 2014 Plan will not recognize income, and the Company will not be allowed a tax deduction, at the time the award is granted. When the participant exercises the stock appreciation right, the amount of cash and the fair market value of any shares of stock received will be ordinary income to the participant and the Company will be allowed a corresponding federal income tax deduction at that time.

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant as described below, a participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a restricted stock award is granted, provided the award is nontransferable and is subject to a substantial risk of forfeiture. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the stock as of that date (less any amount he or she paid for the stock) and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). If the participant files an election under Code Section 83(b) within 30 days after the

Table of Contents

date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock) and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, the participant will not be able to recover the tax previously paid pursuant to the Code Section 83(b) election.

Stock Units. A participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a stock unit award is granted. Upon receipt of shares of stock (or the equivalent value in cash or other property) in settlement of a stock unit award, a participant will recognize ordinary income equal to the fair market value of the stock or other property as of that date (less any amount he or she paid for the stock or property) and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Performance Awards. A participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a performance award is granted (e.g. when the performance goals are established). Upon receipt of cash, stock, or other property in settlement of a performance award, the participant will recognize ordinary income equal to the value of the cash, stock, or other property received and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Performance awards granted under the 2014 Plan are intended to qualify for the performance based compensation exception from Code Section 162(m).

Code Section 409A. The 2014 Plan permits the grant of various types of incentive awards, which may or may not be exempt from Code Section 409A. If an award is subject to Code Section 409A, and if the requirements of Section 409A are not met, the taxable events as described above could apply earlier than described and could result in the imposition of additional taxes and penalties. Restricted stock awards, and stock options and stock appreciation rights that comply with the terms of the 2014 Plan, are designed to be exempt from the application of Code Section 409A. Restricted stock units and performance awards granted under the 2014 Plan would be subject to Code Section 409A unless they are designed to satisfy the short-term deferral exemption from such law. If not exempt, such awards must be specially designed to meet the requirements of Code Section 409A in order to avoid early taxation and penalties.

Tax Withholding. The Company has the right to deduct or withhold, or require a participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including employment taxes) required by law to be withheld with respect to any exercise, lapse of restriction, or other taxable event arising as a result of the 2014 Plan.

Benefits to Named Executive Officers and Others

Future Awards under the 2014 Plan are granted in the discretion of the Compensation Committee, and therefore are not determinable. The following table sets forth the number of stock option, restricted stock and restricted stock unit awards that have been granted under the 2014 Plan to our named executive officers (as set forth above) and the other individuals and groups indicated, as of March 31, 2016.

Name and Position	Stock Options	Restricted Stock and Restricted Stock Units
Floyd F. Sherman	0	483,613

M. Chad Crow	75,000	352,423
Morris E. Tolly	0	233,239
Donald F. McAleenan	0	151,084
All Current Executive Officers as a Group	75,000	1,220,359
All Employees as a Group (Including Officers who are not Executive Officers)	205,130	2,568,585

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE 2014 INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES AVAILABLE BY 3,500,000 AND RE-APPROVAL OF MATERIAL TERMS OF PERFORMANCE GOALS FOR QUALIFIED PERFORMANCE-BASED AWARDS.

Table of Contents**EQUITY COMPENSATION PLAN INFORMATION**

The following table sets forth certain information regarding securities authorized for issuance under the Corporation's equity compensation plans as of December 31, 2015.

Plan category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants, and Rights	Weighted Average Exercise Price of Outstanding Options, Warrants, and Rights	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in Column (a))
Equity compensation plans approved by security holders	5,748,337(1)	\$ 5.56(2)	3,581,102(3)(4)
Equity compensation plans not approved by security holders	765,864(5)	\$ 3.15	
Total	6,514,201	\$ 5.19(2)	3,581,102

- (1) Includes (i) 4,232,285 shares to be issued upon exercise of options granted under the Builders FirstSource, Inc. 2005 Equity Incentive Plan, the Builders FirstSource, Inc. 2007 Incentive Plan, and the Builders FirstSource, Inc. 2014 Incentive Plan and (ii) 1,516,052 shares to be issued upon the full vesting of restricted stock units granted under the 2007 Incentive Plan and the 2014 Incentive Plan. The 2005 Equity Incentive Plan was approved by the Corporation's stockholders in June 2005. The 2005 Equity Incentive Plan expired in June 2015, but such expiration will not adversely affect any awards issued under that plan prior to its expiration. The Corporation's stockholders approved the 2007 Incentive Plan in May 2007 and reapproved the plan in January 2010. The 2014 Incentive Plan was approved by the Corporation's stockholders in May 2014.
- (2) Restricted stock units are excluded from the calculation of weighted average exercise price.
- (3) Includes 56,002 securities available for future awards pursuant to the 2007 Incentive Plan, which was approved by the Corporation's stockholders in May 2007 and re-approved in January 2010. Of these awards, at December 31, 2015, all 56,002 were available to be made subject to stock-based awards other than options or stock appreciation rights (SARs). Under the 2007 Incentive Plan, the Corporation is authorized to grant stock-based awards in the form of incentive stock options, non-qualified stock options, restricted stock, and other common stock-based awards. The maximum number of shares of Common Stock initially reserved for awards (including future grants, currently outstanding awards, and previously exercised awards) under the 2007 Incentive Plan is 7,000,000, subject to adjustment as provided by the plan. Of that amount, no more than 7,000,000 shares may be made subject to options or SARs granted under the plan and no more than 3,500,000 shares of Common Stock may be made subject to stock-based awards other than options or SARs under the plan. Stock

options and SARs granted under the 2007 Incentive Plan may not have a term exceeding 10 years from the date of grant. If our Compensation Committee determines that any dividend or other distribution, recapitalization, stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, or other similar corporate transaction or event affects our Common Stock such that an adjustment is appropriate in order to prevent dilution or enlargement of participants' rights under the plan, our Compensation Committee will make such changes or adjustments as it deems necessary or appropriate, including with respect to any or all of (i) the number and kind of shares or other property that may thereafter be issued in connection with awards, (ii) the number and kind of shares or other property subject to outstanding awards, (iii) the exercise or purchase price of any award, and (iv) the performance goals applicable to outstanding awards. In addition, our Compensation Committee may determine that an equitable adjustment may take the form of a payment to an award holder in the form of cash or other property.

- (4) Includes 3,525,100 securities available for future awards pursuant to the 2014 Incentive Plan, which was approved by the Corporation's stockholders in May 2014. Under our 2014 Incentive Plan, the Company is authorized to grant awards in the form of incentive stock options, non-qualified stock options, restricted stock shares, restricted stock units, other common stock-based awards, and cash-based awards. The maximum number of shares of Common Stock initially reserved for awards (including future grants, currently outstanding awards, and previously exercised awards) under the 2014 Incentive Plan is 5,000,000, subject to adjustment as provided by the plan. All 5,000,000 shares under the 2014 Incentive Plan may be made subject to options, SARs, or stock-based awards. Stock options and SARs granted under the 2014 Incentive Plan may not have a term exceeding 10 years from the date of grant. In the event of a non-reciprocal transaction between us and our stockholders that causes the per-share value of our Common Stock to change (including, without limitation, any stock dividend, stock split, spin-off, rights offering, or large nonrecurring cash dividend), the share authorization limits and annual award limits under the 2014 Incentive Plan will be adjusted proportionately and the Compensation Committee shall make such adjustments to the 2014 Incentive Plan and awards as it deems necessary, in its sole discretion, to prevent dilution or enlargement of rights immediately resulting from such transaction. In the event of a stock split, a stock dividend, or a combination or consolidation of the outstanding shares of our Common Stock into a lesser number of shares, the authorization limits and annual award limits under the 2014 Incentive Plan will automatically be adjusted proportionately and the shares then subject to each award will automatically be adjusted proportionately without any change in the aggregate purchase price.

Table of Contents

- (5) Includes securities to be issued upon exercise under the Builders FirstSource, Inc. 1998 Stock Incentive Plan, as amended. No grants were made under this plan after the Corporation's initial public offering in June 2005. No further grants will be made under this plan.

PROPOSAL 3 RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Based upon the recommendation of the Audit Committee, the Board of Directors selected PricewaterhouseCoopers LLP (PwC) to serve as the Corporation's independent registered public accounting firm (the auditors) for the year ending December 31, 2016. As a matter of good corporate governance, the stockholders will be requested to ratify the Audit Committee's selection at the annual meeting. Representatives of PwC will be present at the annual meeting, have the opportunity to make a statement, if they desire to do so, and be available to answer appropriate questions.

Fees Paid to PricewaterhouseCoopers LLP

The following table shows the fees paid or accrued by the Corporation for the audit and other services provided by PwC for fiscal years 2015 and 2014.

	2015	2014
Audit fees(1)	\$ 4,011,000	\$ 1,394,094
Audit-related fees(2)	2,510,644	
Tax fees(3)	25,000	
All other fees	1,919	1,919
Total PwC fees	\$ 6,548,563	\$ 1,396,013

- (1) Audit fees of PwC for 2015 and 2014 consisted of the audit and quarterly reviews of the consolidated financial statements of the Corporation, the audit of the effectiveness of management's internal control over financial reporting, and the review of filings made with the SEC.
- (2) Audit-related fees of PwC include assistance with due diligence in connection with the Corporation's acquisition of ProBuild Holdings LLC (ProBuild), stub period audit of ProBuild financials, and preparation of comfort letters, work on registration statements, and preparation of pro forma financial statements in connection with debt and equity financing activities related to the ProBuild acquisition.
- (3) Tax fees include assistance with the preparation of tax returns of certain of the Corporation's subsidiaries and assistance with audits, as well as tax planning and advising management as to the tax implications of certain transactions undertaken by the Corporation.

The Audit Committee determined that the provision of services related to audit services, audit-related services, tax compliance, advisory services, and other services is compatible with maintaining the independence of PwC. PwC did not render professional services relating to financial information systems design and implementation for the fiscal years ended December 31, 2014 or 2015.

The Audit Committee has the sole and direct authority to engage, appoint, and replace our auditors. In addition, the Audit Committee has established in its charter a policy that every engagement of PwC to perform audit or permissible non-audit services on behalf of the Corporation or any of its subsidiaries requires pre-approval from the Audit Committee or its designee before PwC is engaged to provide those services. Pursuant to the Audit Committee Charter,

the Audit Committee reviews and, in its sole discretion, approves in advance the Corporation's auditors' annual engagement letter, including the proposed fees contained therein, as well as all audit and, as provided in the Sarbanes-Oxley Act of 2002 and the SEC rules and regulations promulgated thereunder, all permitted non-audit engagements and relationships between the Corporation and such auditors (which approval should be made after receiving input from the Corporation's management, if desired). Approval of audit and permitted non-audit services will be made by the Audit Committee, as set forth in the Audit and Non-Audit Services Pre-Approval Policy (the Pre-Approval Policy). Under the Pre-Approval Policy, the Audit Committee may delegate either specific or general pre-approval authority to one or more of its members. The Pre-Approval Policy delegates specific pre-approval authority to its Chairman, provided that the estimated fee for any such proposed pre-approved service does not exceed \$500,000. The Chairman must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Table of Contents

Under the Pre-Approval Policy, the Audit Committee must specifically pre-approve a service unless the type of service has received general pre-approval. The Audit Committee annually reviews and generally pre-approves the services that may be provided by the independent auditor during the following calendar year without obtaining specific pre-approval from the Audit Committee. The Corporation's Chief Financial Officer, in consultation with the Chairman of the Audit Committee, will determine whether services are eligible for general pre-approval. The total amount of generally pre-approved audit services, audit-related services, and tax services may not exceed \$500,000. The Audit Committee may specifically pre-approve any services in these categories that exceed the permitted general pre-approval amount.

As a result, the Audit Committee or its designee approved 100% of all services performed by PwC on behalf of the Corporation and its subsidiaries in 2015.

If the stockholders do not ratify the appointment of PwC, the selection of auditors will be reconsidered by the Audit Committee. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm, subject to ratification by the Board, at any time during the year if it determines that such a change would be in the best interests of the Corporation and its stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

STOCKHOLDER PROPOSALS

Pursuant to SEC Rule 14a-8, to be considered for inclusion in the Corporation's Proxy Statement for the 2017 annual meeting, any stockholder proposal submitted must be received by the Corporate Secretary not later than December 15, 2016. In addition, subject to SEC Rule 14a-8, our By-laws provide that no business may be brought by a stockholder before an annual meeting of stockholders unless the stockholder (i) is a stockholder of record on the date of the notice of meeting (or any supplement thereto) provided by or at the direction of the Board of Directors (or any duly authorized committee thereof) and is entitled to notice of and to vote at such annual meeting as of such record date, (ii) has delivered to the Corporate Secretary within the time limits described in the By-laws a written notice containing the information specified in the By-laws, and (iii) such notice is in the proper form as set forth in Article II, Section 5 of the By-laws. Accordingly, in order for a stockholder's proposal (other than one included in the Proxy Statement pursuant to SEC Rule 14a-8) to be considered timely and to be brought during the 2017 annual meeting pursuant to the Corporation's By-laws, the required written notice must be received by the Corporate Secretary on or after January 25, 2017 but no later than February 24, 2017. A copy of the By-laws may be obtained on the Governance section of our website at www.bladr.com or by written request to the Corporate Secretary, Builders FirstSource, Inc., 2001 Bryan Street, Suite 1600, Dallas, Texas 75201, United States of America.

REDUCE PRINTING AND MAILING COSTS

To reduce the expenses of delivering duplicate Notices and proxy materials, we may take advantage of the SEC's householding rules that permit us to deliver only one Notice or set of proxy materials to stockholders who share an address, unless otherwise requested. If you share an address with another stockholder and received only one Notice or set of proxy materials, you may request a separate copy of these materials at no cost to you by calling our Legal Department at (214) 880-3500, by e-mail at inforequest@bldr.com, or by written request to the Corporate Secretary, Builders FirstSource, Inc., 2001 Bryan Street, Suite 1600, Dallas, Texas 75201. For future annual meetings, you may request a separate Notice or set of proxy materials, or request that we send only one Notice or set of proxy materials to you if you are receiving multiple copies, by calling or writing to us at the phone number and address given above.

Stockholders may help us to reduce printing and mailing costs further by opting to receive future proxy materials by e-mail. This Notice of Annual Meeting and Proxy Statement and our 2015 Annual Report on Form 10-K are available on our website at www.bldr.com. Instead of receiving future copies of our proxy materials by mail, most stockholders can elect to receive an e-mail that will provide electronic links to them. Opting to receive your proxy materials online will save us the cost of producing and mailing documents to your home or business and also will give you an electronic link to the proxy voting site.

Stockholders of Record. If you vote on the internet at www.proxyvote.com, simply follow the prompts for enrolling in the electronic proxy delivery service.

Beneficial Owners. If you hold your shares in a brokerage account, you may also have the opportunity to receive copies of these documents electronically. Please check the information provided in the proxy materials mailed to you by your bank or other holder of record regarding the availability of this service.

OTHER MATTERS

The Board of Directors knows of no other matters to be acted upon at the meeting, but if any matters properly come before the meeting that are not specifically set forth in the Notice, on the proxy card, and in this Proxy Statement, it is intended that the persons voting the proxies will vote in accordance with their best judgments.
