Item 1.01 Entry into a Material Definitive Agreement.

On June 29, 2016, Inphi Corporation and an affiliated entity (collectively, Inphi) entered into an Asset Purchase Agreement (the Purchase Agreement) with Rambus Inc. and an affiliated entity (collectively, Rambus), pursuant to which, subject to the satisfaction of certain closing conditions, Inphi will sell specified assets, and Rambus will assume specified liabilities, related to Inphi 's memory buffer and memory register business (the Business) for \$90 million in cash, \$11.25 million of which will be placed into escrow for a period of twelve (12) months following the closing as security for Inphi 's indemnification obligations pursuant to the Purchase Agreement.

The Purchase Agreement includes certain customary representations, warranties and covenants of Inphi and Rambus and customary indemnification obligations of Inphi.

In connection with the sale of the Business, Inphi will also be entering into a transition services agreement at closing. The transaction is not subject to a financing condition and does not require a vote of Inphi 's stockholders. The foregoing description of the Purchase Agreement is intended to be a summary and is not complete. The foregoing description is qualified in its entirety by reference to the full text of the Purchase Agreement, which will be filed as an exhibit to the applicable periodic report to be filed with the Securities and Exchange Commission by Inphi.
