Item 1.01. Entry Into a Material Definitive Agreement.

On September 19, 2016, Alnylam Pharmaceuticals, Inc. (the Company) entered into indemnification agreements (each, an Indemnification Agreement) with each of its current directors and executive officers (each, an Indemnitee) in the applicable form previously approved by the Board of Directors of the Company (the Board).

Each Indemnification Agreement clarifies and supplements indemnification provisions already contained in the Company's Certificate of Incorporation and Delaware law. Each Indemnification Agreement provides that the Company will indemnify the respective Indemnitee to the maximum extent permitted by Delaware law against all judgments, fines, penalties, excise taxes and amounts paid in settlement and all expenses actually and reasonably incurred by the Indemnitee or on his or her respective behalf in connection with a proceeding. Each Indemnitee is not entitled to indemnification if it is established that one of the exclusions to indemnification, set forth in each Indemnification Agreement, exists.

The foregoing description of each Indemnification Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the forms of Indemnification Agreement, copies of which were filed as Exhibit 10.1 to the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2016 and are incorporated herein by reference.

Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.

Effective September 19, 2016, the Company appointed Yvonne Greenstreet, MBChB, MBA, to the position of Executive Vice President, Chief Operating Officer of the Company. Barry E. Greene will continue to serve as the Company's President.

Prior to joining the Company, Dr. Greenstreet, 54, most recently served as the founder and Managing Director of Highgate LLC, from January 2014 to August 2016, working with life sciences companies to help develop strategies that transform businesses, bring medicines to market and maximize shareholder value. Prior to that time, Dr. Greenstreet served as the Senior Vice President and Head of Medicines Development at Pfizer Inc. (Pfizer), a multinational pharmaceutical company, from December 2010 to November 2013. Prior to joining Pfizer, Dr. Greenstreet worked for 18 years at GlaxoSmithKline plc (GSK), a multinational pharmaceutical, biologics, vaccines and consumer healthcare company, where she served in various positions, most recently as Senior Vice President and Chief of Strategy for Research and Development and as a member of GSK's Product Management Board. Dr. Greenstreet currently serves on the Scientific Advisory Committee of the Bill and Melinda Gates Foundation. In connection with her employment with the Company, Dr. Greenstreet will receive an annual base salary of \$500,000. Dr. Greenstreet will also receive an initial sign-on bonus of \$100,000 upon commencement of employment (the Bonus). In the event Dr. Greenstreet voluntarily terminates her employment with the Company or is terminated by the Company for cause, within twelve months of her effective date of employment, Dr. Greenstreet will be required to repay the full gross amount of the Bonus.

Dr. Greenstreet will also be eligible for an annual cash bonus (commencing with a pro-rated bonus for 2016) under the Company's Annual Incentive Program with an annual incentive target of 50% of her annual base salary, subject to the achievement of certain performance goals established by the Company. Achievement of Company goals will be determined by the Compensation Committee of the Board and any cash bonus paid will be calculated in accordance with the terms of such Annual Incentive Program.

The Compensation Committee also approved the grant, effective as of September 19, 2016, to Dr. Greenstreet of non-qualified stock options to purchase an aggregate of 150,000 shares of Alnylam's common stock. The stock options have a ten-year term and an exercise price equal to \$77.10, the per share closing price of the Company's common stock as reported by NASDAQ on the date of grant. Options to purchase 125,000 shares will vest over four years, with 25% vesting on the first anniversary of the grant date and the remainder vesting ratably at the end of each three-month period thereafter over the remaining three years, and options to purchase 25,000 shares will vest upon the later of the one year anniversary of the date of grant and the launch of the Company's first internally developed product, assuming in each case Dr. Greenstreet remains continuously employed by the Company as of such date.

Dr. Greenstreet will also be eligible for reimbursement of certain relocation expenses, as well as all other compensation and benefit plans available to the Company's executive officers.
