To our stockholders:

We are pleased to invite you to attend the 2017 Annual Meeting of Stockholders of Alarm.com Holdings, Inc. to be held on Tuesday, May 23, 2017 at 9:00 a.m. local time at our headquarters located at 8281 Greensboro Drive, Suite 100, Tysons, Virginia 22102.

Details regarding admission to the Annual Meeting and the business to be conducted at the Annual Meeting are described in the accompanying Notice of Annual Meeting of Stockholders and proxy statement.

We have elected to provide access to our proxy materials over the Internet under the U.S. Securities and Exchange Commission's notice and access rules. As a result, we are mailing to our stockholders a notice instead of paper copies of this proxy statement and our 2016 Annual Report. The notice contains instructions on how to access those documents over the Internet. The notice also contains instructions on how stockholders can receive a paper copy of our proxy materials, including this proxy statement, our 2016 Annual Report and a form of proxy card or voting instruction form. We believe that providing our proxy materials over the Internet increases the ability of our stockholders to connect with the information they need, while reducing the environmental impact and cost of our Annual Meeting.

Your vote is important. Whether or not you plan to attend the Annual Meeting, we hope you will vote as soon as possible. You may vote by telephone or through the Internet by following the instructions on the notice you received, or, if you receive a paper proxy card by mail, by completing and returning the proxy card or voting instruction form mailed to you. Please carefully review the instructions on each of your voting options described in this proxy statement, as well as in the notice you received in the mail.

Thank you for your ongoing support of and continued interest in Alarm.com Holdings, Inc. We look forward to seeing you at the Annual Meeting.

Sincerely,

Stephen Trundle

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

We are providing you with these proxy materials because the Board of Directors of Alarm.com Holdings, Inc. You are invited to attend the Annual Meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply follow the instructions below to submit your proxy. The proxy materials, including this Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2016, are being distributed and made available on or about April 7, 2017. As used in this Proxy Statement, references to we, us, our, Alarm.com and the Company to Alarm.com Holdings, Inc. and our consolidated subsidiaries.

Why did I receive a Notice of Internet Availability of Proxy Materials on the Internet instead of a full set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission (the SEC), we have elected to provide access to our proxy materials over the Internet rather than printing and mailing the proxy materials. We believe electronic delivery will expedite the receipt of materials and will help lower our costs and reduce the environmental impact of our annual meeting materials. Accordingly, we have sent you a Notice of Internet Availability of Proxy Materials (the Notice) because the Board is soliciting your proxy to vote at the Annual Meeting, including at any adjournments or postponements of the Annual Meeting.

The Notice will provide instructions as to how stockholders may access and review the proxy materials, including the Notice of Annual Meeting, proxy statement, proxy card and Annual Report on Form 10-K, on the website referred to in the Notice or, alternatively, how to request that a copy of the proxy materials, including a proxy card, be sent to them by mail. The Notice will also provide voting instructions. In addition, stockholders of record may request to receive the proxy materials in printed form by mail or electronically by e-mail on an ongoing basis for future stockholder meetings. Please note that, while our proxy materials are available at the website referenced in the Notice, and our Notice of Annual Meeting, proxy statement and Annual Report on Form 10-K are available on our website, no other information contained on either website is incorporated by reference in or considered to be a part of this document.

We intend to mail the Notice on or about April 7, 2017 to all stockholders of record entitled to vote at the Annual Meeting. The proxy materials, including the Notice of 2017 Annual Meeting of Stockholders, this proxy statement and accompanying proxy card or, for shares held in street name (held for your account by a broker or other nominee),

voting instruction form, and the Annual Report on Form 10-K for the year ended December 31, 2016 will be made available to stockholders on the Internet on the same date.

Will I receive any other proxy materials by mail?

You will not receive any additional proxy materials via mail unless (1) you request a printed copy of the proxy materials in accordance with the instructions set forth in the Notice or (2) we elect, in our discretion, to send you

a proxy card and a second Notice of Internet Availability of Proxy Materials, which we may send on or after April 17, 2017.

How do I attend the Annual Meeting?

The Annual Meeting will be held on Tuesday, May 23, 2017 at 9:00 a.m. local time at our principal executive offices, 8281 Greensboro Drive, Suite 100, Tysons, Virginia 22102. Information on how to vote in person at the Annual Meeting is discussed below.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on March 27, 2017 will be entitled to vote at the Annual Meeting. On this record date, there were 46,307,315 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 27, 2017, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares electronically through the Internet, over the telephone or by completing and returning a printed proxy card that you may request or that we may elect to deliver at a later time to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 27, 2017, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in street name and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

Election of one director to hold office until the 2020 Annual Meeting of Stockholders; and

Ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017.

What if another matter is properly brought before the Annual Meeting?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote **FOR** the proposed nominee to the Board or you may **WITHHOLD** your vote for the proposed nominee. Proxies cannot be voted for a greater number of persons than the one nominee named in this

Table of Contents

proxy statement. For the ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017, you may vote **FOR** or **AGAINST** or abstain from voting.

The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy over the telephone, vote by proxy through the Internet or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote by using a printed proxy card that may be delivered to you, simply complete, sign and date the proxy card that may be delivered and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-866-243-5513 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the Notice. Your telephone vote must be received by 5:00 p.m., Eastern Time on May 22, 2017 to be counted.

To vote through the Internet, go to <http://www.proxypush.com/alm> to complete an electronic proxy card. You will be asked to provide the company number and control number from the Notice. Your Internet vote must be received by 5:00 p.m., Eastern Time on May 22, 2017 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a Notice containing voting instructions from that organization rather than from us. Simply follow the voting instructions in the Notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

We provide Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

Can I vote my shares by filling out and returning the Notice?

No. The Notice identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and returning it. The Notice provides instructions on how to vote: by telephone, through the Internet, by requesting and returning a printed proxy card or by submitting a ballot in person at the Annual Meeting.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 27, 2017.

Table of Contents

What happens if I do not vote?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record and do not vote by telephone, through the Internet, by completing the printed proxy card that may be delivered to you or in person at the Annual Meeting, your shares will not be voted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner and do not instruct your broker, bank or other agent how to vote your shares, the question of whether your broker or nominee will still be able to vote your shares depends on whether the particular proposal is considered to be a routine matter under applicable rules. Brokers and nominees can use their discretion to vote uninstructed shares with respect to matters that are considered to be routine under applicable rules but not with respect to non-routine matters. Under applicable rules and interpretations, non-routine matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), executive compensation (including any advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation), and certain corporate governance proposals, even if management-supported. Accordingly, your broker or nominee may not vote your shares on Proposal 1 without your instructions, but may vote your shares on Proposal 2 even in the absence of your instruction.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, FOR the election of the proposed nominee for director and FOR the ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. If any other matter is properly presented at the Annual Meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the vote during the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

You may submit another properly completed proxy card with a later date (which automatically revokes the earlier proxy).

You may grant a subsequent proxy by telephone or through the Internet.

You may send a timely written notice that you are revoking your earlier-dated proxy to our Corporate Secretary c/o Alarm.com Holdings, Inc., 8281 Greensboro Drive, Suite 100, Tysons, Virginia 22102.

Table of Contents

You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy. ***Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions or vote by telephone or through the Internet so that your vote will be counted if you later decide not to attend the Annual Meeting.***

Your most current proxy card or telephone or Internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker, bank or other agent to change your voting instructions.

When are stockholder proposals and director nominations due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, you must submit your proposal, in writing, by December 6, 2017, to our Corporate Secretary c/o Alarm.com Holdings, Inc., 8281 Greensboro Drive, Suite 100, Tysons, Virginia 22102, and you must comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Pursuant to our bylaws, if you wish to bring a proposal before the stockholders or nominate a director at the 2018 Annual Meeting of Stockholders, but you are not requesting that your proposal or nomination be included in next year's proxy materials, you must notify our Corporate Secretary, in writing, not later than the close of business on February 22, 2018 nor earlier than the close of business on January 23, 2018. However, if our 2018 Annual Meeting of Stockholders is not held between April 23, 2018 and June 22, 2018, to be timely, notice by the stockholder must be received not earlier than the close of business on the 120th day prior to the 2018 Annual Meeting of Stockholders and not later than the close of business on the later of the 90th day prior to the 2018 Annual Meeting of Stockholders or the 10th day following the day on which public announcement of the date of the 2018 Annual Meeting of Stockholders is first made. You are also advised to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count, for the proposal to elect the proposed director, votes FOR, WITHHOLD and broker non-votes and, with respect to the proposal to ratify the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017, votes FOR, AGAINST and abstentions. For Proposal 2, an abstention will have the same effect as an AGAINST vote. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are broker non-votes ?

As discussed above, when a beneficial owner of shares held in street name does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed to be non-routine, the broker or nominee cannot vote the shares. These unvoted shares are counted as broker non-votes.

Table of Contents**How many votes are needed to approve each proposal?**

The following table summarizes the minimum vote needed to approve each proposal and the effect of abstentions and broker non-votes.

Proposal				Effect of	Effect of
Number	Proposal Description	Vote Required for Approval		Abstentions	Broker Non-Votes
1	Election of Directors	The nominee receiving the most FOR votes from the holders of shares present and entitled to vote		None	None
2	Ratification of the Selection of PricewaterhouseCoopers LLP as our Independent Registered Public Accounting Firm	FOR votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter		Against	None

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the Annual Meeting in person or represented by proxy. On the record date, there were 46,307,315 shares outstanding and entitled to vote. Thus, the holders of 23,153,658 shares must be present in person or represented by proxy at the Annual Meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board is divided into three classes. Each class consists, as nearly as possible, of an equal number as the then total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

The Board presently has six members. There is only one Class II director whose term of office expires in 2017: Timothy McAdam. Mr. McAdam, a current director, has been nominated for reelection at the Annual Meeting by the Nominating and Corporate Governance Committee. He was initially appointed to the Board pursuant to the provisions of a voting agreement entered into between us and certain of our stockholders that terminated upon the completion of our initial public offering. If elected at the Annual Meeting, Mr. McAdam would serve until the 2020 Annual Meeting of Stockholders and until his successor has been duly elected and qualified, or, if sooner, until his death, resignation or removal. It is our policy to invite directors and nominees for director to attend the Annual Meeting. All of our directors attended the 2016 Annual Meeting of Stockholders.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, if a quorum is present, the nominee receiving the highest number of affirmative votes will be elected as a Class II director. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominee named below. Proxies cannot be voted for a greater number of persons than the one nominee named in this proxy statement. If the nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead will be voted for the election of a substitute nominee that we will propose. Mr. McAdam has agreed to serve if elected. Our management has no reason to believe that he will be unable to serve.

The brief biographies below include information, as of the date of this proxy statement, regarding the specific and particular experience, qualifications, attributes or skills that led the Nominating and Corporate Governance Committee to believe that each director or nominee should serve on the Board.

Nominee for Election as a Class II Director for a Three-Year Term Expiring at the 2020 Annual Meeting of Stockholders

Timothy McAdam, age 48, has served as chairman of our Board since April 2015 and has served as a member of our Board since July 2012. Mr. McAdam currently serves on the board of directors of Rapid7, Inc., a publicly traded cybersecurity company, and FinancialForce.com, Inc., a cloud-based applications company. Mr. McAdam holds a B.A. in Classics from Dartmouth College and an M.B.A. from the Stanford Graduate School of Business. Our Board believes Mr. McAdam's experience in building technology companies and his expertise as an investor in such companies qualifies him to serve on the Board.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Independence of the Board of Directors

As required under NASDAQ Stock Market (NASDAQ) listing rules, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the company's board. The Board consults with the Company's counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of NASDAQ, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his family members, and the Company, our senior management and our independent registered public accounting firm, the Board has affirmatively determined that the following five directors are independent directors within the meaning of the applicable NASDAQ listing standards: Messrs. Clarke, McAdam, Nevin, Panero and Shattuck. In making this determination, the Board found that none of these directors or nominees for director had a material or other disqualifying relationship with us. Mr. Trundle is not an independent director by virtue of his employment with us.

Board Leadership Structure

The Board has an independent chair, Mr. McAdam, who has authority, among other things, to call and preside over Board meetings, including meetings of the independent directors, to set meeting agendas and to determine materials to be distributed to the Board. Accordingly, the Chairman has substantial ability to shape the work of the Board. We believe that separation of the positions of Chairman and Chief Executive Officer reinforces the independence of the Board in its oversight of our business and affairs. In addition, we believe that having an independent Chairman creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board to monitor whether management's actions are in the best interests of the Company and our stockholders. As a result, we believe that having an independent Chairman can enhance the effectiveness of the Board as a whole.

Role of the Board in Risk Oversight

One of the Board's key functions is informed oversight of our risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for our Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and risk management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements. Our Nominating and Corporate Governance Committee monitors the effectiveness of our Corporate Governance Guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. It is the responsibility of the chairperson of each committee of the Board to report findings regarding material risk exposures to the Board as quickly as possible. The Board has delegated to the Chairman the responsibility of coordinating between the Board and management with regard to the determination and implementation of responses to any problematic risk management issues.

Meetings of the Board of Directors

The Board of Directors met seven times during 2016. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he served, held during the portion of the last fiscal year for which he was a director or committee member.

*Committee Chairman

Below is a description of each committee of the Board.

Each of the committees has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities. The Board has determined that each member of each committee meets the applicable NASDAQ rules and regulations regarding independence and each member is free of any relationship that would impair his individual exercise of independent judgment with regard to the Company.

Audit Committee

The Audit Committee of the Board was established by the Board in accordance with Section 3(a)(58)(A) of the Exchange Act to oversee our corporate accounting and financial reporting processes and audits of its financial statements. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance of and assesses the qualifications of the Company's independent registered public accounting firm; determines and approves the engagement of the independent registered public accounting firm; determines whether to retain or terminate the existing independent registered public accounting firm or to appoint and engage a new independent registered public accounting firm; reviews and approves the retention of the independent registered public accounting firm to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent registered public accounting firm on the Company's audit engagement team as required by law; reviews and approves or disapproves transactions between the Company and any related persons; confers with management, and the Company's independent registered public accounting firm, as appropriate, regarding the effectiveness of internal control over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and meets to review the Company's annual audited financial statements and quarterly financial statements with management and the independent registered public accounting firm, including a review of the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations.

The Audit Committee is composed of three directors: Messrs. Clarke, Nevin and Panero. Prior to his resignation from our Board on August 15, 2016, Ralph Terkowitz served as a member of our Audit Committee. The Audit Committee met six times during 2016. The Board has adopted a written Audit Committee charter that is available to stockholders on our website at <http://investors.alarm.com>.

Table of Contents

The Board reviews the NASDAQ listing standards definition of independence for Audit Committee members on an annual basis and has determined that all of the current members of the Audit Committee are independent (as independence is currently defined under Rule 5605(c)(2)(A)(i) and (ii) of the NASDAQ listing rules and under Rule 10A-3 under the Exchange Act). The Board has also determined that Mr. Clarke qualifies as an audit committee financial expert, as defined in applicable SEC rules. The Board made a qualitative assessment of Mr. Clarke's level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer for publicly and privately held companies.

Report of the Audit Committee of the Board of Directors

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2016 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board (PCAOB). The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm's independence. Based on the foregoing, the Audit Committee of the Board of Directors has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2016.

Respectfully submitted,

Donald Clarke

Darius Nevin

Hugh Panero

The material in this report is not soliciting material, is not deemed filed with the SEC and is not to be incorporated by reference in any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

Compensation Committee

The Compensation Committee is composed of two directors: Messrs. McAdam and Nevin. Prior to his resignation from our Board on August 15, 2016, Mr. Terkowitz served as a member of our Compensation Committee. All members of our Compensation Committee are independent (as independence is currently defined in Rule 5605(d)(2) of the NASDAQ listing rules). The Compensation Committee met three times during 2016. The Board has adopted a written Compensation Committee charter that is available to stockholders on our website at <http://investors.alarm.com>.

The Compensation Committee acts on behalf of the Board to review, adopt and approve the Company's compensation strategy, policies, plans and programs, including:

reviewing and approving corporate performance goals and objectives relevant to the compensation of our executive officers and other senior management, as appropriate, which powers shall include the power to exercise discretion to adjust compensation based on such goals and objectives;

reviewing and recommending to the Board the type and amount of compensation to be paid or awarded to Board members;

evaluating and approving the compensation plans and programs advisable for us, as well as evaluating and approving the modification or termination of existing plans and programs;

Table of Contents

establishing policies with respect to equity compensation arrangements with the objective of appropriately balancing the perceived value of equity compensation and the dilutive and other costs of that compensation to us;

reviewing and approving the terms of any employment agreements, severance arrangements, change-of-control protections and any other compensatory arrangements (including, without limitation, perquisites and any other form of compensation) for our executive officers and, as appropriate, other senior management; and

administration of our equity compensation plans, pension and profit-sharing plans, stock purchase plans, bonus plans, deferred compensation plans and other similar plan and programs.

Compensation Committee Processes and Procedures

Typically, the Compensation Committee meets quarterly and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chairman of the Compensation Committee, in consultation with our Chief Executive Officer and our Vice President of Human Resources. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisers or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. In addition, under the charter, the Compensation Committee has the authority to obtain, at our expense, advice and assistance from compensation consultants and internal and external legal, accounting or other advisers and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Compensation Committee. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Compensation Committee, other than in-house legal counsel and certain other types of advisers, only after assessing the independence of such person in accordance with SEC and NASDAQ requirements that bear upon the adviser's independence; however, there is no requirement that any adviser be independent.

During the past fiscal year, after taking into consideration the six factors prescribed by the SEC and NASDAQ, the Compensation Committee engaged Lyons, Benenson & Company Inc. (the Consultant), a compensation consulting firm, as a compensation consultant. The Compensation Committee has assessed the Consultant's independence and determined that the Consultant had no conflicts of interest in connection with its provisions of services to the Compensation Committee. Specifically, the Compensation Committee engaged the Consultant to provide market data, peer group analysis and conduct an executive compensation assessment analyzing the current cash and equity compensation of our executive officers and other senior management against compensation for similarly situated executives at the companies the Consultant previously identified to be comparable to us in 2015. Our management did not have the ability to direct the Consultant's work.

Historically, the Compensation Committee has made most of the significant adjustments to annual compensation, determined bonus and equity awards and established new performance objectives at one or more meetings held during the first quarter of the year. The Compensation Committee also considers matters related to individual compensation, such as compensation for new executive hires, as well as high-level strategic issues, such as the efficacy of our compensation strategy, potential modifications to that strategy and new trends, plans or approaches to compensation, at various meetings throughout the year. Generally, the Compensation Committee s

Table of Contents

process comprises two related elements: the determination of compensation levels and the establishment of performance objectives for the current year. For executives other than the Chief Executive Officer, the Compensation Committee solicits and considers evaluations and recommendations submitted to the Compensation Committee by the Chief Executive Officer. In the case of the Chief Executive Officer, the evaluation of his performance is conducted by the Compensation Committee, which determines any adjustments to his compensation as well as awards to be granted. For all executives and directors as part of its deliberations, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and accounting information, tally sheets that set forth the total compensation that may become payable to executives in various hypothetical scenarios, executive and director stock ownership information, stock performance data, analyses of historical executive compensation levels and current Company-wide compensation levels and recommendations of the Compensation Committee's compensation consultant, including analyses of executive and director compensation paid at other companies identified by the consultant to be comparable to us.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board is responsible for identifying and evaluating candidates to serve as directors of the Company (consistent with criteria approved by the Board), reviewing and evaluating incumbent directors, recommending to the Board for selection candidates for election to the Board, making recommendations to the Board regarding the membership of the committees of the Board, assessing the performance of management and the Board and developing a set of corporate governance principles for us.

The Nominating and Corporate Governance Committee is composed of two directors: Messrs. McAdam and Shattuck. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing rules). The Nominating and Corporate Governance Committee met once during 2016. The Board has adopted a written Nominating and Corporate Governance Committee charter that is available to stockholders on our website at <http://investors.alarm.com>.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of our stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, our operating requirements and the long-term interests of our stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability.

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search

firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after

considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: Alarm.com Holdings, Inc., 8281 Greensboro Drive, Suite 100, Tysons, Virginia 22102 at least 90 days, but no more than 120 days, prior to the anniversary date of the mailing of the Company's proxy statement for the last annual meeting. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of our common stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

Stockholder Communications with the Board of Directors

Stockholder communications will be reviewed by one or more employees of the Company designated by the Board, who will determine whether the communication should be presented to the Board. The purpose of this screening is to allow the Board to avoid having to consider irrelevant or inappropriate communications (such as advertisements, solicitations and hostile communications). All communications directed to the Audit Committee in accordance with our Whistleblower Policy for Accounting and Auditing Matters that relate to questionable accounting or auditing matters involving the Company will be promptly and directly forwarded to the Audit Committee. We also have a corporate ethics hotline to allow complaints related to questionable accounting or auditing matters. All inquiries made through this hotline are immediately directed to the chairman of the Audit Committee.

Code of Ethics

We have adopted the Alarm.com Holdings, Inc. Code of Business Conduct that applies to all of our officers, directors, employees and independent contractors. The Code of Business Conduct is available on our website at <http://investors.alarm.com>. If we make any substantive amendments to the Code of Business Conduct or we grant any waiver from a provision of the Code of Business Conduct to any executive officer or director, we will promptly disclose the nature of the amendment or waiver on our website.

Corporate Governance Guidelines

In June 2015, the Board documented our governance practices by adopting Corporate Governance Guidelines to assure that the Board will have the necessary authority and practices in place to review and evaluate our business operations as needed and to make decisions that are independent of our management. The guidelines are also intended to align the interests of directors and management with those of our stockholders. The Corporate Governance Guidelines set forth the practices the Board intends to follow with respect to board composition and selection, board meetings and involvement of senior management, Chief Executive Officer performance evaluation and succession planning, and board committees and compensation. The Corporate Governance Guidelines, as well as the charters for each committee of the Board, may be viewed on our website at <http://investors.alarm.com>.

Table of Contents**PROPOSAL 2****RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has selected PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017 and has further directed that management submit the selection of our independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. PricewaterhouseCoopers LLP has audited our financial statements since 2009. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm. However, the Audit Committee of the Board is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and our stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting will be required to ratify the selection of PricewaterhouseCoopers LLP.

Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2016, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with; except that one report, covering one transaction, was filed late by Mr. Panero.

Table of Contents**Employment Arrangements**

The initial terms and conditions of employment for each of our named executive officers are set forth in employee offer letters. Each of our named executive officers is an at-will employee. The following table sets forth the current base salaries and fiscal year 2017 bonus targets for our named executive officers:

Named Executive	Fiscal Year 2017	Fiscal Year 2017
Officer	Salary (\$)	Bonus Target (\$)
Stephen Trundle	210,000	250,000
Steve Valenzuela	335,000	167,500
Daniel Kerzner	276,667	250,000

Below is a written description of our employment arrangement with Mr. Valenzuela.

Steve Valenzuela. We entered into an offer letter agreement with Mr. Valenzuela in November 2016 setting forth the terms of his employment with us. He is entitled to an initial annual base salary of \$335,000. He is entitled to the same benefits as our other executives, except that he is also eligible to receive up to \$50,000 in relocation assistance. Mr. Valenzuela received a cash signing bonus of \$75,000 upon his appointment in lieu of participation in the Alarm.com Holdings Inc. 2016 Executive Bonus Plan (the "2016 Bonus Plan") and pro-rated eligibility for a fiscal 2016 bonus thereunder. Mr. Valenzuela is eligible to receive an annual bonus payment of up to \$167,500 pursuant to our bonus plans. In connection with his appointment, Mr. Valenzuela was granted a stock option to purchase up to 65,000 shares of our common stock, effective November 15, 2016, with an exercise price equal to the closing price of our common stock on the NASDAQ Global Select Market on such date. Twenty percent (20%) of the shares subject to the option will vest after one year, and the remainder of the shares will vest in equal monthly installments over the next 48 months, subject to Mr. Valenzuela's continuous service with us through each vesting date. In addition, Mr. Valenzuela was granted a restricted stock unit award for a number of shares of our common stock equal to \$1,000,000 divided by the closing price of our common stock on November 15, 2016 (rounded down to the nearest whole share). Forty percent (40%) of the shares subject to the restricted stock unit award shall vest on each of the second and fourth anniversary of the award's grant date, and the final twenty percent (20%) shall vest on the fifth anniversary of the award's grant date. Mr. Valenzuela's offer letter agreement also provides for certain severance and change in control-related benefits, the terms of which are described below under "Potential Payments Upon Termination or Change of Control."

2016 Executive Bonus Plan

In May 2016, the Compensation Committee approved the adoption of the 2016 Bonus Plan for our executives. The 2016 Bonus Plan was designed to award cash incentive payments for performance in 2016 to participants based on our achievement of certain performance goals set by the Compensation Committee. Each participant in the 2016 Bonus Plan was assigned an annual cash target by the Compensation Committee. The annual cash target for Mr. Trundle was set at \$250,000. The annual cash target for Mr. Kerzner was initially set at \$200,000; however, the Compensation Committee increased his cash target to \$250,000 in May 2016. In exchange, we and Mr. Kerzner agreed to eliminate Mr. Kerzner's additional annual bonus eligibility of \$50,000 outside of our bonus plans as set forth in his offer letter agreement. Pursuant to the 2016 Bonus Plan, Messrs. Trundle and Kerzner received annual cash bonuses of \$235,000 and \$242,500, respectively.

2017 Executive Bonus Plan

On February 23, 2017, the Compensation Committee approved the adoption of the Alarm.com Holdings Inc. 2017 Executive Bonus Plan (the 2017 Bonus Plan) for our Section 16 officers, including our named executive officers. The 2017 Bonus Plan is designed to award cash incentive payments for performance in 2017 to participants based on our achievement of certain performance goals set by the Compensation Committee. The 2017 Bonus Plan includes a three-tiered program for cash incentive payments to our Section 16 officers. The first

Table of Contents

tier provides for cash incentive payments to our Section 16 officers based on our SaaS and license revenue during the fiscal year 2017 as compared to a pre-established 2017 SaaS and license revenue target. The second tier provides for cash incentive payments to our Section 16 officers based on actual Adjusted EBITDA (as defined below) during the fiscal year 2017 as compared to a pre-established 2017 Adjusted EBITDA target. The third tier contemplates cash incentive payments to our Section 16 officers based on the individual performance of each officer, to be awarded, in each case, at the discretion of the Compensation Committee, with input from our Chief Executive Officer, except as to his own performance. The annual cash targets for Messrs. Trundle and Kerzner are each set at \$250,000. The annual cash target for Mr. Valenzuela is set at \$167,500.

Adjusted EBITDA is a non-GAAP financial measure. It is defined as our net income before interest and other income / (expense), net, provision for income taxes, amortization and depreciation expense, stock-based compensation expense, goodwill and intangible impairment charges, changes in fair value of acquisition related contingent liabilities, acquisition-related expense and legal costs incurred in connection with nonordinary course litigation, particularly costs involved in ongoing intellectual property litigation.

Potential Payments Upon Termination or Change of Control

Our named executive officers, other than Mr. Valenzuela, are not entitled to any severance benefits upon a termination of employment. We have entered into the following post-employment arrangement with Mr. Valenzuela.

Steve Valenzuela. Pursuant to his offer letter agreement, if Mr. Valenzuela's employment is terminated by us without cause, then he will be entitled to receive continuing payments of his then-current salary for a period of four months, as well as payment of the health insurance premiums for continued coverage under COBRA for a period of six months. In addition, in the event of a change in control (as defined in our 2015 Equity Incentive Plan), the unvested shares subject to the initial equity awards granted to Mr. Valenzuela pursuant to the terms of his offer letter would fully vest upon the occurrence of certain events as more fully described in such offer letter.

401(k) Plan

We maintain a tax-qualified retirement plan that provides eligible U.S. employees, including our named executive officers, with an opportunity to save for retirement on a tax advantaged basis. Eligible employees may make voluntary pre-tax and/or Roth contributions from their eligible pay, up to certain applicable annual limits set by the Internal Revenue Code of 1986, as amended (the "Code"). Our 401(k) plan has a discretionary match and we have determined for 2017 that we will match employee contributions at 100% up to 6% of earnings with an annual maximum company matching contribution of \$3,000. Pre-tax and/or Roth contributions are allocated to each participant's individual account and are then invested in selected investment alternatives according to the participant's directions. Employees are immediately and fully vested in their contributions. Company matching contributions vest over six years ratably. The 401(k) plan is intended to be qualified under Section 401(a) of the Code with the 401(k) plan's related trust intended to be tax exempt under Section 501(a) of the Code.

Non-Employee Director Compensation Policy

Our Board has adopted a director compensation policy for non-employee directors, which was amended by the Board in July 2016 upon recommendation by the Compensation Committee. The policy provides for the compensation of non-employee directors with cash and equity compensation. Under the policy, as amended, each non-employee director, other than Mr. McAdam, will receive an annual board service retainer of \$40,000, and Mr. McAdam, as Chairman of our Board, will receive an annual board service retainer of \$50,000. quarter in which the board service occurs. If the director joins our Board at a time other than the first day of a calendar quarter, he or she will be entitled to the cash compensation set forth above beginning with the calendar quarter following the date he or she joins our Board. In addition to cash compensation, each non-employee director is eligible to receive nonqualified stock options and/or restricted stock unit awards under the 2015 Equity Incentive Plan. All stock options granted under this policy are nonstatutory stock options, with an exercise price per share equal to 100% of the fair market value of the underlying common stock on the date of grant, and a term of ten years from the date of grant, subject to earlier termination in connection with a termination of service. Any options or stock units awards granted to a non-employee director pursuant to this policy that are subject to vesting will (i) vest in a series of twelve successive equal quarterly installments over a 36-month period measured from the date of grant, subject to such director's continuous service with us through each vesting date, and (ii) become fully vested upon a change in control as long as such director is providing continuous service as of the date of such change in control.

TRANSACTIONS WITH RELATED PERSONS

Related Person Transactions Policy and Procedures

Prior to our initial public offering, we did not have a formal policy regarding approval of transactions with related parties. In connection with our initial public offering, we adopted a related person transaction policy that sets forth our procedures for the identification, review, consideration and approval or ratification of related person transactions.

For purposes of our policy only, a related person transaction is a transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we and any related person are, were or will be participants in which the amount involves exceeds \$120,000. Transactions involving compensation for services provided to us as an employee or director are not covered by this policy. A related person is any executive officer, director or beneficial owner of more than 5% of any class of our voting securities, including any of their immediate family members and any entity owned or controlled by such persons.

Under the policy, if a transaction has been identified as a related person transaction, including any transaction that was not a related person transaction when originally consummated or any transaction that was not initially identified as a related person transaction prior to consummation, our management must present information regarding the related person transaction to our Audit Committee, or, if Audit Committee approval would be inappropriate, to another independent body of our Board, for review, consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to us of the transaction and whether the transaction is on terms that are comparable to the terms available to or from, as the case may be, an unrelated third party or to or from employees generally. Under the policy, we collect information that we deem reasonably necessary from each director, executive officer and, to the extent feasible, significant stockholder to enable us to identify any existing or potential related person transactions and to effectuate the terms of the policy.

In considering related person transactions, the Audit Committee, or other independent body of our Board, takes into account the relevant available facts and circumstances including, but not limited to (a) the risks, costs and benefits to us, (b) the impact on a director's independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated, (c) the availability of other sources for comparable services or products and (d) the terms available to or from, as the case may be, unrelated third parties or to or from employees generally.

The policy requires that, in determining whether to approve, ratify or reject a related person transaction, our Audit Committee, or other independent body of our Board, must consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, our best interests and those of our stockholders, as our Audit Committee, or other independent body of our Board, determines in the good faith exercise of its discretion.

Certain Related Person Transactions

Except as described below, there have been no transactions since January 1, 2016 in which we have been a participant in which the amount involved exceeded or will exceed \$120,000, and in which any of our directors, executive officers or holders of more than 5% of our common stock, or any members of their immediate family, had or will have a direct or indirect material interest, other than compensation arrangements which are described under *Executive Compensation* and *Director Compensation*.

Registration Rights Agreement

We are a party to an amended and restated registration rights agreement with certain stockholders, including entities affiliated with ABS Capital Partners, entities affiliated with Technology Crossover Ventures, Backbone

Partners, LLC, David Hutz, Jean-Paul Martin and Daniel Ramos. The amended and restated registration rights agreement, among other things, grants these stockholders specified registration rights with respect to shares of our common stock issued upon conversion of the shares of preferred stock previously held by them.

Indemnification Agreements

Our amended and restated certificate of incorporation contains provisions limiting the liability of directors, and our amended and restated bylaws provide that we will indemnify each of our directors to the fullest extent permitted under Delaware law. Our amended and restated certificate of incorporation and amended and restated bylaws also provide our Board with discretion to indemnify our officers and employees when determined appropriate by the Board. In addition, we have entered into indemnification agreements with each of our directors and executive officers. These agreements provide for the indemnification of such persons for all reasonable expenses and liabilities incurred in connection with any action or proceeding brought against them by reason of the fact that they are or were serving in such capacity. We have also obtained director and officer liability insurance to cover liabilities our directors and officers may incur in connection with their services to us.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other annual meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other annual meeting materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be householding our proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or Alarm.com Holdings, Inc. Direct your written request to Alarm.com Holdings, Inc., Attn: Corporate Secretary, 8281 Greensboro Drive, Suite 100, Tysons, Virginia 22102. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request householding of their communications should contact their brokers.
