PROPOSAL 1

APPROVAL OF PROPOSED INVESTMENT ADVISORY AND MANAGEMENT AGREEMENT AND PROPOSED DIRECT INVESTMENT MANAGEMENT AGREEMENT

On April 6, 2012, stockholders approved the Investment Advisory and Management Agreement, dated as of April 7, 2012, between the Fund and RCM Asia Pacific Limited (RCM AP) and the Direct Investment Management Agreement, dated as of April 7, 2012, between the Fund and RCM AP (the Agreements). RCM AP and Allianz Global Investors U.S. LLC (Allianz) are affiliates. As part of a global initiative by the Allianz organization to operate as one company with distinctive investment capabilities and a global brand, and at the request of Allianz, the Board approved Allianz assuming the role of investment adviser to the Fund from RCM AP and the Agreements were restated to reflect Allianz as the legal entity serving as the Fund's investment adviser. These new arrangements are reflected in the Amended and Restated Investment Advisory and Management Agreement and the Amended and Restated Direct Investment Management Agreement, each dated, April 1, 2014, between the Fund and Allianz (Current Agreements).

On March 28, 2017, the Board of Directors, all of whom are Independent Directors, voted to approve and recommend to stockholders the approval of the proposed Investment Advisory and Management Agreement and the proposed Direct Investment Management Agreement between the Fund and Open Door Investment Management Ltd. (Open Door) (the Proposed Agreements). A discussion of the reasons the Board of Directors recommended a change in investment adviser can be found below under Approval Process and the Factors Considered by the Board of Directors in Approving the Proposed Agreements. If approved by the stockholders of the Fund, the Proposed Agreements will replace the Current Agreements. This Special Meeting is being held to permit stockholders to consider approval of the Proposed Agreements. While it is the Board's intention not to have Open Door make direct investments at the present time, the Board determined that it is the best interest of the Fund to maintain the flexibility to invest in such investments when appropriate.

The Proposed Agreements require that Open Door undertake to provide substantially the same investment advisory and management services as provided under the Current Agreements. Open Door's duties under the Proposed Agreements include making investment decisions, supervising the acquisition and disposition of investments and supervising the selection of brokers or dealers to execute these transactions in accordance with the Fund's investment objective and policies and within the guidelines and directions established by the Board.

Under the Proposed Agreements, Open Door may engage employees of an affiliated non-SEC registered entity through a participating affiliate arrangement to assist Open Door in providing services to the Fund. While this entity is registered with a foreign financial regulatory authority, Open Door supervises the services provided by those employees and such engagement will not relieve Open Door of its obligations under the Proposed Agreements.

Under the Proposed Agreements, Open Door will bear all expenses arising out of its duties under the Proposed Agreements but will not be responsible for any expenses of the Fund other than those specifically

allocated to Open Door in the Proposed Agreements. In particular, the Fund bears expenses for legal fees and expenses of counsel to the Fund; fees for directors and officers other than those employed by Open Door; auditing and accounting expenses; taxes and governmental fees; New York Stock Exchange listing fees; dues and expenses incurred in connection with membership in investment company organizations; fees and expenses of the Fund's custodian, sub-custodian, transfer agents and registrars; fees and expenses with respect to administration (except as may be expressly provided otherwise); expenses for portfolio pricing services by a pricing agent, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering and underwriting of shares issued by the Fund; expenses relating to investor and public relations; expenses of registering or qualifying securities of the Fund for public sale; freight, insurance and other charges in connection with the shipment of the Fund's portfolio securities; brokerage commissions or other costs of acquiring or disposing of any portfolio holding of the Fund; expenses of preparation and distribution of reports, notices and dividends to stockholders; expenses of the Fund's dividend reinvestment and cash purchase plan; costs of stationery; any litigation expenses; and costs of stockholder's and other meetings. Under the Proposed Agreements, as is the case under the Current Agreements, Open Door will pay the salaries and expenses of such of the Fund's officers and directors who are directors, officers or employees of Open Door, *provided, however*, that the Fund, and not Open Door, will bear travel expenses or an appropriate fraction thereof of directors and officers of the Fund who are directors, officers or employees of Open Door to the extent that such expenses relate to attendance at meetings of the Board or any committee thereof, and *provided, further*, that such expenses are incurred in accordance with the Fund's travel policy.

Under the Proposed Agreements, neither Open Door nor its affiliates, directors, employees, or agents will be subject to any liability for any act or omission, error of judgment or mistake of law, or for any loss suffered by the Fund in the course of, connected with or arising out of any services to be rendered thereunder, except by reason of Open Door's willful misfeasance, bad faith or negligence in the performance of its duties or by reason of Open Door's reckless disregard of its obligations and duties under the applicable agreement.

The Proposed Agreements may be terminated at any time, without payment of penalty, by Open Door, or by the Fund acting pursuant to a vote of the Board of Directors or by a vote of a majority of the Fund's outstanding securities (as defined in the 1940 Act) upon sixty days' written notice, and will terminate automatically in the event of its assignment (as defined in the 1940 Act) by Open Door.

If approved by stockholders, each Proposed Agreement would remain in effect for an initial period of two years from the date it becomes effective. Thereafter, each Proposed Agreement would continue in effect from year to year if its continuance is specifically approved at least annually by (i) a vote of a majority of the Independent Directors, cast in person at a meeting called for the purpose of voting on such approval, and (ii) either a vote of a majority of the Board of Directors as a whole or a majority of the Fund's outstanding shares of common stock as defined in the 1940 Act.

Stockholders do not have dissenter's rights of appraisal in connection with the matter to be voted on by stockholders.

Fee Provisions

Under the terms of the proposed Investment Advisory and Management Agreement, Open Door would be entitled to receive fees for its services, computed weekly and payable monthly in US dollars, at the annual rate of 0.70% of the value of the Fund's average weekly net assets of the first \$315 million and at an annual rate of 0.50% of the value of the Fund's average weekly net assets in excess thereof. Under the terms of the proposed Direct Investment Management Agreement, Open Door is entitled to receive fees for its services, computed weekly and payable monthly in US dollars, at the annual rate of 1.50% of the average weekly value of the Fund's assets invested in the direct investments. These fees are identical to the fees paid by the Fund under the Current Agreements.

The Fund's total net assets as of May 2, 2017 were \$306.9 million.

For the fiscal year ended October 31, 2016, the aggregate amount of advisory fees paid by the Fund was \$1,922,143. Had the Proposed Agreements been in place for the fiscal year ended October 31, 2016, the advisory fees paid by the Fund would have been the same amount, \$1,922,143.

Approval Process and the Factors Considered by the Board of Directors in Approving the Proposed Agreements

At a special Board meeting held on February 15, 2017, the Board determined it would be appropriate for the Board to consider an alternative investment manager of the Fund. Among the considerations that led to the Board's determination to consider an alternate investment manager of the Fund was the investment performance of Allianz in managing the Fund. The Board noted that the Fund had generally underperformed its benchmark index for the one-month, one-year and three-year periods and from the date the current portfolio managers began managing the Fund through January 31, 2017. A number of potential investment adviser candidates were requested to provide the Board with information regarding the performance and composition of their Greater China investment mandates. Greater China means China and Taiwan and for purposes of this definition China means the People's Republic of China, which includes Hong Kong. These candidates included those previously identified in the process leading to the selection of the Fund's current investment adviser, as well as others that manage Greater China mandates and have the capability to manage a U.S. registered closed-end fund, such as the Fund. After discussion the Board requested that three of these potential investment adviser candidates provide additional information relative to providing investment advisory services to the Fund. Each of the candidates provided information, and each was requested to make a presentation to the Board on March 28, 2017.

Following those presentations, the Board approved the selection of Open Door as the investment adviser for the Fund and agreed to submit the selection of Open Door for approval by the Fund's stockholders at a special stockholders meeting.

In making this selection the Board noted that Open Door will provide the Fund with a Greater China investment strategy that focuses more on smaller capitalization and entrepreneurial companies, listed primarily in Shanghai, Shenzhen, Hong Kong and Taipei, than do most other investment funds investing in the Greater China markets. The Board noted that Open Door believes that this strategy will differentiate the Fund from other closed-end funds and ETFs, with index-anchored, large-capitalization approaches to investing in Greater China.

The Board also considered that Open Door feels that its investment strategy is well-fitted to the chief advantage of a closed-end structure—the ability to make long-term investments in less liquid securities, which constitute a significant portion of Open Door's Greater China strategy. The Board noted that Open Door believes that its investment approach, which includes intensive on-the-ground research by its investment team of each company in the portfolio, should provide the opportunity to achieve significant long-term out performance compared to the large capitalization focused leading Greater China indices.

The Board also noted that the advisory fee agreed to by Open Door was the same as under the Current Agreements and compared favorably with fees charged by advisers of other U.S. registered closed-end funds that invest in the Greater China region. The Board noted that while the Fund has no current intention to make direct investments it is the preference of the Board to maintain separate agreements to preserve, among other considerations, different advisory fee compensation structures for direct investments and investments that are listed on a securities exchange, including identification of the assets of the Fund subject to each structure. The Board further noted that having separate agreements provides the Fund with greater flexibility should it desire to select a different investment adviser to manage the direct investments, as it has done in the past.

The Board also considered the terms and conditions of the Proposed Agreements. The Board noted that the Current Agreements and the Proposed Agreements are substantially similar, with two exceptions. The parties to the agreements are different and the Proposed Agreements include a standard of care provision to a negligence standard whereas the Current Agreements include a standard of care provision to a gross negligence standard.

The Board noted that the negligence standard in the Proposed Agreements is more favorable to stockholders as it requires only a showing that there was a failure to exercise reasonable care. A gross negligence standard requires a showing that there was a conscious and voluntary disregard of the need to use reasonable care.

The Board also based its decision on the following considerations, among others, although the Board did not identify any consideration that was all important or controlling, and each Director may have attributed different weights to the various factors.

Nature, Extent and Quality of the Services provided by the Investment Adviser. The Board reviewed and considered the nature and extent of the investment management services to be provided by Open Door under the Proposed Agreements. The Board noted the following:

Open Door, with offices in Shanghai and San Francisco, is a US registered investment adviser. Upon Open Door's engagement by the Fund, Ke Shifeng, one of the principals of Open Door, will become the Fund's Portfolio Manager. He is Shanghai-based and has close to 20 years of experience investing in the Greater China markets.

Open Door has contracted with an affiliated entity, Heartland Capital Investment Consulting (Shanghai) Ltd. (Heartland), to provide research services. Heartland has a Shanghai-based research team which focuses on fundamental and technical analysis of companies in Greater China, locating and recommending prospective investment opportunities.

Complementing the China research team, Open Door draws upon the expertise of its US affiliate, Open Door Capital Advisors (US), LLC (ODCA) that provides back office support, such as trading, operations, compliance and client service, to Open Door. ODCA is a Delaware limited liability company, which has entered into an Intercompany Service Agreement with Open Door as of November 1, 2011. Its principal place of business is San Francisco, California.

Open Door has not managed a U.S. registered fund previously. However, the Board considered Open Door's compliance program and compliance capabilities as well as the portfolio manager's previous experience with managing a U.S. registered fund and concluded that Open Door has a compliance program that appeared to be reasonably designed to prevent violations of the Federal securities laws.

The Board determined that Open Door appeared to be capable of providing the Fund with investment management services of above average quality.

Performance, Fees and Expenses of the Fund. The Board noted that, at the time of Open Door's selection by the Board, Open Door had not been providing services to the Fund; therefore, there were limitations on the Board's ability to evaluate the performance of Open Door in managing the Fund. Based, however, on Open Door's performance in managing other portfolios containing Chinese equity securities, the Board concluded that there was reason to believe that Open Door could achieve competitive performance over the long term in managing the Fund. The Board also noted that other expenses of the Fund were not expected to increase as a result of the retention of Open Door.

Economies of Scale. The Board considered the economy of scale benefits that the Fund's stockholders would be afforded as the management fee rate under the Investment Advisory and Management Agreement declines as the Fund's assets grow. The Board noted that the Investment Advisory and Management Agreement includes a breakpoint lowering the fee rate for net assets in excess of \$315 million. The Board noted that it would also consider additional breakpoints if the Fund's net assets substantially exceed \$315 million. The Board further considered that, while the management fee rate under the Direct Investment Management Agreement does not decline as the Fund's assets grow, fixed operating costs are spread over a larger asset base, resulting in a lower per share allocation of such costs.

Other Benefits of the Relationship. The Board considered whether there were other benefits that Open Door and its affiliates may derive from its relationship with the Fund and concluded that any such benefits were likely to be minimal.

Resources of the Proposed Investment Adviser. The Board considered whether Open Door is financially sound and has the resources necessary to perform its obligations under the Proposed Agreements. The Board noted that, while Open Door's financial resources are not substantial, it appears to have sufficient financial resources necessary to fulfill its obligations under the Proposed Agreements.

Compliance Considerations. The principals of Open Door, Chris Ruffle and Ke Shifeng, were associated with Martin Currie Investment Management, Ltd. (Martin Currie) when Martin Currie served as investment adviser of the Fund from 2001 to 2011, and Mr. Ruffle served as the Fund's portfolio manager during that period. In 2014, Mr. Ruffle settled an enforcement proceeding brought by the Securities and Exchange Commission (the SEC) with regard to a direct investment transaction entered into by the Fund when Mr. Ruffle served as the Fund's portfolio manager. In the proceeding, the SEC alleged that Mr. Ruffle aided and abetted a willful violation of Section 17(d) and Rule 17d-1 under the 1940 Act. Under the terms of the settlement, Mr. Ruffle agreed to pay a fine of \$150,000 and was barred from advising, or being associated with a U.S. registered investment company, or with an adviser to a U.S. registered investment company for a period of one year.

In considering the selection of Open Door as the Fund's investment adviser, the Board was advised that the Fund's Chief Compliance Officer (CCO) and Counsel had conducted a review of Open Door's compliance program and compliance capabilities, including meeting with Open Door's compliance personnel at Open Door's San Francisco office. The CCO noted for the Board that he considered Open Door's engagement of an outsourced chief compliance officer to supplement its internal compliance staff. He explained that this chief compliance officer and the compliance company he is engaged by provides independent oversight of Open Door's compliance program. He also noted that Open Door has an experienced, Mandarin speaking compliance manager that manages day-to-day compliance matters and works closely with management at Open Door as well as the chief compliance officer and that personnel of the compliance company regularly meet with the compliance manager. Lastly, the CCO noted that Open Door has engaged independent legal counsel to advise it as necessary on any compliance related matters. Based on this review, the Fund's CCO advised the Board that Open Door's compliance program appeared to be reasonably designed to prevent violations of the Federal securities laws, with Open Door appearing to have compliance personnel capable of implementing the program effectively.

General Conclusions. After considering and weighing all of the above factors, the Board concluded that it would be in the best interest of the Fund and its stockholders to approve the Proposed Agreements. In reaching this conclusion, the Board did not give particular weight to any single factor referenced above.

(the Investment Manager), a Cayman Islands company registered as an investment adviser with the U.S. Securities and Exchange Commission.

WHEREAS, the Fund is a closed-end, non-diversified management investment company registered under the Investment Company Act of 1940, as amended (the 1940 Act), shares of common stock of which are registered under the Securities Act of 1933, as amended; and

WHEREAS, the Fund's investment objective is long-term capital appreciation which it seeks to achieve by investing primarily in equity securities of China companies (as that term is defined in the Prospectus, dated June 27, 2005 (the Prospectus) contained in the Fund's Registration Statement on Form N-2 (File No. 333-124392) (the Registration Statement));

WHEREAS, the Fund desires to retain the Investment Manager to render investment management services with respect to the Fund's assets other than those Fund assets invested in direct investments (as that term is defined below), and the Investment Manager is willing to render such services;

NOW, THEREFORE, in consideration of the mutual covenants hereafter contained, it is hereby agreed by and between the parties hereto as follows:

1. Appointment of Investment Manager.

(a) The Fund hereby employs the Investment Manager for the period and on the terms and conditions set forth herein, subject at all times to the supervision of the Board of Directors of the Fund, to:

i. Other than with respect to the portion of the Fund's assets invested in direct investments (assets of the Fund that are invested in securities that at the time of such investment are not listed (or approved for listing) on a securities exchange), make all investment decisions for the assets of the Fund (the Listed Assets) and to manage the investment and reinvestment of the Listed Assets in accordance with the investment objective and policies of the Fund set forth in the Fund's Prospectus, and as such investment objective and policies are amended from time to time by the Fund's Board of Directors, and subject always to the restrictions of the Fund's Articles of Incorporation and By-Laws, as amended or restated from time to time, the provisions of the 1940 Act. Should the Board of Directors for the Fund at any time make any definite determination as to investment policy and notify the Investment Manager thereof, the Investment Manager shall be bound by such determination for the period, if any, specified in such notice or until similarly notified that such determination has been revoked. For purposes of this Agreement, notwithstanding the definition of direct investments above, direct investments shall not include (a) any investment by the Fund in an instrument, such as, but not limited to, a warrant, swap, structured note or other equity derivative, that provides the Fund with exposure to a security that is listed on a securities exchange or (b) any security owned by the Fund that is listed on a securities exchange even if that security was a direct investment at the time of its purchase by the Fund. The Investment Manager shall vote the Fund's proxies in connection with its Listed Assets in accordance with the Fund's proxy voting policies which may be amended from time to time by the Board, however, the Investment Manager will not be required to comply with any such amendment until 30 days after it has been communicated to the Investment Manager. The Investment Manager shall make such reports to the Board concerning such proxy voting as the Board may deem necessary or advisable. It is understood and acknowledged that no assurance has been or can be provided that the investment objective of the Fund can or will be achieved. The Investment Manager

shall take, on behalf of the Fund, all actions which it deems necessary to implement the investment policies of the Fund applicable to the Fund's Listed Assets and, with respect to the Fund's Listed Assets, to place all orders for the purchase or sale of portfolio securities for the Fund with brokers or dealers selected by it, and in connection therewith, the Investment Manager is authorized as agent of the Fund to give instructions to the custodians from time to time of the Fund's Listed Assets as to deliveries of securities and payments of cash for the account of the Fund. In connection with the selection of such brokers or dealers and the placing of such orders, the Investment Manager is directed at all times to seek to use its best efforts to obtain for the Fund the most favorable net results available (best execution). In using its best efforts to obtain for the Fund best execution, the Investment Manager shall consider all factors it deems relevant, including, by way of illustration, price, the size of the transaction, the nature of the market security, the amount of the commission, the timing of the transaction taking into account market prices and trends, the reputation, experience and financial stability of the broker or dealer involved and the quality of service rendered by the broker or dealer in other transaction. Subject to such policies as the Fund may communicate to the Investment Manager in writing, the Investment Manager shall not be deemed to have acted unlawfully or to have breached any duty created by this Agreement solely by reason of its having caused the Fund to pay a broker or dealer that provides brokerage and research services to the Investment Manager or its affiliates an amount of commission for effecting a portfolio investment transaction in excess of the amount of commission another broker or dealer would have charged for effecting that transaction, if the Investment Manager determines in good faith that such amount of commission was reasonable. Subject to these requirements and the provision of the 1940 Act, the U.S. Securities Exchange Act of 1934 and any other applicable provisions of law, nothing shall prohibit the Investment Manager from selecting brokers or dealers with which it or the Fund is affiliated;

ii. Prepare and make available to the Fund as reasonably requested by the Board of Directors pertinent research and statistical data; and

iii. Maintain or cause to be maintained for the Fund all books and records required under the 1940 Act, to the extent that such books and records are not maintained or furnished by administrators, custodians or other agents of the Fund.

(b) The Investment Manager accepts such appointment and agrees during the term of this Agreement to render such services, to permit one of its or its affiliate's directors, officers or employees to serve without compensation as a director and/or officer of the Fund if elected to such positions and to assume the obligations herein for the compensation herein provided. The Investment Manager shall for all purposes herein provided be deemed to be an independent contractor, and unless otherwise expressly provided or authorized, shall have no authority to act for or represent the Fund in any way or otherwise be deemed an agent of the Fund.

(c) The Fund hereby acknowledges (and the Investment Manager hereby acknowledges the Fund has informed it) that the Fund may allocate up to 25% of the net proceeds of the Offering (as defined in the Prospectus) less up to 25% of the aggregate repurchase price of any shares of the Fund's Common Stock repurchased by the Fund to direct investments; provided, however, that such allocation shall be subject to review and modification by the Board of Directors of the Fund (the Direct Investment Amount). The portion of the Direct Investment Amount as is actually invested in direct investments shall be managed by such entity as may be appointed by the Fund to manage the assets of the Fund other than the Listed Assets (the Direct Investment Manager) in accordance with the terms of a separate investment management and advisory services agreement entered into by and between the Fund and the Direct Investment Manager (the Direct Investment Management Agreement). The portion of the Direct Investment Amount as is not actually invested in direct investments shall be treated as Listed Assets to be managed by the Investment Manager pursuant to the terms of this Agreement. Whenever the Direct Investment Manager shall recommend the investment of Fund assets in a direct investment, the Fund shall instruct the Investment Manager in writing as to the amount of Fund assets sought to be invested in such direct investment, and the Investment Manager shall, within ten business days thereafter (or such other period of time as the Fund may direct in writing, but such period may not be less than 10 business days),

liquidate sufficient portfolio securities to realize such amount and make the net proceeds thereof available for investment in such direct investment. Upon the sale of a direct investment, the Direct Investment Manager shall make the net proceeds thereof available as soon as reasonably practicable for investment pursuant to this Agreement by the Investment Manager.

(d) The Fund hereby agrees that the Investment Manager shall be entitled to delegate all or any of its functions, powers, discretions, duties and obligations, to any person or persons, and any such delegation may be on such terms and conditions as the Investment Manager thinks fit provided that any such delegation shall not relieve the Investment Manager of its obligations under this Agreement; provided, however, that no delegation of investment management powers and functions may occur unless approved in advance by the Board of Directors of the Fund and, if required by the 1940 Act, by the Fund's stockholders; and provided further that no delegation of any other powers or functions may occur unless the Investment Manager has given the Board of Directors of the Fund at least 30 days prior notice of such delegation.

2. Compensation. For the services and facilities described in Section 1, the Fund agrees to pay in United States dollars to the Investment Manager, a fee in accordance with the schedule set forth as Exhibit A hereto. For the month and year in which this Agreement becomes effective or terminates, there shall be an appropriate proration on the basis of the number of days that this Agreement is in effect during such month and year, respectively.

3. Investment in Fund Stock. The Investment Manager agrees that it will not make a short sale of any capital stock of the Fund, or purchase any share of the capital stock of the Fund.

4. Non-Exclusivity of Services. Nothing herein shall be construed as prohibiting the Investment Manager or any of its affiliates from providing investment advisory services to, or entering into investment advisory agreements with, any other clients (including other registered investment companies), including clients which may invest in Chinese equity securities, so long as the Investment Manager's services to the Fund pursuant to this Agreement are not materially impaired thereby. The Investment Manager is not obligated to purchase or sell for the Fund any security which the Investment Manager or its affiliates may purchase or sell for their own accounts or other clients.

5. Standard of Care: Indemnification. The Investment Manager may rely on information reasonably believed by it to be accurate and reliable. Neither the Investment Manager nor its officers, directors, employees, agents or controlling persons (as defined in the 1940 Act) shall be subject to any liability for any act or omission, error of judgment or mistake of law, or for any loss suffered by the Fund, in the course of, connected with or arising out of any services to be rendered hereunder, except by reason of willful misfeasance, bad faith or negligence on the part of the Investment Manager in the performance of its duties or by reason of reckless disregard on the part of the Investment Manager of its obligations and duties under this Agreement. Any person, even though also employed by the Investment Manager, who may be or become an employee of the Fund shall be deemed, when acting within the scope of his employment by the Fund, to be acting in such employment solely for the Fund and not as an employee or agent of the Investment Manager. In no event will the Investment Manager have any responsibility for any portion of the Fund other than the Listed Assets or for the acts or omissions of the Direct Investment Manager or any other adviser of the Fund. In particular, the Investment Manager shall have no responsibility for the Fund's being in violation of any applicable law or regulation or investment policy or restriction or instruction applicable to the Fund as a whole or for the Fund's failing to qualify as a regulated investment company under the Internal Revenue Code of 1986, as amended (the "Code"), if the Fund's holding of the Listed Assets is such that the Listed Assets would not be in such violation or if the Fund would not fail to qualify if the Listed Assets were deemed a separate series of the Fund or a separate regulated investment company under the Code.

The Fund agrees to indemnify and hold harmless the Investment Manager, its officers, directors, employees, agents, shareholders, controlling persons or other affiliates (each an "Indemnified Party"), for any losses, costs and expenses incurred or suffered by any Indemnified Party arising from any action, proceeding or claims which

may be brought against such Indemnified Party in connection with the performance or non-performance in good faith of its functions under this Agreement, except losses, costs and expenses resulting from willful misfeasance, bad faith or negligence in the performance of such Indemnified Party's duties or from reckless disregard on the part of such Indemnified Party of such Indemnified Party's obligations and duties under this Agreement.

(b) In addition to the fee of the Investment Manager, the Fund shall assume and pay the following expenses: fees of the Direct Investment Manager; legal fees and expenses of counsel to the Fund; auditing and accounting expenses; taxes and governmental fees; New York Stock Exchange listing fees; dues and expenses incurred in connection with membership in investment company organizations; fees and expenses of the Fund's custodian, sub-custodian, transfer agents and registrars; fees and expenses with respect to administration, except as may be herein expressly provided otherwise; expenses for portfolio pricing services by a pricing agent, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering and underwriting of shares issued by the Fund; expenses relating to investor and public relations; expenses of registering or qualifying securities of the Fund for public sale; freight, insurance and other charges in connection with the shipment of the Fund's portfolio securities; brokerage commissions or other costs of acquiring or disposing of any portfolio holding of the Fund; expenses of preparation and distribution of reports, notices and dividends to shareholders; expenses of the Fund's dividend reinvestment and cash purchase plan; costs of stationery; any litigation expenses; and costs of stockholder's and other meetings.

(b) If the Investment Manager considers the purchase or sale of securities for the Fund and other advisory clients of the Investment Manager at or about the same time, transactions in such securities will be made for the Fund and such other clients in accordance with the Investment Manager's trade allocation procedures, as may be amended from time to time, provided that the Board of Directors of the Fund receives at least ten days advance notice of any such amendment.

8. Duration and Termination.

(a) This Agreement shall be effective for a period of two years from the date of this Investment Advisory and Management Agreement and will continue in effect from year to year thereafter, provided that such continuance is specifically approved at least annually by (i) a majority of the members of the Fund's Board of Directors who are neither parties to this Agreement nor interested persons of the Fund or of the Investment Manager or of any entity regularly furnishing investment advisory services with respect to the Fund pursuant to an agreement with the Investment Manager, cast in person at a meeting called for the purpose of voting on such

approval, and (ii) separately by the Fund's Board of Directors (all Directors voting) or by vote of a majority of the Fund's outstanding voting securities.

This Agreement shall automatically be terminated in the event of its assignment.
