LETTER FROM THE BOARD

2. PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

The Company proposes amendments to the Articles of Association as follows:

- (I) Revise Article 3 of the Articles of Association in relation to the postal code, telephone number and facsimile number of the Company.

- (II) In order to further enhance corporate governance and satisfy business expansion needs of the Company, and taking into account the circumstances of the Company, the Company proposes to amend the Articles of Association as follows:
 - (i) Addition of new Article 9 to the existing Articles of Association: In accordance with the Company Law and the Constitution of the Communist Party of China (the Party), the Company shall set up Party organisations. The Party organisations shall perform the core leadership and political functions. The Company shall set up Party working organs, which shall be equipped with sufficient staff to handle Party affairs and provided with sufficient funds to operate the Party organisations.

 - (ii) Addition of new Article 98 to the existing Articles of Association: Prior to making decisions on material issues of the Company, the board of directors shall seek advice from the Party organisations. When the board of directors appoints senior management personnel of the Company, the Party organisations shall consider and provide comments on the candidates for management positions nominated by the board of directors or the general manager, or recommend candidates to the board of directors and/or the general manager.

Original Article 9 and subsequent existing article provisions of the Articles of Association will be renumbered accordingly.

- (III) Following the advancement of scientific technology and transformation of compliance requirements, printed seal has been gradually adopted by the listed companies when issuing share certificates, in place of the current practice of affixing the company seal manually (i.e. affixing the seal manually after printing share certificates), so as to enhance the security and efficiency when issuing share certificates and to reduce the chance of human error. Accordingly, the Company proposes to amend the existing Article 39 of the Articles of Association in relation to the provision of the seal.

- (IV)

The Company Law has cancelled the requirements of publishing an announcement in a newspaper at least three (3) times in the event of reducing its registered capital, merger, division and establishment of liquidation committee of the Company. In accordance with the Company Law, the Company is only required to publish an announcement in a newspaper once when the aforesaid situation happens. Therefore, the Company correspondingly amends the provisions of publish an announcement at least three (3) times contained in the existing Article 28, Article 170, Article 171 and Article 176 of the Articles of Association.
