I am pleased to announce that Tidewater is combining with GulfMark Offshore to become a global leader in the offshore support vessel (OSV) industry in order to better serve you our customers.

Today, we announced an agreement to merge the companies, creating the industry's largest fleet and the broadest global operating footprint, with an unmatched ability to support customers across geo-markets and water depths. As always, we will maintain a strong commitment to safe, consistent and reliable service.

After the deal closes, which we expect in the fourth quarter, we anticipate a smooth integration of our companies. Until then, it is business as usual and you should see no changes.

Throughout this period, Tidewater will continue to focus on delivering for its customers like we always have. You will receive more information in the coming months. In the meantime, we invite you to review the press release available on the Tidewater web site. If you have questions, please feel free to ask your Tidewater representative.

Thank you for your business. We value our relationship with you and look forward to serving you for many years to come.

Sincerely,
