These forward-looking statements are made as of the date of this Current Report on Form 8-K, are based on current expectations and are subject to uncertainties and changes in condition, significance, value and effect as well as other risks detailed in documents filed with the Securities and Exchange Commission, including VMware s most recent reports on Form 10-K and Form 10-Q and Current Reports on Form 8-K that we have filed and may file from time to time, which could cause actual results to vary from expectations.
