SUBJECT TO COMPLETION, DATED MARCH 1, 2019

PROSPECTUS

UNIVAR INC.

7,628,813 SHARES OF COMMON STOCK

On February 28, 2019, Univar completed its previously announced acquisition of Nexeo Solutions, Inc., a Delaware corporation (Nexeo), pursuant to the Agreement and Plan of Merger Agreement, dated September 17, 2018 (the Merger Agreement), among Nexeo, Univar, Pilates Merger Sub I Corp, a Delaware corporation and direct wholly owned subsidiary of Univar (Merger Sub I), and Pilates Merger Sub II LLC, a Delaware limited liability company and a direct wholly owned subsidiary of Univar (Merger Sub II). Pursuant to the terms of the Merger Agreement, Merger Sub I merged with and into Nexeo (the Initial Merger), with Nexeo surviving the Initial Merger as a wholly owned subsidiary of Univar, and (ii) immediately following the Initial Merger, Nexeo merged with and into Merger Sub II (the Subsequent Merger and together with the Initial Merger, the Mergers), with Merger Sub II surviving as the surviving company in the Subsequent Merger.

Each full share of common stock, par value \$0.0001 per share, of Nexeo (the Nexeo Common Stock) issued and outstanding immediately prior to the effective time of the Initial Merger (such time, the Initial Effective Time) (other than (i) Nexeo Common Stock owned by Univar, Nexeo or any direct or indirect wholly owned subsidiary of Nexeo or Univar (including Merger Sub I and Merger Sub II) and (ii) Nexeo Common Stock owned by stockholders who have perfected and not withdrawn a demand for appraisal rights pursuant to the Delaware General Corporations Law) was converted into the right to receive (A) the Cash Consideration, described below, and (B) 0.305 of a share of common stock, par value \$0.01 per share, of Univar (the Univar Common Stock) (the Stock Consideration and, together with the Cash Consideration and any cash in lieu of fractional shares of Univar Common Stock, the Merger Consideration).

Pursuant to the terms of the Merger Agreement, the Cash Consideration was \$3.02 per share of Nexeo Common Stock, which amount reflects a reduction by \$0.27 per share of Nexeo Common Stock based on the closing price of Univar Common Stock on February 27, 2019, the day prior to the closing of the Mergers.

Pursuant to the Merger Agreement, as described in the Registration Statement on Form S-4 (Registration No. 333-228154) as amended by Amendment No. 1 thereto, filed on December 14, 2018, and Amendment No. 2 thereto, filed on January 9, 2019 (the Form S-4), which became effective on January 29, 2019, at the Initial Effective Time, each outstanding and unexercised warrant to purchase shares of Nexeo Common Stock issued by Nexeo (each, a Nexeo Warrant) was assumed by Merger Sub II. Following the Initial Effective Time, each Nexeo Warrant is exercisable for 0.1525 shares of Univar Common Stock and \$1.51 in cash, which represents the Merger Consideration that would have been payable in respect of the one-half (1/2) share of Nexeo Common Stock that the holder of each

warrant would have been entitled to receive had such holder exercised such Nexeo Warrant immediately prior to the Initial Effective Time, upon the terms and conditions specified in the Nexeo Warrants and the Warrant Agreement, dated as of June 5, 2014, by and between WL Ross Holding Corp and Continental Stock Transfer & Trust Company, filed as Exhibit 4.1 to Nexeo's Current Report on Form 8-K filed on June 16, 2014 (the Nexeo Warrant Agreement). Effective February 28, 2019, Univar appointed Equiniti Trust Company (Equiniti) as successor warrant agent pursuant to Section 8.2.1 (Appointment of Successor Warrant Agent) of the Nexeo Warrant Agreement, and Equiniti assumed the obligations of the Warrant Agent under the Nexeo Warrant Agreement.

Following the effective time of the Initial Merger, Univar may elect to cause the Nexeo Warrants to be exercisable only on a cashless basis as described in the Nexeo Warrants and the Nexeo Warrant Agreement.

Based on a price per share for Univar Common Stock of \$23.29, the closing trading price of Univar Common Stock on the New York Stock Exchange on February 27, 2019, the last full trading day prior to the filing of the certificate of merger in connection with the Initial Merger, 70.1% of the Merger Consideration received by the holders of the Nexeo Common Stock in the Initial Merger was payable in the form of Univar Common Stock.

The Nexeo Warrants expire on 5:00 p.m., New York time, on June 9, 2021, or earlier upon redemption or liquidation.

This prospectus relates to the offer and sale of an aggregate of up to 7,628,813 shares of Univar Common Stock which are issuable upon the exercise of 50,025,000 outstanding Nexeo Warrants.

Shares of Univar Common Stock are traded under the symbol UNVR on the New York Stock Exchange.

Univar Inc.

Our Company

We are a leading global chemical and ingredients distributor and provider of specialty services. We purchase chemicals from thousands of chemical producers worldwide and warehouse, repackage, blend, dilute, transport and sell those chemicals to more than 100,000 customer locations across approximately 130 countries. Our specialized services include e-commerce and digital marketing of chemicals for our producers, chemical waste removal and ancillary services, on-site storage of chemicals for our customers, and support services for the agricultural and pest control industries. We derive competitive advantage from our scale, broad product offering, leading digital solutions, technical expertise, specialized services, long-standing relationships with leading chemical producers and our industry leading safety record.

The global chemical distribution industry is large and fragmented with thousands of distributors but represents a relatively small portion of the total chemical industry. While the total chemical industry is projected to grow at rates about equal to the growth of the gross national product of countries we operate in around the world, the distributed chemicals portion of the market is projected to grow faster as producers and customers increasingly realize the benefits of outsourcing. Chemical producers rely on us to warehouse, repackage, transport and sell their products as a way to expand their market access, enhance their geographic reach, lower their costs and grow their business. Customers who purchase products and services from us benefit from a lower total cost of ownership, as they are able to simplify their chemical sourcing process and outsource functions to us such as just-in-time availability of the right product, packaging, mixing, blending and technical expertise. They also rely on us for safe delivery and off-loading of chemicals that is fully compliant with increasing local and federal regulations.

We maintain strong, long-term relationships with our producers and our customers, many of which span decades. We source materials from thousands of producers worldwide, including premier global leaders. For the year ended December 31, 2018, our 10 largest producers accounted for approximately 27 percent of our total chemical purchases. Similarly, we sell products to thousands of customers globally, ranging from small and medium-sized businesses to large industrial customers. For the year ended December 31, 2018, our top 10 customers accounted for approximately 10 percent of our consolidated net sales. Globally, we service our customers with highly responsive on-time delivery.

Under Section 145 of the DGCL, each director and officer of Univar may be indemnified by Univar against all expenses and liabilities (including attorney's fees, judgments, fines and amounts paid in settlement) actually or reasonably incurred in connection with the defense or settlement of any threatened, pending or completed legal proceedings (other than a proceeding by or in the right of Univar) in which he or she is involved by reason of the fact that he or she is or was a director or officer of Univar if such director or officer acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of Univar and, with respect to any criminal action or proceeding, if he or she had no reasonable cause to believe that his or her conduct was unlawful. As permitted by section 102(b)(7) of the DGCL, the Univar charter eliminates the liability of a director to the corporation or its stockholders for monetary damages for such breach of fiduciary duty as a director, except for liabilities arising (i) from any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) from acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under section 174 of the DGCL; or (iv) from any transaction from which the director derived an improper personal benefit.

Univar maintains primary and excess insurance policies insuring its directors and officers and those of its subsidiaries against certain liabilities that they may incur in their capacity as directors and officers.  - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (§230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;
- Provided, however, That:

- (A) Paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-8 (§239.16b of this chapter), and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m or 78o(d)) that are incorporated by reference in the registration statement; and
- (B) Paragraphs (a)(1)(i), (ii), and (iii) of this section do not apply if the registration statement is on Form S-1 (§239.11 of this chapter), Form S-3 (§239.13 of this chapter), Form SF-3 (§239.45 of this chapter) or Form F-3 (§239.33 of this chapter) and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m or 78o(d)) that are incorporated by reference in the registration statement, or, as to a registration statement on Form S-3, Form SF-3 or Form F-3, is contained in a form of prospectus filed pursuant to §230.424(b) of this chapter that is part of the registration statement.

- (C) Provided further, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is for an offering of asset-backed securities on Form SF-1 (§239.44 of this chapter) or Form SF-3 (§239.45 of this chapter), and the information required to be included in a post-effective amendment is provided pursuant to Item 1100(c) of Regulation AB (§229.1100(c)).
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) If the registrant is a foreign private issuer, to file a post-effective amendment to the registration statement to include any financial statements required by Item 8.A of Form 20-F (§249.220f of this chapter) at the start of any delayed offering or throughout a continuous offering. Financial statements and information otherwise required by Section 10(a)(3) of the Act (15 U.S.C. 77j(a)(3)) need not be furnished, provided that the registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph (a)(4) and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements. Notwithstanding the foregoing, with respect to registration statements on Form F-3 (§239.33 of this chapter), a post-effective amendment need not be filed to include financial statements and information required by Section 10(a)(3) of the Act or Item 8.A of Form 20-F if such financial statements and information are contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Form F-3.
- (5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
- (i) If the registrant is relying on Rule 430B (§230.430B of this chapter):
- (A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) (§230.424(b)(3) of this chapter) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

- (B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) (§230.424(b)(2), (b)(5), or (b)(7) of this chapter) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) (§230.415(a)(1)(i), (vii), or (x) of this chapter) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or
- (ii) If the registrant is subject to Rule 430C (§230.430C of this chapter), each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A (§230.430A of this chapter), shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(B) Each prospectus required to be filed pursuant to §230.424(b)(2), (b)(5), or (b)(7) of this chapter as part of a registration statement in reliance on §230.430D of this chapter relating to an offering made pursuant to §230.415(a)(1)(vii) or (a)(1)(xii) of this chapter for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 (15 U.S.C. 77j(a)) shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in §230.430D of this chapter, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(6) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424 (§230.424 of this chapter);

Table of Contents

- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (7) If the registrant is relying on §230.430D of this chapter, with respect to any offering of securities registered on Form SF-3 (§239.45 of this chapter), to file the information previously omitted from the prospectus filed as part of an effective registration statement in accordance with §§230.424(h) and 230.430D of this chapter
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
