Questions and Answers about the Annual Meeting and Procedural Matters

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the meeting notice provided with this proxy statement, including:

the election of directors; and

ratification of our Audit Committee's appointment of KPMG LLP as our independent registered public accounting firm for 2019.

Who can vote at the Annual Meeting?

Stockholders of record who owned Overstock common stock, Blockchain Voting Series A Preferred Stock or Voting Series B Preferred Stock (collectively, the "Voting Shares") at the close of business on March 12, 2019 (the "Record Date") may attend and vote at the Annual Meeting. Each Voting Share is entitled to one vote. There were 32,733,288 Voting Shares outstanding at the close of business on the Record Date.

What are the recommendations of the Board?

Overstock's Board unanimously recommends votes:

FOR the election of the nominated directors (see proposal 1); and

FOR the ratification of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019 (see proposal 2).

What is a quorum?

The presence in person or by proxy of the holders of a majority of the Voting Shares outstanding on the Record Date will constitute a quorum for the Annual Meeting. A quorum is necessary to transact business at the meeting. Voting Shares represented by proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee that are represented at the meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as present and entitled to vote for purposes of determining the presence of a quorum. The inspector of election will tabulate the proxies and votes cast prior to the meeting and at the meeting to determine whether a quorum is present.

How do I vote?

You may submit your vote via the Internet, by telephone or in person at the annual meeting. If you received printed proxy materials, you also have the option of submitting your proxy card by mail or attending the meeting and delivering the proxy card. The designated proxies will vote according to your instructions; however, if you are a registered stockholder and you return an executed proxy card without specific instructions on how to vote, the proxies

will vote:

FOR the election of the nominated directors in proposal 1; and

FOR the ratification of KPMG LLP as our independent registered public accounting firm in proposal 2.

If you are a street name stockholder and you do not return instructions on how to vote to your broker, your shares will not be voted except on proposal 2. The voting of shares held by street name stockholders is further discussed below. Additionally, in order to vote at the meeting, you will need to obtain a signed proxy from the broker or nominee that holds your shares, because the broker or nominee is the legal, registered owner of the shares. If you have the broker's proxy, you may vote by ballot or you may complete and deliver another proxy card in person at the meeting.

Table of Contents

Questions and Answers about the Annual Meeting and Procedural Matters

If you hold Voting Shares in a retirement or savings plan or other similar plan, you may submit your vote via the Internet or by telephone or by means of the direction on the proxy card. The trustee or administrator of the plan will vote according to your directions and the rules of the plan.

What happens if a nominee is unable to stand for election?

The Nominating and Corporate Governance Committee of the Board of Directors may select a substitute nominee. In that case, if you have submitted your proxy via the Internet or by telephone or completed and returned your proxy card or voting instruction card, the proxy holders will have the discretion to vote your shares for the substitute nominee. They cannot vote for more than two Class II nominees.

Can I vote via the Internet or by telephone?

You may submit your vote via the Internet or by telephone by following the instructions contained in the notice of Internet availability of proxy materials. If you received a printed set of proxy materials, you may submit your vote via the Internet or by telephone by following the instructions contained on the proxy card that accompanied the printed materials.

If you are a registered stockholder, the deadline for submitting your vote by telephone or via the Internet is 11:59 p.m. Eastern Time on May 8, 2019. If you are a participant in the Overstock 401(k) plan, the deadline for submitting your voting directions by telephone or via the Internet is 11:59 p.m. Eastern Time on May 2, 2019.

Can I change my vote or revoke my proxy?

Subject to the deadlines set forth in the paragraph above, you may change your vote at any time before the proxy is exercised by re-submitting your vote via the Internet or by telephone.

If you are a registered stockholder and have delivered a proxy, you may revoke your proxy at any time before the proxy is exercised by filing with our corporate Secretary a written notice of revocation at our Company headquarters at the address shown on the first page of this proxy statement. At the meeting, you also may revoke your proxy by submitting a written revocation or a later-dated proxy to the inspector of election. Your attendance at the meeting will not by itself revoke your proxy.

If your shares are held in street name or you are a participant in the Overstock 401(k) plan, please contact your broker, nominee, trustee or administrator to determine whether you will be able to revoke or change your vote.

Why did I receive a notice of Internet availability of proxy materials instead of a full set of the proxy materials?

The rules of the U.S. Securities and Exchange Commission (the SEC) allow companies to furnish their proxy materials via the Internet. Accordingly, we sent some of our stockholders a notice of Internet availability of proxy materials for this year's annual meeting of stockholders. Other stockholders were instead sent paper copies of the proxy materials accessible via the Internet. Instructions on how to access the proxy materials via the Internet or to

request a paper copy can be found in the notice of Internet availability of proxy materials. In addition, stockholders may request proxy materials in printed form, by mail or electronically by e-mail on an ongoing basis by submitting a request to us at <http://www.overstock.com/proxy>. A stockholder's election to receive proxy materials by mail or e-mail will remain in effect until the stockholder terminates it.

Can I vote my shares by filling out and returning the notice of Internet availability of proxy materials?

No, but the notice of Internet availability of proxy materials provides instructions on how to vote your shares.

Questions and Answers about the Annual Meeting and Procedural Matters

What is the voting requirement to approve each of the proposals?

Assuming a quorum is present, the matters to come before the Annual Meeting that are listed in the Notice of Annual Meeting of Stockholders require the votes described below to be approved.

Proposal 1 Election of Directors Directors shall be elected by a plurality of the votes cast by the holders of Voting Shares. This means that the two nominees receiving the highest numbers of Voting Shares voted for their election will be elected as Class II members of the Board of Directors. If any nominee for director fails to receive a greater number of for votes than withheld votes or instructions, our director resignation policy requires the person to tender his or her resignation to the Chairperson of the Board within five business days following certification of the vote. See The Board Director Resignation Policy.

With respect to the election of directors, you may vote for or withhold authority to vote for each of the nominees for election. If you withhold authority to vote with respect to one or more director nominees, your vote will have no effect on the election of such nominees. Broker non-votes also will have no effect on the election of directors. There is no cumulative voting in the election of directors.

Proposal 2 Ratification of our Audit Committee's appointment of KPMG LLP as our independent registered public accounting firm the affirmative vote of the holders of a majority of the shares of Voting Shares present in person or represented by proxy and voting on the matter (which shares voting affirmatively also constitute at least a majority of the required quorum) is required to approve this proposal. You may vote for, against, or abstain on this proposal. Abstentions and broker non-votes will have no effect on the determination of whether this proposal has received the vote of a majority of the Voting Shares present or represented by proxy and voting at the meeting. However, abstentions and broker non-votes could prevent the approval of this proposal if the number of affirmative votes, though a majority of the votes represented and cast, does not constitute a majority of the required quorum.

What are Broker Non-Votes?

Stockholders who hold their shares through a broker or other nominee (in street name), must provide specific instructions to their brokers or other nominee as to how to vote their shares, in the manner prescribed by their broker or other nominee. In the absence of instructions, brokers and nominees typically have the discretion to vote such shares on the ratification of the appointment of auditors, but not on non-routine matters. If a broker or nominee has not received voting instructions from an account holder and does not have discretionary authority to vote shares on a particular item because it is a non-routine matter, a broker non-vote occurs.

Which proposals are considered routine or non-routine?

Only Proposal 2 (the proposed ratification of our independent registered public accounting firm) is considered a routine matter. A broker or other nominee may generally vote in their discretion on routine matters, and therefore no broker non-votes are expected in connection with Proposal 2. Proposal 1 is considered non-routine.

How many shares of Voting Shares are outstanding and entitled to vote at the meeting?

At the Record Date, a total of 32,733,288 Voting Shares were outstanding and entitled to vote at the meeting, consisting of 126,565 shares of Series A Preferred, 354,694 shares of Voting Series B Preferred Stock (Series B Preferred), and 32,252,029 shares of Common Stock.

Are any shares entitled to a class vote on any of the proposals to be considered at the meeting?

No shares of any class are entitled to a class vote on any of the proposals.

Table of Contents

Questions and Answers about the Annual Meeting and Procedural Matters

How many votes are required to approve other matters that may come before the stockholders at the meeting?

The affirmative vote of the holders of a majority of the Voting Shares represented and voting at the meeting (which shares voting affirmatively also constitute at least a majority of the required quorum) will be required to approve any other matters that may properly come before the meeting, unless a different vote is required by law, by our Certificate of Incorporation or by our bylaws.

Is my vote kept confidential?

Proxies, ballots and voting tabulations identifying stockholders are kept confidential and will not be disclosed except as may be necessary to meet legal requirements.

Where do I find the voting results of the meeting?

We will announce preliminary voting results at the meeting, and will file a Form 8-K with the SEC reporting the results within four business days after the date of the meeting. You can get a copy of that Form 8-K by e-mailing Overstock Investor Relations at ir@overstock.com or by calling the SEC at (800) SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at <https://www.sec.gov>. You can also get a copy from our website at <http://www.overstock.com/proxy>.

Who pays for the proxy solicitation process?

We will pay the costs of soliciting proxies, including the cost of preparing, posting and mailing proxy materials. In addition to soliciting stockholders by mail, we will request brokers, banks and other nominees to solicit their customers who hold shares of Overstock common stock or Series B Preferred in street name. We may reimburse such brokers, banks and nominees for their reasonable out-of-pocket expenses. We may also use the services of our officers, directors and employees to solicit proxies, personally or by telephone, mail, facsimile or email, without additional compensation other than reimbursement for reasonable out-of-pocket expenses. We intend to use the services of Georgeson Inc. in connection with the meeting and anticipate that the costs of such services will be approximately \$9,500 plus reimbursement for reasonable out-of-pocket expenses.

How can I get an additional copy of the proxy materials?

If you would like an additional copy of this proxy statement or our 2018 Form 10-K, these documents are available in digital form for download or review at <http://www.overstock.com/proxy>. Alternatively, we will promptly send a copy to you at no charge upon request by mail to Overstock.com, Inc., Attention: Investor Relations, 799 W. Proposal 2 Ratification of Appointment of Independent Registered Public Accounting Firm

Proposed Ratification of Appointment of KPMG LLP

The Audit Committee of the Board of Directors has appointed KPMG LLP as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2019 and the effectiveness of our internal control over financial reporting as of December 31, 2019. KPMG LLP has served as our independent registered public accounting firm since December 2009. Although ratification of the Audit Committee's selection of KPMG LLP is not required under our bylaws or other legal requirements, we are submitting the appointment of KPMG LLP to the stockholders as a matter of good corporate practice. If the stockholders do not ratify the appointment of KPMG LLP, the Audit Committee will reconsider whether or not to retain KPMG LLP. Even if the stockholders ratify the selection of KPMG LLP, the Audit Committee may appoint a different independent registered public accounting firm or replace KPMG LLP with a different independent registered public accounting firm at any time if the Audit Committee determines that it is in the best interests of the Company and the stockholders to do so. Representatives of KPMG LLP are expected to attend the annual meeting to respond to appropriate questions and will have an opportunity to make a statement if they so desire.

Audit Fees

KPMG LLP was engaged as our independent registered public accounting firm to audit our financial statements for the years ended December 31, 2018 and 2017, to audit the effectiveness of our internal control over financial reporting as of December 31, 2018 and 2017, to review our 2018 and 2017 interim financial statements, to perform services in connection with our registration statements and SEC comment letter responses, and to perform accounting consultation services. The aggregate audit fees KPMG LLP billed us for professional services were \$2,168,000 in 2018 and \$1,820,000 in 2017. All audit fees and other fees were pre-approved by the Audit Committee.

Audit-Related Fees

KPMG LLP billed us \$32,800 in 2018 and \$32,000 in 2017 for the audits of our 401(k) employee benefit plan.

Tax Fees

KPMG LLP billed us \$44,400 in 2018 and \$54,000 in 2017 for professional services rendered in connection with tax advice.

All Other Fees

KPMG LLP billed us \$2,500 in 2018 and \$2,500 in 2017 for a subscription to KPMG Accounting Research Online.

Auditor Independence

The Audit Committee has considered the role of KPMG LLP in providing us with the services described above, and has concluded that those services were compatible with the independence of KPMG LLP from management and from the Company.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

General

The Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy (the Policy), which sets forth the procedures and the conditions pursuant to which all services to be performed by the independent registered public

Table of Contents**Proposal 2**

accounting firm are required to be pre-approved. Under the Policy, proposed services either may be pre-approved by agreeing to a framework with descriptions of allowable services with the Audit Committee (general pre-approval), or require the specific pre-approval of the Audit Committee (specific pre-approval). Unless a type of service has received general pre-approval, it requires specific pre-approval by the Audit Committee if it is to be provided by the independent registered public accounting firm.

The Policy describes the Audit, Audit-related, Tax and All Other Services that are subject to the general pre-approval of the Audit Committee. The Audit Committee annually reviews and pre-approves the services that may be provided by the independent registered public accounting firm that are subject to general pre-approval. Under the Policy, the Audit Committee may delegate either type of pre-approval authority to its chairperson or any other member or members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next meeting. The Policy does not delegate the Audit Committee's responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Audit Services

The annual audit services engagement scope and terms are subject to the general pre-approval of the Audit Committee. Audit services include the annual financial statement audit (including required interim reviews performed in accordance with applicable standards) and other procedures required to be performed by the independent registered public accounting firm to be able to form an opinion on our consolidated financial statements. Audit services also include the attestation engagement for the independent registered public accounting firm's audit of the effectiveness of internal control over financial reporting. The Policy provides that the Audit Committee will monitor the audit services engagement throughout the year and will also approve, if necessary, any changes in terms and conditions resulting from changes in audit scope or other items. The Policy provides for Audit Committee pre-approval of specific audit services outside the engagement scope.

Audit-related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of our financial statements or that are traditionally performed by the independent registered public accounting firm. Under the Policy, the Audit Committee grants general pre-approval for audit-related services.

Tax Services

Under the Policy, the Audit Committee may grant general pre-approval for specific tax compliance, planning and advice services to be provided by the independent registered public accounting firm, that the Audit Committee has reviewed and believes would not impair the independence of the independent registered public accounting firm, and that are consistent with the SEC's rules on auditor independence. Tax services to be performed by our independent registered public accounting firm must be specifically approved by the Audit Committee.

All Other Services

Under the Policy, the Audit Committee may grant pre-approval for specific permissible non-audit services classified as All Other Services that it believes are routine and recurring services, would not impair the independence of the independent registered public accounting firm and are consistent with the SEC's rules on auditor independence. Services permissible under applicable rules but not specifically approved in the Policy require further specific pre-approval by the Audit Committee.

Procedures

Under the Policy, each year the Chief Financial Officer and our independent registered public accounting firm jointly submit to the Audit Committee a schedule of audit, audit-related, tax and other non-audit services that are subject to pre-approval. This schedule provides a description of each type of service that is subject to pre-approval and, where possible, provides projected fees (or a range of projected fees) for each service. The Audit Committee reviews and approves the types of services and reviews the projected fees for the next fiscal year. Any changes to the fee amounts

listed in the schedule are subject to further specific approval of the Audit Committee. The Policy prohibits the independent registered public accounting firm from commencing any project not described in the schedule approved by the Audit Committee until specific approval has been given.

Corporate Governance

General

We are committed to strong corporate governance principles. Effective governance protects the long-term interests of our stockholders, promotes public trust in the Company, and strengthens management accountability.

Corporate Social Responsibility

Our approach to corporate social responsibility is based on the foundational belief in the interconnection of our long-term business success and the strength of our communities and world. For nearly 20 years, we have partnered with nonprofit organizations to support our communities, respect the environment, and volunteer our time to those in need. A quote from Dr. Byrne on the wall of our corporate headquarters provides the mantra for our corporate responsibility work, “You do the right thing not because of how it will affect the bottom line. You do the right thing because you are the kind of person who does the right thing.”

Governance

Our commitment to corporate social responsibility is embedded in every level of the Company, and oversight rests with the Board of Directors. We have taken a number of steps to promote gender diversity on our Board and the advancement of women in leadership roles generally. For example, in May 2017, Allison Abraham was appointed as the first chairwoman of the Board, and in December 2017, we announced that we have taken the ParityPledge to promote the advancement of women within our organization, which includes, among other things, a commitment to interview at least one female candidate for open executive positions.

Environment

Our technology plays a critical role in transitioning to a more resource-efficient world by addressing the harmful effects of climate change, increasing business resiliency, and improving daily lives. We take environmental stewardship seriously. We strive to ensure environmental and social initiatives that go beyond our direct impact. We recognize the opportunity and importance of implementing measures to reduce our overall impact on the environment. We are eager to continue current initiatives such as recycling, conserving energy, and increasing transportation options. We are also exploring additional opportunities for emission reduction and eco-friendly innovations throughout our supply chain.

Our commitment to promoting environmental stewardship is evidenced in numerous aspects of our corporate operations, from technology development to our workspace, including the following:

Our headquarters, the Peace Coliseum, is LEED Gold-certified as an environmentally-conscious corporate headquarters.

When moving into our new headquarters, we also repurposed over 200 thousand pounds of furniture with nearly a dozen non-profit organizations, extending the life of this furniture, reducing greenhouse gases and solid, and

keeping this furniture out of our landfills.

We also promote our recycling program and our energy savings programs and provide new employees with reusable water bottles and bottle filling stations to reduce the number of plastic bottles we dispose of.

We also work with Rocky Mountain Power in buying energy through the BlueSky program.

In 2001, we founded a fair-trade shopping site, Worldstock, which promotes market access for artisans across the globe. As part of this program, we work with Carbonfund.org to provide carbon neutral shipping on all Worldstock orders at no additional charge to customers. Carbon-neutral shipping is a process that balances the carbon emissions of shipping to promote clean energy and reforestation. Since the beginning of the relationship with Carbonfund.org, we have offset over 24 million pounds of carbon and supported projects in the United States and across the globe.

Corporate Governance / Corporate Social Responsibility

Social

We demonstrate our commitment to corporate social responsibility and community involvement through our S.A.V.E program, which focuses on four important societal needs that align with our culture, products, and people: Sourcing Responsibly, Associate Development, Volunteering & Community, and Environmental Stewardship. We have also participated in the Adopt-A-Highway program and work with local law enforcement as it pertains to See Something/Say Something programs and programs associated with fire safety, active shooter, and similar community safety programs. We encourage our employees to contribute to the community by giving each employee eight hours of paid volunteer time off annually. Employees can use this time to serve the community in a number of ways, some of which have included volunteering at homeless shelters and animal shelters, sponsoring a highway cleanup, donating time to philanthropic projects, and serving on boards of various non-profit organizations.

Through Overstock Cares, our philanthropic arm, we have supported hundreds of non-profit organizations with millions of dollars worth of in-kind and monetary contributions. Some of these organizations include The Road Home, American Heart Association, Hope Refuge, The Inn Between, Make a Wish, Habitat for Humanity, and Operation Underground Railroad. Overstock Cares also supports three major corporate philanthropic partners: Best Friends Animal Society (BFAS), Special Operations Warrior Foundation (SOWF), and American Red Cross (ARC). We have also provided support to organizations such as these on our website, at checkout, where customers are given the opportunity to donate. One-hundred percent of customer donations made through our website are given directly to our charitable partners. Finally, we donate excess food from our on-site café at our corporate to Wasteless Solutions, a Utah-based organization committed to connecting surplus food with local non-profit organizations to help those in need and reduce food waste.

New Directors

In Past 5 Years

Board Structure

The Board of Directors currently consists of seven members. Each of the nominees for election is a current member of the Board. The remaining five directors are expected to continue to serve their terms as described below. Our directors serve staggered terms. This is accomplished as follows:

each director serves a three-year term,

the directors are divided into three classes,
the classes are as nearly equal in number as possible, and

the term of each class begins on a staggered schedule.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for each of the nominees. If any nominee is unable or declines to serve as a director at or prior to the time of the Annual Meeting, the proxies will be voted for a substitute nominee, if any, designated by the Nominating and Corporate Governance Committee of the Board of Directors to fill the vacancy. The proxy holders intend to vote all proxies received by them in such a manner as will ensure the election of the nominees. The terms of office of the persons elected as Class II directors will continue until the 2022 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified or until their earlier incapacity, resignation or removal. It is not expected that any nominee will be unable or will decline to serve as a director.

Board Independence

The Board has determined that a majority of our Board consists of independent members and will continue to consist of independent directors after the Annual Meeting. The Board has determined that each of our current directors is independent within the meaning of the Nasdaq director independence standards except for (i) Patrick M. Byrne, who serves as our Chief Executive Officer and in other capacities (see [Information Regarding Director Nominees and Other Directors](#));

Directors are Independent

(ii) Saum Noursalehi, who serves as Chief Executive Officer of our indirect majority-owned subsidiary tZERO Group, Inc. ([tZERO](#)) and has previously served in a number of executive positions with Overstock, and (iii) Jonathan E. Johnson III, who serves on Overstock's Board of Directors, and also serves as president of our wholly-owned subsidiary, Medici Ventures, Inc. ([Medici Ventures](#)) and as a member of its Board. In addition, Mr. Johnson has previously served in a number of other executive positions with Overstock.

Table of Contents**The Board / Committees of the Board**

In reaching its determinations regarding the independence of the members of the Board, the Board considered the fact that Ms. Abraham's adult son was an employee of the Company and is now an employee of our indirect majority-owned subsidiary tZERO, and determined that Ms. Abraham met the independence requirements. With respect to Mr. Corbus, the Board considered the facts that Mr. Corbus is currently also serving as a Director of our wholly owned subsidiary Medici Ventures and that Mr. Corbus has purchased warrants to purchase 3,800 shares of Medici Ventures' common stock, as well as the fact that Mr. Corbus formerly served as Co-CEO of WR Hambrecht + Co., and considered the services that WR Hambrecht + Co. has performed for the Company in the past and determined that Mr. Corbus met the independence requirements. With respect to Dr. Kalyanam, the Board considered the fact that Dr. Kalyanam served as a consultant to the Company prior to and after his appointment as a director, and was paid \$120,000 during 2015 by the Company for his consulting services, and determined that Dr. Kalyanam met the independence standards.

Committees of the Board

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each of which has adopted a written charter. Current copies of the committee charters are available on the Company's website at <http://investors.overstock.com>. All members of the committees are appointed by the Board of Directors, and each member is independent within the meaning of the Nasdaq director independence standards and SEC rules. The committees are described in more detail below.

Audit Committee. The Board has a standing Audit Committee. During 2018 the Audit Committee consisted of Allison H. Abraham, who serves as Chair, Barclay F. Corbus and Joseph J. Tabacco, Jr., each of whom is and was independent within the meaning of the Nasdaq director independence standards. The Board of Directors has determined that each of Ms. Abraham, Mr. Corbus and Mr. Tabacco is an audit committee financial expert as defined by the SEC. The experience of each such director that led the Board to the determination that such director is an audit committee financial expert is described below under Information Regarding Director Nominees and Other Directors. The Audit Committee is responsible for reviewing and monitoring our financial statements and our internal control over financial reporting, and selecting, reviewing and monitoring our independent registered public accounting firm, evaluating the scope of the annual audit, reviewing audit results, and consulting with management and our independent registered public accounting firm prior to presentation of financial statements to stockholders. The Report of the Audit Committee is included beginning on page 43 of this proxy statement.

Compensation Committee. The Board also has a standing Compensation Committee. During 2018 the Compensation Committee consisted of Joseph J. Tabacco, Jr., who serves as Chairman, and Allison H. Abraham, each of whom is a non-employee and independent. The Compensation Committee is responsible for approving salaries, incentives and other forms of compensation for our executive officers and certain other employees and administering various incentive compensation and benefit plans. The Compensation Committee Report is included on page 30 of this proxy statement.

Nominating and Corporate Governance Committee. The Board also has a standing Nominating and Corporate Governance Committee. During 2018 the Nominating and Corporate Governance Committee consisted of Joseph J. Tabacco, Jr., who serves as Chairman, and Allison H. Abraham, each of whom is a non-employee and

independent. The Committee has authority to recommend Board nominees to the full Board, and also has authority over matters of corporate governance. Each member of the Board of Directors has historically participated in the consideration of director nominees.

Board and Committee Meetings

The Board held 19 meetings during 2018, four of which were regularly scheduled and the rest of which were special meetings. The Audit Committee held eight meetings during 2018; the Compensation Committee held four meetings during 2018; and the Nominating and Corporate Governance Committee held four meetings during 2018. With the exception of Kirthi Kalyanam, each incumbent director attended at least 75% of the meetings of the Board and of the total number of meetings held by all committees of the Board on which he or she served during 2018. The non-management members of the Board of Directors meet regularly in executive session without management present.

Table of Contents

The Board / Board Leadership Structure

Board Leadership Structure

Patrick M. Byrne serves as our principal executive officer and as a member of the Board of Directors. Allison H. Abraham has served as Chairwoman of the Board since 2017. We have not named a lead independent director. At December 31, 2018, the Board consisted of seven directors; four of whom were independent. We believe that our leadership structure is appropriate because the size of the Board and the composition of the Board permit and encourage each member to take an active role in all discussions, and each member does actively participate in all substantive discussions. We believe that our current structure is serving the Company well at this time. Although Dr. Byrne previously served as both Chairman and Chief Executive Officer, the Board separated the roles of Chairman and Chief Executive Officer in 2014 based on its perceptions of the Company's best interests at the time. We do not have any procedures for deciding when to separate or combine these positions.

Board Role in Risk Oversight

The Board has delegated responsibility for oversight of risk management relating to compensation matters to the Compensation Committee. The Board has delegated responsibility for cybersecurity risks, including protection of customer and employee data, proprietary information, and cyber risks, to the Audit Committee and management. The Board has delegated responsibility for financial and other risk management to the Audit Committee, although the full Board remains involved in risk management. The Committees and the Board receive periodic reports from management regarding various aspects of the Company's risk management program. The manner in which the Board and Committees administer the oversight of risk management has not had any effect on the Board's leadership structure.

Director Qualifications

The Nominating and Corporate Governance Committee has developed the Company's Corporate Governance Principles (Principles), which have been adopted by the Board. The Principles set forth the Committee's belief that while there are no specific minimum qualifications the Committee believes must be met by a candidate to be recommended by the Committee, candidates for election to the Board should have the highest professional and personal ethics and values. Candidates should have broad relevant experience, and should be committed to enhancing long-term stockholder value. They should be able and willing to provide insight and practical advice, and they must actively represent the interests of the stockholders. The Committee believes that a variety of types and a balance of knowledge, experience and capabilities among the members of the Board are in the best interests of the stockholders. The Principles set forth the Committee's belief that diversity of viewpoint, professional experience and other individual qualities and attributes should be considered to the extent that they relate to the contribution a director is expected to make to the Board and the Company. The Committee periodically reviews the Principles, including the portion regarding diversity. The ability of a candidate to make independent analytical inquiries, the ability to understand the Company's business, and the willingness of a candidate to devote adequate attention and time to the duties of the Board, are all relevant to the qualifications of a candidate. The specific experience, qualifications, attributes or skills that led the Committee to the conclusion that each director should be a director in light of our business and structure are described under Information Regarding Director Nominees and Other Directors, below.

Identification and Evaluation of Nominees for Director

The Nominating and Corporate Governance Committee believes that the current Board composition is serving the stockholders of the Company well. In the future, the Committee may consider additional candidates identified through current members of the Board, professional search firms, stockholders or other persons. Candidates may be evaluated at regular or special meetings of the Board, and may be considered at any point during the year.

Stockholders may propose director candidates for general consideration by the Nominating and Corporate Governance Committee by submitting in proper written form the individual's name, qualifications, and the other information required by the Bylaws as described below in **Other Information Procedure for Nominating Directors for Election at an Annual Meeting or a Special Meeting** to the Secretary of the Company. The Nominating and Corporate Governance Committee will evaluate any candidates recommended by stockholders against the same criteria applicable to the evaluation of candidates proposed by directors or management.

The Board / Communications with the Board

The Committee has not approved any nominee for inclusion on our proxy card for the 2019 Annual Meeting other than Kirthi Kalyanam and Joseph J. Tabacco, Jr., each of whom is a current member of the Board. We have not paid a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees. The Committee did not receive, by a date not later than the 120th calendar day before the date of the Company's proxy statement released to security holders in connection with the previous year's annual meeting, a recommended nominee from a security holder that beneficially owned more than 5% of the Company's voting common stock for at least one year as of the date the recommendation was made, or from a group of security holders that beneficially owned, in the aggregate, more than 5% of the Company's voting common stock, with each of the securities used to calculate that ownership held for at least one year as of the date the recommendation was made.

Communications with the Board

The Board has adopted resolutions to provide a formal process by which stockholders may communicate with the Board. The process adopted by the Board permits stockholders to communicate with the Board either in writing, addressed to the Board at the Company's headquarters at 799 W. Coliseum Way, Midvale, Utah 84047, or by e-mail, sent to *boardofdirectors@overstock.com*. The determination whether a communication involves a matter appropriate for stockholder communications with the Board is made by the Chairwoman of the Board or our General Counsel. Stockholders who desire to utilize the procedures described under **Other Information Procedure for Submitting Stockholder Proposals** or **Procedure for Nominating Directors for Election at an Annual Meeting or a Special Meeting** should read those sections and the applicable portions of our bylaws and follow the procedures described.

Annual Meeting Attendance

Our policy is that Board members should attend our annual stockholders meetings if reasonably possible. All members of the Board attended the last annual stockholders meeting, which was held in May 2018.

Director Resignation Policy

Our Board has adopted a director resignation policy. The policy applies only to uncontested elections of directors. Under the policy, any incumbent nominee who fails to receive a greater number of for votes than withhold votes or instructions is required to tender his or her resignation to the Chairwoman of the Board within five business days following the certification of the stockholder vote. The Nominating and Corporate Governance Committee will consider any such tendered resignation and will make a recommendation to the Board of Directors concerning the acceptance or rejection of such resignation within 60 days following the date of the stockholders' meeting. The Board of Directors will determine whether to accept or reject the resignation within 30 days after its receipt of the Committee's recommendation, and we will publicly disclose the Board's decision and, if applicable, the reasons for rejecting the tendered resignation, in a Form 8-K to be filed with the Securities and Exchange Commission within four business days after the Board's decision is made.

Code of Ethics

We have adopted a code of business conduct and ethics that applies to all of our directors and employees. We will provide a copy of the code of ethics to any person without charge, upon request. Requests for a copy of the code of ethics may be made in writing addressed to: General Counsel, Overstock.com, Inc., 799 W. Coliseum Way, Midvale, Utah 84047.

Policies and Procedures Regarding Related Party Transactions

The Board has established a written policy and procedures for the review and approval or ratification of related party transactions. Under the Board's policy, any related party transaction that would be required to be disclosed pursuant to Item 404 of Regulation S-K is subject to the prior approval of the Audit Committee unless prior approval is not feasible, in which case the transaction is required to be considered at the Audit Committee's next meeting and, if the Audit Committee determines it to be appropriate, may be ratified at that meeting. In determining whether to approve or ratify a related party transaction, the Audit Committee takes into account, among other factors it deems appropriate, whether the transaction is on terms no less favorable to us than terms generally available from an unrelated person under the same or similar circumstances, and the extent of the related person's interest in the transaction. No member of the Audit Committee may participate in any approval or ratification of a related party transaction in which such member is a related person, other than to provide the Audit Committee with all material information regarding the transaction, including information regarding the extent of the member's interest in the transaction, except that the Audit Committee may allow one or more members to participate in any approval or ratification of a related party transaction or potential related party transaction in which such member(s) is or may be a related person if the Audit Committee determines that doing so is in the best interests of the Company and its stockholders and informs the Board of Directors of any such approval. If a related party transaction will be ongoing, the Audit Committee may establish guidelines or other parameters or conditions relating to our participation in the transaction. Compensation Discussion and Analysis

Introduction

The Compensation Committee administers our executive compensation program. The Compensation Committee, which consists entirely of independent directors, is responsible for reviewing and approving our compensation policies, for reviewing and approving all forms of compensation for our executive officers, including our named

executive officers identified in the Summary Compensation Table below (the Named Executive Officers), for administering our incentive compensation programs, for approving and overseeing the administration of our employee benefits programs other than medical benefits programs, and for providing insight and guidance to management with respect to employee compensation and retention generally. Following is a discussion of the objectives and implementation of our executive compensation programs.

The Compensation Committee operates under a charter adopted by the Board of Directors. The Compensation Committee periodically reviews the adequacy of its charter and recommends changes to the Board for approval as it considers appropriate. The Compensation Committee meets at scheduled times during the year and also acts from time to time by written consent. The Compensation Committee reports on its activities and makes recommendations at meetings of the Board. The Compensation Committee approves executive salaries, approves awards under incentive/bonus plans, and administers the Company's 2005 Equity Incentive Plan. The Compensation Committee periodically reviews comparative executive compensation information from other public companies. Additionally, from time to time, the Compensation Committee reviews other human resource issues, including qualified and non-qualified benefits and management performance appraisals and succession planning. During 2018, our Chief Executive Officer (Dr. Byrne) (our CEO), our President, Retail, our President, Medici Ventures, our Chief Financial Officers and other executive officers made recommendations and participated in compensation discussions concerning executive officers. The Compensation Committee does not have the power to delegate any of its authority to any other person. Our CEO does not participate in any Compensation Committee deliberations regarding his compensation, but, as he has done for the last several years, informed the Committee prior to its deliberations that he would not accept any bonus payment and would not accept a salary of more than approximately \$100,000.

Executive Compensation / Compensation Discussion and Analysis

2017 Say on Pay Vote and 2017 Say on When Vote

At the 2017 annual stockholders meeting our stockholders voted, on an advisory basis, to approve our executive compensation. The Compensation Committee was aware of the results of the advisory vote when it made 2018 compensation decisions, but its awareness of the advisory vote did not affect the Committee's decisions. The Compensation Committee intends to consider the results of the 2017 say on pay vote in future compensation decisions.

At the 2017 annual stockholders meeting the stockholders also voted, on an advisory basis, to approve the Board's recommendation that future advisory votes regarding our executive compensation be held once every three years. We have determined to follow the stockholder vote.

Compensation Objectives

Our executive compensation programs seek to attract and retain highly competent executive management who will build long-term economic value for the Company. Our general compensation philosophy for our executives is that our executives' cash compensation should generally be at levels that are sufficient to retain the services of the executives, but that our executives' opportunities for more significant compensation should be tied closely to our performance.

The objectives of our executive compensation plans and programs are to:

Increase the long-term economic value of the Company;

Retain the senior executives; and

Deliver the total executive compensation package in a cost-effective manner.

Our executive compensation policy is designed to reward decisions and actions that have a positive effect on our financial performance and long-term stock value, and to balance short-term and long-term goals. Since 2008 our approach to equity awards has been to make an annual grant of restricted stock units (RSUs) in an effort to create an equity awards system that will have long-term motivational effects tied directly to our stock price, subject to compliance with the vesting requirements. The Compensation Committee believes that annual RSU grants, with multi-year vesting requirements, made over a number of years, should have the desired effect of providing appropriate incentives tied to the market price of the common stock over a long period of time, without encouraging short-term or inappropriate management decisions. During 2018 the Compensation Committee also made supplemental RSU grants to one or more Named Executive Officers as described below.

In addition to our 2005 Equity Incentive Plan, Medici Ventures and tZERO have each adopted an equity incentive plan. During 2018 certain of our Named Executive Officers received grants under the Medici Ventures, Inc. Stock

Option Plan (the Medici Option Plan) and/or the tZERO Plan (as defined below), as shown in the Summary Compensation Table and other tables below.

In 2018 our Named Executive Officers were not eligible to participate in any bonus plan, but some received individual bonuses, as described below.

In 2018 our Named Executive Officers did not receive any adjustments to their base salaries based on marketplace changes or other developments outside of the Company. During 2018, the only adjustments the Compensation Committee made to the base salaries of any of our Named Executive Officers were based on changes to the responsibilities of certain Named Executive Officers as described below.

The accounting and tax treatment of particular forms of compensation generally do not affect the Compensation Committee's compensation decisions.

Employment Agreements

None of our Named Executive Officers has an employment or severance agreement.

Retirement Benefits

We do not offer any pension plan or other retirement benefits except a 401(k) plan and a nonqualified deferred compensation plan for senior management. At December 31, 2018 none of our Named Executive Officers participated in the nonqualified deferred compensation plan.

Role of Compensation Consultants

During 2018 neither the Compensation Committee nor the Company engaged or received advice from any compensation consultant.

Elements of Compensation

The elements of total compensation for which our Named Executive Officers were generally eligible during 2018 were as follows:

Base salary (in which we include payments for paid time off, holiday pay, and pay for working during Company holidays);

Individual bonuses;

Awards under our 2005 Equity Incentive Plan, and, for employees and directors of Medici Ventures and/or tZERO, awards under the Medici Option Plan and/or the tZERO Plan (defined below);

Matching contributions under our 401(k) plan;

Benefits under our health, welfare and supplemental disability benefits plans;

Benefits under our Nonqualified Deferred Compensation Plan;

Subsidized meals in our Company cafeteria; and

Service awards for reaching five, ten or 15 years of service to the Company, which may include gross up payments to compensate for the taxes on those awards.

Each of these elements is discussed below.

Our CEO. In 2018, our CEO Dr. Byrne's base salary of \$96,779, plus holiday pay and other minor adjustments, resulted in the salary reported in the summary compensation table of \$104,231. Dr. Byrne also received 401(k) matching contributions of \$6,000; had imputed income for group term life insurance in the amount of \$774; and received a grant of a stock option under the Medici Option Plan with a grant date fair value of \$25,593 to acquire up to 300 shares of Medici Ventures common stock. Dr. Byrne did not receive any equity award under our 2005 Equity Incentive Plan during 2018.

Base Salary. The base salaries of the Named Executive Officers are reviewed by the Compensation Committee annually. Salaries for the Named Executive Officers for 2018 were unchanged from their 2017 salaries, with the following exceptions:

On January 29, 2018 the Committee approved an increase in Mr. Noursalehi's salary from \$400,000 to \$500,000. The Committee approved the increase based on its subjective perceptions of the difficulty of Mr. Noursalehi's role and recognition of his efforts during 2017. Effective May 9, 2018, Mr. Noursalehi was appointed as Chief Executive Officer of tZERO, and resigned as President, Retail of the Company. In connection with Mr. Noursalehi's appointment as Chief Executive Officer of tZERO, the Committee approved an increase of his salary from \$500,000 to \$1,000,000. The Committee approved the increase based on its subjective perceptions of the substantial requirements of his new position and the importance to the Company of building the tZERO blockchain-based business.

On February 22, 2018, the Committee approved an increase in Mr. Knab's salary from \$300,000 to \$400,000. The Committee approved the increase based on its subjective perceptions of the difficulty and critical nature of Mr. Knab's role and in recognition of his efforts during 2017.

On or about May 27, 2018, Vikram Raghavan was appointed as Chief Product Officer of tZERO and resigned as Senior Vice President of Product Development of the Company. In connection with Mr. Raghavan's appointment as

Table of Contents**Executive Compensation** / Compensation Discussion and Analysis

Chief Product Officer of tZERO, the Committee approved an increase in his salary from \$300,000 to \$400,000 primarily because of the substantial increase in his duties with respect to his new position. Mr. Raghavan resigned from tZERO on or about September 15, 2018.

Mr. Iverson joined us April 2, 2018, and effective April 16, 2018, he became our Chief Financial Officer.

Effective April 16, 2018, Mr. Hughes resigned as our Senior Vice President, Finance and Risk Management in order to become the Chief Financial Officer of one of our partially owned subsidiaries. In connection with the change the Committee approved a change of Mr. Hughes' salary from \$300,000 to \$200,000 as a result of the decrease in his responsibilities.

2018 Individual Bonus Payments. In 2018 our Named Executive Officers were not eligible to participate in any bonus plan. Mr. Hughes received a cash bonus of \$5,769, an amount equal to one week of pay, for his work related to tZERO, and an award for his 10 years of service to the Company of a \$250 gift card and a \$1,000 cash payment with a tax gross-up payment of \$529. Mr. Raghavan received a bonus of \$15,000 for having completed one year of service.

2005 Equity Incentive Plan. We use the grant of awards under our 2005 Equity Incentive Plan to provide long-term incentive compensation opportunities to our key employees, including the Named Executive Officers. The plan was most recently reapproved by the stockholders in 2017. It provides for the grant of equity-based awards, including restricted stock and restricted stock unit awards. The plan is designed to provide incentive compensation that aligns management's financial interests with those of our stockholders and encourages management ownership of our common stock.

Since 2008 the only type of award we have granted under the 2005 Equity Incentive Plan has been restricted stock units (RSUs). The Compensation Committee determines the number of RSUs to be granted to key employees, including Named Executive Officers, based on a recommendation of management including the active participation during 2018 of the CEO, by determining the aggregate amount the Compensation Committee considers appropriate for the entire group and allocating the awards on the basis of management's recommendation and the Compensation Committee's subjective views of the relative ability of key employees or groups of key employees to make positive contributions to the Company. The Compensation Committee generally makes equity grants to key employees, including Named Executive Officers, annually at a regularly scheduled Compensation Committee meeting typically held in late January or early February of each year. In 2018, the Compensation Committee made these regular equity grants on January 26, 2018. In addition, the Compensation Committee approved an RSU grant on May 8, 2018, to our new Chief Financial Officer, Mr. Iverson, who was hired on April 2, 2018. We have not otherwise adopted any specific policy regarding the amount or timing of any stock-based compensation for employees under the 2005 Equity Incentive Plan, although the aggregate amount of the equity grants to employees in recent years has generally been a number of shares approximately equal to 1-2% of the number of shares outstanding, and the annual grant typically occurs during the first half of the year. We have never backdated or repriced options or any other equity award. The aggregate grant date fair value of equity-based awards is set forth in the Summary Compensation Table. Information concerning the number of RSUs held by each Named Executive Officer as of December 31, 2018, under the 2005 Equity Incentive Plan is set forth in the Outstanding Equity Awards at Fiscal Year-End Table. The annual RSU grants

to our Named Executive Officers have historically been the most significant incentive compensation arrangement we utilize. As described below, Medici Ventures and tZERO have also begun utilizing equity incentive plans.

Medici Option Plan. In July 2017 our wholly-owned subsidiary Medici Ventures, Inc. adopted the Medici Option Plan, which provides for the grant with respect to Medici Ventures common stock of non-qualified stock options. During 2018 the only Named Executive Officer to receive an award under this plan was Dr. Byrne, who received a non-qualified stock option with a grant date fair value of \$25,593 to acquire up to 300 shares of Medici Ventures common stock.

tZERO Group, Inc. 2017 Equity Incentive Plan.

In December 2017, our indirect majority-owned subsidiary tZERO adopted an equity incentive plan which provides for the grant with respect to tZERO common stock of non-qualified stock options, restricted stock and RSUs (tZERO Plan). During 2018, tZERO granted non-qualified stock options to the following Named Executive Officers:

Mr. Noursalehi received an option with a grant date fair value of \$1,610,868 to acquire up to 2,000,000 shares of tZERO common stock.

Table of Contents

Executive Compensation / Compensation Discussion and Analysis

Mr. Goyal received an option with a grant date fair value of \$317,450 to acquire up to 350,000 shares of tZERO common stock.

Mr. Raghavan received an option with a grant date fair value of \$416,430 to acquire up to 500,000 shares of tZERO common stock. Mr. Raghavan forfeited his unvested equity awards for no consideration when he resigned from tZERO on or about September 15, 2018.

401(k) Plan. We maintain a 401(k) plan, in which Named Executive Officers may participate. During 2018 we made 100% matching contributions on the first 6% of eligible compensation deferred by employees. Such matching amounts vested immediately. We did not make any profit sharing contributions in 2018. The amounts of the matching contributions to our Named Executive Officers are included in the All Other Compensation column of the Summary Compensation Table. Participation in the 401(k) plan is available to employees on a non-discriminatory basis.

Health and Welfare Benefits. We provide health, life and disability insurance and other employee benefits programs to our employees, including our Named Executive Officers. We also provide supplemental disability insurance for our senior management team members, including the Named Executive Officers. Except for the supplemental disability insurance, our employee benefits plans are provided on a non-discriminatory basis. The amounts of the supplemental disability insurance premium payments we make for the benefit of our Named Executive Officers are included in the All Other Compensation column of the Summary Compensation Table.

Nonqualified Deferred Compensation Plan. We have a nonqualified deferred compensation plan for senior management (the Deferred Compensation Plan). The Deferred Compensation Plan, which is described in more detail below, allows participants to defer receipt of compensation otherwise payable to them under our existing compensation plans, and also permits us to make discretionary contributions to participants' accounts. We have never made any discretionary contributions to participants' accounts. At December 31, 2018 none of our Named Executive Officers had any amounts deferred under the Deferred Compensation Plan.

Company Cafeteria. We operate a subsidized cafeteria in our corporate headquarters. The cafeteria is open to all employees on a non-discretionary basis. We track purchases by each employee in order to compute imputed income for each employee, including Named Executive Officers.

Service Awards. We pay service awards to all employees, including Named Executive Officers, for reaching certain milestones for their years of service. Although these awards are primarily ceremonial, we believe that loyalty to the Company and length of service deserve recognition. We therefore provide the following employee service awards:

after five years of service we provide a \$250 Company gift card;

after ten years of service we provide a \$250 Company gift card plus \$1,000 cash with a gross up to compensate the employee for taxes on the award; and

after fifteen years of service we provide a \$250 Company gift card plus we allow the employee to take a one-month sabbatical with pay.

Why We Pay these Elements of Compensation; How We Determine the Amounts; and Interrelationships of these Elements. The main elements of compensation potentially available to our Named Executive Officers (other than our Chief Executive Officer) for 2018 were base salary and RSU grants, with the possibility of bonus payments for individual performance. The three elements operate independently of one another. The Compensation Committee periodically considers the value of each component and the total value of the compensation package being provided to each of the Named Executive Officers, as well as the history of each officer's compensation package. The base salaries we paid the Named Executive Officers during 2018 were paid in order to retain the services of those executives.

The Compensation Committee granted RSUs to our Named Executive Officers and other key employees on January 26, 2018 to provide long-term incentive compensation tied directly to the price of the Company's common stock. The grants were intended to have a retention effect, as they vest in equal annual increments over a three-year period. They were also intended to provide reasonable incentives tied to the price of the Company's common stock, which the Compensation Committee believes to be in the best interests of stockholders generally. In approving the

Table of Contents

Executive Compensation / Compensation Discussion and Analysis

January 2018 grants the Compensation Committee considered the substantial increase in the price of the Company's common stock during 2017 and January 2018, as well as the historical volatility of the price of the Company's common stock, and determined that it was in the Company's best interest to keep the aggregate amount of the grants reasonably consistent with prior years.

The Compensation Committee sometimes approves individual bonus payments as rewards for extraordinary efforts. The bonus payments to our NEOs during 2018 are described above under *2018 Bonus Payments*.

We provide the 401(k) plan, the health and welfare benefits and the Company cafeteria to help make our overall compensation packages and work environment more attractive to all our employees, including our Named Executive Officers.

Risks of Our Compensation Policies and Practices. We periodically analyze and evaluate risks arising from our compensation policies and practices, and have concluded that our compensation policies and practices are not reasonably likely to have a material adverse effect on us.

Nonqualified Deferred Compensation Plan

We have a nonqualified deferred compensation plan for senior management (the *Deferred Compensation Plan*). The *Deferred Compensation Plan* allows participants to defer receipt of compensation otherwise payable to them under our existing compensation plans, and also permits us to make discretionary contributions to participants' accounts. Participants are permitted to select from a limited number of investment alternatives available under the Plan. Under the terms of the *Deferred Compensation Plan*, eligible members of senior management, including the Named Executive Officers, may defer receipt of their compensation, including up to 50% of their salaries and up to 90% of their bonuses. We may, though we have no obligation to, make discretionary contributions on behalf of a participant in the *Deferred Compensation Plan*, in such form and amount as we deem appropriate. To date, we have not made any contributions to the *Deferred Compensation Plan* on behalf of any Named Executive Officer. We have never paid any above-market or preferential earnings on any compensation deferred under the *Deferred Compensation Plan*. At December 31, 2018 none of our Named Executive Officers had any funds in the *Deferred Compensation Plan*.

Executive Compensation Action Taken After Year-End

The Compensation Committee did not take any action relating to 2018 compensation of any Named Executive Officer after December 31, 2018.

On February 13, 2019, the Compensation Committee met to set 2019 salaries for our Named Executive Officers and made RSU grants. The Compensation Committee has not approved any 2019 bonus plan in which our Named Executive Officers would be eligible to participate. Below are the 2019 salaries and RSU grants provided to our Names Executive Officers.

Timing of Equity Awards

The Compensation Committee did not grant any stock options under the 2005 Equity Incentive Plan to any of our Named Executive Officers during 2018. We do not have any program, plan or practice to time option grants, RSU awards or any other equity awards to our Named Executive Officers or to any other employee in coordination with the release of material non-public information. The Company's Board of Directors and Board committees, including the Compensation Committee, normally schedule their regular meetings at least a year in advance. Meetings of the Compensation Committee are generally held in connection with the regularly scheduled Board meetings. The meetings are scheduled in an effort to meet a number of different timing objectives, including the review of financial results and the review of press releases and filings containing financial results. The Compensation Committee may approve equity awards shortly before or after the public release of financial results or other material information, because the Compensation Committee holds its meetings in connection with the Board meetings, not because of a program, plan or practice to time option grants or other equity awards. We also do not set the grant date of any equity awards to new executives in coordination with the release of material non-public information, and we have not timed, and do not plan to time, the release of material non-public information for the purpose of affecting the value of executive compensation.

During 2018, Medici Ventures granted non-qualified stock options under the Medici Option Plan to certain of its employees and directors, including Dr. Byrne. The discussion in the paragraph above regarding the timing of meetings and other logistics regarding the 2005 Equity Incentive Plan is also generally applicable to the activities of the Medici Ventures Board relating to the Medici Option Plan.

During 2018, tZERO granted non-qualified stock options under the tZERO Plan to certain of its employees and directors, including Mr. Noursalehi, Mr. Goyal and Mr. Raghavan. Mr. Raghavan forfeited his unvested equity awards when he resigned from tZERO on or about September 15, 2018. The discussion in the second preceding paragraph above regarding the timing of meetings and other logistics regarding the 2005 Equity Incentive Plan is also generally applicable to the activities of the tZERO Board relating to the tZERO Plan.

Severance and Change of Control Arrangements

None of our executive officers has any contractual right to any severance or change of control payments under any employment or severance agreement although we do sometimes make severance payments on a case-by-case basis.

Our executive officers hold RSUs issued under our 2005 Equity Incentive Plan, and the vesting of such awards may be accelerated, under certain circumstances, upon or in connection with a change of control of the Company or upon the termination of the employment of the holder within a period of time after a change of control has occurred. The 2005 Equity Incentive Plan provides that if a merger or change of control (as defined in the plan) occurs, outstanding awards will be assumed by the successor or an equivalent award will be substituted, or the award will vest and the participant will have the right to exercise the award. The 2005 Equity Incentive Plan also provides that the Board has the power to modify any outstanding awards at any time, by accelerating vesting or otherwise.

In addition, as described above, our Deferred Compensation Plan allows participants to defer receipt of compensation otherwise payable to them under our existing compensation plans, and permits us to make discretionary contributions to participants' accounts. Participants are fully vested in all amounts deferred and any earnings or losses on those deferrals at all times. Upon termination of service due to retirement, disability or death, a participant becomes fully vested in any additional amounts, including any discretionary contributions we make, credited to his or her account. To date, we have not made any contributions to the Deferred Compensation Plan on behalf of any Named Executive Officer, and at December 31, 2018 none of our Named Executive Officers had any funds in the Deferred Compensation Plan.

Certain of our executive officers hold options granted under the Medici Option Plan, and the vesting and exercisability of such options may be accelerated in connection with a change of control (as defined in the Medici Option Plan) or otherwise.

Executive Compensation / Compensation Discussion and Analysis

Certain of our executive officers hold options or other awards granted under the tZERO Plan. The tZERO Plan provides that in the event of a change of control (as defined in the tZERO Plan), the administrator shall accelerate, vest or cause the restrictions to lapse with respect to all awards outstanding under the plan prior to the change in control.

Security Ownership Requirements

We do not have any policy requiring our Named Executive Officers or directors to own any specified amount of our common stock. At March 12, 2019 our CEO beneficially owned approximately 14.4% of our common stock.

Hedging Policy

We have a policy prohibiting directors, officers and other employees and members of their immediate families from engaging in short sales of our stock or otherwise engaging in any transaction intended to hedge against or profit from any decrease in the market value of our securities.

- (3) Dr. Byrne did not receive any Overstock equity award in 2018. On April 18, 2018 Dr. Byrne was granted a non-qualified stock option with a grant date fair value of \$25,593 to acquire up to 300 shares of Medici Ventures common stock pursuant to the Medici Option Plan. On December 27, 2017 Dr. Byrne was granted a non-qualified stock option with a grant date fair value of \$2,800 to acquire up to 2,500 shares of Medici Ventures common stock pursuant to the Medici Option Plan. The Company reported the December 27, 2017 grant in a Form 8-K filed January 3, 2018, but inadvertently omitted the \$2,800 grant date fair value of that award from the summary compensation table in the proxy statement for the 2018 annual stockholders meeting. The 2017 amounts in the compensation tables have been corrected to include that award. Amounts shown in All Other Compensation in 2018 for Dr. Byrne include Company provided 401(k) matching contributions (with a 100% match of the first 6% of eligible contributions), in the amount of \$6,000; and imputed income for group term life insurance in the amount of \$774.

Nonqualified Deferred Compensation Plan

We maintain a nonqualified deferred compensation plan for senior management. The Deferred Compensation Plan allows participants to defer receipt of compensation otherwise payable to them under our existing compensation plans, and also permits us to make discretionary contributions to participants' accounts. We may, though we have no obligation to, make discretionary contributions on behalf of a participant in the Deferred Compensation Plan, in such form and amount as we deem appropriate. To date, we have not made any contributions to the Deferred Compensation Plan on behalf of any Named Executive Officer. Participants are permitted to select from a limited number of investment alternatives, which are identified below. The investment alternatives were selected by the Company. A

participant may change his or her selection of investment funds no more than six times each year. Eligible members of senior management, including the Named Executive Officers, may defer receipt of their compensation, including up to 50% of their salaries and up to 90% of their bonuses. Subject to plan restrictions and subject to prior distribution as a result of retirement, separation from service for other reasons, disability or death, and subject to other restrictions, each participant designates the timing of his or her distributions and whether payment is to be made in a lump sum or in equal annual installments over a period of up to five years. Subject to various restrictions, a participant may periodically change the timing of his or her distributions. During 2018 none of our Named Executive Officers participated in the Deferred Compensation Plan.

Compensation of Directors

During 2018 we paid our non-employee directors annual cash fees of \$75,000 with payments on a quarterly basis, except for our Chairwoman, Allison H. Abraham, who we paid at an annual rate of \$150,000, with payments on a quarterly basis. The Compensation Committee also grants RSU awards to our non-employee directors annually, generally at the first Board meeting after the director first joins the Board, and then periodically thereafter. In 2018 the Compensation Committee granted RSUs to our non-employee directors as follows:

Name	Grant Date	Number of Restricted Stock Units (1)	Closing Price of Common Stock on Date
Allison H. Abraham	January 26, 2018	3,300	\$74.45
Barclay F. Corbus	January 26, 2018	3,300	\$74.45
Kirthi Kalyanam	January 26, 2018	3,300	\$74.45
Joseph J. Tabacco, Jr.	January 26, 2018	3,300	\$74.45

(1) The RSUs vest over a three-year period in three equal annual increments on the first, second, and third anniversaries of the grant date. Each director was originally granted 5,000 RSUs; however, we subsequently reduced each grant by 1,700 RSUs as described below, to a total of 3,300 RSUs for each director, because the original grants inadvertently caused the 2018 compensation we expected to pay each of our non-employee directors to exceed the \$400,000 per non-employee director total value limit described below. Consequently, each of our non-employee directors volunteered to cancel a portion of his or her RSU grant in order to ensure compliance with the limit, and on June 19, 2018, with the approval of the Compensation Committee, we and the non-employee directors cancelled 1,700 of the 5,000 RSUs originally granted to each non-employee director and agreed that the vesting of the remaining 3,300 RSUs would be in equal amounts of 1,100 RSUs on each of the original vesting dates.

None of our directors or director nominee has any agreement or arrangement with any third party that relates to compensation or other payment in connection with that person's candidacy or service as a director of the Company. The Board's determination of the compensation that non-employee directors receive has two components. The first is the amount of time and effort the directors are required to devote to the Company's business. The second component is the Board's perception of the approximate value of the grant of the RSUs, based on the recent and historical market values of the underlying common stock, and considering the restricted nature of the grants. The Board attempts to establish the annual grant at a level that, together with the quarterly cash compensation paid to the non-employee directors, provides fair compensation to the non-employee directors for their services to the Company. The 2005 Equity Incentive Plan provides that awards to any non-employee director plus the cash fees payable to the director during such fiscal year for service as a non-employee director will not exceed \$400,000 in total value (calculating the value of any such awards based on the grant date fair value of such awards for financial reporting purposes), plus up to

an additional \$200,000 for service on any special committee of the Board. On an annual basis, the Company's Chairperson and Chief Executive Officer have historically made recommendations regarding the RSU grants, and the Board members have discussed the proposals. None of the Board, any committee of the Board or the Company has retained any consultant or other advisor to make recommendations or otherwise be involved in decisions regarding the compensation of the non-employee directors.

Jonathan E. Johnson III serves as a member of Overstock's Board of Directors. Mr. Johnson also serves as President, Medici Ventures, and is an executive officer of Overstock, and is compensated as such. Mr. Johnson is not a Named Executive Officer, and he does not receive any additional compensation for serving as a member of Overstock's Board of Directors. Consequently, Mr. Johnson is not included in the Director Compensation Table.

We have a non-employee director nonqualified deferred compensation plan, which allows directors to defer receipt of compensation otherwise payable to them under our existing compensation plans. The terms of the non-employee nonqualified deferred compensation plan are substantially the same as those of our Deferred Compensation Plan for senior management. None of our directors has ever participated in the non-employee director nonqualified deferred compensation plan.

The following table sets forth the compensation paid to or accrued by the Company with respect to each non-employee member of the Board of Directors during the year ended December 31, 2018, net of the cancellations described above. We also reimburse our directors for out-of-pocket expenses incurred in connection with attending Board and committee meetings.

Net of the cancellations, each non-employee director received a grant of 3,300 RSUs on January 26, 2018. At December 31, 2018, the number of RSUs held by each non-employee director was as follows: Ms. Abraham: 11,635; Mr. Corbus: 8,301; Dr. Kalyanam: 8,301; Mr. Tabacco: 8,301.

Potential Payments Upon Termination or Change of Control

Acceleration upon change of control

Except as described below in connection with a change of control or certain changes following a change of control, none of our Named Executive Officers has any contract, agreement, plan or arrangement, whether written or unwritten, that provides for payment(s) to the Named Executive Officer at, following, or in connection with any termination of the Named Executive Officer or change in the Named Executive Officer's responsibilities. No Named Executive Officer is entitled to any payment or accelerated benefit in connection with a change of control of the Company, or a change in his or her responsibilities following a change of control, except for potential accelerated vesting of awards granted under (i) our 2005 Equity Incentive Plan, (ii) the tZERO Plan, and (iii) the Medici Option Plan.

2005 Equity Incentive Plan

The 2005 Equity Incentive Plan has complex definitions of change of control and resigning for good reason. Generally speaking, a change of control occurs if (i) we sell or liquidate all or substantially all of our assets; (ii) with certain exceptions, someone, including a group, acquires beneficial ownership of 50% or more of our stock; (iii) a change in the composition of our Board occurs within a one-year period, resulting in less than a majority of our directors being persons approved by existing directors; or (iv) any merger or consolidation of the Company occurs with any other corporation, other than one resulting in the voting securities of the Company prior to the merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving

entity or its parent) at least 50% of the total voting power of the Company or such surviving entity or its parent after such merger or consolidation.

The 2005 Equity Incentive Plan is a double trigger plan, meaning that unvested awards automatically vest immediately only if (i) there is a change of control and (ii) if stock options and RSUs are assumed or substituted with stock options or RSUs of the surviving company, the participant is terminated or resigns for good reason within 18 months after the change of control. Generally speaking, a resignation is for good reason if it results from: (i) the resigning participant having materially reduced duties, title, authority or responsibilities; (ii) the resigning participant having his or her base salary reduced; (iii) the resigning participant having his or her primary work location moved to a facility or a location outside of a 35-mile radius from our present facility or location, or (iv) any act or set of facts or circumstances which would, under applicable case law or statute, constitute a constructive termination of the participant. If the successor entity refuses to assume or substitute for outstanding equity awards, or if the successor entity does not have outstanding common equity securities required to be registered under Section 12 of the Securities Exchange Act of 1934, as amended, the participant will fully vest in the award. For purposes of the 2005 Equity Incentive Plan, an award will be considered assumed if, following the change of control, the award confers the right to purchase or receive, for each share subject to the award immediately prior to the change of control, the consideration (whether stock, cash, or other securities or property) received in the change of control by holders of common stock for each share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided,

Table of Contents**Executive Compensation** / Compensation Tables and Narratives

however, that if such consideration received in the change of control is not solely common stock of the successor entity or its parent, the administrator of the 2005 Equity Incentive Plan may, with the consent of the successor entity, provide for the consideration to be received, for each share and each unit/right to acquire a share subject to the award, to be solely common stock of the successor entity or its parent equal in fair market value to the per share consideration received by holders of common stock in the change of control. The 2005 Equity Incentive Plan includes provisions intended to prevent violations of Section 409A of the Internal Revenue Code. It also provides that the Board has the power to modify any outstanding awards at any time, by accelerating vesting or otherwise.

The following table shows the estimated potential incremental value of awards that would have vested for our Named Executive Officers as of December 31, 2018 under the acceleration scenarios described above under the 2005 Equity Incentive Plan. The accelerated RSU award value is calculated by multiplying the number of accelerated units by the closing price of the underlying shares on December 31, 2018 (\$13.58).

(1) Mr. Raghavan resigned on or about September 15, 2018, at which time he forfeited his unvested equity awards. The following table shows the estimated potential aggregate amounts our Named Executive Officers could have realized from awards and Deferred Compensation Plan account distributions if their employment had terminated as of the last business day of fiscal 2018, both including and excluding amounts from accelerated vesting of awards as detailed in the table above. The Total-No Acceleration column assumes none of the acceleration scenarios covered above has occurred. The Total-With Acceleration column assumes acceleration of all unvested awards under one or more of the scenarios covered above.

(1) To date we have not made any contributions to the Deferred Compensation Plan on behalf of any Named Executive Officer.

(2) Mr. Raghavan resigned on or about September 15, 2018, at which time he forfeited his unvested equity awards. Medici Option Plan

Dr. Byrne holds options granted under the Medici Option Plan. A change of control does not automatically cause the acceleration of awards under the plan, but the administrator of the plan has the power to accelerate the vesting of

Table of Contents**Executive Compensation** / Compensation Tables and Narratives

awards under the plan at any time, including upon or in connection with a change of control of Medici Ventures.

Change in Control as defined in the Medici Option Plan generally means (i) the Company, together with any entity or entities directly or indirectly controlled by the Company, becomes the legal or beneficial owner of a number of shares of stock of Medici Ventures having less than a majority of the total voting power of the then outstanding stock of Medici Ventures; or (ii) an IPO of Medici Ventures. Dr. Byrne is a member of the board of directors of Medici Ventures, and the board is the administrator of the plan. If all of the unvested Medici Ventures options Dr. Byrne held at December 31, 2018 (covering 1,966 shares), were vested at that date, the value of the accelerated vested options at December 31, 2018 would have been \$566,955 based on our estimate of the value of the Medici Ventures common stock of \$288.38 per share on December 31, 2018.

tZERO Plan

Messrs. Noursalehi and Goyal hold options granted under the tZERO Plan. A change of control requires the administrator of the plan to accelerate, vest, or cause the lapse of restrictions applicable to awards outstanding under the plan. Change in Control as defined in the tZERO Plan generally means (i) the Company, together with any entity or entities directly or indirectly controlled by the Company, becomes the legal or beneficial owner of a number of shares of stock of tZERO having less than a majority of the total voting power of the then outstanding stock of tZERO; or (ii) an IPO of tZERO.

If all of the unvested tZERO options Mr. Noursalehi held at December 31, 2018 were vested at that date, the value of the accelerated vested options at December 31, 2018 would have been \$6,838,684, based on our estimate of the value of the tZERO common stock of \$3.419342 per share on December 31, 2018.

If all of the unvested tZERO options Mr. Goyal held at December 31, 2018 were vested at that date, the value of the accelerated vested options at December 31, 2018 would have been \$1,196,770, based on our estimate of the value of the tZERO common stock of \$3.419342 per share on December 31, 2018.

No acceleration of equity awards upon retirement, death, or disability

The vesting of the RSUs outstanding under our 2005 Equity Incentive Plan does not accelerate automatically upon retirement, death or disability. We do not have any options outstanding under our 2005 Equity Incentive Plan.

Under the Medici Option Plan and the tZERO Plan, unless otherwise provided in an award agreement, the vesting of awards under those plans does not accelerate automatically upon retirement, death or disability, and none of the outstanding awards provides otherwise.

Deferred compensation plan

As described above, we have a Deferred Compensation Plan, which allows participants to defer receipt of compensation otherwise payable to them under our existing compensation plans, and also permits us to make discretionary contributions to participants' accounts. Participants are fully vested in all amounts deferred and any earnings or losses on those deferrals at all times. Upon termination of service due to retirement, disability or death, a

participant becomes fully vested in any additional amounts, including any discretionary contributions we make, credited to his or her account. To date, we have not made any contributions to the Deferred Compensation Plan on behalf of any Named Executive Officer. None of our Named Executive Officers had any funds in the Deferred Compensation Plan at December 31, 2018.

CEO Pay Ratio

Following is a description of the relationship of the total annual compensation of our median employee identified in 2017 under the below criteria (Median Employee), and the total annual compensation of our CEO, Dr. Byrne. We determined to use the Median Employee identified in 2017 because we have a reasonable belief that there have been no changes that would significantly affect our pay ratio disclosure. The basis for our reasonable belief is that there was

2.19 to 1
CEO PAY
RATIO

no change in our employee population or employee compensation arrangements from 2017 to 2018 that we believe would significantly affect our pay ratio disclosure. The pay ratio included in this information is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K.

Table of Contents

Executive Compensation / Compensation Tables and Narratives

For 2018, our last completed fiscal year:

the annual total compensation of our Median Employee was \$62,252; and

the annual total compensation of our CEO, as reported in the Summary Compensation Table included in this proxy statement, was \$136,598.

Based on this information, for 2018 the ratio of the annual total compensation of Dr. Byrne, our CEO, to the annual total compensation of our Median Employee is **2.19 to 1**.

Our Median Employee is a full-time, salaried employee located in Midvale, Utah, with a base salary for the 12-month period ended December 31, 2018 in the amount of \$56,925. With respect to the annual total compensation of our Median Employee, we identified and calculated the elements of such employee's compensation for the year ended December 31, 2018 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$62,252. The difference between such employee's annual base salary and the employee's annual total compensation represents Company provided 401(k) matching contributions (with a 100% match on the first 6% of eligible contributions) in the amount of \$3,279; imputed income for group term life insurance in the amount of \$897; imputed income for food purchased in the Company's subsidized café in the amount of \$1,044 and other compensation of \$107.

With respect to the annual total compensation of our CEO in 2018, we used the amount reported in the "Total" column of our 2018 Summary Compensation Table included in our 2018 proxy statement.

2017 Median Employee Analysis:

To identify the median of the annual total compensation of all our employees, as well as to determine the annual total compensation of the median employee, the methodology and the material assumptions, adjustments and estimates that we used in 2017 were as follows:

We determined that, as of October 1, 2017, our employee population consisted of approximately 1,834 individuals working at Overstock.com, Inc. and its consolidated subsidiaries, with 97.2% of these individuals located in the United States, 1.3% located in Ireland, 1.47% located in Colombia, and 0.05% located in China. Our employee population, after taking into consideration the adjustments permitted by SEC rules (as described below), consisted of approximately 1,782 individuals. As permitted by SEC rules, because our non-U.S. employees account for 5% or less of our total employees, we elected to exclude all of our non-U.S. employees. We used our existing internal payroll records to determine that non-U.S. employees accounted for 5% or less of our total employees as of October 1, 2017. The jurisdictions from which we have excluded employees under Item 402(u)(4)(ii) of Regulation S-K, and the approximate number of employees excluded from each such jurisdiction under that rule, were as follows:

Country	Approximate No. of Excluded Employees
Ireland	24
Colombia	27
China	1

The total number of our U.S. and non-U.S. employees irrespective of any exemption permitted by SEC rules in 2017 was 1,834, and the total number of our U.S. and non-U.S. employees used for our de minimis calculation set forth above was 1,782.

To identify the median employee from our employee population in 2017, we used our internal records, which track annualized wages and salaries for all of our employees as well as additional pay components such as overtime, paid time off, bonuses, and other benefits provided by the Company to come up with total compensation for each of the 1,782 employees.

Using this methodology, we determined that our median employee in 2017 was a full-time, salaried employee located in Salt Lake City, Utah, with an annual base salary for the 12-month period ended December 31, 2017 in

Table of Contents**Executive Compensation** / Compensation Tables and Narratives

the amount of \$51,838. With respect to the annual total compensation of our median employee, we identified and calculated the elements of such employee's compensation for the year ended December 31, 2017 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$56,806. The difference between such employee's annual base salary and the employee's annual total compensation represents Company provided 401(k) matching contributions (with a 100% match on the first 6% of eligible contributions), in the amount of \$2,992; imputed income for group term life insurance in the amount of \$787; imputed income for food purchased in the Company's subsidized café in the amount of \$1,002 and other compensation of \$187.

With respect to the annual total compensation of our CEO in 2017, we used the amount reported in the Total column of our 2017 Summary Compensation Table included in our 2017 proxy statement.

As described above in connection with the Summary Compensation Table, on December 27, 2017 Dr. Byrne was granted an option with a grant date fair value of \$2,800 to acquire up to 2,500 shares of Medici Ventures common stock pursuant to the Medici Option Plan. The Company reported the grant in a Form 8-K filed January 3, 2018, but inadvertently omitted the \$2,800 grant date fair value of that award from the Summary Compensation Table in the proxy statement for the 2018 annual stockholders meeting. Including that grant in the calculation of our 2017 CEO pay ratio would have changed the 2017 ratio from 7.83 to one to 7.88 to one.

Table of Contents**Other Information****Certain Relationships and Related Party Transactions**

Since January 1, 2018, there has not been, and there is not currently proposed, any transaction or series of similar transactions requiring disclosure under Item 404 of Regulation S-K except as described below. We compensate our directors and officers as described above.

On May 8, 2018 we repaid all of our outstanding indebtedness to PCL L.L.C. (PCL), a Utah limited liability company directly or indirectly wholly owned by John Byrne, who is the brother of our Chief Executive Officer Patrick Byrne, and Dorothy Byrne, who is the mother of Patrick Byrne and John Byrne, and terminated our Loan Agreement dated November 6, 2017 with PCL. PCL subsequently provided to us terminations of the related security agreements and other agreements. The amount we paid to PCL was \$40,061,370, consisting of \$40 million of principal and \$61,370 of accrued unpaid interest.

On February 7, 2018 we entered into (i) an Asset Purchase Agreement with an effective date of January 22, 2018 with Rental Roost, Inc., a Delaware corporation (Rental Roost), Kishore Kumar, Nitin Shingate and Vikram Raghavan (the Majority Stockholders), pursuant to which we agreed to purchase all or substantially all of the assets of Rental Roost, other than tangible assets, for \$500,000, and (ii) an Asset Purchase Agreement with an effective date of January 22, 2018 with Houserie, Inc., a Delaware corporation (Houserie) and the Majority Stockholders, pursuant to which we agreed to purchase all or substantially all of the assets of Houserie, other than tangible assets, for \$100,000. Vikram Raghavan, who owned approximately 23.2% of the common stock of Rental Roost and approximately 20.5% of the common stock of Houserie and was a member of the boards of directors of both Rental Roost and Houserie at the time of the purchases, was also an executive officer (Senior Vice President, Product Development) of Overstock. Mr. Raghavan left the Company to join our indirect majority-held subsidiary tZERO on or about May 27, 2018. Mr. Raghavan resigned from tZERO on September 15, 2018. Based on our current plans for Rental Roost and Houserie, we may recognize a total impairment of those assets in 2019.

On September 21, 2018, (a) Medici Ventures contributed certain of its assets, including intellectual property which it had created relating to technologies regarding land administration, to Medici Land Governance, Inc., a Delaware public benefit corporation (MLG), (b) Patrick M. Byrne (Dr. Byrne) personally contributed \$6.7 million in cash to MLG, (c) MLG issued 510,000 shares of its common stock to MVI and 390,000 shares of its common stock to Dr. Byrne, and (d) MLG, MVI and Dr. Byrne entered into a Stockholders Agreement dated September 21, 2018 regarding MLG (the Agreement). The Agreement restricts the transfer of the shares held by MVI and Dr. Byrne, creates rights of first refusal in favor of MLG, MVI and Dr. Byrne to acquire shares to be sold by MVI or Dr. Byrne, creates purchase rights in favor of MLG and MVI in the event of the death or incapacity of Dr. Byrne, creates preemptive rights in favor of MLG and MVI if MLG proposes to sell capital stock to any other person (subject to certain exceptions), provides for voting for board members, and requires a supermajority consent of the stockholders for any sale of MLG or substantially all of its assets, merger, consolidation, or other transaction having substantially the same effect. As a result of these transactions, MVI holds approximately 57% of the outstanding capital stock of MLG, and Dr. Byrne, who is the Chief Executive Officer, a member of the board of directors and the largest stockholder of Overstock, holds approximately 43% of the outstanding capital stock of MLG. Dr. Byrne is also a member of the board of directors of MVI, and is a member of the board of directors of MLG. The other members of the boards of directors of MVI and MLG and the officers of MVI and MLG also include other persons who are affiliates of Overstock.

From time to time Haverford Valley, L.C., which is an affiliate of ours controlled by our chief executive officer, Patrick M. Byrne, and certain affiliated entities make travel arrangements for our executives and pay the travel-related expenses incurred by our executives on Company business. In 2018, the amount we reimbursed Haverford Valley, L.C. for these expenses was \$996,529. Although the amount of these reimbursements in 2019 is unknown, the amount is expected to exceed \$120,000. The amounts we pay to Haverford Valley, L.C. as reimbursement of air travel expenses are at estimated commercially available airline rates. The other amounts we reimburse to Haverford Valley, L.C. are reimbursed at its actual cost. Dr. Byrne owns 100% of the equity interest in Haverford Valley, L.C. The amounts paid to Haverford Valley, L.C. are reimbursements of costs incurred on behalf of the Company.

On June 28, 2018 we entered into a Stock Purchase Agreement with the stockholders (the Sellers) of SiteHelix, Inc., a Delaware corporation (SiteHelix) pursuant to which we agreed to purchase all of the common stock of SiteHelix for

100,000 shares of Overstock common stock plus \$500,000 (the SiteHelix Agreement). The closing of the transactions contemplated by the SiteHelix Agreement took place concurrently with the delivery of the SiteHelix Agreement. Saum Noursalehi, who owned approximately 62% of the SiteHelix common stock, was then and is now a member of Overstock's Board of Directors. Mr. Noursalehi served as President, Retail, of Overstock until May 8, 2018, when he became Chief Executive Officer of Overstock's majority-owned subsidiary tZERO. Concurrently with the closing of the transactions contemplated by the SiteHelix Agreement, Overstock and SiteHelix terminated the Software Licensing Agreement dated November 2, 2016 to which they were parties.

From time to time we employ relatives of our executive officers. During 2018 we provided compensation, including the value of equity awards, to immediate family members of our executive officers more than \$120,000 as follows:

We provided Nariman Noursalehi, who is the brother of our Board member, former President, Retail, and current Chief Executive Officer of tZERO Group, Inc. Saum Noursalehi, total compensation of \$989,018 in 2018.

We provided Sumit Goyal, Chief Digital Officer, who is the brother of our former Senior Vice President, Software Engineering, Amit Goyal, total compensation of \$765,308 in 2018.

We provided Amit Goyal, who is one of our Named Executive Officers and the brother of our Chief Digital Officer, Sumit Goyal, total compensation of \$1,793,229 in 2018.

We provided Adam Moore, who is the brother of our Chief Strategy Officer, Seth Moore, total compensation of \$126,910 in 2018.

We expect to provide compensation to one or more relatives of executive officers more than \$120,000 in 2019.

Please see our discussion under "The Board Policies and Procedures Regarding Related Party Transactions" for a description of our policies and procedures relating to related party transactions.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires our officers and directors, and persons who own more than ten percent (10%) of our common stock, to file certain reports regarding ownership of, and transactions in, our securities with the SEC. Such officers, directors, and 10% stockholders are also required to furnish the Company with copies of all Section 16(a) forms that they file.
