Table of Contents

(6) any other business that may properly come before the meeting or any adjournment or postponement thereof.
What are the recommendations of our board of directors?

For the reasons set forth in more detail in this Proxy Statement, our board of directors recommends that you vote as follows:

- (1) **FOR** the election of each of the four Class III director nominees;
- (2) **FOR** the approval of an amendment to our Amended and Restated Certificate of Incorporation to declassify our board of directors;
- (3) **FOR** the approval of the amendment to the 2018 Plan to increase the amount of the total number of shares reserved and available for delivery under the 2018 Plan by 2,800,000 shares;
- (4) **FOR** the approval, on an advisory basis, of the compensation of our named executive officers; and
- (5) **FOR** the approval ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019.

Who is entitled to notice of and to vote at the Annual Meeting?

You are entitled to receive notice of and to vote at the Annual Meeting (and any postponements or adjournments thereof) if our records indicate that you owned shares of our common stock at the close of business on April 22, 2019, the record date. At the close of business on the record date, 37,568,738 shares of our common stock were outstanding and entitled to vote. You are entitled to one vote for each share held, and you may vote on each matter to come before the meeting. We do not have cumulative voting rights for the election of directors.

What is the difference between holding shares as a stockholder of record and as a beneficial owner of shares held in street name ?

Stockholder of Record: If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares, and the proxy materials will be sent directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting.

Beneficial Owner of Shares Held in Street Name: If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other nominee, then you are the beneficial owner of shares held in street name, and the proxy materials will be forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares held in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you request, complete, and deliver the proper documentation provided by your nominee and bring it with you to the Annual Meeting.

If I am a stockholder of record of shares, how do I vote?

If you are a stockholder of record, you may vote in person at the Annual Meeting or by proxy on the Internet, by telephone, or by mail, all as described below. We recommend that you vote by proxy even if you plan to attend the Annual Meeting so that your vote will be counted even if you later decide not to attend the Annual Meeting. You can always change your vote at the Annual Meeting. The Internet and telephone voting procedures are designed to authenticate stockholders and to allow you to confirm that your instructions have been properly recorded. If you vote by telephone or on the Internet, you do not need to return a written proxy card by mail. **The Internet and telephone voting facilities will close at 11:59 p.m., Eastern Time, on May 21, 2019.**

Table of Contents

By Telephone: You may submit your proxy by telephone in accordance with the instructions provided on the proxy card. You will need the control number that appears on your proxy card included with this Proxy Statement.

If the envelope is missing, please mail your completed proxy card to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717. Please allow sufficient time for mailing if you decide to vote by mail.

In Person: You may vote in person at the Annual Meeting. Valid, government issued photographic identification is required to enter the meeting. We will give you a ballot when you arrive.

If I am the beneficial owner of shares held in street name, how do I vote?

If you are a beneficial owner of shares held in street name, you may vote in person at the Annual Meeting or by proxy on the Internet, by telephone, or by mail, by following the voting instructions you will receive from the holder of record, which is the brokerage firm, bank, broker-dealer, or other nominee holding your shares. You must follow these voting instructions to vote your shares. If you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the holder of record. Valid, government issued photographic identification is required to enter the meeting.

Can I revoke my proxy and change my vote?

Yes. You may revoke your proxy and change your vote at any time before the Annual Meeting. If you are a stockholder of record, you may change your vote by submitting another proxy on a later date on the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the Annual Meeting will be counted), or by signing and returning a new proxy card with a later date, or by attending the Annual Meeting and voting in person. Your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request in writing that your prior proxy be revoked by providing a written notice of revocation to our secretary at Roadrunner Transportation Systems, Inc., 1431 Opus Place, Suite 530, Downers Grove, Illinois 60515.

If you are a beneficial owner of shares held in street name, you may change your vote by submitting new voting instructions to the holder of record following the instructions they provided or, if you have obtained a legal proxy from the holder of record giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

What if I don't give specific voting instructions?

Stockholders of Record: If you are a stockholder of record and you indicate that you wish to vote as recommended by our board of directors, or you return a signed proxy card but do not specify how you wish to vote, then your shares will be voted FOR the election of each of the four Class III director nominees (Proposal No. 1); FOR the approval of an amendment to our Amended and Restated Certificate of Incorporation to declassify our board of directors (Proposal No. 2); FOR the approval of the amendment to the 2018 Plan to increase the amount of the total number of shares reserved and available for delivery under the 2018 Plan by 2,800,000 shares (Proposal No. 3); FOR the approval, on an advisory basis, of the compensation of our named executive officers (Proposal No. 4); and FOR the

ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019 (Proposal No. 5). If you indicate a choice with respect to any matter to be acted upon on your proxy card, your shares will be voted in accordance with your instructions on such matter.

Table of Contents

Beneficial Owner of Shares Held in Street Name: If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with voting instructions, your broker or other nominee will vote your shares only on those proposals on which it has received instructions or on which it has discretion to vote; if your broker or nominee does not have discretion to vote, your returned proxy will be considered a broker non-vote. Broker non-votes will be considered as represented for purposes of determining a quorum, but are not counted for purposes of determining the number of votes cast with respect to a particular proposal. Your broker or nominee does not have discretion to vote your shares on the non-routine matters such as the election of directors (Proposal No. 1), the amendment to our Amended and Restated Certificate of Incorporation to declassify our board of directors (Proposal No. 2), the amendment to the 2018 Plan to increase the amount of the total number of shares reserved and available for delivery under the 2018 Plan by 2,800,000 shares (Proposal No. 3), and the advisory vote on the compensation of our named executive officers (Proposal No. 4). However, your broker or nominee does have discretion to vote your shares on routine matters. The only routine matter at the Annual Meeting is the proposal for the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019 (Proposal No. 5).

How are abstentions and broker non-votes treated?

In accordance with Delaware law, only votes cast for a matter constitute affirmative votes. A properly executed proxy marked abstain with respect to any matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Abstentions will have the same effect as negative votes for Proposal Nos. 2, 3, 4, and 5. For Proposal No. 1, which is determined by a plurality of the votes cast, stockholders will only have the option to vote for or withhold and will not have the option to abstain.

If you hold your shares in street name through a broker or other nominee, your broker or nominee will not be permitted to exercise voting discretion with respect to the election of directors (Proposal No. 1), the amendment to our Amended and Restated Certificate of Incorporation to declassify our board of directors (Proposal No. 2), the amendment to the 2018 Plan to increase the amount of the total number of shares reserved and available for delivery under the 2018 Plan by 2,800,000 shares (Proposal No. 3), or the advisory vote on the compensation of our named executive officers (Proposal No. 4) without your instructions. Thus, if you do not give your broker or nominee specific instructions with respect to a non-discretionary matter, your shares will not be voted on such matter and will not be counted as shares entitled to vote on such matter. However, shares represented by such broker non-votes will be counted in determining whether there is a quorum. As broker non-votes are not considered entitled to vote on the proposal, they will have no effect on the outcome other than reducing the number of shares present in person or by proxy and entitled to vote on the proposal from which a majority is calculated.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our board of directors. The persons named in the proxy have been designated as proxies by our board of directors. When proxies are properly dated, executed, and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instruction of the stockholder. Except as described above with respect to broker non-votes, if no specific instructions are given, the shares will be voted in accordance with the recommendations of our board of directors as described above. If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the Annual Meeting is adjourned, the proxy holders can vote your shares on the new meeting date as well, unless you have properly revoked your proxy instructions.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of our common stock outstanding and entitled to vote on the record date will constitute a quorum, permitting the

Table of Contents

conduct of business at the Annual Meeting. As of the record date, 37,568,738 shares of our common stock were outstanding and entitled to vote. Accordingly, the presence of the holders of our common stock representing at least 18,784,370 shares will be required to establish a quorum. Abstentions, broker non-votes (discussed above), and withhold votes will be included in the calculation of the number of shares considered to be present at the meeting.

If the holders of less than a majority of the outstanding shares of our common stock entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time, or place, and notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before an adjournment is taken.

What vote is required to approve each proposal?

Proposal No. 1 Election of Directors. Directors are elected by a plurality of the votes cast. This means that the four nominees receiving the largest number of affirmative votes of the shares of our common stock present in person or represented by proxy at the meeting and entitled to vote on the proposal will be elected as the Class III directors.

Proposal No. 2 Approval of an Amendment to our Amended and Restated Certificate of Incorporation to Declassify our Board of Directors. The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and entitled to vote on the proposal will be required to approve the amendment to our Amended and Restated Certificate of Incorporation to declassify our board of directors.

Proposal No. 3 Approval of an Amendment to the 2018 Plan to increase the amount of the total number of shares reserved and available for delivery under the 2018 Plan by 2,800,000 shares. The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and entitled to vote on the proposal will be required to approve the amendment to the 2018 Plan to increase the amount of the total number of shares reserved and available for delivery under the 2018 Plan by 2,800,000 shares.

Proposal No. 4 Advisory Vote on the Compensation of our Named Executive Officers. The affirmative vote of the holders of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote on the proposal will be required to approve, on an advisory basis, the compensation of our named executive officers. As an advisory vote, this proposal is not binding. However, our board of directors and compensation committee will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Proposal No. 5 Ratification of the Appointment of Independent Registered Public Accounting Firm. The affirmative vote of the holders of a majority of the shares of our common stock present in person or represented by proxy at the meeting and entitled to vote on the proposal will be required to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019.

If any other matter is properly submitted to the stockholders at the annual meeting, its adoption generally will require the affirmative vote of the holders of a majority of the shares of our common stock present in person or represented by proxy at the meeting and entitled to vote on that matter.

How can I receive my proxy materials electronically in the future?

Although we are delivering paper copies of the proxy materials this year, we may send proxy materials to stockholders electronically going forward. Stockholders who sign up to receive proxy materials electronically will receive an e-mail prior to next year's annual meeting with links to the proxy materials, which may give them faster delivery of the materials and will help us save printing and mailing costs and conserve natural resources. Your election to receive

proxy materials by e-mail will remain in effect until you terminate your election. To receive proxy materials electronically by e-mail in the future, follow the instructions described below.

Table of Contents

If you would like to sign up to receive proxy materials electronically in the future, please have your proxy card available and register using one of the following choices:

Stockholders of Record: If you are a stockholder of record of shares, please go to www.proxyvote.com and follow the instructions for requesting meeting materials.

Street Name Holders: If you are a beneficial owner of shares in street name, you may either go to www.proxyvote.com and follow the instructions to enroll for electronic delivery or contact your brokerage firm, bank, broker-dealer, or other nominee that holds your shares.

What does it mean if I receive more than one notice?

This means that your shares are registered differently and are held in more than one account. To ensure that all shares are voted, please either vote each account over the Internet or by telephone or sign and return by mail all proxy cards. We encourage you to register all of your shares in the same name and address by contacting the Shareholder Services Department at our transfer agent, American Stock Transfer & Trust Company, at (800) 937-5449. If you hold your shares through an account with a bank or broker, you should contact your bank or broker and request consolidation of your accounts.

What is householding and how does it affect me?

The Securities and Exchange Commission (the SEC) has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single set of proxy materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

If you and other stockholders of record with whom you share an address currently receive multiple copies of our proxy materials and would like to participate in our householding program, please contact Broadridge Financial Solutions, Inc. by calling toll-free at (800) 542-1061, or by writing to Broadridge Financial Solutions, Inc., Household Department, 51 Mercedes Way, Edgewood, New York 11717. Alternatively, if you participate in householding and wish to revoke your consent and receive separate copies of our proxy materials, please contact Broadridge as described above. In addition, we will promptly deliver, upon the written or oral request to Broadridge at the address or telephone number above, a separate copy of our proxy materials to a stockholder at a shared address to which a single copy of the documents was delivered.

A number of brokerage firms have instituted householding. If you hold your shares in street name, please contact your bank, broker, or other holder of record to request information about householding.

Who will count the vote?

Broadridge Financial Solutions, Inc. will act as the inspector of elections and will tabulate the votes.

When will the voting results be announced?

Preliminary voting results will be announced at the Annual Meeting and final results will be published in a Current Report on Form 8-K filed within four business days after the Annual Meeting. If final voting results are not available to us in time to include them in such Current Report on Form 8-K, we will file a Current Report on Form 8-K to

publish preliminary results and will provide the final results in an amendment to the Current Report on Form 8-K as soon as final results become available.

Table of Contents

Who will pay for the solicitation of proxies?

We will pay the cost of soliciting proxies. In addition to the use of mail, our employees may solicit proxies personally, by e-mail, facsimile, and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers, and other custodians, nominees, and fiduciaries to forward copies of the proxy materials to the beneficial owners of our common stock and to request authority for the execution of proxies, and we may reimburse such persons for their expenses incurred in connection with these activities.

Table of Contents

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our business and affairs are managed under the direction of our board of directors, which is currently comprised of ten directors. Our board of directors is divided into three classes with staggered three-year terms. Only one class of directors will be elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year terms.

Our directors are currently divided among the three classes as follows:

the Class I directors are Christopher L. Doerr, Brian C. Murray, and James D. Staley, and their terms will expire at the annual meeting of stockholders to be held in 2020;

the Class II directors are Scott L. Dobak, Curtis W. Stoelting, William S. Urkiel, and Michael P. Ward, and their terms will expire at the annual meeting of stockholders to be held in 2021; and

the Class III directors are Michael L. Gettle, John G. Kennedy, III, and Ralph (Cody) W. Kittle III, and their terms will expire at the Annual Meeting.

Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. The division of our board of directors into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control.

As detailed below in Proposal No. 2, we are asking our stockholders to vote to approve an amendment to our Amended and Restated Certificate of Incorporation to declassify our board of directors. If Proposal No. 2 is approved by stockholders at the Annual Meeting, our board of directors will be declassified. See Page 31 of this Proxy Statement for details.

On April 15, 2019, Messrs. Kennedy, Urkiel, and Ward each notified us that he would resign from our board of directors effective May 22, 2019, the date of the Annual Meeting. Our board of directors has nominated Donald C. Brown and Christopher W. Jamroz to serve as a Class III director at the Annual Meeting. If Proposal No. 2 is not approved by stockholders the Annual Meeting, our board of directors will take immediate action to distribute the number of directors evenly among the three classes. Immediately following the Annual Meeting, our board of directors intends to approve a reduction in the size of our board of directors from ten members to nine members.

The Class III directorships are up for election at the Annual Meeting. Each person elected as a Class III director at the Annual Meeting will serve a three-year term expiring at the annual meeting of stockholders to be held in 2021 or until their respective successors have been duly elected and qualified. Our board of directors has nominated Michael L. Gettle and Ralph (Cody) W. Kittle III for reelection as Class III directors at the Annual Meeting and Donald C. Brown and Christopher W. Jamroz for election as Class III directors as the Annual Meeting.

Directors are elected by a plurality of the votes cast, and the four nominees who receive the largest number of affirmative votes of the shares of common stock present in person or represented by proxy at the meeting and entitled

to vote will be elected as the Class III directors. Abstentions and broker non-votes will have no effect on the outcome of the election.

Our board of directors has no reason to believe that any of its nominees will refuse or be unable to accept election. However, if any nominee is unable to accept election or if any other unforeseen contingencies should arise, our board of directors may designate a substitute nominee. If our board of directors designates a substitute nominee, the persons named as proxies will vote for the substitute nominee designated by our board of directors.

Table of Contents

Our board of directors recommends that you vote FOR the election of each of the director nominees named herein.

If Proposal No. 2 is approved by stockholders at the Annual Meeting, our board of directors will be declassified. See Page 31 of this Proxy Statement for details.

The following table, together with the accompanying text, sets forth the names and certain other information as of April 1, 2019 for each of the nominees for election as a director and for each of the continuing members of our board of directors.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Independence of Directors

Our common stock is listed on the New York Stock Exchange (the "NYSE"). Under the rules of the NYSE, independent directors must comprise a majority of a listed company's board of directors.

Our board of directors has undertaken a review of its composition, the composition of its committees, and the independence of each director. Based upon all of the relevant facts and circumstances, including information requested from and provided by each director concerning his or her background, employment, and affiliations, including family relationships, our board of directors has affirmatively determined that each of Messrs. Dobak, Doerr, Murray, and Staley is "independent" as that term is defined under the applicable rules and regulations of the SEC and the listing requirements and rules of the NYSE. If elected, Messrs. Brown and Jamroz will also be considered "independent" as that term is defined under the applicable rules and regulations of the SEC and the listing requirements and rules of the NYSE. Accordingly, assuming Messrs. Brown and Jamroz are elected to our board of director, a majority of our directors will be independent, as required under applicable NYSE rules. Our board of directors found that none of these directors or director nominees had a material or other disqualifying relationship with our company. In making this determination, our board of directors considered the current and prior relationships that each such director or director nominee has with our company and all other facts and circumstances our board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock of each such director and director nominee. Messrs. Stoelting and Gettle are not considered independent directors as a result of their positions as executive officers of our company. Mr. Kittle is not considered "independent" as a result of his relationship with Elliott, which holds approximately 90.4% of our outstanding common stock.

There are no family relationships among any of our directors, director nominees, or executive officers.

Committees of the Board of Directors

Our board of directors has the authority to appoint committees to perform certain management and administration functions. Our board of directors has an audit committee, a compensation committee, and a nominating/corporate governance committee. The composition and responsibilities of each committee are described below. Members serve on these committees until their resignation or until otherwise determined by the board of directors.

Audit Committee

The current members of our audit committee are Messrs. Murray (chairman), Kennedy, and Urkiel, each of whom satisfies the independence requirements under the NYSE listing standards and Rule 10A-3(b)(1) of the Exchange Act. Messrs. Kennedy and Urkiel will resign effective May 22, 2019. It is contemplated that Messrs. Brown and Jamroz will join the audit committee upon their election. Our board of directors has determined that Mr. Murray is an "audit committee financial expert" within the meaning of SEC regulations. Each member or contemplated member of our audit committee can read and understand fundamental financial statements in accordance with audit committee requirements. In arriving at this determination, our board of directors has examined each audit committee member's or contemplated member's professional experience and the nature of their employment in the corporate finance sector. Our audit committee held 15 meetings during fiscal 2018.

Our audit committee assists our board of directors with oversight of matters relating to accounting, internal control, auditing, financial reporting, risk, and legal and regulatory compliance. The committee oversees the audit and other services provided by our independent registered public accounting firm and is directly responsible for the

appointment, independence, qualifications, compensation, and oversight of our independent registered public accounting firm, which reports directly to the committee. The committee also oversees our

reviewing, with our independent registered public accounting firm and management, significant issues that may arise regarding accounting principles and financial statement presentation, as well as matters concerning the scope, adequacy, and effectiveness of our financial controls;

conducting an annual assessment of the performance of the audit committee and its members, and the adequacy of its charter; and

establishing procedures for the receipt, retention, and treatment of complaints received by us regarding financial controls, accounting, or auditing matters.

Compensation Committee

The current members of our compensation committee are Messrs. Ward (chairman), Dobak, Doerr, Staley, and Urkiel, each of whom our board of directors has determined to be independent under the NYSE listing standards, including the enhanced independence for members of the compensation committee, a non-employee director as defined in Rule 16b-3 promulgated under the Exchange Act, and an outside director as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). Messrs. Urkiel and Ward will resign effective May 22, 2019. Our compensation committee held 8 meetings during fiscal 2018.

Our compensation committee approves the compensation of our chief executive officer and our other executive officers, administers our executive benefit plans, including the granting of awards under our incentive compensation plan, and advises our board of directors on director compensation. The compensation committee has the following

responsibilities, among other things, as set forth in the compensation committee's charter:

establishing and reviewing the overall compensation philosophy of our company;

reviewing and approving the corporate goals and objectives relevant to the compensation of our chief executive officer and other executive officers, and evaluating the performance of our chief executive officer and other executive officers in light of relevant goals and objectives;

reviewing and evaluating, at least annually, the performance of the compensation committee and the adequacy of its charter.

Nominating/Corporate Governance Committee

The current members of our nominating/corporate governance committee are Messrs. Staley (chairman), Dobak, Doerr, and Kennedy, each of whom our board of directors has determined to be independent under the NYSE listing standards. Mr. Kennedy will resign effective May 22, 2019. Our nominating/corporate governance committee held 4 meetings during fiscal 2018.

Our nominating/corporate governance committee identifies individuals qualified to become members of our board of directors, recommends candidates for election or reelection to our board of directors, oversees the evaluation of our board of directors, and advises our board of directors regarding committee composition and structure and other corporate governance matters. The nominating/corporate governance committee has the following responsibilities, among other things, as set forth in the nominating/corporate governance committee's charter:

reviewing periodically and evaluating director performance on our board of directors and its applicable committees, and recommending to our board of directors and management areas for improvement;

interviewing, evaluating, nominating, and recommending individuals for membership on our board of directors;

reviewing and recommending to our board of directors any amendments to our corporate governance policies; and

reviewing and assessing, at least annually, the performance of the nominating/corporate governance committee and the adequacy of its charter.

Identifying and Evaluating Director Candidates

Our nominating/corporate governance committee identifies and evaluates nominees for our board of directors, including nominees recommended by stockholders, based on numerous factors it considers appropriate, some of which may include strength of character, mature judgment, career specialization, relevant technical skills, diversity, and the extent to which the nominee would fill a present need on our board of directors. Our nominating/corporate governance committee evaluates nominees for director in the same manner, regardless of whether the nominee is recommended by a stockholder or other person or entity.

In making its selection of director candidates, our nominating/corporate governance committee bears in mind that the foremost responsibility of a director is to represent the interests of our stockholders as a whole. Directors are expected to exemplify the highest standards of personal and professional integrity and to constructively challenge management through their active participation and questioning. In consideration of these expectations, our nominating/corporate governance committee seeks directors with established strong professional reputations and expertise in areas relevant to the strategy and operations of our company. The activities and associations of candidates are reviewed for any legal impediment, conflict of interest, or other consideration that might prevent service on our board of directors.

The charter of our nominating/corporate governance committee provides that the value of diversity on our board of directors should be considered, and our nominating/corporate governance committee includes diversity

Table of Contents

as one of its criteria for board composition. While we do not have a formal policy outlining the diversity standards to be considered when evaluating director candidates, our objective is to foster diversity of thought on our board of directors. To accomplish that objective, our nominating/corporate governance committee considers ethnic and gender diversity, as well as differences in perspective, professional experience, education, skill, and other qualities in the context of the needs of our board of directors. Our nominating/corporate governance committee evaluates its effectiveness in achieving diversity on the board of directors through its annual review of board member composition.

Our nominating/corporate governance committee will consider persons recommended by stockholders for inclusion as nominees for election to our board of directors if the information required by our bylaws is submitted in writing in a timely manner addressed and delivered to our secretary at Roadrunner Transportation Systems, Inc., 1431 Opus Place, Suite 530, Downers Grove, Illinois 60515.

Availability of Corporate Governance Information

Our board of directors has adopted charters for our audit, compensation, and nominating/corporate governance committees describing the authority and responsibilities delegated to these committees by our board of directors. Our board of directors has also adopted corporate governance guidelines, a whistle blower policy, a code of business conduct and ethics, and a code of ethics for our chief executive officer and senior financial officers. We post on our website, at www.rrts.com, the charters of our audit, compensation, and nominating/corporate governance committees; our corporate governance guidelines; our whistle blower policy; our code of business conduct and ethics; our code of ethics for our chief executive officer and senior financial officers, and any amendments or waivers thereto. These documents are also available in print to any stockholder requesting a copy in writing from our secretary at Roadrunner Transportation Systems, Inc., 1431 Opus Place, Suite 530, Downers Grove, Illinois 60515.

Communication with our Board of Directors

Interested parties may communicate with our board of directors or specific members of our board of directors, including the members of our various board committees, by submitting a letter addressed to the board of directors of Roadrunner Transportation Systems, Inc., c/o any specified individual director or directors, at 1431 Opus Place, Suite 530, Downers Grove, Illinois 60515. We will forward any such letters to the indicated directors.

Meeting Attendance Information for the Board of Directors and Committees

Our board of directors held 18 meetings during fiscal 2018. All of our directors serving during 2018 attended at least 75% of the aggregate of (i) the total number of meetings of the board of directors held during the period each director served as a director in 2018, and (ii) the total number of meetings held by all committees of our board of directors during the period each director served as a director in 2018 and on which such person served during 2018, except for Messrs. Dobak and Kittle, who did not attend certain meetings during fiscal 2018 that related to the review and evaluation of our strategic alternatives and the terms of our rights offering and the transactions contemplated thereby.

While we do not have a specific policy requiring our directors to attend annual meetings of stockholders, we encourage our directors to attend such meetings and, in furtherance of this, we schedule a meeting of our board of directors on the same day as the annual meeting of stockholders. All of our directors who were serving as of the date of our 2018 annual meeting of stockholders attended the 2018 annual meeting of stockholders, other than Mr. Murray, who did not attend due to scheduling conflicts.

Table of Contents

Executive Sessions

We regularly schedule executive sessions in which non-management directors meet without the presence or participation of management. The chairman of our board of directors serves as the presiding director of such executive sessions.

Board Leadership Structure

We separate the roles of chief executive officer and chairman of the board in recognition of the differences between the two roles. Our chief executive officer, with guidance from the chairman of the board, develops the business strategy for our company and is responsible for the day-to-day leadership and performance of our company. The chairman of our board helps determine our company's strategic direction and provides leadership for our board of directors. Our board of directors believes that separating these roles is in the best interests of our stockholders because it provides the appropriate balance between strategy development, flow of information between management and our board of directors, and oversight of management. By segregating the role of the chairman, we reduce any duplication of effort between the chief executive officer and the chairman. We believe this provides guidance for our board of directors, while also positioning our chief executive officer as the leader of our company in the eyes of our customers, employees, and other stakeholders. By having another director serve as chairman of our board of directors, Mr. Stoelting is better able to focus his attention on running our company. Our board of directors believes that Mr. Staley is the most appropriate individual to serve as chairman because of his experience in our industry, his deep knowledge of our business and strategy, and his experience with corporate governance matters.

Assuming Messrs. Brown and Jamroz are elected to our board of director, our board of directors will have six independent members and three non-independent members. A number of our independent board members are currently serving or have served as members of senior management of other public companies, including companies within our industry, and have served as directors of other public companies. We believe that the number of independent, experienced directors that make up our board of directors benefits our company and our stockholders.

We believe that we have a strong corporate governance structure that ensures independent discussion and evaluation of, communication with, and access to senior management. All of our board committees are composed solely of independent directors, which provides independent oversight of management. Also, our corporate governance guidelines provide that our non-management directors will meet in regularly scheduled executive sessions, generally in connection with regularly scheduled board meetings.

Role of the Board of Directors in Risk Management and Oversight

While our management is primarily responsible for managing risk, our board of directors and each of its committees plays a role in overseeing our risk management practices. The role of our board of directors in our company's risk oversight process includes receiving reports from members of senior management on areas of material risk to our company, including operational, financial, legal and regulatory, and strategic and reputational risks. Our board of directors receives these reports from the appropriate executive within our organization to enable it to understand our risk identification, risk management, and risk mitigation strategies. This direct communication from management enables our board of directors to coordinate its risk oversight role, particularly with respect to risk interrelationships within our organization. Our board of directors believes that its leadership structure has the effect of enhancing its risk oversight function because of the chairman's direct involvement in risk oversight matters and his strong efforts to increase open communication regarding risk issues among directors and the committees of our board of directors. Our board of directors also believes that Mr. Staley's knowledge of our company's business, industry, and risks significantly contributes to our board of directors' understanding and appreciation of risk issues.

Our board of directors allocates responsibility for overseeing risk management for our company among the board and each of its committees. Specifically, the full board oversees significant risks primarily relating to

Table of Contents

operations, strategy, and finance. In addition, each of our committees considers risks within its area of responsibilities, as follows:

Our audit committee is primarily responsible for overseeing matters involving major financial risk exposures and actions management is taking to monitor such risk exposures. This includes risks relating to financial reporting and internal controls; litigation; tax matters; liability insurance programs; and compliance with legal and regulatory requirements and our code of ethics. In addition, our audit committee reviews our quarterly and annual financial reports, including any disclosure in those reports of risk factors affecting our company and business.

Our compensation committee is primarily responsible for overseeing risks that may be implicated by our executive compensation programs and risks relating to the administration of those programs. In setting compensation, our compensation committee strives to create incentives that encourage appropriate risk taking behavior consistent with our business strategy. In making compensation determinations, our compensation committee considers the overall mix of compensation for employees as well as the various risk control and mitigation features of our compensation plans, including appropriate performance measures and targets and incentive plan payout maximums. To assist in satisfying these oversight responsibilities, our compensation committee has retained an outside compensation consultant and meets regularly with management to understand the financial, human resources, and stockholder implications of compensation decisions being made.

Our nominating/corporate governance committee is primarily responsible for risks that may be mitigated by the continued effective functioning of our board of directors and our corporate governance practices. Under its charter, the nominating/corporate governance committee is responsible for, among other things, developing and recommending to our board of directors a set of effective corporate governance guidelines designed to assure compliance with applicable standards.

Through the activities of our audit, compensation, and nominating/corporate governance committees, as well as our board of directors' interactions with management concerning our business and the material risks that may impact our company, our board of directors is able to monitor our risk management process and offer critical insights to our management.

Compensation Committee Interlocks and Insider Participation

In 2018, Messrs. Urkiel, Dobak, Doerr, Staley, and Ward served as members of our compensation committee. During such fiscal year, none of these individuals had any relationship requiring disclosure under Item 404 of Regulation S-K.

None of Messrs. Urkiel, Doerr, Staley or Ward has, at any time, been an officer or employee of our company.

Mr. Dobak served in various leadership roles with our company from January 2007 to December 2013, most recently as our President Less-than-Truckload and Transportation Management Solutions. During 2018, none of our executive officers served on the compensation committee or board of directors of any entity whose executive officers serve as a member of our board of directors or compensation committee.

Related Party Transaction Policies and Procedures

It is the responsibility of our board of directors, with the assistance of our audit committee, to review and approve related party transactions. It is our management's responsibility to bring such related party transactions to the attention of our board of directors. From time to time our nominating/corporate governance committee, in accordance with its charter, will also review potential conflict of interest transactions involving members of our board of directors and our executive officers.

Application of NYSE Corporate Governance Listing Standards

Elliott beneficially owns approximately 90.4% of our common stock. As a result, we are a controlled company within the meaning of the NYSE listing standards. Under the NYSE listing standards, a controlled company may elect to not comply with certain NYSE corporate governance standards, including the requirements that (i) a majority of the board of directors consist of independent directors, (ii) it maintain a nominating and corporate governance committee that is composed entirely of independent directors with a written charter address addressing the committee's purpose and responsibilities, (iii) it have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, and (iv) it have an annual performance evaluation of the nominating and corporate governance and compensation committees. Although Elliott has indicated that we will not utilize these exemptions and others afforded to controlled companies, Elliott could change its intention and take advantage of the controlled company standards. Consequently, our stockholders may not have the same protections afforded to stockholders of companies that are subject to all of the NYSE corporate governance rules and requirements. In addition, our status as a controlled company could make our common stock less attractive to some investors or otherwise harm our stock price.

Table of Contents**DIRECTOR COMPENSATION**

We use a combination of cash and share-based incentive compensation to attract and retain qualified candidates to serve on our board of directors. In setting director compensation, we consider the amount of time that directors spend fulfilling their duties as a director, including committee assignments.

We seek to provide director compensation packages that are customary for boards of directors for similarly situated companies. For fiscal 2017, we paid each independent director an annual cash retainer of \$35,000, payable quarterly. Payments to directors are prorated for service provided for partial years. In addition, for fiscal 2017, our lead independent director received an annual cash retainer of \$20,000, the chairman of our audit committee received an annual cash retainer of \$7,500, the chairman of our compensation committee received an annual cash retainer of \$5,000, and the chairman of our nominating/corporate governance committee received an annual cash retainer of \$3,000. We continued these director compensation packages for the first half of fiscal 2018. In May 2018, our board of directors approved an increase, effective July 1, 2018, to the annual cash compensation payable to the independent directors, which provides each independent director with an annual cash retainer of \$60,000. The increase also provides the chairman of the board of directors with an annual cash retainer of \$20,000, the chairman of our audit committee with an annual cash retainer of \$15,000, the chairman of our compensation committee with an annual cash retainer of \$10,000, the chairman of our nominating/corporate governance committee with an annual cash retainer of \$6,750, and each committee member an additional annual cash retainer of \$2,500.

Although we have historically made an annual grant of time-vest restricted stock units (RSUs) to each of our independent directors, we did not do so for fiscal 2018 because, among other things, we did not make annual grants of time-vest RSUs to our employees other than special grants made to certain of our executive officers described below. To make up for the lack of an annual RSU grant in fiscal 2018, each of our independent directors received a one-time grant of 4,400 RSUs (as adjusted for the 1-for-25 reverse stock split of our common stock, which became effective April 4, 2019 (the Reverse Stock Split)) in March 2019, all of which vest on May 15, 2019. We anticipate resuming the annual grant of time-vest RSUs to our independent directors in fiscal 2019 following the Annual Meeting.

We also reimburse each director for travel and related expenses incurred in connection with attendance at board and committee meetings.

Our non-independent directors are not compensated for service as directors.

each of our named executive officers, directors, and director nominees;

all of our executive officers and directors as a group; and

each person, or group of affiliated persons, who is known by us to beneficially own more than five percent of our common stock.

Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he, she, or it possesses sole or shared voting or investment power of that security, including options and warrants that are currently exercisable or exercisable within 60 days of April 5, 2019 and RSUs that are currently vested or will be vested within 60 days of April 5, 2019. Shares issuable pursuant to options, warrants, and RSUs are deemed outstanding for computing the percentage of the person holding such options, warrants, or RSUs but are not deemed outstanding for computing the percentage of any other person. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons named in the table below have sole voting and investment power with respect to all shares of common stock shown that they beneficially own, subject to community property laws where applicable. The information does not necessarily indicate beneficial ownership for any other purpose. Our calculation of the percentage of beneficial ownership is based on 37,561,472 shares of common stock outstanding as of April 5, 2019.

Except as otherwise indicated, the address of each person listed in the table is c/o Roadrunner Transportation Systems, Inc., 1431 Opus Place, Suite 530, Downers Grove, Illinois 60515.

Pursuant to SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. For a discussion of valuation assumptions, see Note 9 to our 2018 consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2018 filed with the SEC. Employment and Other Agreements

Historically, we did not have written employment agreements with our executive officers. We have, however, provided employment letter agreements to our executive officers, which provided them with the right to participate in our incentive compensation plans and the right to participate in all insurance, retirement, and other fringe benefit plans as may from time to time be provided to our executives. In 2017, however, we entered into employment agreements with certain of our executive officers, which are described below.

On April 30, 2017, in connection with our appointment of Mr. Stoelting as our Chief Executive Officer, we entered into a second amended and restated employment agreement with Mr. Stoelting. Pursuant to the terms of the employment agreement, Mr. Stoelting will receive an annual base salary of \$571,000. Mr. Stoelting is also eligible to earn bonus compensation under our bonus plan and is entitled to participate in and receive all benefits under our employee benefit programs. The employment agreement provides that, in the event we terminate Mr. Stoelting's employment without cause (as such term is defined in the employment agreement) or Mr. Stoelting terminates his employment for good reason (as such term is defined in the employment agreement), we will continue to pay Mr. Stoelting his base salary for the 18-month period following the date of such termination, and we will pay Mr. Stoelting a lump sum amount equal to 18 times the monthly COBRA premium that would be necessary to permit him to continue group insurance coverage under our plans for an 18-month period. If, however, we terminate Mr. Stoelting's employment without cause (as such term is defined in the employment agreement) or Mr. Stoelting terminates his employment for good reason (as such term is defined in the employment agreement) during the two-year period immediately following a change in control (as such term is defined in our 2010 Incentive Compensation Plan (the "2010 Plan")), then in lieu of the payments described in the preceding sentence, we will continue to pay Mr. Stoelting his base salary for the 24-month period following the date of such termination, we will pay Mr. Stoelting a lump sum amount equal to two times Mr. Stoelting's bonus, based on the target established under our bonus plan, payable during the year in which the termination of employment occurs, and we will pay Mr. Stoelting a lump sum amount equal to 24 times the monthly COBRA premium that would be necessary to permit him to continue group insurance coverage under our plans for a 24-month period. Mr. Stoelting must execute a general release in order to receive any severance benefits.

On April 30, 2017, in connection with our appointment of Mr. Gettle as our President and Chief Operating Officer, we entered into a second amended and restated employment agreement with Mr. Gettle. Pursuant to the terms of the employment agreement, Mr. Gettle will receive an annual base salary of \$571,000. Mr. Gettle is also eligible to earn bonus compensation under our bonus plan and is entitled to participate in and receive all benefits under our employee benefit programs. The employment agreement provides that, in the event we terminate Mr. Gettle's employment without cause (as such term is defined in the employment agreement) or Mr. Gettle terminates his employment for good reason (as such term is defined in the employment agreement), we will continue to pay Mr. Gettle his base salary for the 18-month period following the date of such termination, and we will pay Mr. Gettle a lump sum amount equal

to 18 times the monthly COBRA premium that would be necessary to permit him to continue group insurance coverage under our plans for an 18-month period. If, however, we

terminate Mr. Gettle's employment without cause (as such term is defined in the employment agreement) or Mr. Gettle terminates his employment for good reason (as such term is defined in the employment agreement) during the two-year period immediately following a change in control (as such term is defined in the 2010 Plan), then in lieu of the payments described in the preceding sentence, we will continue to pay Mr. Gettle his base salary for the 24-month period following the date of such termination, we will pay Mr. Gettle a lump sum amount equal to two times Mr. Gettle's bonus, based on the target established under our bonus plan, payable during the year in which the termination of employment occurs, and we will pay Mr. Gettle a lump sum amount equal to 24 times the monthly COBRA premium that would be necessary to permit him to continue group insurance coverage under our plans for a 24-month period. Mr. Gettle must execute a general release in order to receive any severance benefits.

On May 22, 2017, in connection with our appointment of Mr. Rogers as our Executive Vice President and Chief Financial Officer, we entered into an employment agreement with Mr. Rogers. Pursuant to the terms of the employment agreement, Mr. Rogers will receive an annual base salary of \$400,000. Mr. Rogers is also eligible to earn bonus compensation under our bonus plan and is entitled to participate in and receive all benefits under our employee benefit programs. The employment agreement provides that, in the event we terminate Mr. Rogers' employment without cause (as such term is defined in the employment agreement) or Mr. Rogers terminates his employment for good reason (as such term is defined in the employment agreement), we will continue to pay Mr. Rogers his base salary for the 12-month period following the date of such termination, and we will pay Mr. Rogers a lump sum amount equal to 12 times the monthly COBRA premium that would be necessary to permit him to continue group insurance coverage under our plans for a 12-month period. If, however, we terminate Mr. Rogers' employment without cause (as such term is defined in the employment agreement) or Mr. Rogers terminates his employment for good reason (as such term is defined in the employment agreement) during the two-year period immediately following a change in control (as such term is defined in the 2010 Plan), then in lieu of the payments described in the preceding sentence, we will continue to pay Mr. Rogers his base salary for the 18-month period following the date of such termination, we will pay Mr. Rogers a lump sum amount equal to one and one-half times Mr. Rogers' bonus, based on the target established under our bonus plan, payable during the year in which the termination of employment occurs, and we will pay Mr. Rogers a lump sum amount equal to 18 times the monthly COBRA premium that would be necessary to permit him to continue group insurance coverage under our plans for an 18-month period. Mr. Rogers must execute a general release in order to receive any severance benefits.

On July 9, 2018, our compensation committee granted Messrs. Stoelting, Gettle, and Rogers RSUs pursuant to our 2010 Plan for 8,400, 8,400, and 3,000 shares (on a post Reverse Stock Split basis) of our common stock, respectively. Each of these 2018 RSU awards vest one-third each year over three years and are subject to the same terms and conditions as other RSUs, including the potential accelerated delivery of a portion of these RSUs in the case of the recipient's death or disability, or upon a change in control of our Company.

Potential Payments Upon Termination or Change in Control

As described above, the employment agreements with Messrs. Stoelting, Gettle and Rogers provide for severance benefits upon certain terminations of employment, including following a change in control. See Employment and Other Agreements. The arrangements reflected in these agreements are designed to encourage the officers' full attention and dedication to our company currently and, in the event of termination following a change in control, provide these officers with individual financial security.

In addition, in the event of a change in control (as defined in the 2010 Plan), all outstanding and unvested stock options and RSUs, including those held by our named executive officers, will immediately vest as of the date of the change in control.

PROPOSAL NO. 2

**APPROVAL OF AN AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF
INCORPORATION TO DECLASSIFY OUR BOARD OF DIRECTORS**

After careful consideration, our board of directors recommends that our stockholders approve an amendment to our Amended and Restated Certificate of Incorporation to declassify our board of directors and provide that all directors elected at or after our 2020 annual meeting of stockholders be elected on an annual basis. The text of the amendment, marked to show the proposed deletions and insertions, is attached as Annex A to this Proxy Statement.

Since our initial public offering in 2010, we have had our classified board structure. In the past, our board has concluded that the classified board structure has several advantages, such as providing continuity and stability in pursuing our strategies and enhancing board independence. However, the board of directors recognizes that our classified board structure does not enable stockholders to express a view on each director's performance by means of an annual vote and therefore may be perceived as reducing directors' accountability to stockholders. In determining to recommend the declassification of our board of directors, the board carefully considered the advantages and disadvantages of the current classified board structure and determined that it is advisable and in the best interests of the Company and our stockholders to recommend the change to declassify our board of directors.

Currently, Article VIII of our Amended and Restated Certificate of Incorporation provides that the board of directors shall be classified into three classes with each class holding office for a three-year term. If our stockholders approve the declassification amendment to our Amended and Restated Certificate of Incorporation set forth on Appendix A of this Proxy Statement (the "declassification amendment"), our directors would be elected to annual terms beginning at our 2020 annual meeting of stockholders. The declassification amendment will become effective upon the filing of the amendment to our Amended and Restated Certificate of Incorporation with the Delaware Secretary of State. Under Delaware law, the declassification amendment will not operate to remove a director or shorten the term of a director. If the declassification amendment is approved, and once the certificate of amendment is filed with the Delaware Secretary of State, each member of our board of directors whose term does not expire at our 2020 annual meeting (i.e., the Class II and Class III directors) will resign and be immediately re-appointed to a term that expires at our 2020 annual meeting. All nine directors will thereafter stand for election for one-year terms beginning at our 2020 annual meeting. Our board of directors would also make conforming changes to our Second Amended and Restated Bylaws as necessary or appropriate to declassify our board of directors. If our stockholders do not approve the proposed amendment to our Amended and Restated Certificate of Incorporation, our board of directors will remain classified.

This description of the proposed amendments to our Amended and Restated Certificate of Incorporation is only a summary of these amendments and is qualified in its entirety by reference to the actual text of Article VIII as set forth on Annex A to this Proxy Statement.

Our board of directors recommends a vote **FOR the approval of the amendment to our Amended and Restated Certificate of Incorporation to declassify our board of directors.**

PROPOSAL NO. 3

APPROVAL OF AN AMENDMENT TO THE 2018 PLAN

On April 12, 2019, our board of directors unanimously approved an amendment (the **Plan Amendment**) to the 2018 Plan, and directed the submission of the Plan Amendment for approval by our stockholders at the Annual Meeting.

If approved by our stockholders, the Plan Amendment would increase the amount of the total number of shares reserved and available for delivery under the 2018 Plan by 2,800,000 shares (from 2,820,000 (as adjusted for the Reverse Stock Split) to 5,620,000, plus any shares of our common stock subject to awards granted under the 2010 Plan that become available for issuance under the 2018 Plan in accordance with the terms of the 2018 Plan.

Our board of directors considers the proposed increase in the number of shares of our common stock available for delivery under the 2018 Plan desirable because it will give the board of directors the flexibility to issue additional awards to employees, non-employee directors, and consultants of our company and our affiliates. As of April 8, 2019, a total of 2,743,003 shares had been reserved under the 2018 Plan and the 2010 Plan for awards previously granted to our employees, non-employee directors, and consultants, and an additional 143,500 shares remained available for award at such date.

Set forth below is a summary of the principal provisions of the 2018 Plan. The summary is qualified by reference to the full text of the Plan Amendment and the 2018 Plan. The Plan Amendment is attached as Annex B. Terms that are capitalized, but not defined, have the specific meaning provided in the 2018 Plan.

Purpose

The purpose of the 2018 Plan is to assist our company and our subsidiaries in attracting, motivating, retaining, and rewarding high-quality executives and other employees, officers, directors, and individual consultants who provide services to our company or our subsidiaries, by enabling such persons to acquire or increase a proprietary interest in our company in order to strengthen the mutuality of interests between such persons and our stockholders, and providing such persons with performance incentives to expend their maximum efforts in the creation of stockholder value.

Shares Available for Awards; Annual Per Person Limitations

If any shares of our common stock (**Shares**) subject to an award granted under the 2018 Plan (**Awards**), or Shares subject to any awards granted under the 2010 Plan, are forfeited, expire, or otherwise terminate without issuance of such Shares, or any Award, or Shares subject to any award granted under the 2010 Plan, is settled for cash or otherwise does not result in the issuance of all or a portion of the Shares subject to such Award or award under the 2010 Plan, the Shares to which those Awards or awards under the 2010 Plan were subject will, to the extent of such forfeiture, expiration, termination, non-issuance, or cash settlement, again be available for delivery with respect to Awards under the 2018 Plan.

In the event that any option or other Award granted under the 2018 Plan, or any award granted under the 2010 Plan, is exercised through the tendering of Shares (either actually or by attestation) or by the withholding of Shares by our company, or withholding tax liabilities arising from option or other Award, or any award granted under the 2010 Plan, are satisfied by the tendering of Shares (either actually or by attestation) or by the withholding of Shares by our company, then only the number of Shares issued net of the shares tendered or withheld will be counted for purposes of determining the maximum number of Shares available for grant under the 2018 Plan.

Substitute Awards will not reduce the Shares authorized for delivery under the 2018 Plan or authorized for delivery to a participant in any period. Additionally, in the event that an entity acquired by us or any of our

Table of Contents

subsidiaries or with which we or any of our subsidiaries combines has shares available under a pre-existing plan approved by its stockholders and not adopted in contemplation of such acquisition or combination, the shares available for delivery pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the 2018 Plan and will not reduce the Shares authorized for delivery under the 2018 Plan if and to the extent that the use of such Shares would not require approval of our stockholders under the rules of the NYSE; provided, that Awards using such available shares will not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and will only be made to individuals who were not employees or directors of our company or any of our subsidiaries prior to such acquisition or combination.

The aggregate fair market value of Shares on the date of grant underlying incentive stock options that can be exercisable by any individual for the first time during any calendar year cannot exceed \$100,000 (or such other amount as specified in Section 422 of the Code). Any excess will be treated as a non-qualified stock option.

The maximum number of Shares that may be delivered under the 2018 Plan as a result of the exercise of incentive stock options is 940,000 Shares, subject to certain adjustments.

Subject to adjustment as provided in the 2018 Plan, in any fiscal year of our company during any part of which the 2018 Plan is in effect, no participant who is a director but is not also an employee or consultant may be granted any Awards that have a fair value as of the date of grant, as determined in accordance with ASC Topic 718 (or any other applicable accounting guidance), that exceed \$75,000 in the aggregate.

The Committee is authorized to adjust the limitations on the number of Shares available for issuance under the 2018 Plan and the individual limitations on the amount of certain Awards (other than the \$100,000 limitation described above with respect to incentive stock option awards) and is authorized to adjust outstanding Awards (including adjustments to exercise prices of options and other affected terms of Awards) to the extent it deems equitable in the event that a dividend or other distribution (whether in cash, shares, or other property), recapitalization, forward or reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, or other similar corporate transaction or event affects the Shares so that an adjustment is appropriate. See the sections entitled Acceleration of Vesting; Change in Control and Other Adjustments below for a summary of certain additional adjustment provisions of the 2018 Plan.

Except with respect to the adjustments referenced in the foregoing paragraphs, the Committee is generally not permitted to take any of the following actions without the approval of our stockholders: (a) lower the exercise price per Share of a stock option or grant price per Share of a stock appreciation right after it is granted, (b) cancel an option or a stock appreciation right when the exercise or grant price per Share exceeds the fair market value of the underlying Shares in exchange for cash or another Award, (c) cancel an outstanding option or stock appreciation right in exchange for an option or stock appreciation right with an exercise or grant price per Share that is less than the exercise or grant price per Share of the original options or stock appreciation rights, or (d) take any other action with respect to an option or a stock appreciation right that may be treated as a repricing pursuant to the applicable rules of the NYSE (any such action described in (a)-(d) being referred to as a Repricing).

The 2018 Plan is the successor to the 2010 Plan. Outstanding awards granted under the 2010 Plan will continue to be governed by the terms of the 2010 Plan but no awards may be made under the 2010 Plan.

Eligibility

The persons eligible to receive Awards under the 2018 Plan are the officers, directors, employees, consultants, and other persons who provide services to our company or any of our subsidiaries. The foregoing

Table of Contents

notwithstanding, only employees of our company, or any parent corporation or subsidiary corporation of our company (as those terms are defined in Sections 424(e) and (f) of the Code, respectively), are eligible for purposes of receiving any incentive stock options that are intended to comply with the requirements of Section 422 of the Code. An employee on leave of absence may be considered as still in the employ of our company or any of our subsidiaries for purposes of eligibility for participation in the 2018 Plan.

Administration

The 2018 Plan is to be administered by the Committee, provided, however, that except as otherwise expressly provided in the 2018 Plan, the independent members of our board of directors may elect to exercise any power or authority granted to the Committee under the 2018 Plan. Subject to the terms of the 2018 Plan, the Committee is authorized to select eligible persons to receive Awards, grant Awards, determine the type, number, and other terms and conditions of, and all other matters relating to, Awards, prescribe Award agreements (which need not be identical for each participant) and the rules and regulations for the administration of the 2018 Plan, construe and interpret the 2018 Plan and Award agreements, correct defects, supply omissions or reconcile inconsistencies therein, and make all other decisions and determinations as the Committee may deem necessary or advisable for the administration of the 2018 Plan. Decisions of the Committee shall be final, conclusive, and binding on all persons or entities, including our company, any of our subsidiaries or any participant or beneficiary, or any transferee under the 2018 Plan or any other person claiming rights from or through any of the foregoing persons or entities.

Stock Options and Stock Appreciation Rights

The Committee is authorized to grant (a) stock options, including both incentive stock options, which can result in potentially favorable tax treatment to the participant, and non-qualified stock options, and (b) stock appreciation rights, entitling the participant to receive the amount by which the fair market value of a Share on the date of exercise exceeds the grant price of the stock appreciation right. The exercise price per Share subject to an option and the grant price of a stock appreciation right are determined by the Committee. The exercise price per Share of an option and the grant price of a stock appreciation right may not be less than 100% of the fair market value of a Share on the date the option or stock appreciation right is granted. An option granted to a person who owns or is deemed to own stock representing 10% or more of the voting power of all classes of stock of our company or any parent company (sometimes referred to as a 10% owner) will not qualify as an incentive stock option unless the exercise price for the option is not less than 110% of the fair market value of a Share on the date the incentive stock option is granted.

For purposes of the 2018 Plan, the term fair market value means the fair market value of Shares, Awards, or other property as determined by the Committee or under procedures established by the Committee. Unless otherwise determined by the Committee, the fair market value of a Share as of any given date is the closing sales price per Share as reported on the principal stock exchange or market on which Shares are traded on the date as of which such value is being determined (or as of such later measurement date as determined by the Committee on the date the Award is authorized by the Committee), or, if there is no sale on that date, then on the last previous day on which a sale was reported. The maximum term of each option or stock appreciation right, the times at which each option or stock appreciation right will be exercisable, and provisions requiring forfeiture of unexercised options or stock appreciation rights at or following termination of employment or service generally are fixed by the Committee, except that no option or stock appreciation right may have a term exceeding ten years, and no incentive stock option granted to a 10% owner (as described above) may have a term exceeding five years (to the extent required by the Code at the time of grant). Methods of exercise and settlement and other terms of options and stock appreciation rights are determined by the Committee. Accordingly, the Committee may permit the exercise price of options awarded under the 2018 Plan to be paid in cash, Shares, other Awards, or other property (including loans to participants).

The Company may grant stock appreciation rights in tandem with options (Tandem stock appreciation rights) under the 2018 Plan. A Tandem stock appreciation right may be granted at the same time as the related

Table of Contents

option is granted or, for options that are not incentive stock options, at any time thereafter before exercise or expiration of such option. A Tandem stock appreciation right may only be exercised when the related option would be exercisable and the fair market value of the Shares subject to the related option exceeds the option's exercise price. Any option related to a Tandem stock appreciation right will no longer be exercisable to the extent the Tandem stock appreciation right has been exercised and any Tandem stock appreciation right will no longer be exercisable to the extent the related option has been exercised.

Restricted Stock and Restricted Stock Units

The Committee is authorized to grant restricted stock and restricted stock units. Restricted stock is a grant of Shares which are subject to such risks of forfeiture and other restrictions as the Committee may impose, including time or performance restrictions or both. A participant granted restricted stock generally has all of the rights of a stockholder of our company (including voting and dividend rights), unless otherwise determined by the Committee. An Award of restricted stock units confers upon a participant the right to receive Shares or cash equal to the fair market value of the specified number of Shares covered by the restricted stock units at the end of a specified deferral period, subject to such risks of forfeiture and other restrictions as the Committee may impose. Prior to settlement, an Award of restricted stock units carries no voting or dividend rights or other rights associated with Share ownership, although dividend equivalents may be granted, as discussed below.

Dividend Equivalents

The Committee is authorized to grant dividend equivalents conferring on participants the right to receive, currently or on a deferred basis, cash, Shares, other Awards, or other property equal in value to dividends paid on a specific number of shares or other periodic payments. Dividend equivalents may be granted alone or in connection with another Award, may be paid currently or on a deferred basis, and, if deferred, may be deemed to have been reinvested in additional Shares, Awards, or otherwise as specified by the Committee. Notwithstanding the foregoing, dividend equivalents credited in connection with an Award that vests based on the achievement of performance goals will be subject to restrictions and risk of forfeiture to the same extent as the Award with respect to which such dividend equivalents have been credited.

Bonus Stock and Awards in Lieu of Cash Obligations

The Committee is authorized to grant Shares as a bonus free of restrictions, or to grant Shares or other Awards in lieu of company obligations to pay cash under the 2018 Plan or other plans or compensatory arrangements, subject to such terms as the Committee may specify.

Other Stock Based Awards

The Committee is authorized to grant Awards that are denominated or payable in, valued by reference to, or otherwise based on or related to Shares. The Committee determines the terms and conditions of such Awards.

Performance Awards

The Committee is authorized to grant performance Awards to participants on terms and conditions established by the Committee. The performance criteria to be achieved during any performance period and the length of the performance period will be determined by the Committee upon the grant of the performance Award. Performance Awards may be valued by reference to a designated number of Shares (in which case they are referred to as performance shares) or by reference to a designated amount of property including cash (in which case they are referred to as performance units).

Performance Awards may be settled by delivery of cash, Shares, or other property, or any combination thereof, as determined by the Committee.

Table of Contents

Other Terms of Awards

Awards may be settled in the form of cash, Shares, other Awards, or other property, in the discretion of the Committee. The Committee may require or permit participants to defer the settlement of all or part of an Award in accordance with such terms and conditions as the Committee may establish, including payment or crediting of interest or dividend equivalents on deferred amounts, and the crediting of earnings, gains, and losses based on deemed investment of deferred amounts in specified investment vehicles. The Committee is authorized to place cash, Shares, or other property in trusts or make other arrangements to provide for payment of our obligations under the 2018 Plan. The Committee may condition any payment relating to an Award on the withholding of taxes and may provide that a portion of any Shares or other property to be distributed will be withheld (or that previously acquired Shares or other property be surrendered by the participant) to satisfy withholding and other tax obligations. Awards granted under the 2018 Plan generally may not be pledged or otherwise encumbered and are not transferable except by will or by the laws of descent and distribution, or to a designated beneficiary upon the participant's death, except that the Committee may, in its discretion, permit transfers, subject to any terms and conditions the Committee may impose pursuant to the express terms of an Award agreement, and such transfers are by gift or pursuant to a domestic relations order and are to a permitted assignee that is a permissible transferee under the applicable rules of the SEC for registration of shares of stock on a Form S-8 registration statement. For this purpose, a permitted assignee means (a) the participant's spouse, children, or grandchildren (including any adopted and step children or grandchildren), parents, grandparents, or siblings, (b) a trust for the benefit of one or more of the participant or the persons referred to in clause (a), (c) a partnership, limited liability company, or corporation in which the participant or the persons referred to in clause (a) are the only partners, members, or stockholders, or (d) a foundation in which any person or entity designated in clauses (a), (b) or (c) above control the management of assets. A beneficiary, transferee, or other person claiming any rights under the 2018 Plan from or through any participant will be subject to all terms and conditions of the 2018 Plan and any Award agreement applicable to such participant, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.

Awards under the 2018 Plan generally are granted without a requirement that the participant pay consideration in the form of cash or property for the grant (as distinguished from the exercise), except to the extent required by law. The Committee may, however, grant Awards in exchange for other Awards under the 2018 Plan, awards under other company plans, or other rights to payment from our company, and may grant Awards in addition to and in tandem with such other Awards, rights, or other awards.

Except for certain limited situations (including death, disability, retirement, a change in control of our company (as defined in the 2018 Plan), grants to new hires to replace forfeited compensation, grants representing payment of earned performance Awards or other incentive compensation, substitute Awards, or grants to directors of our company or any of our subsidiaries), restricted stock, restricted stock unit, performance, and other stock-based Awards (a) that are not subject to performance-based vesting requirements will vest over a period of not less than three years from date of grant (but permitting pro-rata vesting over such time), and (b) that are subject to performance-based vesting requirements will vest over a period of not less than one year. The Committee will not waive the vesting requirements set forth in the foregoing sentence.

The limitations set forth above will not apply with respect to up to ninety-five percent (95%) of the maximum number of Shares available for delivery under the 2018 Plan (subject to adjustment as provided under the 2018 Plan).

Acceleration of Vesting; Change in Control

Subject to certain limitations, the Committee may, in its discretion, accelerate the exercisability, the lapsing of restrictions, or the expiration of deferral or vesting periods of any Award. In the event of a change in control of our

company, and only to the extent provided in any employment or other agreement between the participant and our company or any of our subsidiaries, or in any Award agreement, or to the extent otherwise determined by

Table of Contents

the Committee in its sole discretion in each particular case, (a) any option or stock appreciation right that was not previously vested and exercisable at the time of the change in control will become immediately vested and exercisable; (b) any restrictions, deferral of settlement and forfeiture conditions applicable to a restricted stock award, a restricted stock unit award, or another stock-based award subject only to future service requirements will lapse and such Awards will be deemed fully vested; and (c) with respect to any outstanding Award subject to achievement of performance goals and conditions under the 2018 Plan, the Committee may, in its discretion, consider such Awards to have been earned and payable based on achievement of performance goals or based upon target performance (either in full or pro-rata based on the portion of the performance period completed as of the change in control).

Except as otherwise provided in any employment or other agreement for services between the participant and our company or any of our subsidiaries, and unless the Committee otherwise determines in a specific instance, each outstanding Award will not be accelerated as described above, if either (a) the Company is the surviving entity in the change in control and the Award continues to be outstanding after the change in control on substantially the same terms and conditions as were applicable immediately prior to the change in control, or (b) the successor company or its parent company assumes or substitutes for the applicable Award, as determined in accordance the terms of the 2018 Plan. Notwithstanding the foregoing, unless otherwise provided in an Award agreement, in the event a participant's employment is terminated without cause by our company or any of our subsidiaries or by such successor company or by the participant for good reason, as those terms are defined in the 2018 Plan, within 24 months following such change in control, each Award held by such participant at the time of the change in control will be accelerated as described above.

Subject to any limitations contained in the 2018 Plan relating to the vesting of Awards in the event of any merger, consolidation, or other reorganization in which our company does not survive, or in the event of any change in control, the agreement relating to such transaction and/or the Committee may provide for: (a) the continuation of the outstanding Awards by our company, if our company is a surviving entity, (b) the assumption or substitution for outstanding Awards by the surviving entity or its parent or subsidiary pursuant to the provisions contained in the 2018 Plan, (c) full exercisability or vesting and accelerated expiration of the outstanding Awards, or (d) settlement of the value of the outstanding Awards in cash or cash equivalents or other property followed by cancellation of such. The foregoing actions may be taken without the consent or agreement of a participant in the 2018 Plan and without any requirement that all such participants be treated consistently.

Other Adjustments

The Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (a) in recognition of unusual or nonrecurring events (including, without limitation, acquisitions and dispositions of businesses and assets) affecting our company, any of our subsidiaries, or any of our business units, or the financial statements of our company or any of our subsidiaries, (b) in response to changes in applicable laws, regulations, accounting principles, tax rates, and regulations or business conditions, or (c) in view of the Committee's assessment of the business strategy of our company, any of our subsidiaries, or any of our business units thereof, performance of comparable organizations, economic and business conditions, personal performance of a participant, and any other circumstances deemed relevant. However, without the approval of our stockholders, the Committee may not make any adjustment described in this paragraph if such adjustment would result in a Repricing.

Clawback of Benefits

We may (a) cause the cancellation of any Award, (b) require reimbursement of any Award by a participant or beneficiary, and (c) effect any other right of recoupment of equity or other compensation provided under the 2018 Plan or otherwise in accordance with any company policies that currently exist or that may from time to time be

adopted or modified in the future by our company and/or applicable law (each, a clawback policy). In addition, a participant may be required to repay to us certain previously paid compensation, whether provided

Table of Contents

under the 2018 Plan or an Award agreement or otherwise, in accordance with any clawback policy. By accepting an Award, a participant is also agreeing to be bound by any existing or future clawback policy adopted by us, or any amendments that may from time to time be made to the clawback policy in the future by us in our discretion (including without limitation any clawback policy adopted or amended to comply with applicable laws or stock exchange requirements) and is further agreeing that all of the participant's Award agreements (and/or awards issued under the 2010 Plan) may be unilaterally amended by us, without the participant's consent, to the extent that we in our discretion determine to be necessary or appropriate to comply with any clawback policy.

If the participant, without our consent, while employed by or providing services to us or any of our subsidiaries or after termination of such employment or service, violates a non-competition, non-solicitation, or non-disclosure covenant or agreement, then (a) any outstanding, vested or unvested, earned or unearned portion of the Award may, at the Committee's discretion, be canceled and (b) the Committee, in its discretion, may require the participant or other person to whom any payment has been made or Shares or other property have been transferred in connection with the Award to forfeit and pay over to us, on demand, all or any portion of the gain (whether or not taxable) realized upon the exercise of any option or stock appreciation right and the value realized (whether or not taxable) on the vesting or payment of any other Award during the time period specified in the Award agreement or otherwise specified by the Committee.

Amendment and Termination

Our board of directors may amend, alter, suspend, discontinue, or terminate the 2018 Plan or the Committee's authority to grant Awards without the consent of stockholders or participants or beneficiaries, except that stockholder approval must be obtained for any amendment or alteration if such approval is required by law or regulation or under the rules of any stock exchange or quotation system on which Shares may then be listed or quoted; provided that, except as otherwise permitted by the 2018 Plan or an Award agreement, without the consent of an affected participant, no such board action may materially and adversely affect the rights of such participant under the terms of any previously granted and outstanding Award. The Committee may waive any conditions or rights under, or amend, alter, suspend, discontinue, or terminate any Award theretofore granted and any Award agreement relating thereto, except as otherwise provided in the 2018 Plan; provided that, except as otherwise permitted by the 2018 Plan or Award agreement, without the consent of an affected participant, no such Committee or board action may materially and adversely affect the rights of such participant under terms of such Award. The 2018 Plan will terminate at the earliest of (a) such time as no Shares remain available for issuance under the 2018 Plan, (b) termination of the 2018 Plan by our board of directors, or (c) the tenth anniversary of the Stockholder Approval Date. Awards outstanding upon expiration of the 2018 Plan will remain in effect until they have been exercised or terminated, or have expired.

Our board of directors recommends a vote **FOR the approval of the Plan Amendment to the 2018 Plan to increase the amount of the total number of shares reserved and available for delivery under the 2018 Plan by 2,800,000 shares.**

PROPOSAL NO. 4

ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with the rules of the SEC, we are providing stockholders with a non-binding advisory vote to approve the compensation of our named executive officers. This non-binding advisory vote is commonly referred to as a "say on pay" vote and gives our stockholders the opportunity to express their views on the compensation of our named executive officers by voting on the non-binding resolution below. The non-binding advisory vote on the compensation of our named executive officers, as disclosed in this Proxy Statement, will be determined by the affirmative vote of a majority of the shares of common stock present in person or represented by proxy and entitled to vote on the item.

Stockholders are urged to read the "Executive Compensation" section of this Proxy Statement, which contains tabular information and narrative discussion about the compensation of our named executive officers.

Our board of directors recommends that you vote **FOR the approval, on an advisory basis, of the following resolution, which will be submitted for a stockholder vote at the Annual Meeting:**

RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation tables, narrative discussion, and related matters.

You may vote "for" or "against" the foregoing resolution, or you may "abstain." This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies, and procedures described in this Proxy Statement.

As an advisory vote, this proposal is not binding. However, our board of directors and compensation committee, which is responsible for designing and administering our executive compensation program, value the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Table of Contents**PROPOSAL NO. 5****RATIFICATION OF APPOINTMENT OF****INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our audit committee is responsible for the appointment of our independent registered public accounting firm. Our audit committee has appointed Deloitte & Touche LLP (D&T) as our independent registered public accounting firm to audit our consolidated financial statements and our internal control over financial reporting for the year ending December 31, 2019. D&T has served as our independent auditors since 2005. The services provided to us by D&T, along with the corresponding fees for 2018 and 2017, are described below.

Stockholder ratification of the appointment of our independent registered public accounting firm is not required. We are doing so because we believe it is a sound corporate governance practice. If our stockholders do not ratify the selection, our audit committee will consider whether or not to retain D&T, but may still retain them.

We anticipate that representatives of D&T will be present at the meeting, will have the opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

Our board of directors recommends that you vote FOR the ratification of D&T as our independent registered public accounting firm for the year ending December 31, 2019.

As set forth in its charter, the audit committee is responsible for pre-approving all audit, audit related, tax, and other services to be performed by the independent registered public accounting firm. REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Our board of directors has appointed an audit committee consisting of three independent directors. All members of our audit committee are able to read and understand fundamental financial statements, including our balance sheet, income statement, and cash flow statement. All members of our audit committee have past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background which results in each individual's financial sophistication, including being or having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibility. Our board of directors has determined that Messrs. Murray, Kennedy, and Urkiel are independent directors, as defined by Section 303A of the NYSE Listed Company Manual, and that Mr. Murray, chairman, qualifies as an audit committee financial expert.

The primary responsibility of our audit committee is to assist our board of directors in fulfilling its responsibility to oversee management's conduct of our financial reporting process, including overseeing the financial reports and other financial information provided by us to governmental or regulatory bodies (such as the SEC), the public, and other users thereof; our systems of internal accounting and financial controls; and the annual independent audit of our consolidated financial statements.

Management has the responsibility for our consolidated financial statements and the reporting process, including the systems of internal controls. Our independent registered public accounting firm engaged to conduct the audit of our 2018 financial statements, Deloitte & Touche LLP, is responsible for auditing our consolidated financial statements and expressing an opinion on the conformity of those audited consolidated financial statements with generally accepted accounting principles.

In fulfilling its oversight responsibilities, our audit committee reviewed and discussed our consolidated audited financial statements with management and the independent registered public accounting firm. Our audit committee discussed with the independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 16, Communication with Audit Committees. This included a discussion of the independent registered public accounting firm's judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with our audit committee under generally accepted auditing standards. In addition, our audit committee received from the independent registered public accounting firm written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's independence. Our audit committee also discussed with the independent registered public accounting firm their independence from management and our company, including the matters covered by the written disclosures and letter provided by the independent registered public accounting firm. Our audit committee has concluded that Deloitte & Touche LLP is independent from our company and management.

Our audit committee discussed with the independent registered public accounting firm the overall scope and plans for their audits. Our audit committee met with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of our company, the internal controls, and the overall quality of our financial reporting. Our audit committee held 15 meetings during the fiscal year ended December 31, 2018.

Based on the reviews and discussions referred to above, our audit committee recommended to our board of directors, and our board of directors approved, that our audited consolidated financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2018 for filing with the SEC.

Our board of directors has adopted a written charter for our audit committee that reflects, among other things, requirements of the Sarbanes-Oxley Act of 2002, rules adopted by the SEC, and rules of the NYSE.

This report has been furnished by our audit committee to our board of directors.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Other than as set forth below, there were no transactions or series of similar transactions since January 1, 2018 to which we were or are a party that involved an amount exceeding \$120,000 and in which any of our directors, executive officers, holders of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest.

Series E-1 Preferred Stock Investment Agreement

On March 1, 2018, we entered into the Series E-1 Preferred Stock Investment Agreement (the "Series E-1 Investment Agreement") with Elliott, pursuant to which we agreed to issue and sell to Elliott, and Elliott agreed to purchase from us, on the terms and subject to the conditions set forth in the Series E-1 Investment Agreement, from time to time until July 30, 2018 (the "Termination Date"), an aggregate of up to 54,750 shares of a newly created class of preferred stock designated as Series E-1 Cumulative Redeemable Preferred Stock, par value \$0.01 per share ("Series E-1 Preferred Stock"), at a purchase price of \$1,000 per share for the first 17,500 shares of Series E-1 Preferred Stock, \$960 per share for the next 18,228 shares of Series E-1 Preferred Stock, and \$920 per share for the final 19,022 shares of Series E-1 Preferred Stock. On March 1, 2018, the parties held an initial closing pursuant to which we issued and sold to Elliott 17,500 shares of Series E-1 Preferred Stock for an aggregate purchase price of \$17.5 million. On April 24, 2018, the parties held a closing pursuant to the Series E-1 Investment Agreement, pursuant to which we issued and sold to Elliott 18,228 shares of Series E-1 Preferred Stock for an aggregate purchase price of approximately \$17.5 million. On August 3, 2018, September 19, 2018, November 8, 2018, and January 9, 2019, we entered into amendments to the Series E-1 Investment Agreement, which, among other things, (i) extended the termination date thereunder from July 30, 2018 to March 2, 2019 for the remaining 19,022 shares available to issue and sell to Elliott for \$17.5 million, and (ii) provided that if the Series E-1 Investment Agreement was not already terminated, the Series E-1 Investment Agreement would automatically terminate upon the rights offering effective date. Upon the closing of the rights offering described below, the Series E-1 Investment Agreement was automatically terminated.

Rights Offering

On February 26, 2019, we closed our previously announced fully backstopped \$450 million rights offering, pursuant to which we issued and sold an aggregate of 900 million new shares of our common stock at the subscription price of \$0.50 per share. An aggregate of 177,676,223 shares of our common stock were purchased pursuant to the exercise of basic subscription rights and over-subscription rights from stockholders of record during the subscription period, including from the exercise of basic subscription rights by stockholders who are affiliates of Elliott. In addition, Elliott purchased an aggregate of 722,323,777 additional shares pursuant to the previously announced commitment from Elliott to purchase all unsubscribed shares of our common stock in the rights offering pursuant to a standby purchase agreement (the "Standby Purchase Agreement") that we entered into with Elliott dated November 8, 2018, as amended (the "backstop commitment"). Overall, Elliott purchased a total of 843,632,693 shares of our common stock in the rights offering between its basic subscription rights and the backstop commitment, and following the closing of the rights offering beneficially owned approximately 90.4% of our common stock.

The net proceeds from the rights offering and backstop commitment were used to fully redeem the outstanding shares of our preferred stock and to pay related accrued and unpaid dividends. Proceeds were also used to pay fees and expenses in connection with the rights offering and backstop commitment. We retained in excess of \$30 million of net cash proceeds to be used for general corporate purposes. The purpose of the rights offering was to improve and simplify our capital structure in a manner that gave our existing stockholders the opportunity to participate on a pro rata basis.

Stockholders Agreement

On February 26, 2019, we entered into a Stockholders Agreement with Elliott (the Stockholders Agreement). Our execution and delivery of the Stockholders Agreement was a condition to Elliott's backstop

Our execution and delivery of the A&R Registration Rights Agreement was a condition to Elliott's backstop commitment. The A&R Registration Rights Agreement amended the Registration Rights Agreement to provide the Elliott Stockholders (as defined therein) and the HCI Stockholders (as defined therein) with unlimited Form S-1 registration rights in connection with company securities owned by them.

In addition, our Second Amended and Restated Bylaws establish certain requirements for proposals a stockholder wishes to make from the floor of the 2020 annual meeting of stockholders. If the proposal is for a matter other than the nomination of a director for election at the meeting, the proposal must be written and delivered to our secretary at the address set forth above between December 24, 2019 and January 23, 2020, which is 150 to 120 days prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the 2020 annual meeting is more than 30 days before or more than 70 days after such anniversary date, notice by the stockholder must be so delivered not earlier than 150 days prior to such annual meeting and not later than the later of (a) 120 days prior to such annual meeting or (b) ten days following the day on which public announcement of the date of such meeting is first made by our company. If the proposal is for the nomination of a director for election at the meeting, the nomination must be delivered to our secretary at the address listed above between December 24, 2019 and January 23, 2020, which is 150 to 120 days prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the 2019 annual meeting is more than 30 days before or 70 days after such anniversary date, notice by the stockholder must be so delivered not earlier than 150 days prior to such annual meeting and not later than the later of (a) 120 days prior to such annual meeting or (b) ten days following the day on which we make the first public announcement of the date of such meeting.
