INDEPENDENT AUDITORS REPORT

Trustees
Guaranty Bancshares, Inc. Employee
Stock Ownership Plan
(With 401(k) Provisions)
Mt. Pleasant, Texas

We have audited the accompanying statements of net assets available for benefits of Guaranty Bancshares, Inc. Employee Stock Ownership Plan (with 401(k) Provisions) (Plan) as of December 31, 2003 and 2002, and the related statement of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U. S. generally accepted auditing standards. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the administrator, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Guaranty Bancshares, Inc. Employee Stock Ownership Plan (with 401(k) Provisions) as of December 31, 2003 and 2002, and the changes in its net assets available for benefits for the years then ended, in conformity with U. S. generally accepted accounting principles.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental Schedule of Assets Held for Investment Purposes (Schedule I) as of December 31, 2003 and Schedule of Reportable Transactions (Schedule II) for the year ended December 31, 2003 are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, are fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

VESTING

The percentage of the participant's account from Employer Optional Contributions and Matching Contributions to which they will be entitled is calculated as follows:

For Employer Contributions made prior to January 1, 2002:

Participant's Years of Service	Vested Percentage
Less than three years	0%
Three years	20%
Four years	40%
Five years	60%
Six years	80%
Seven or more years	100%

Note: For participants employed before December 31, 1997, 25% of their Matching Contributions account was automatically fully vested and the other 75% was subject to the schedule above.

For Employer Contributions made after December 31, 2001:

Participant's Years of Service	Vested Percentage
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six years	100%

Upon death, retirement, or total disability, participants are 100% vested in all employer contributions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with any salary deferrals as well as an allocation of the Company's contributions, Plan earnings and forfeitures of terminated participants' non-vested accounts, less an allocation of administrative expenses. Allocations of the Company Optional Contributions are based on a participant's compensation. Company Matching Contributions are allocated based on a participant's salary deferrals.

The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

PLAN ADMINISTRATION

Plan assets are held in the custody of The Bank of New York. Certain Plan administrative duties, such as 5500 preparation, compliance testing, preparation of quarterly statements, and enrollment and transaction processing, are performed by Pentegra Services, Inc.

Certain other administrative functions are performed by officers or employees of the Company. However, such officers and employees receive no compensation from the Plan.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

PARTICIPANTS' INVESTMENT OPTIONS

Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan administrator. Participants may change the percentage of their elective contributions only as of the January 1st or July 1st of any Plan Year. Participants may change their investment options once per calendar quarter throughout the year via phone, paper document, or online access to Pentegra Services, Inc.

PARTICIPANT LOANS

The Plan allows participants to borrow from their participant accounts in cases of immediate and heavy financial need as defined by the Plan. In such cases, participants may borrow up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Interest rates and terms of the loans, not to exceed five years, are determined by the committee of Trustees.

FORFEITURES

Any portion of the balance in a participant's account that is not vested will become a forfeiture upon the occurrence of a break in service. Forfeitures are used to pay administrative expenses of the plan and are also reallocated among the remaining participants of the Plan in the ratio that the participant's compensation bears to the total compensation of all participants. During the year ended December 31, 2003, no forfeitures were allocated to participants; however, \$30,000 was allocated in February, 2004. At December 31, 2003 and 2002, unallocated forfeitures amounted to \$51,809 and \$16,367, respectively.

PAYMENT OF BENEFITS

On termination of service, participants may elect to receive an amount equal to the value of the participant's vested interest in his or her account in whole shares of Company stock, cash or a combination of both.

PLAN AMENDMENT

The Plan was amended and restated for the plan year beginning 2002 to reflect certain provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001. As mentioned in Note 4, a favorable determination letter was obtained by the Company for this amendment.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants shall become 100% vested in their respective accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with U. S. generally accepted accounting principles.

ESTIMATES

The preparation of financial statements requires the Custodian and the Trustee to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INVESTMENT INCOME

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of collective investment funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.
