PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS, APRIL 22, 2005

Edgar Filing: REGAL BELOIT CORP - Form DEF 14A

SOLICITATION AND VOTING

The enclosed proxy for the Annual Meeting of Shareholders (the Annual Meeting) to be held April 22, 2005, and any and all adjournments thereof, is solicited on behalf of the Board of Directors of the Company. This Proxy Statement, Notice of Meeting and accompanying proxy card are first being mailed to shareholders on or about March 28, 2005.

The Company pays for the expenses of this solicitation of proxies. It is expected that only solicitations by mail will be used, except that Directors, Officers or regular employees of the Company may solicit proxies personally, by telephone or by facsimile. The Company may pay brokers and other custodians, nominees and fiduciaries their reasonable expenses for sending proxy material to principals and obtaining their proxies.

Only shareholders of record at the close of business on February 28, 2005, will be entitled to vote at the meeting. Each share is entitled to one vote. On that date, there were 29,034,188 shares of the Company s outstanding common stock, \$0.01 par value (the Common Stock).

You may revoke your proxy at any time prior to the close of voting by filing a written notice with the Secretary of the Company or by withdrawing your proxy in person at the registration desk at the Annual Meeting. Properly executed proxies will be voted as specified, unless revoked. In the absence of such specification(s), shares will be voted **FOR** the election of all three nominees for the Board of Directors.

A majority of the shares entitled to vote, present in person or represented by proxy, shall constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum.

If a quorum is present, Directors will be elected by a plurality of the votes cast by the holders of Common Stock entitled to vote in the election at the Annual Meeting. Plurality means that the individuals who receive the largest number of votes are elected as Directors up to the maximum number of Directors to be chosen at the meeting. An abstention, broker non-vote or instructions on the proxy card to withhold a vote will have no effect on the election of Directors under Wisconsin law.

PROPOSAL 1: ELECTION OF DIRECTORS

The current three-year term of the Class C Directors expires at the Annual Meeting. Unless otherwise directed, proxies will be voted at the Annual Meeting for the election of nominees, J. Reed Coleman, Stephen N. Graff and Thomas J. Fischer as Class C Directors for a three-year term expiring at the 2008 Annual Meeting and until their successors are duly elected. All nominees are currently serving as Directors. Mr. Fischer was appointed by the Board of Directors as a Class A Director in 2004 and was recommended for selection as a Director by the Corporate Governance and Director Affairs Committee to replace Paul Jones. The Board unanimously appointed Mr. Fischer on April 22, 2004. Frank E. Bauchiero retired as a Class C Director on January 21, 2005. Mr. Fischer has been nominated for election as a Class C Director to fill the vacancy so created. Management has no reason to believe that any of the foregoing nominees is not available or will not serve if elected, but if any of them should become so unavailable to serve as a Director, full discretion is reserved to the persons named as proxies to vote for such other persons as may be nominated.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR EACH NAMED NOMINEE.

The following sets forth certain information concerning each nominee and each Director whose term of office continues after the Annual Meeting. Report of Audit Committee

The Audit Committee of the Board of Directors (the Audit Committee) as described on page 5 is composed entirely of independent Directors. The Audit Committee operates under an amended written charter adopted by the Board of Directors on January 31, 2003.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and Deloitte & Touche LLP, the Company's independent auditors, for the fiscal year ended December 31, 2004. The Audit Committee has also discussed with Deloitte & Touche LLP, the matters required to be discussed by the Statement on Auditing Standards No. 61, as modified or supplemented. The Audit Committee has reviewed and discussed with the independent auditors independence matters, including the written disclosures and the letter from Deloitte & Touche LLP, required by Independence Standards Board Standard No. 1 as modified or supplemented. During fiscal year 2004, the Audit Committee reviewed and pre-approved the Company's quarterly and annual filings with the SEC. The Audit Committee has periodically monitored and discussed with management and the independent auditors the adequacy and integrity of the Company's disclosure controls and procedures and internal controls. The Audit Committee has closely monitored the Company's work throughout 2004 and 2005 to date to comply with Section 404 of the Sarbanes-Oxley Act, discussing this topic regularly with management and the independent auditors. Management has made its assertion that, as of December 31, 2004, the Company had no material weaknesses in its internal controls over financial reporting. Deloitte & Touche LLP has given its opinion attesting to management's assertion.

6

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the SEC.

The Audit Committee or its Chair pre-approves each project performed by the independent auditors. In 2004 and 2003, all such projects were approved in accordance with the Audit Committee Charter and applicable government rules and regulations. For fiscal years 2004 and 2003, fees for services provided by Deloitte and Touche LLP, were as follows:

<u>Year</u>	<u>Audit Fees (1)</u>	<u>Audit Related Fees (1)</u>	<u>Tax Fees (1)</u>	<u>Other Fees</u>	<u>Total</u>
2004	\$ 706,950	\$535,552	\$225,335	-0-	\$1,467,837
2003	\$ 259,700	\$ 66,500	\$ 96,745	-0-	\$ 422,945

- (1) Audit fees include fees and expenses related to the annual 2004 financial audit of the Company's financial statements, including quarterly reviews, and the annual 2004 attestation audit required by Section 404 of the Sarbanes-Oxley Act. Audit related fees include audits of employee benefit plans, acquisition financial due diligence, audit support of public debt or stock offerings and miscellaneous other audit related project work. Tax fees include tax return preparation and review, tax consultations and other tax related projects.

The Audit Committee has considered and determined that the provision of the services provided by the independent auditors is compatible with maintaining the independent auditors' independence.

This report of the Audit Committee has been presented by the following named Directors comprising the Audit Committee: J. Reed Coleman, Chair, Thomas J. Fischer, and Stephen N. Graff.

Report of Compensation and Human Resources Committee on Annual Compensation

The Compensation and Human Resources Committee of the Board of Directors (the "Compensation and Human Resources Committee") as described on Page 5 is composed entirely of independent Directors. The Compensation and Human Resources Committee is responsible for setting and administering the policies which govern both annual compensation and equity incentive award programs. The following is an overview of those compensation policies.

Overall Policy for Named Executive Officers' Compensation. The Compensation and Human Resources Committee maintains executive salary and benefits at a level that will permit the Company to attract and retain the highest quality individuals for its key executive positions, taking into consideration the prevailing competitive job market, the current and projected size of the Company, its ability to pay and the relationship of the resulting executive compensation to other non-executive compensation in the Company. Named Executive Officers' overall compensation for 2004 consisted of a cash salary and a performance bonus.

Named Executive Officers' Incentive Bonus. The bonus program is an economic value added type program, which the Company calls Shareholder Value Added ("SVA"). The program provides bonuses based on a comparison of actual annual SVA to target SVA for that respective fiscal year. If actual SVA equals target SVA, the executive earns his target bonus. The target bonus depends upon job responsibility and is approved by the Compensation and Human Resources Committee. Performance above target SVA earns a bonus more than the target bonus while performance below target SVA earns a bonus less than the target bonus. SVA is calculated by subtracting a charge for the average net capital employed by the Company during a fiscal year from the net operating profit after tax ("NOPAT") generated by the Company in that same fiscal year. In addition, discretionary bonuses may also be granted by the Board of Directors.

General Measures Used to Determine Compensation for the Chief Executive Officer. The cash salary compensation, bonus and equity incentive awards are determined by annually comparing the Chief Executive Officer's position to those of similar chief executive officers for companies of comparable size and type as reported in one or more representative management compensation studies, taking into consideration geographic location, inflation and the responsibilities commensurate with the position.

7

Criteria Used in Determining Compensation of the Named Executive Officers, other than the Chief Executive Officer. The criteria for determining the cash salary, annual performance bonus and equity incentive awards for the other Named Executive Officers is consistent with the criteria as outlined above for the Chief Executive Officer.

Equity Incentive Philosophy. Historically, equity incentive awards for Named Executive Officers, including the Chief Executive Officer, have been granted on a periodic basis to accomplish a diverse set of goals, namely, to advance the Company's growth and success by attracting well-qualified Executives upon whose judgment the Company is dependent for the successful conduct of its operations and to provide such Executives with incentives to put forth maximum effort for the long-term success of the Company's business. Equity incentive awards may include options, stock appreciation rights, performance shares, performance units or restricted stock. The size and term are based on competitive practice and position levels to ensure retention and alignment of the Named Executive Officers' long-range interests with those of the shareholders and the opportunity for the Named Executive Officers to build a meaningful stake in the Company.

This overview of the Company's compensation policies has been presented by the following named Directors comprising the Compensation and Human Resources Committee for the fiscal year ended December 31, 2004: John A. McKay, Chair, and Stephen N. Graff.

Compensation and Human Resources Committee Interlocks and Insider Participation

The Compensation and Human Resources Committee currently consists of John A. McKay, Chair, and Christopher L. Doerr. Stephen N. Graff and Frank E. Bauchiero served on this Committee in 2004. There are no compensation interlocks among the current and former Committee members and the Company.

Officers, Directors and greater than ten percent (10%) shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by the Company or written representation from certain reporting persons, the Company believes that its Officers, Directors, and greater than ten percent (10%) beneficial owners complied with all applicable filing requirements, except for one grant of stock options where administrative error resulted in one late Form 4 filing for Mr. Eisenreich.
