Proxy materials are available at www.vnb.com in the Investors section under Proxy Materials. The materials available include this notice of the annual meeting of shareholders, the proxy statement, the form of proxy and the Annual Report on Form 10-K for the year ended December 31, 2014.

QUESTIONS AND ANSWERS ABOUT THE MEETING

Q: Where and when is the shareholders meeting?

A: The 2015 Annual Meeting of Shareholders will be held at The Boar's Head Inn Pavilion, 200 Ednam Drive, Charlottesville, Virginia on Wednesday, May 20, 2015 at 4:00 p.m., local time.

Q: What am I being asked to vote on?

A: At the Annual Meeting, you will be asked to vote on the following proposals:

to elect 11 directors of the Company to serve until the 2016 Annual Meeting of Shareholders of the Company;

to approve, on an advisory (non-binding) basis, the Company's executive compensation; and

to ratify the appointment of Yount, Hyde & Barbour, P.C. as the Company's independent auditors for 2015.

We will also vote on any other matters which may properly come before the Annual Meeting.

Q: What do I need to do now?

A: Just indicate on your proxy card how you want to vote, and sign, date and return it as soon as possible. If you sign and send in your proxy and do not indicate how you want to vote, your proxy will be voted for the election of the director nominees named in this proxy statement as directors of the Company to serve until the Company's 2016 Annual Meeting, for the approval of the Company's executive compensation, and for the ratification of the appointment of Yount, Hyde & Barbour, P.C. as the Company's independent auditors for 2015.

If you are a registered shareholder, you can choose to attend the Annual Meeting and vote your shares in person instead of returning your completed proxy card. If you do return a proxy card, you may attend the meeting and change your vote. See "The Annual Meeting Voting and Revocation of Proxies" on page 2 of the proxy statement.

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: If you own shares that are held in street name, meaning through a brokerage firm, bank, broker-dealer or other similar organization, and you do not provide the firm that holds the shares with specific voting instructions then, under applicable rules, the firm that holds the shares may generally vote on routine matters but cannot vote on non-routine matters. If the firm that holds such shares does not receive instructions from you on how to vote your shares on a non-routine matter, that firm will inform the inspector of election that it does not have the authority to vote on the matter with respect to the shares. This is generally referred to as a broker non-vote.

The election of directors (Proposal 1) and the approval of the Company's executive compensation (Proposal 2) are matters that are considered non-routine under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore broker non-votes may exist in connection with Proposals 1 and 2. The ratification of the appointment of Yount, Hyde & Barbour, P.C. as the Company's independent auditors for 2015 (Proposal 3) is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal 3.

Please provide instructions to your broker on how you want your shares voted by completing the voting instruction form you receive from your broker.

Q: How do I vote in person at the meeting if I hold shares in street name?

A: You may only vote shares held in street name in person at the meeting if you obtain a legal proxy from the firm that holds your shares. There should be a section of the voting instruction form sent to you that states "Place X Here If You Plan to Attend and Vote Your Shares at the Meeting" or words of similar effect. If you place the X in the box provided and return your proxy card, you should receive a legal proxy from your firm that you can bring to the meeting to vote your shares in person. You should contact your broker for more complete information.

VIRGINIA NATIONAL BANKSHARES CORPORATION

PROXY STATEMENT ANNUAL MEETING OF SHAREHOLDERS MAY 20, 2015

INTRODUCTION

This proxy statement is being furnished to you as part of the solicitation of proxies by the Board of Directors of Virginia National Bankshares Corporation (the Company) for use at the Annual Meeting of Shareholders of the Company to be held on Wednesday, May 20, 2015 (the Annual Meeting), at 4:00 p.m. at The Boar's Head Inn Pavilion, 200 Ednam Drive, in Charlottesville, Virginia, and at any adjournment or postponement of the meeting. The Annual Meeting will be held for the purposes set forth below and in the Notice of the Annual Meeting of Shareholders. The date of this proxy statement is April 15, 2015. The approximate mailing date of this proxy statement, the Notice of the Annual Meeting and accompanying proxy (also sometimes referred to as the proxy card) is April 20, 2015.

Reorganization; Affiliated Banks

On December 16, 2013, Virginia National Bank (the Bank) reorganized into a holding company form of ownership pursuant to a Reorganization Agreement and Plan of Share Exchange (the Reorganization) which was approved by the Bank's shareholders on June 19, 2013. As a result of this Reorganization, the Bank became a wholly-owned subsidiary of the Company, and each share of the Bank's common stock was automatically converted to one share of the Company's common stock. References to the Company in this proxy statement will generally include references to the Bank for any applicable periods prior to the Reorganization.

The Bank has one wholly-owned subsidiary, VNBTrust, National Association (VNBTrust), which is a national trust bank. References to the Company's affiliated banks or subsidiaries include the Bank and/or VNBTrust.

Record Date and Voting Rights of Shareholders

Only shareholders of record of the Company's common stock as of the close of business on April 13, 2015, the record date fixed for the Annual Meeting, are entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. As of the close of business on the record date, there were 2,688,781 shares of the Company's common stock outstanding and entitled to vote at the Annual Meeting. The Company has no other class of stock outstanding. Each share of common stock entitles the record holder thereof to one vote for each matter to be voted upon at the Annual Meeting.

Quorum

A majority of the outstanding shares entitled to vote, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Shares for which the holder has elected to abstain or to withhold the proxy's authority to vote (including broker non-votes as discussed below) on a matter will count toward a quorum but will not be included in determining the number of votes cast with respect to such matter. Shares held by brokers or banks in street name (broker shares) that are voted on any matter are included in the quorum. Broker shares that are not voted on any matter will not be included in determining whether a quorum is present.

Vote Required

The vote required for approval varies based on the proposal. Directors are elected by plurality; therefore, the 11 nominees receiving the greatest number of affirmative votes cast will be elected. Approval of all other proposals and any other business that may properly come before the shareholders at the Annual Meeting at which a quorum is

present will be approved if the votes cast in favor of the proposal or other action at the Annual Meeting exceed the votes cast against the proposal or other action.

Voting and Revocation of Proxies

Execution of a proxy will not affect a registered shareholder's right to attend the Annual Meeting and vote in person. Any registered shareholder who has executed and returned a proxy may revoke it by attending the Annual Meeting and voting in person. A registered shareholder may also revoke his or her proxy at any time before it is exercised by filing a written notice with the Corporate Secretary of the Company or by submitting a proxy bearing a later date. Proxies will extend to, and will be voted at, any adjourned session of the Annual Meeting.

Voting Shares Held in Accounts with Brokerage Firms and Similar Organizations; Broker Non-Votes

If your shares are held in an account with a brokerage firm, bank, broker-dealer or similar organization, then your shares are held in street name. The firm that holds your shares, or its nominee, is the registered shareholder for purposes of voting at the Annual Meeting, and you are considered the beneficial owner. As beneficial owner, you have the right to direct the firm how to vote the shares held for you, and you must follow the instructions of that firm in order to vote your shares or to change a previously submitted voting instruction. **Since you are not the registered owner, you may not vote the shares in person at the Annual Meeting unless you obtain a legal proxy from the firm that holds your shares giving you the right to vote shares registered in its name at the Annual Meeting. Please note that this legal proxy is different from the proxy card or voting instructions you generally receive in the mail. If you wish to vote your shares in person, please contact the firm holding your shares for a legal proxy.**

If the firm that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that firm does not have the authority to vote on that matter with respect to your shares. This is generally referred to as a broker non-vote. The election of directors (Proposal 1) and the approval of the Company's executive compensation (Proposal 2) are matters that are considered non-routine under applicable rules, therefore broker non-votes may exist in connection with those proposals. The ratification of the appointment of Yount, Hyde & Barbour, P.C. as the Company's independent auditors for 2015 (Proposal 3) is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal 3.

How Shares will be Voted

Shares represented by proxies will be voted at the Annual Meeting as follows:

Properly Completed Proxies Shares represented by a properly-completed proxy that contains voting instructions will be voted in accordance with the voting instructions specified in the proxy.

Proxies Without Voting Instructions Shares represented by proxies that are properly signed and dated but which do not contain voting instructions will be voted in accordance with the recommendations of the Company's Board of Directors (the Board).

Abstentions We will count a properly executed proxy marked ABSTAIN for purposes of determining whether there is a quorum present at the Annual Meeting, but the shares represented by that proxy will not be voted at the Annual Meeting.

Broker Non-votes Other than with respect to the ratification of the Company's independent auditors, your broker may not vote your shares for you unless you provide instructions to your broker on how to vote them. You should follow the directions provided by your broker regarding how to instruct your broker to vote your shares. If you do not do this, your broker may not vote your shares at all (known as a broker non-vote).

Solicitation of Proxies

The cost of solicitation of proxies will be borne by the Company, including the cost of reimbursing brokerage firms, banks and similar organizations for forwarding proxy materials to shareholders. Solicitation of proxies is being made by mail and, if necessary, may be made in person, by telephone, by facsimile, by electronic mail or by special

letter by directors, officers and employees of the Company or any subsidiary, acting without any separate compensation for any such solicitations.

PROPOSAL 1 ELECTION OF DIRECTORS

General

Eleven directors will be elected at the Annual Meeting to serve until the 2016 Annual Meeting of Shareholders of the Company and until their successors are elected and qualified. The Company's Board of Directors currently consists of 8 directors serving a one-year term that expires at the Annual Meeting.

Directors will be elected by a plurality of the votes cast by shares entitled to vote in the election of directors at a meeting at which a quorum is present, which means the 11 nominees receiving the highest number of votes will be elected even though such 11 individuals may not receive for votes from a majority of the votes cast.

Each person nominated has consented to being named as a nominee in this proxy statement and has indicated that he or she is willing to serve as a director if elected. If at the time of the Annual Meeting, any nominee is unable or unwilling to serve, shares represented by proxies will be voted at the discretion of the named proxies for such other person as the Board of Directors may nominate.

The following table sets forth certain information concerning the persons who have been nominated for election as directors by the Board of Directors.

PROPOSAL 2 ADVISORY (NON-BINDING) VOTE TO APPROVE EXECUTIVE COMPENSATION

Shareholders are being given the opportunity to vote on an advisory (non-binding) resolution to approve the compensation of the named executive officers pursuant to requirements of the Dodd-Frank Act and rules of the Securities and Exchange Commission. The named executive officers of the Company are set forth in the Executive Compensation section of this proxy statement. This proposal, commonly known as a say on pay proposal, gives shareholders the opportunity to endorse or not endorse a company's executive pay program, which is outlined in the Executive Compensation section starting on page 8 of this proxy statement. Accordingly, shareholders of the Company are being asked to approve the following resolution:

RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the Executive Compensation section of this proxy statement.

As stated above, this is an advisory vote only. Approval of the proposed resolution requires that the votes cast for the resolution exceed the votes cast against the resolution.

The Company believes its compensation policies and procedures are strongly aligned with the long term interests of its shareholders. Because your vote is advisory, it will not be binding upon the Board of Directors. However, the Compensation Committee of the Board of Directors will take into account the outcome of the vote when considering future executive compensation decisions.

The Board of Directors recommends that shareholders vote FOR approval of the named executive officers' compensation. Unless otherwise indicated on the proxy, the persons named therein will vote FOR approval of the proposal.

PROPOSAL 3 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit and Compliance Committee of the Board of Directors (the Audit Committee), under Rule 10A-3 of the Securities and Exchange Act of 1934 and the committee's charter, has the sole authority to appoint or replace the Company's independent auditors. The Audit Committee has appointed Yount, Hyde & Barbour, P.C. as the

independent auditors to audit the Company's consolidated financial statements for the year ending December 31, 2015. The Audit Committee seeks shareholder ratification of this appointment. Yount, Hyde & Barbour, P.C. has acted as the Company's external auditors since 1999 and has reported on consolidated financial statements during that period. A representative from Yount, Hyde & Barbour, P.C. is expected to be present at the Annual Meeting, will have the opportunity to make a statement if he or she desires to do so, and is expected to be available to respond to appropriate questions.

The appointment of independent auditors will be ratified if the votes cast for ratification exceeds votes cast against ratification.

Should the shareholders not ratify the selection of Yount, Hyde & Barbour, P.C., it is contemplated that the appointment of Yount, Hyde & Barbour, P.C. will be permitted to stand unless the Audit and Compliance Committee finds other compelling reasons for making a change. Disapproval by the shareholders will be taken into consideration for the selection of the independent registered public accounting firm for the coming year.

The Board of Directors recommends that shareholders vote FOR ratification of Yount, Hyde & Barbour, P.C. as the Company's independent auditors for the fiscal year ending December 31, 2015. Unless otherwise indicated on the proxy, the persons named therein will vote FOR ratification.

Meetings of the Board of Directors and Director Attendance

The Board of Directors of the Company generally meets monthly, except for August and November. In addition, special meetings may be called whenever necessary. During 2014, there were 8 meetings of Board of Directors, one meeting being cancelled due to inclement weather and another being cancelled to allow time for a Board planning session. Each incumbent director attended at least 75% of the meetings of the Board of Directors and of the committees of the Board on which he or she served during 2014. Board members are encouraged to attend the Annual Meeting of Shareholders, and all of the directors serving on the Company board at the time of the 2014 Annual Meeting of Shareholders attended that meeting.

Independence of Directors

SEC rules require that a company like Virginia National Bankshares Corporation, whose securities are not listed on a national securities exchange or inter-dealer quotation system, disclose in its proxy statement whether each director, nominee for director and member of its compensation, nominating or audit committee is independent using a definition of independence under the rules of a national securities exchange or inter-dealer quotation system. The Board has selected to use the independence definitions under the corporate governance standards established by the NYSE for purposes of disclosure in this proxy, even though those standards are not directly applicable to the Company. For the purpose of determining the independence of any individual for service on the Board of Directors of the Company, the Board has made a reasonable good faith determination, after taking into account all relevant facts and circumstances, that the individual has no material relationship with, or conflict with the interests of, the Company that would interfere with or impair the exercise of that individual's independent business judgment.

The Board has determined the following 10 of the 11 current directors and nominees are independent within the meaning and guidance of Section 303A.02 of the NYSE Listed Company Manual: Ms. Brody, Ms. Payne, and Messrs. Benham, Blaine, Davies, Dittmar, Holland, Izard, Wells and Wright.

In addition, using the NYSE standards, the Board has determined that each current member of the Compensation Committee is independent; each current member of the Corporate Governance Committee is independent; and each member of the Audit and Compliance Committee is independent except Messrs. Blaine and Holland, who are independent for purposes of serving on the Board but are not independent under the NYSE requirement that audit committee members meet the additional independence requirements of Securities and Exchange Commission Rule 10A-3 because they directly or indirectly accept consulting or advisory fees from the Company. The Company and/or its affiliated banks paid Mr. Blaine's law firm fees for services performed primarily by other attorneys in that firm and paid Mr. Holland independent contractor fees for assisting with business development. The amount of such fees are not disclosable as related party transactions under Item 404(a) of Regulation S-K under the Securities Act of 1933, as amended.

Audit and Compliance Committee

The directors currently serving on the Audit and Compliance Committee are Messrs. Dittmar (chair), Blaine, Holland, Izard and Wells. The primary function of the Audit and Compliance Committee is to direct and monitor the internal audit and control functions and to make recommendations regarding the selection of the Company's independent auditing firm. The Board of Directors has determined that Mr. Dittmar is an audit committee financial expert and that each member of the Committee except Mr. Blaine and Mr. Holland is independent within the corporate governance standards for audit committees established by the New York Stock Exchange (NYSE), as described in more detail above under Independence of Directors. The Audit and Compliance Committee met 5 times during 2014. The charter of the Audit and Compliance Committee is on the Company's Investor Relations website at www.vnbcorp.com in the Corporate Overview section under Governance Documents.

Compensation Committee

The directors currently serving on the Compensation Committee are Mr. Blaine (chair), Ms. Brody and Mr. Davies. Each current member of this Committee is independent within the corporate governance standards of the NYSE. The primary function of the Compensation Committee is to review and make recommendations to the Board of Directors with respect to the Company's executive compensation policies and compensation for directors and to administer the Company's stock incentive plans. The Compensation Committee met 2 times during 2014. The charter of the Compensation Committee is on the Company's Investor Relations website at www.vnbcorp.com in the Corporate Overview section under Governance Documents.

Corporate Governance Committee

The directors currently serving on the Corporate Governance Committee are Ms. Brody (chair), Mr. Dittmar and Mr. Holland. Each current member of the Committee is independent within the corporate governance standards of the NYSE. The primary function of the Corporate Governance Committee is to make recommendations to the full Board of Directors on matters of corporate governance, including the independence of directors and nominees. This

committee has no regular meeting schedule, but generally meets in the first quarter of each year to review and make recommendations to the Board regarding independence of directors and is otherwise available to address corporate governance matters with respect to which the full Board requests guidance. The Corporate Governance Committee met 1 time during 2014. The charter of the Corporate Governance Committee is on the Company's Investor Relations website at www.vnbcorp.com in the Corporate Overview section under Governance Documents.

Nominating Procedures

Since January 2012, nominations are made by the full Board rather than having a nominating committee based on the desire that all directors be actively involved in the nominating process. The Board has not established any formal policies regarding consideration of any director candidates recommended by shareholders; specific criteria or minimum qualifications for a nominee to the Board; a process for identifying and evaluating nominees for director; or consideration of diversity in identifying nominees for director.

Board Leadership Structure and Role in Risk Oversight

Since 2007, the positions of Chief Executive Officer and Chairman of the Board have been separated. The current leadership structure, which allows the non-executive Chairman to maintain a more objective role in management of Board functions and the Board's oversight of management, is deemed appropriate and effective by the Board at this time. While the Company's management has responsibility for direct, day-to-day management of the Company, the Board has a significant role in oversight of risk. Officers are generally ratified by the Board annually, upon the recommendation of the President. The Board approves all significant policies which guide the Company's officers and other employees in the discharge of their duties. Programs are established to monitor compliance with the policies, and compliance reviews are reported to the Audit and Compliance Committee. While the Board committees outlined above generally perform a more direct role in overseeing specific areas of risk, each committee provides full reports to the Board on any significant or material findings.

EXECUTIVE COMPENSATION

These individuals are referred to throughout this document as executive officers or named executive officers. Compensation Discussion

Philosophy and Objectives of the Company's Compensation Program. The Board believes that compensation of its executive officers should reflect and support the Company's strategic and financial performance goals, the primary goal being the creation of long-term value for the shareholders of the Company, while protecting the interests of the depositors of the Bank.

The Compensation Committee has adopted a committee charter, which was subsequently ratified by the entire Board of Directors, pursuant to which the Compensation Committee is tasked with reviewing and making recommendations regarding the Company's executive compensation policies to ensure that they are (i) competitive, (ii) performance-based, and (iii) consistent with the Company's annual and long-term business objectives. The Compensation Committee is also responsible for administering the Company's stock incentive plans.

The Compensation Committee specifically reviews and, subject to approval by the Board, establishes the compensation of the Chief Executive Officer and President (CEO) of the Company and its affiliated banks based on reasonableness, competitiveness, and relationship to performance. In determining the compensation to recommend for the Chief Executive Officer, the Compensation Committee reviews the overall financial performance of the Company relative to the performance of peer and comparable banks and banking holding companies as well as the CEO's performance against standards previously established by the Compensation Committee. The Compensation Committee considers whether the CEO's cash compensation and the stock option incentive awards made to him bear a reasonable relationship to the compensation paid to the chief executive officers of comparable banks and bank holding companies and is consistent with the desire of the Compensation Committee to offer appropriate performance incentives to the CEO and to motivate him to remain at the Company. When the Compensation Committee met to consider Mr. Rust's 2013 compensation based on performance during 2012, the Compensation Committee recommended that Mr. Rust's salary remain at \$285,000 and that he be given a \$35,000 bonus and an incentive option to purchase 5,000 shares of common stock. The Board approved such recommendation. The Compensation Committee did not recommend any adjustment to Mr. Rust's compensation for 2014.

The CEO of the Company specifically reviews and establishes the compensation of the other executive officers of the Company. The compensation of the Company's named executive officers is designed to be competitive with the Company's peers and reflective of the level of responsibility and performance of the executive officer. The philosophy behind the compensation program is to provide cash compensation in the form of salaries and short-term incentive compensation, and stock option incentives in an effort to promote an ownership mentality among the executive officers and other key individuals within the Company and its affiliated banks.

During 2014 and 2013, no compensation consultants were engaged or used by the Compensation Committee, the Board of Directors or management with respect to executive compensation.

Composition of Compensation. There are four primary components of executive compensation, as follows: base salary; short-term incentive compensation; long-term stock option grants or other awards under the Company's stock incentive plans; and benefits.

Base Salary. Base salary provides competitive levels of compensation to executives, in accordance with their experience, duties and responsibilities. Base salaries are necessary to recruit and retain executives, and base salary adjustments are reflective of an individual's performance or changed responsibilities.

Short-Term Incentive Compensation; Bonuses. Short-term incentive compensation is designed to align the interests of staff with the Company's shareholders by rewarding executive officers and other eligible employees based on the performance of the Company. During 2013, the Company paid bonuses to the executive officers and most other employees. No bonuses were paid to executive officers in 2014. Management continues to consider a formal short-term incentive compensation program, which would include goals for company, department and individual performance. Executive officers may be eligible to participate in the Company's programs; however, any incentive compensation or bonus paid to Mr. Rust is subject to review by the Compensation Committee and approval by the Board.

Long-Term Stock Option Grants and Other Stock Incentive Awards. Periodically, stock option grants, restricted stock or other awards under the Company's stock incentive plans may be awarded to executive officers and others within the Company and its affiliated banks whose performance is critical to the ongoing success of the Company. Stock options that have been granted have a ten-year term, and typically vest evenly over a four-year period. All outstanding options have an exercise price equal to the closing price of Company common stock on the date of the grant. The actual value that may be realized by an option holder is tied to the appreciation of Company common stock, thereby aligning the option holders' interests with those of the Company's other shareholders.

Benefits.

401(k) Profit Sharing Plan. The Company has a 401(k) plan available to all employees who are at least 18 years of age. Employees are able to elect the amount to contribute, not to exceed a maximum amount as determined by IRS regulation. Effective January 1, 2013, the Company matched 100% of the first 3% of employee contributions and 50% for the next 2% of employee contributions. Commencing January 1, 2014, the Company's matched 100% of the first 6% of employee contributions. Vesting refers to the rights of ownership to the assets in the 401(k) accounts. Effective January 1, 2013, matching contributions were fully vested immediately. Employee contributions to the plan have always been 100% vested.

Health and Welfare Benefits. The Company also offers health and welfare benefits to the executive officers and others within the Company, including medical, dental and vision insurance, group term life insurance, disability insurance and flexible spending accounts.

Split-Dollar Life Insurance. The Company has certain split dollar insurance, or bank-owned life insurance (BOLI) arrangements with the named executive officers, the other executive officer(s) and certain other senior officers of the Company. Under these BOLI arrangements, the Company is the owner of, and pays all premiums for, insurance policies on an officer's life. Upon the death of the insured officer, a portion of the death benefit will be paid to beneficiary(ies) designated by the officer, subject to the terms and restrictions of the split dollar endorsement agreement between the officer and the Company, and the balance is paid to the Company.

Perquisites. Perquisites may be granted to executive officers and other employees, after proper consideration of the business need. Perquisites may include memberships in local clubs and the provision of a bank-owned automobile, or limited reimbursement toward the purchase of a personal automobile that will be primarily used for Company business. All perquisites represent a very small portion of the Company's compensation program, and those for the named executive officers are disclosed according to regulation in the Summary Compensation Table below.

Employment and Severance Agreements. Neither the Company nor its affiliated banks have any employment or severance agreements with the named executive officers or any other agreements that would result in payments (other than accrued salary and benefits) to the executive officers upon a change in control.

The following table sets forth for the periods indicated certain information concerning the compensation of the named executive officers.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Securities Exchange Act of 1934, the Company's directors, executive officers and persons who own more than 10% of the Company's securities (collectively, reporting persons) are required to file reports of ownership and changes in ownership of the Company's securities with the Securities and Exchange Commission and to provide copies of such reports to the Company. Prior to the Reorganization, such reports were required to be filed with the Office of the Comptroller of the Currency. To the Company's knowledge, based solely on a review of the information and reports furnished to the Company and the Bank, the Company believes that all reporting persons timely filed all reports required under Section 16(a) during 2014 with the following exception: a Form 4 report was filed late by for Mr. Dittmar related to the exercise of a stock option.

TRANSACTIONS WITH RELATED PERSONS

Certain of the Company's officers and directors, and certain immediate family members and/or entities in which such persons are associated, are customers of the Company's banking affiliates and have had transactions in the ordinary course of business with the banking affiliates, including loan, deposit, asset management and other banking transactions. All such banking transactions have been on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unrelated persons, and did not involve more than a normal risk of collection or present any unfavorable features for the bank. All credit transactions involving officers and directors are reviewed and approved pursuant to the Bank's established underwriting procedures, and all credit transactions involving executive officers and directors, and/or entities in which such persons are associated, are reported to the board of directors of the Bank.

The Company had business dealings or entered into non-banking transactions with directors of the Company, or the Bank prior to the Reorganization, or with entities in which a director or principal shareholder is owner, principal or has a beneficial interest of 10% or more since the beginning of 2013. Although the Company has not adopted a formal written policy that covers the review and approval of director and other related person transactions by the Board, the Board, as a matter of practice, reviews all such significant transactions for approval. All such dealings and transactions have been on substantially the same terms as those prevailing at the time for comparable business dealings and transactions with unrelated persons. These related party transactions since 2013 include (a) rental expense (including reimbursements for taxes, insurance and other expenses) paid to Pantops Park, LLC, of which William D. Dittmar, Jr., a director, is the sole managing member and (b) payments for marketing and advertising services to Payne, Ross & Associates Advertising, Inc. (Payne Ross) of which Susan K. Payne, a director nominee, is an owner. Annual rent paid to Pantops Park, LLC was based on the fair market value at the time the lease was executed in 2007 as verified by an independent third-party appraisal, and annual rent increases at the rate of 2% per annum under the terms of the lease. Payments to, or for the benefit of, Pantops Park, LLC include \$442,680 for 2013, \$452,914 for 2014, and \$129,490 for the period from January 1 through April 6, 2015. Payments to Payne Ross include \$69,900 for 2013, \$318,320 for 2014, and \$4,480 for the period from January 1 through April 6, 2015. Some portion of the payments made to Payne Ross were used, in turn, to pay third parties for legitimate business expenses incurred on behalf of the Company. The Company has engaged non-banking transactions with other related persons of the Company and/or the Bank; however, the amount of such payments did not exceed the disclosure threshold of \$120,000.

According to a Schedule 13D filed on March 14, 2014, SRCM Holdings LLC (SRCM Holdings), Swift Run Capital Management, LLC (SRCM), Swift Run Capital, LP (SRC Fund) and Timothy S. Mullen (Mullen) (collectively, the SRCM Group) have shared voting and shared dispositive power over 241,741.5 shares of

Company common stock, or approximately 9.0% of the outstanding Company common stock. Consequently, each member of the SRCM Group is a related person under Item 404(a) of Regulation S-K under the Securities Act of 1933, as amended. On June 27, 2013, the Company's affiliates, VNBTrust, SRCM and the Bank, entered into a purchase and sale agreement with SRCM Holdings (the Sale Agreement) pursuant to which SRCM was sold by VNBTrust to SRCM Holdings effective on July 18, 2013 (the Closing Date). Under the terms of the Sale Agreement, SRCM Holdings and/or SRCM agreed to pay VNBTrust, quarterly during the ten-year period beginning January 1, 2014 and ending December 31, 2023 (the Term), (a) ongoing acquisition royalty payments equal to (i) 20% of the management and performance fee revenue received by SRCM from limited partners of the SRC Fund as of the Closing Date and (ii) 20% of the management and performance fee revenue received by SRCM from VNBTrust clients that opened accounts with SRCM within 30 days of the Closing Date, and (b) ongoing referral payments equal to 20% of the management and performance fee revenue received by SRCM from clients referred by the Company and its affiliates to SRCM during the Term. From March 6, 2014 through April 6, 2015, the Company and its affiliates received \$650,823 in payments from SRCM Holdings and/or SRCM under the terms of the Sale Agreement. During that same timeframe, the Company and its affiliates also made the following payments to or for the benefit of members of the SRCM Group: (a) a deferred bonus payment of \$625,066 to Mullen for services performed prior to January 1, 2014; and (b) an aggregate of \$245,948 in connection with the sublease and eventual assignment of a lease from VNBTrust to SRCM Holdings as contemplated by the terms of the Sale Agreement, \$225,166 of which was withheld from bonus compensation which was otherwise available for payment to Mullen and other employees for past services.
