companies under Executive Order 1225 section 12 and 14 no longer will report interest in securities in Denmark on its own behalf. Instead, voting interest and ownership in shares will be reported separately by Capital Research and Management Company, Capital Group International Inc. or the mutual funds and clients themselves, as appropriate. None of the individual entities have shareholdings above the threshold of 5% of the issued share capital.

Further, The Capital Group Companies Inc. informed Novo Nordisk that the filing is not being made to reflect an acquisition or disposition of shares, but rather to reflect that the Capital Group Companies Inc. as a parent company is exempted from the requirements to file aggregate ownership reports under Executive Order 1225. Should the voting interests or ownership in shares held by Capital Research and Management Company, Capital Group International Inc. or the mutual funds and clients exceed a reporting threshold, such entity will file a report separately in the future.
