to be held on January 8, 2008

at 10:00 A.M. at the Conference Center of Goodwin Procter LLP,

located on the second floor at Exchange Place,

Boston, Massachusetts 02109

General Information

The enclosed proxy is being solicited on behalf of the Board of Directors of UniFirst Corporation (the Company, UniFirst, we, our or us) for the 2008 Annual Meeting of Shareholders to be held on Tuesday, January 8, 2008 (the Annual Meeting) and at any adjournments or postponements thereof. This Proxy Statement, the enclosed proxy and the Company's 2007 Annual Report to Shareholders are being first mailed to shareholders on or about December 4, 2007.

Any shareholder signing and returning the enclosed proxy has the power to revoke it by (1) giving written notice of revocation of such proxy to the Secretary of the Company at the address set forth above, (2) completing, signing and submitting a new proxy card relating to the same shares and bearing a later date, or (3) attending the meeting and voting in person, although attendance at the meeting will not, by itself, revoke a proxy. The shares represented by the enclosed proxy will be voted as specified therein if said proxy is properly signed and received by the Company prior to the time of the Annual Meeting and is not properly revoked. The expense of this proxy solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, the Directors, officers and employees of the Company may also solicit proxies personally or by telephone without special compensation for such activities. The Company may also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners. The Company will reimburse such holders for their reasonable expenses in connection therewith.

The Board of Directors has fixed the close of business on November 16, 2007 as the Record Date for the determination of the shareholders entitled to notice of, and to vote at, the Annual Meeting and any adjournments or postponements thereof. As of the close of business on the Record Date, there were outstanding and entitled to vote 14,352,349 shares of common stock, par value \$0.10 per share (Common Stock), and 4,937,449 shares of Class B common stock, par value \$0.10 per share (Class B Common Stock). Transferees after such date will not be entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote per share. Each share of Class B Common Stock is entitled to ten votes per share. All actions submitted to a vote of shareholders at the 2008 Annual Meeting are voted on by holders of Common Stock and Class B Common Stock voting together as a single class.

As more fully described in this Proxy Statement, the purposes of the Annual Meeting are (1) to elect three Class II Directors, each to serve for a term of three years until the 2011 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified; (2) to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 30, 2008; and (3) to consider and act upon any other matters which may properly come before the Annual Meeting or any adjournment

Edgar Filing: UNIFIRST CORP - Form DEF 14A

or postponement thereof. With respect to the election of three Class II Directors, a plurality of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is necessary to elect Ronald D. Croatti, Donald J. Evans and Thomas S. Postek. With respect to the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm and each other matter expected to be voted upon at the Annual Meeting, the affirmative vote of a majority of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon is necessary for approval.

Consistent with applicable law, the Company intends to count abstentions and broker non-votes only for the purpose of determining the presence or absence of a quorum for the transaction of business. Any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of Directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger percentage of votes, and no impact on the proposal for approval of each other matter expected to be voted on at the Annual Meeting.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors of the Company is currently composed of seven members, divided into three classes of two, two and three directors, respectively. One class is elected each year at the annual meeting of shareholders. The Directors in each class serve for a term of three years and until their successors are duly elected and qualified. As the term of one class expires, a successor class is elected at each annual meeting of shareholders. Albert Cohen, a member of the Company's Board of Directors since 1989, died on November 25, 2006.

At the Annual Meeting, three Class II Directors will be elected to serve until the 2011 Annual Meeting of Shareholders and until their successors are duly elected and qualified. The Board of Directors has nominated Ronald D. Croatti, Donald J. Evans and Thomas S. Postek to be elected by holders of Common Stock and Class B Common Stock, voting together as a single class, to serve as Class II Directors (collectively, the

Nominees). Messrs. Croatti and Evans are up for re-election as Class II Directors at the Annual Meeting, and Mr. Postek has been nominated by the Board of Directors upon the recommendation of the Nominating and Corporate Governance Committee for election as a Class II Director at the Annual Meeting.

Unless otherwise instructed, the persons named in the proxy will vote the shares to which the proxy relates **FOR** the election of the Nominees to the Board of Directors. While the Company has no reason to believe that any of the Nominees will be unable to serve as a Director, in the event any of the Nominees should become unavailable to serve at the time of the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote such proxy for such other person or persons as the Board of Directors may recommend.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF RONALD D. CROATTI, DONALD J. EVANS AND THOMAS S. POSTEK AS CLASS II DIRECTORS.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee of our Board of Directors, in collaboration with management, develops and implements our compensation policies. The Compensation Committee also reviews and establishes the compensation paid to our executive officers. We believe we provide an appropriate and competitive total compensation package to our executive officers through a combination of base salary, annual cash incentive bonuses, long-term equity incentive compensation and broad-based benefits programs. We place significant emphasis on pay for performance-based incentive compensation, which is designed to reward our executive officers based on the achievement of predetermined corporate goals.

This Compensation Discussion and Analysis describes our compensation objectives, policies and practices with respect to our Chief Executive Officer, Chief Financial Officer and other three most highly-compensated executive officers as determined in accordance with applicable SEC rules (collectively, our named executive officers).

Objectives of Our Executive Compensation Programs

Our compensation programs for our named executive officers are designed to achieve the following objectives:

attract and retain talented and experienced executives in the highly competitive uniform rental and sales industry;

motivate and reward executives whose knowledge, skills and performance are critical to our success and the furtherance of our long term strategic plan;

align the interests of our executives and stockholders by motivating executives to increase stockholder value and by rewarding executives when stockholder value increases;

provide a competitive compensation package which is weighted heavily towards pay for performance, and in which a significant portion of total compensation is determined by corporate and individual performance and the creation of stockholder value;

ensure fairness among our executive officers by recognizing the contributions each executive makes to our success; and

Edgar Filing: UNIFIRST CORP - Form DEF 14A

foster a shared commitment among executives by coordinating their corporate and individual goals.

Our Executive Compensation Programs and Plans

We designed our executive compensation programs and plans to achieve the objectives described above. Our executive compensation primarily consists of base salary, annual cash incentive bonuses, long-term equity incentive compensation and broad-based benefits programs. Consistent with the significant emphasis we place on performance-based incentive compensation, we have linked our annual cash incentive bonuses to the achievement of predetermined corporate performance goals.

Within the context of the overall objectives of our compensation programs, we determined the specific amounts of compensation to be paid to each of our named executive officers in fiscal 2007 based on a number of factors:

the performance of our named executive officers in prior years;

the roles and responsibilities of our named executive officers;

the individual experience and skills of, and expected contributions from, our named executive officers;

for each named executive officer, other than our Chief Executive Officer, the evaluations and recommendations of our Chief Executive Officer; and

the amounts of compensation being paid to our other named executive officers.

Each of the primary elements of our executive compensation is discussed in detail below, including a description of how each element fits into the overall compensation of our named executive officers. We also discuss below the amounts of compensation paid to our named executive officers for calendar 2007 under each of these elements. In the descriptions below, we highlight particular compensation objectives that we have designed specific elements of our executive compensation program to address. However, it should be noted that we have designed our compensation programs to complement each other and collectively serve all of our executive compensation objectives described above. Accordingly, whether or not specifically mentioned below, we believe that each element of our executive compensation program serves each of our objectives to a greater or lesser extent.

Base Salary

We pay our named executive officers a base salary, which we review and determine annually. We believe that a competitive minimum level of compensation is a necessary element of any compensation program that is designed to attract and retain talented and experienced executive officers who will further our long term strategic plan and increase stockholder value. We also believe that attractive base salaries can motivate and reward executive officers for their overall performance.

Edgar Filing: UNIFIRST CORP - Form DEF 14A

The base salaries set forth in Summary Compensation Table below reflect the base salaries earned by our named executive officers in fiscal 2007. We determine the base salaries of our named executive officers on a calendar year basis. In calendar 2007, we increased the base salaries of our named executive officers as follows: Ronald D. Croatti's base salary increased from \$442,000 to \$468,500 per year, John B. Bartlett's base salary increased from \$304,004 to \$322,250 per year, Cynthia Croatti's base salary increased from \$295,006 to \$311,250 per year, Bruce P. Boynton's base salary increased from \$237,001 to \$248,850 per year and David A. DiFillippo's base salary increased from \$227,002 to \$240,650 per year. Mr. Croatti's base salary was increased by our Compensation Committee as a result of his substantial contributions to our success in fiscal 2006, his strong leadership skills and strategic vision. The base salaries of our other named executive officers reflected 5.0% to 6.0% increases as determined by our Compensation Committee after reviewing Mr. Croatti's recommendations with respect to the base salaries to be paid to each named executive officer.

The base salaries paid to our named executive officers reflect the general performance of our named executive officers during prior years, their roles and responsibilities, and their experience, skills and contributions.

Annual Cash Incentive Bonuses

Consistent with our emphasis on performance incentive compensation programs, our named executive officers are eligible to receive annual cash incentive bonuses primarily based on their performance as measured against predetermined corporate financial goals that we establish. The primary objective of our annual cash incentive bonuses is to motivate our named executive officers and to reward them for meeting our short-term objectives using a performance-based compensation program with objectively determinable goals. Our annual cash incentive bonuses also align the interests of our named executive officers and our stockholders by providing our executives with incentives to increase stockholder value and a reward for doing so.

Under our bonus plan, our named executive officers have the potential to earn annual cash incentive bonuses at a level that represents a meaningful portion of our named executive officers' cash compensation. Our bonus plan provides for potential annual cash incentive bonuses that range from no annual bonus to an annual bonus of up to 28% of the named executive officer's base salary for the fiscal year. Potential bonus payments under our bonus plan are linked to objective criteria set forth in our bonus plan. Our named executive officers can earn annual cash incentive bonuses based on predetermined goals based on corporate revenues, earnings per share and customer retention.

At the beginning of each fiscal year, we set a fiscal year target for corporate revenues for purposes of our bonus plan. At the end of each fiscal year, we compare actual revenues for the fiscal year to target revenues and actual revenues for the fiscal year to revenues for the prior fiscal year. Based on our actual revenues for the fiscal year, each named executive officer can earn a bonus of up to 8% of his or her base salary.

At the beginning of each fiscal year, we set a fiscal year target amount of corporate earnings per share for purposes of our bonus plan. At the end of each fiscal year, we compare actual earnings per share for the fiscal year to target earnings per share and actual earnings per share for the fiscal year to prior fiscal year earnings per share. Based on our actual earnings per share for the fiscal year, each named executive officer can earn a bonus of up to 16% of his or her base salary.

Our bonus plan also provides for annual cash incentive bonuses of up to 4% of base salary for our named executive officers based on customer retention.

No annual cash incentive bonuses are paid to our named executive officers unless at least one of the revenue targets and one of the earnings per share targets are achieved.

Edgar Filing: UNIFIRST CORP - Form DEF 14A

In establishing our bonus levels, we consider the incentives that we want to provide to our executives as well as the bonus levels for comparable positions at similarly situated companies and our historical practices. Overall, the minimum revenue, earnings per share and customer retention targets under our bonus plan were set at levels that we believed to be achievable with strong performance by our executives. Although we cannot always predict the different events that will impact our business during an upcoming year, we set our minimum performance goals for the target amount of annual incentive cash bonuses at levels that we believe will be achieved by our named executive officers a majority of the time. We set the performance goals for the maximum bonus payments under our bonus plan at a level that we believe will be achieved only as a result of exceptional financial performance. The maximum bonus payments under our bonus plan are intended to provide for correspondingly greater incentives in the event that performance is within a specified range above the target level and are correspondingly more difficult to achieve.

In fiscal 2007, our named executive officers received the following annual cash incentive bonuses:

Name	Bonus(\$)	% of Base Salary
Ronald D. Croatti	\$123,743	27%
Cynthia Croatti	\$82,351	27%
John B. Bartlett	\$85,113	27%
Bruce P. Boynton	\$65,959	27%
David A. DiFillippo	\$63,558	27%
Dennis G. Assad		

Mr. Assad did not receive an annual cash incentive bonus because bonuses were determined after his separation from employment from the Company.

The annual cash incentive bonuses paid to our named executive officers reflect the general performance of our named executive officers during fiscal 2007, their roles and responsibilities, and their experience, skills and contributions.

Long-Term Equity Incentive Compensation

We grant long-term equity incentive awards in the form of non-qualified stock options to our named executive officers as part of our total compensation package. We use long-term equity incentive awards as part of our emphasis on performance-based incentive compensation. Our long-term equity incentive awards align the interests of our named executive officers and our stockholders by providing our executives with incentives to increase stockholder value and a reward for doing so.

We generally grant stock options once per year to our named executive officers. Stock options provide our executive officers with the right to purchase shares of our Common Stock at a fixed exercise price based on the fair market value of shares of our Common Stock on the date of grant. Stock options granted to our named executive officers beginning in fiscal 2003 and thereafter are subject to a five-year cliff-vesting schedule under which options become vested and exercisable after five years from the date of grant and expire ten years after the grant date. All stock options are awarded pursuant to our UniFirst Corporation 1996 Stock Incentive Plan.

Upon a holder's exercise of a non-qualified stock option, we are generally entitled to a tax deduction in the year in which the stock option is exercised equal to the spread between the exercise price and the fair market value of the stock for which the stock option is exercised. A holder of a non-qualified stock option is generally taxed on this same amount in the year of exercise.

Edgar Filing: UNIFIRST CORP - Form DEF 14A

When determining the stock options to be granted to our named executive officers in fiscal 2007, we considered the expected future value of potential stock option grants. In fiscal 2007, we granted the following non-qualified stock options to our named executive officers:

Name	Number of Securities Underlying Options	Exercise or Base Price of Option Awards (\$/Sh)
Ronald D. Croatti	2,100	\$36.05
Cynthia Croatti	1,600	\$36.05
John B. Bartlett	1,600	\$36.05
Bruce P. Boynton	1,400	\$36.05
David A. DiFillippo	1,400	\$36.05
Dennis G. Assad	1,400	\$36.05

The number of stock options granted by our Compensation Committee to Mr. Croatti was based on his substantial contributions to our success in prior years, his strong leadership skills and strategic vision. The number of stock options granted to our other named executive officers was determined by our Compensation Committee after reviewing Mr. Croatti's recommendations with respect to stock option grants to each named executive officer. The stock options granted to Mr. Assad were granted in November 2006 prior to Mr. Assad's separation from employment from the Company, and as a result of his separation from employment, all of these options were forfeited by Mr. Assad.

The stock options granted to our named executive officers reflect the general performance of our named executive officers during prior years, their roles and responsibilities, and their experience, skills and contributions.

Broad-Based Benefits Programs and Perquisites

All full-time employees, including our named executive officers, may participate in our health and welfare benefit programs, including medical, dental and vision care coverage, disability insurance, life insurance and UniFirst Corporation Profit Sharing Plan. In addition, certain of our full-time employees, including our named executive officers, may participate in the UniFirst Corporation Unfunded Supplemental Executive Retirement Plan. In fiscal 2007, our named executive officers also received certain perquisites and personal benefits set forth in the Summary Compensation Table below. We provide these benefits to retain and attract talented executives with the skills and experience to further our long term strategic plan.

Our Executive Compensation Process

The Compensation Committee of our Board of Directors is primarily responsible for establishing the compensation paid to our named executive officers. The Board of Directors has determined that each member of the compensation committee is independent as that term is defined under the applicable rules of the New York Stock Exchange. In determining executive compensation, our Compensation Committee annually reviews the performance of our named executive officers with our Chief Executive Officer, and our Chief Executive Officer makes recommendations to our Compensation Committee with respect to the appropriate base salary, annual cash incentive bonus payments and grants of long-term equity incentive awards for each of our named executive officers. Our Compensation Committee annually reviews the performance of our Chief Executive Officer and establishes the appropriate base salary, annual cash incentive bonus payments and grants of long-term equity incentive awards to be paid to him.

Based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and the Company's Annual Report on Form 10-K for the fiscal year ended August 25, 2007 for filing with the SEC.

Edgar Filing: UNIFIRST CORP - Form DEF 14A

As discussed in more detail below under the heading **UniFirst Corporation Unfunded Supplemental Executive Retirement Plan**, our SERP limits the number of years of credited service to thirty for purposes of determining a participant's benefits under the plan.

- (2) Amounts reported in this column represent the present value of the accumulated benefit obligation as of August 25, 2007. Our obligation has been estimated assuming benefits commence on the individual's social security retirement date and using FAS No. 87 assumptions for mortality, assumed payment form and discount rates in effect at the measurement dates.
- (3) Our agreement with Mr. Assad concerning his separation from employment provides for the waiver of the provision in our SERP regarding forfeiture of payments due to separation from service prior to normal retirement age. As a result, Mr. Assad is entitled to receive payments in accordance with the terms of our SERP and our agreement with Mr. Assad concerning the terms of his separation from employment.

UniFirst Corporation Unfunded Supplemental Executive Retirement Plan

Certain of our and our affiliates' employees are eligible to participate in our SERP. Retirement benefits available under our SERP are based on a participant's average annual base earnings, exclusive of bonuses, commissions, fringe benefits and reimbursed expenses, for the last three years of full-time employment prior to his retirement date (**Final Average Earnings**). Upon the retirement of a participant on his social security retirement date, the participant will be paid an aggregate amount equal to 1.33% percent of his Final Average Earnings multiplied by his years of service, limited to 30 years, less his primary Social Security benefit. Pension payments under our SERP are made at the intervals then in use for the payment of base salaries to our executive officers. Upon the death of a participant, the participant's designated beneficiary will be paid retirement benefits for up to 12 years from the participant's date of retirement. Our SERP provides that, upon any change in control, participants in our SERP will receive a lump sum payment equal to the actuarial equivalent of their plan benefit as of the date of the change in control.

Potential Payments Upon Termination or Change in Control

As discussed under the heading **UniFirst Corporation Unfunded Supplemental Executive Retirement Plan** above, upon a change in control, our named executive officers will receive a lump sum payment under our SERP equal to the actuarial equivalent of their plan benefit as of the date of the change in control. For more information concerning our SERP, see the **Pension Benefits Table Fiscal 2007** and the discussion under the heading **UniFirst Corporation Unfunded Supplemental Executive Retirement Plan** above.

As discussed in footnote 5 to the **Summary Compensation Table** above, we entered into an agreement with Mr. Assad concerning his separation from employment. Our agreement with Mr. Assad provides for severance payments to Mr. Assad in the amount of \$699,387.00 to be paid in accordance with the payment schedule set forth in our agreement with him. The severance payments commenced in July 2007 and will end in December 2009. Our agreement with Mr. Assad also provides for the waiver of the provision in our SERP regarding forfeiture of payments due to separation from service prior to normal retirement age. As a result, Mr. Assad is entitled to receive payments in accordance with the terms of our SERP and our agreement with him. See the **Pension Benefits Table Fiscal 2007** for more information concerning Mr. Assad and his participation in our SERP. Finally, our agreement with Mr. Assad provides that all unvested stock options held by Mr. Assad as of January 1, 2007 lapsed and will not be exercisable.
