**SABESP Receives Requisite Consents And Announces Pricing For Its Tender Offer And Consent Solicitation For 12% Notes Due 2008**

**SÃO PAULO, Brazil, October 20, 2006** **SABESP Cia. De Saneamento Básico do Estado de São Paulo (Bovespa: SBSP3; NYSE: SBS)**, announced today the results to date of its previously announced cash tender (the Tender Offer ) and consent solicitation (the Consent Solicitation ) relating to its 12% Notes due 2008 (CUSIP No. 20441AAF9/P3058WAA5 and ISIN No. US20441AAF93/USP3058WAA55) (the Notes ), conducted in accordance with the Company's Offer to Purchase and Consent Solicitation Statement dated October 5, 2006 (the Offer to Purchase ). The Company also announced today that it has determined the total consideration to be paid per \$1,000 principal amount of Notes in connection with the Tender Offer and Consent Solicitation.

As of 5:00 p.m., New York City time, on October 19, 2006 (the Consent Date ), the Company had received tenders and consents in respect of approximately \$122.2 million in aggregate principal amount of the Notes, representing approximately 54.3% in principal amount of the outstanding Notes.

Accordingly, the requisite consents to adopt the proposed amendments to the indenture governing the Notes have been received in the Consent Solicitation, and a supplemental indenture to effect the proposed amendments has been entered into. Although the supplemental indenture has been executed, the amendments will not become operative until validly tendered Notes are accepted for purchase by the Company following the expiration date of the Tender Offer, which is 12:00 Midnight, New York City time on November 2, 2006, unless extended (the Expiration Date ).

The total consideration for each \$1,000 principal amount of those Notes validly tendered and not withdrawn will be \$1,101.68, which includes a consent payment of \$20 per \$1,000 principal amount of those Notes validly tendered and not withdrawn prior to the Consent Date. The total consideration was determined using the yield of 4.862% on the 4.625% U.S. Treasury Notes due September 30, 2008, as of 2:00 p.m. New York City time on October 19, 2006, plus 0.50% . Holders who validly tender their Notes after the Consent Date but on or prior to the Expiration Date will receive the tender offer consideration of \$1,081.68 for each \$1,000 principal amount, which is the total consideration less the consent payment. In addition, holders who validly tender and do not withdraw their Notes in the Tender Offer will receive accrued and unpaid interest from the last interest payment date up to, but not including, the date payment is made for the Notes.

The completion of the Tender Offer and Consent Solicitation is subject to the satisfaction or waiver by the Company of a number of conditions, as described in the Offer to Purchase.
