NOTICE TO THE MARKET

Braskem S.A. (Braskem) announces to its shareholders, creditors and the market that in a trial held on February 23, 2011, the Board of Directors of the Administrative Council of Economic Defense (CADE) fully approved the acquisition of Quattor Participações S/A, of Unipar Comercial e Distribuidora S.A. and of Polibutenos S/A Indústrias Químicas, previously jointly held by Unipar and Petrobras, as well as the consolidation of the petrochemical interests held by Odebrecht and Petrobras in Braskem (Transaction).

The full approval of the Transaction had already received favorable opinions from the Economic Oversight Department (SEAE) of the Ministry of Finance, the Economic Law Department (SDE) of the Ministry of Justice and the Public Prosecutors' Office of CADE.

As part of the Transaction, Braskem agreed to notify CADE in advance of its future resin import contracts containing exclusivity clauses. Braskem's commitment is aligned with the draft bill to restructure Brazil's Antitrust System and with best international practices involving antitrust issues. Additionally, Braskem, aiming to enhance the transparency in its commercial relations and the competitiveness in the production chain, agreed to periodically provide, under confidentiality regime, information related to its agreements, as well as, import and sale activities of resins.

With this decision by CADE, Braskem assumes the full management of its acquired petrochemical assets.

More information can be obtained from Braskem's Investor Relations Department by telephone +55 (11) 3576-9531 or by e-mail braskem-ri@braskem.com.br.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
