Clarification about asset sales

Rio de Janeiro, April 4th, 2013 – Petróleo Brasileiro S.A. – Petrobras clarifies about news issued by the press regarding asset sales.

As released to the market on March, 15th, 2013, in its 2013-2017 Business and Management Plan the Company expects to raise US\$ 9.9 billion through divestments and assets restructuring, with a focus in Brazil and abroad. Therefore, Petrobras is constantly analyzing business opportunities that are aligned with the targets set forth in its Strategic Plan.

Especially regarding its operations in Argentina and Nigeria, Petrobras asserts that its Executive Board has not taken any decision related to negotiations with these assets and, in case there is any material fact associated with this subject, the Company will closely inform the market, according to the applicable law.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
