**MATERIAL FACT**

Companhia Brasileira de Distribuição ("CBD") and Via Varejo S.A. ("Viavarejo"), in accordance with paragraph 4 of article 157 of Law no. 6,404/1976, and CVM Instruction no. 358/2002, hereby announce to its shareholders and the market that, on this date, they entered into a Settlement (Termo de Compromisso de Desempenho – "TCD") with the Administrative Council for Economic Defense ("CADE") for the approval of the Association Agreement between CBD and Casa Bahia Comercial Ltda. ("CB") entered into on December 4, 2009, and modified on July 1, 2010.

By entering this settlement, CBD, CB and Viavarejo have as their main obligation to divest 74 stores, located in 54 municipalities, distributed over six states and in the Federal District, representing approximately 3% of Viavarejo's consolidated gross sales in 2012. CBD, CB and Viavarejo reaffirm their commitment to continue cooperating with CADE until full compliance with all obligations assumed on this date.

The approval of the association puts an end to the obligations assumed by CBD, CB and Viavarejo due to the Provisional Agreement (Acordo de Preservação de Reversibilidade da Operação – APRO) entered into with CADE on February 3, 2010, allowing Viavarejo to capture all the synergies deriving from the association.

CBD and Viavarejo will keep their shareholders and the market regarding any relevant development in connection to the TCD.

São Paulo, April 17, 2013

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
