3. ATTENDANCE: In view of the attendance of the undersigned members of the Board of Directors (the "Board"), according to article 19, paragraph 4, of the Company's Bylaws, the meeting has achieved the required quorum for its installation and resolutions. 4.1. According to article 17, XXV, of the Company's Bylaws, the attending members of the Board have approved, unanimously, to assess the business opportunity which encompasses the acquisition of the total capital stock issued by Global Village Telecom S.A. ("GVT"). For this purpose, the Board has approved the Company to present and submit, together with Telefónica S.A. ("Telefónica"), an offer addressed to Vivendi S.A. ("Vivendi") for the acquisition, by the Company, of shares representing the total capital stock of GVT, as follows (the "Offer"):

(i) As consideration for the intended acquisition, the Offer encompasses the corresponding amount of R\$20,100 million (twenty billion and one hundred million Brazilian Reais), being a part of such amount paid in cash, in Brazilian Reais, in the total amount of R\$11,962 million (eleven billion and nine hundred and sixty-two million Brazilian Reais), and the other part paid in the form of shares issued by the Company representing 12% (twelve per cent) of its capital stock after the acquisition of GVT. The resources needed to finance the acquisition would be obtained through a capital increase to be held at the Company, with the subscription by Telefónica and by other companies of the Telefônica Group, in the proportion of their respective participation in the Company's shareholding, observing the preemptive rights of the other shareholders.

(ii) The Offer is valid until September 3rd, 2014. Such period may not be observed if the Offer is accepted by Vivendi before the end of such term or, alternatively, if the term of the Offer is extended; and

(iii) The Offer is subject to conditions usually applicable to this type of transaction, as well as to the obtainment of the applicable regulatory approvals (including the Administrative Council for Economic Defense - CADE and the National Agency for Telecommunications - ANATEL).
