**DISTRIBUTION OF DIVIDENDS**

Braskem S.A. ("Braskem") announces to shareholders and the market in general that the Annual Shareholders Meeting held on this date, approved the payment of dividends for the fiscal year ended December 31, 2014, in the aggregate amount of R\$482,593,324.83, which corresponds to 54% of adjusted net income for the period, resulting in the amounts of (i) R\$0.6062497232 per common share or preferred share (class "A" or "B"); and (ii) R\$1.2124994464 per ADR.

The dividend payment will be effected as from April 23, 2015, by the transfer agent of the shares, Itaú Corretora de Valores S.A., with no withholding income tax, pursuant to the laws and regulations in force, and without interest or monetary restatement.

As of April 10, 2015, the common shares and the class "A" and "B" preferred shares issued by Braskem will trade ex-dividends, with April 9, 2015 considered the Brazilian Record Date.

Shareholders whose registry does not include a CPF/CNPJ number or indicate a bank, branch and checking account number must normalize their registration at any Itaú branch offering shareholder services.

### FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
