Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b) MoneyGram International, Inc. (the "Corporation") and Anthony P. Ryan, President and Chief Executive Officer of the Corporation, have mutually agreed that Mr. Ryan's employment with the Corporation terminated without cause effective September 1, 2009. On such date, Mr. Ryan resigned from all positions he held with the Corporation and affiliates, including his position as a member of the Board of Directors of the Corporation (the "Board"). The Company anticipates it will enter into a separation agreement with Mr. Ryan, the terms of which will be subsequently disclosed pursuant to Item 5.02 on Form 8-K.

(e) On August 31, 2009, the Board granted Ms. Patsley, Executive Chairman, a non-qualified option to purchase 6,300,000 shares of common stock of the Corporation under the amended MoneyGram International, Inc. 2005 Omnibus Incentive Plan (the "Omnibus Plan"), pursuant to the Non-Qualified Stock Option Agreement dated August 31, 2009, with an exercise price of \$2.66 per share (representing the fair market value of the common stock of the Corporation as of the grant date). Options for 50% of the shares are considered "Time Vested" and options for 50% of the shares are considered "Performance Vested." With respect to 2,000,000 option shares (allocated pro-rata between Time Vested and Performance Vested), the options will not vest and are subject to forfeiture if the stockholders of the Corporation do not approve an amendment to the Omnibus Plan to remove or increase the limitation on the number of option shares that may be granted to an executive officer in a year. Affiliates of Thomas H. Lee Partners, L.P. have provided an executed Proxy appointing a representative of the Corporation as attorney and proxy to vote "FOR" the amendment to the Omnibus Plan at the next annual or special meeting of stockholders of the Corporation.

The Time Vested options will vest in equal installments over four years on the anniversary of the grant date. The Performance Vested options will vest as follows: Options for 50% of the shares will vest (i) when the value of the common stock of the Corporation has reached \$3.50 per share for a period of 20 consecutive trading days during the five-year period following the grant date or (ii) on the date of a change in control (as defined in the Non-Qualified Stock Option Agreement) of the Corporation if there is a change in control during the five-year period following the grant date in the event the per share consideration in such change in control equals or exceeds \$3.50; and options for 50% of the shares will vest (i) when the value of the common stock of the Corporation has reached \$5.25 per share for a period of 20 consecutive trading days during the five-year period following the grant date or (ii) on the date of a change in control of the Corporation if there is a change in control during the five-year period following the grant date in the event the per share consideration in such change in control equals or exceeds \$5.25. If the shares of common stock of the Corporation are not publicly traded, then vesting for the options that are Performance Vested will be vested in the manner set forth in the Non-Qualified Stock Option Agreement. The vesting of the Time Vested options will accelerate if following a change in control of the Corporation, Ms. Patsley's employment is terminated by the Corporation without cause (as defined in her employment agreement) or is terminated with good reason (as defined in her employment agreement) and the shares of common stock of the Corporation are no longer publicly traded. The options will also continue to vest for a period of 12 months following certain types of termination of Ms. Patsley's employment as described more fully below. This summary is subject to the full text of the Non-Qualified Stock Option Agreement, a copy of which is filed herewith as Exhibit 10.01 and is incorporated herein by reference into this Item 5.02.
