Item 1.01 Entry into a Material Definitive Agreement.

On January 11, 2011, CHS Europe, SA, a wholly owned subsidiary of ours, purchased all of the outstanding shares of stock of Agri Point Ltd., a Cyprus company, from East Point Holdings, Ltd., a Cyprus company. Agri Point, itself and through subsidiary companies, operates in the countries of Romania, Hungary and Bulgaria. The company has a deep water port facility in Constanza, Romania a barge loading facility on the Danube River in Romania and an inland grain terminal in Hungary. The purchase price for the stock was 45,000,000 Euros or the equivalent of approximately \$59,000,000 US Dollars.

On January 5, 2011, we signed a term loan agreement with the European Bank for Reconstruction and Development (EBRD), the proceeds of which are to be used solely to finance up to one-half of the purchase price of the shares of stock of Agri Point, Ltd. That agreement was not operational and could have been terminated by us if the closing on the purchase of such stock did not occur on or before January 31, 2011. We have submitted a request for a draw under the agreement equal to the US Dollar equivalent of 22,500,000 Euros calculated as of the date of the disbursement. The loan is for a term of seven years and bears interest at a variable rate based on LIBOR plus 2.1%. We have the option to fix the interest for periods of no less than one year on any interest payment date.

Further, on November 30, 2010, we signed a three year revolving credit agreement with EBRD for up to \$40 million to be used for up to 35% of the working capital needs of the Agri Point operations. That agreement was not operational and could have been terminated by CHS if the closing on the purchase of the shares of Agri Point did not occur on or before January 31, 2011. We have the right to increase the capacity under the revolving credit facility to \$120 million. Draws under the revolving credit agreement bear interest at a variable rate based on LIBOR plus 1.25%.
