Item 1.01 Entry into a Material Definitive Agreement.

On January 28, 2016, Loral Space & Communications Inc. (the "Company"), along with Telesat Holdings Inc. ("Telesat Holdco"), Telesat Canada ("Telesat"), the Public Sector Pension Investment Board ("PSP") and 4440480 Canada Inc., an indirect wholly-owned subsidiary of the Company (the "Special Purchaser"), entered into a grant agreement (the "Grant Agreement") with Michael C. Schwartz (the "Participant"). The Participant is an executive of Telesat, which is owned by the Company together with its Canadian partner, PSP, through their ownership of Telesat Holdco. The Grant Agreement documents a grant previously approved and made in November 2015.

The Grant Agreement, the terms of which are similar to grant agreements previously entered into with certain Telesat executives in 2011 and 2013, confirms a grant of Telesat Holdco stock options (including tandem SAR rights) to the Participant and provides for certain rights, obligations and restrictions related to such stock options, which include, among other things: (w) the possible obligation of the Special Purchaser to purchase the shares in the place of Telesat Holdco should Telesat Holdco be prohibited by applicable law or under the terms of any credit agreement applicable to Telesat Holdco from purchasing such shares, or otherwise default on such purchase obligation, pursuant to the terms of the Grant Agreement; (x) the obligation of the Special Purchaser to purchase shares upon exercise by Telesat Holdco of its call right under Telesat Holdco's Management Stock Incentive Plan in the event of a Participant's termination of employment; (y) the right of the Participant to require the Special Purchaser or Loral to purchase a portion of the shares in Telesat Holdco owned by him in the event of exercise after termination of employment to cover taxes that are greater than the minimum withholding amount; and (z) the right of the Participant to require Telesat Holdco to cause the Special Purchaser or Loral to purchase a portion of the shares in Telesat Holdco owned by him, or that are issuable to him under Telesat Holdco's Management Stock Incentive Plan at the relevant time, in the event that more than 90% of Loral's common stock is acquired by an unaffiliated third party that does not also purchase all of PSP's and its affiliates' interest in Telesat Holdco.

The Grant Agreement further provides that, in the event the Special Purchaser is required to purchase shares, such shares, together with the obligation to pay for such shares, shall be transferred to a subsidiary of the Special Purchaser, which subsidiary shall be wound up into Telesat Holdco, with Telesat Holdco agreeing to the acquisition of such subsidiary by Telesat Holdco from the Special Purchaser for nominal consideration and with the purchase price for the shares being paid by Telesat Holdco within ten (10) business days after completion of the winding-up of such subsidiary into Telesat Holdco.

The foregoing description of the Grant Agreement is not intended to be complete and is qualified in its entirety by reference to the Grant Agreement, a copy of which is filed as Exhibit 10.1 hereto.
