Employment Agreement with John R. Beaver

On September 30, 2017, Biolase, Inc. (the "Company") entered into an employment agreement with John R. Beaver to serve as Senior Vice President and Chief Financial Officer of Biolase, effective October 1, 2017.

Under the terms of Mr. Beaver's employment agreement, Mr. Beaver will receive an annual base salary of \$325,000. In addition, Mr. Beaver is eligible to receive an annual performance bonus of up to fifty percent (50.0%) of Mr. Beaver's base salary, which is determined by the achievement of certain criteria as established by the Compensation Committee of the Board of Directors of the Company (the "Compensation Committee"). Mr. Beaver was granted a non-qualified stock option to purchase 600,000 shares of Company common stock with a term of ten (10) years at an exercise price per share equal to the closing price of the Company's common stock on his first day of employment, as reported by the National Association of Securities Dealers on the Nasdaq Stock Market. The stock option will vest and become exercisable in accordance with time-based and performance-based criteria established by the Compensation Committee, and is subject to Mr. Beaver's continued service through the applicable vesting dates. Mr. Beaver's employment is at will.

Pursuant to the terms of the employment agreement, Mr. Beaver is entitled to severance benefits in the event that the Company terminates him without cause. The severance amount consists of twelve (12) months of Mr. Beaver's annual base salary, which will be paid over twenty-six equal installments, and paid COBRA premiums for the twelve-month period following such termination. In the event that Mr. Beaver is terminated within twelve (12) months following a change in control, in addition to the above severance benefits, all of his time-based vesting stock options that are unvested shall vest and be exercisable, and one-half of his performance-based vesting stock options that are unvested shall vest and be exercisable.

The stock options were granted outside of the Company's stockholder-approved equity incentive plan.

The foregoing description of Mr. Beaver's stock option does not purport to be complete and is qualified in its entirety by reference to the stock option agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Prior to joining the Company, Mr. Beaver served as the Chief Financial Officer of San Jose, California-based Silicor Materials, Inc., from 2009 to 2013 and from 2015 to 2017. He also served on Silicor's Board of Directors from 2013 to 2015. From 2013-2015, Mr. Beaver was Chief Financial Officer for Seattle-based Modumetal, Inc. From 2001 to 2007, Mr. Beaver was employed at Houston-based Sterling Chemicals, Inc., where he served as Senior Vice President Finance and Chief Financial Officer.
