About Euroseas Ltd.

Euroseas Ltd. was formed on May 5, 2005 under the laws of the Republic of the Marshall Islands to consolidate the ship owning interests of the Pittas family of Athens, Greece, which has been in the shipping business over the past 135 years. Euroseas currently trades on the Over The Counter Bulletin Board under the ticker (OTCBB: ESEAF.OB) and has applied for listing on the Nasdaq National Market.

Euroseas operates in the dry cargo, drybulk and container shipping markets. Euroseas operations are managed by Eurobulk Ltd., an ISO 9001:2000 certified affiliated ship management company, which is responsible for the day-to-day commercial and technical management and operations of the vessels. Euroseas employs its vessels in the spot and time charter markets and through pool arrangements.

Following the acquisition of the M/V "Torm Tekla", Euroseas fleet will consist of 8 vessels, including 2 Panamax drybulk carriers, 2 Handysize drybulk carriers, 3 Handysize containerships and a Handysize multipurpose dry cargo vessel. Euroseas 4 drybulk carrier vessels have a total cargo capacity of 207,464 deadweight tons (dwt), its 3 containerships have a cargo capacity of 66,100 dwt and 4,636 teu and its 1 multipurpose vessel has a cargo capacity of 22,568 dwt and 950 teu.

Forward Looking Statement

This press release contains forward-looking statements (as defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended) concerning future events and the Company's growth strategy and measures to implement such strategy, including expected vessel acquisitions and entering into further time charters. Words such as expects, intends, plans, believes, anticipates, hopes, variations of such words and similar expressions are intended to identify forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. These statements involve known and unknown risks and are based upon a number of assumptions and estimates that are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of the Company. Actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to changes in the demand for drybulk vessels, competitive factors in the market in which the Company operates; risks associated with operations outside the United States; and other factors listed from time to time in the Company's filings with the Securities and Exchange Commission. The Company expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
