N/A

This Form 6-K consists of:

A press release regarding the signing of strategic supply agreements between JA Solar Holding Co., Ltd. (the “Registrant”) and BP Solar to provide a total of more than 185 MWs of mono-crystalline and multi-crystalline solar cells in 2010 and through 2011, made by the Registrant in English on October 6, 2010.

JA Solar Announces Supply Agreements with BP Solar for
More Than 185 MW

SHANGHAI—Oct. 6, 2010 -- JA Solar Holdings Co. Ltd. (Nasdaq: JASO), one of the world's largest manufacturers of high-performance solar cells and solar power products, today announced that it had signed strategic supply agreements with BP Solar to provide a total of more than 185 MWs of mono-crystalline and multi-crystalline solar cells in 2010 and through 2011.

Under the terms of the agreements, JA Solar will supply BP Solar with more than 100 MW in 2011, beginning in the first quarter. In a separate agreement, which began earlier this year, JA committed to provide more than 85 MW, a significant portion of which has already been delivered, with the remainder continuing through the fourth quarter of 2010.

"We have been working with BP Solar, which has its headquarters in San Francisco, since 2008 and we are very pleased to extend our relationship, as they are one of the world's largest integrated solar energy companies," said Dr. Peng Fang, CEO of JA Solar. "With our leading cost structure, JA Solar provides BP Solar a cost advantage in the residential, commercial and utility markets. This agreement provides JA with firm orders through next year," he said.

"We are very pleased to continue our partnership with JA Solar," said Mike Petrucci, CEO of BP Solar. "A solid supply of high-quality solar cells is critical in meeting our growing demand for BP Solar's proven product line, delivering the highest lifetime value," he said.

Forward-looking Statements

This press release contains forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by words such as "may," "expect," "anticipate," "aim," "intend," "plan," "believe," "estimate," "potential," "continue," and other similar statements. Statements other than statements of historical facts in this announcement are forward-looking statements, including but not limited to, our expectations regarding the expansion of our manufacturing capacities, our future business development, and our beliefs regarding our production output and production outlook. These forward-looking statements involve known and unknown risks and uncertainties and are based on current expectations, assumptions, estimates and projections about the company and the industry. Further information regarding these and other risks is included in Form 20-F and other documents filed with the Securities and Exchange Commission. The company undertakes no obligation to update forward-looking statements, except as may be required by law. Although the company believes that the expectations expressed in these forward-looking statements are reasonable, it cannot assure you that its expectations will turn out to be correct, and investors are cautioned that actual results may differ materially from the anticipated results.

About JA Solar Holdings Co., Ltd.

JA Solar Holdings Co., Ltd. is a leading manufacturer of high-performance solar power products. The company sells its products to solar manufacturers worldwide, who assemble and integrate solar cells into modules and systems that convert sunlight into electricity for residential, commercial, and utility-scale power generation.
