Item 3.02 Unregistered Sales of Equity Securities.

On February 16, 2012, we entered into a securities purchase agreement (the “Securities Purchase Agreement”) with certain accredited investors (the “Investors”) pursuant to which we issued, in the aggregate, (i) 21,000,000 shares of common stock (the “Investor Shares”) and (ii) five year warrants to purchase, in the aggregate, up to 10,500,000 shares of common stock at an exercise price of \$0.069 per share (each, an “Investor Warrant”), in exchange for aggregate consideration of \$1,050,000 (the “Private Placement”).

The Securities Purchase Agreement contains representations, warranties and covenants of the Investors and us that are typical for transactions of this type. In addition, the Securities Purchase Agreement contains a “full ratchet” anti-dilution adjustment provision, pursuant to which, in the event that we sell or issue shares of common stock or common stock equivalents at a price (the “Base Price”) lower than the per share purchase price of the Investor Shares under the Securities Purchase Agreement, we will be required to issue to each Investor, for no additional consideration, the certain number of shares of common stock (the “Additional Shares”), such that the purchase price paid by such Investor under the Securities Purchase Agreement for the number of Investor Shares then held, when divided by the aggregate number of Investor Shares then held and Additional Shares issued to such Investor, will equal the Base Price. This investor right will terminate at any time following the nine month anniversary of the closing of the Private Placement, if (i) the closing sales price of the common stock for thirty (30) consecutive trading days is at least 200% of the per share purchase price, (ii) the product of (A) the volume weighted average price of the common stock on its principal market and (B) its corresponding daily trading volume, each as reported by Bloomberg L.P., equals or exceeds \$50,000 for such thirty (30) consecutive trading days and (iii) the Investor Shares that were acquired hereunder by Investors who are not our affiliates were eligible for unrestricted sale pursuant to Rule 144(b)(1)(i) promulgated under the Securities Act of 1933, as amended, on their principal market from the six month anniversary of the closing of the Private Placement through at least the nine month anniversary of the closing of the Private Placement.

Each Investor Warrant is exercisable immediately for cash or by way of a cashless exercise and contains provisions that protect its holder against dilution by adjustment of the exercise price and the number of shares issuable thereunder in certain events such as stock dividends, stock splits and other similar events.

The Investor Shares and the Investor Warrants issued to the Investors were not registered under the Securities Act of 1933, as amended (the “Securities Act”), or the securities laws of any state, and were offered and sold in reliance on the exemption from registration under the Securities Act, provided by Section 4(2) and Regulation D (Rule 506) under the Securities Act. Each Investor was an accredited investor (as defined by Rule 501 under the Securities Act) at the time of the Private Placement.

Palladium Capital Advisors, LLC (the “Placement Agent”) served as our placement agent in the Private Placement. As consideration for serving as our placement agent, we paid the Placement Agent a fee equal to approximately \$55,500 and issued the Placement Agent a five year warrant to purchase 1,109,500 shares of common stock at an exercise price of \$0.069 per share (the “Placement Agent Warrant”). The Placement Agent Warrant has identical terms to the terms of the Investor Warrant. In addition, the Placement Agent invested \$15,000 in the Private Placement and, in exchange therefor, was issued 300,000 Investor Shares and an Investor Warrant to purchase 150,000 shares of common stock.

The Placement Agent Warrant issued to the Placement Agent was not registered under the Securities Act or the securities laws of any state, and was offered and sold in reliance on the exemption from registration under the Securities Act, provided by Section 4(2) and Regulation D (Rule 506) under the Securities Act. The Placement Agent was an accredited investor (as defined by Rule 501 under the Securities Act) at the time of the Private Placement.
