require that the oil and gas properties of the Partnership mortgaged in favor of the Lenders as collateral security for the loans represent not less than 90% of the total value of the oil and gas properties of the Partnership evaluated in the most recently completed reserve report;

permit the payment by the Partnership of cash dividends to its equity holders out of available cash in accordance with its partnership agreement so long as before and immediately after such payment (i) no default or event of default occurred or would result therefrom, (ii) the Partnership has unused commitments of not less than 15% of the total commitments then in effect under the Credit Agreement, (iii) the ratio of the Partnership's total debt at the time of such payment to its EBITDA for the four fiscal quarters ending on the last day of the fiscal quarter immediately preceding the date of determination for which financial statements are available is equal to or less than 4.00 to 1.00;

permit the redemption or repurchase of preferred equity securities, preferred limited partnership interests or preferred units of the Partnership: (i) using cash proceeds from the sale of equity securities or in exchange for equity securities of the Partnership, or (ii) so long as before and immediately after such repurchase or redemption, (1) no default or event of default occurred or would result therefrom, (2) the Partnership has unused commitments of less than 15% of the total commitments then in effect under the Credit Agreement, and (3) the ratio of the Partnership's total debt at the time of the redemption or repurchase to its EBITDA for the four fiscal quarters ending on the last day of the fiscal quarter immediately preceding the date of determination for which financial statements are available is equal to or less than 4.00 to 1.00;

permit the redemption or repurchase of the Partnership's senior unsecured notes (a) using cash proceeds from the sale of equity securities or in exchange for equity securities of the Partnership, or with the proceeds of permitted refinancing debt, (b) so long as (1) before and immediately after such redemption (A) the Partnership has unused commitments of not less than the greater of (i) 20% of the total commitments then in effect under the Credit Agreement, and (ii) \$100,000,000, (B) the Partnership is in pro forma compliance with the first lien debt to EBITDA covenant such that its ratio of first lien debt to EBITDA would not exceed 3.00 to 1.00 (or 2.50 to 1.00 on any date of determination occurring on or after July 1, 2017), (C) no default or event of default occurred or would result therefrom and (2) each such redemption is made solely with the proceeds from the permitted sales of property, provided, that (w) such redemption shall be made within 90 days of the related sale of property, (x) the amount of sale proceeds used for such redemption shall not exceed 50% of the sale proceeds of such property, (y) the redemption
