ITEM 11. EXECUTIVE COMPENSATION.

COMPENSATION DISCUSSION AND ANALYSIS

Our Philosophy

Our compensation program is based on the principles and objectives set forth below.

We structure our compensation program to target the median of the market in which we compete for executive talent.

We develop compensation programs that emphasize pay-for-performance.

We seek to retain and motivate a talented management team to continually maximize shareholder value.

We strive to ensure the compensation programs maintain an appropriate balance between base salary, annual and long-term stock-based incentive compensation.

We motivate our executives to achieve financial and operational goals by providing them with opportunities to earn annual incentive payments, at market amounts, based on above-market performance.

We strive to align the earnings prospects and interests of executives with those of our shareholders.

We believe our executives should have meaningful levels of ownership of A.C. Moore Common Stock.

Table of Contents

Compensation Committee Process

The Compensation Committee of our Board determines our overall compensation philosophy. The Compensation Committee is also responsible for reviewing and recommending to the Board the elements of our executive officers compensation.

The Compensation Committee recommends to the full Board the Chief Executive Officer's overall compensation. The Compensation Committee and the other independent members of the Board discuss the Chief Executive Officer's compensation during an executive session based on their assessment of his individual performance and the financial and operating performance of A.C. Moore. Compensation for the other named executive officers is based on recommendations to the Compensation Committee from the Chief Executive Officer and other members of management, as appropriate. The Compensation Committee considers these recommendations based on individual responsibility, experience and overall performance. Generally, the full Board, upon the Compensation Committee's recommendation, approves the compensation and employment agreements of A.C. Moore's principal executive, financial and operating officers; and the Board has delegated to the Compensation Committee the authority to approve the compensation for all other executive officers.

During 2008, the Board and the Compensation Committee approved an amendment to the employment agreement with Rick A. Lepley, our President and Chief Executive Officer, and the letter agreement with Joseph A. Jeffries, our Executive Vice President and Chief Operating Officer. Also during 2008, the Board and the Compensation Committee approved entry into an amended and restated letter agreement with Michael G. Zawoysky, our Executive Vice President and Chief Financial Officer through April 24, 2009, in connection with his appointment to this position in September 2008. The terms of these agreements are discussed below under Agreements with Named Executive Officers. The Board and the Compensation Committee believe the terms of the compensation for the current executive officers and agreements with such executive officers are consistent with the practices of other similarly situated retailers.

In 2007, to assist the Compensation Committee in evaluating and developing a new executive compensation plan for A.C. Moore, including, but not limited to, developing the Annual Incentive Plan (referred to as the Annual Incentive Plan) and the 2007 Stock Incentive Plan (referred to as the Stock Incentive Plan), the Compensation Committee approved the retention of the Hay Group, an independent outside compensation consultant. The consultant worked with the Compensation Committee in 2007 to develop information and guidance concerning best practices and trends in executive compensation and to provide analysis of A.C. Moore's compensation programs based on retail market data. The Compensation Committee will consider retaining an independent compensation consultant again in the future as needed from time to time. Except for consulting Hay Group for retail market data from time to time in 2008, no such consultant was retained during 2008.

Generally, the Compensation Committee reviews and adjusts targeted compensation levels annually at its first meeting of the year. The Compensation Committee will also meet periodically during the year to consider compensation programs and to gain relevant information and context for determining compensation for executives.

A.C. Moore believes that to attract and retain qualified management, pay levels (including base salary, incentive compensation and benefits) should be targeted at the 50th percentile or median of pay levels of comparable positions at comparable companies in the market. Actual compensation may vary from these targets based on several factors, including individual performance, experience, roles and responsibilities and A.C. Moore performance.

Table of Contents

Retail market data is used, in part, to set compensation for the executive officers, but it is not the sole point of reference. Total compensation of executive officers, including the Chief Executive Officer, is determined after reviewing the executive's performance, long-term potential, responsibilities and experience within the context of the market data. In addition to these factors, A.C. Moore also considers internal pay equity within the executive group. In this regard, we rely on information generated by our Human Resources department as well as information prepared from time to time by outside consultants.

The Compensation Committee takes into account the estimated accounting (pro forma expense) and the tax impact of all material changes to the executive compensation program and discusses such matters periodically during the year. In general, the policy of A.C. Moore and the Compensation Committee is to optimize the tax deductibility of executive compensation so long as deductibility is consistent with the objectives of executive compensation. The Compensation Committee has been advised that, based on current interpretations, awards under the 1997 Employee, Director and Consultant Stock Option Plan (referred to as the 1997 Plan), the 2002 Plan, the Stock Incentive Plan and the Annual Incentive Plan, should satisfy the requirements for performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (referred to as the Code). The Compensation Committee has also been advised that restricted stock awards which vest based on continued employment with A.C. Moore do not qualify as performance-based compensation, and so may not be tax-deductible under Code Section 162(m), unless the number of the restricted stock awards to be granted is based on the satisfaction of performance criteria.

Components of Compensation

In line with our philosophy, A.C. Moore provides a compensation program with both fixed and variable components. Fixed compensation, which consists of base salary, is designed to attract and retain executive talent. Variable compensation, which consists of annual and long-term incentive programs, delivers potential awards to executives which are designed to motivate performance. In addition, A.C. Moore offers a limited number of benefits programs.

Base Salary. Base salaries are an important element of compensation and provide executives with a base level of income. In determining base pay, the Compensation Committee considers multiple factors, including the executive's responsibilities, individual performance against pre-determined objectives, base salary competitiveness as compared to the external market, internal equity and A.C. Moore's financial and operating performance. The Compensation Committee does not use a specific formula for evaluating the executive. Instead, executives are assessed primarily by the Chief Executive Officer based upon how they contributed to A.C. Moore's business in their areas of responsibility. In fiscal 2008, Mr. Lepley, Mr. Jeffries, Mr. Katz, our Chief Financial Officer who resigned in June 2008, and Ms. Rhoades received base salary increases of 4.5%, 9.9%, 9.9% and 8.6%, respectively, as part of the annual review required under their agreements. Increases were determined based on individual performance and retail market data supplied by Hay Group in 2008. Mr. Zawoysky was appointed Acting Chief Financial Officer upon the resignation of Mr. Katz in June 2008 and we entered into an amended and restated employment letter with Mr. Zawoysky in connection with his appointment to Chief Financial Officer in September 2008. The base salary received in conjunction with his appointment to this position is discussed below under Agreements with Named Executive Officers. Based on retail market data supplied by the Hay Group, both before and after these increases, the base salaries of Messrs. Lepley, Jeffries and Zawoysky were below the 25th percentile. The base salaries of Mr. Katz and Ms. Rhoades, both before and after their increases, were below the 50th percentile.

Table of Contents

As a result of A.C. Moore's overall performance in fiscal 2008 and the current economic recession, A.C. Moore has determined for fiscal 2009 to not increase base salaries for any corporate office associates, including the executive officers.

Annual Incentives. Annual cash bonuses under the Annual Incentive Plan, which was previously approved by shareholders, are intended to reward performance during the year, and therefore, can be highly variable from year to year. Hay Group, the outside compensation consultant retained in 2007, assisted the Committee and management in evaluating and developing the Annual Incentive Plan. The Annual Incentive Plan performance goals are based on A.C. Moore's budget and operating plan approved by the Board. The plan has a minimum level of achievement below which no bonuses may be paid as well as a maximum level that limits annual bonus payouts. Award levels at target generally reflect the median of the competitive market with the opportunity to earn more or less depending on actual financial performance of A.C. Moore and individual performance.

The Compensation Committee may make negative adjustments to reduce a potential award in whole or in part based on the Compensation Committee's assessment of individual performance by an executive against the established individual objectives. However, the Compensation Committee cannot use its discretion to increase the award.

The Compensation Committee and the Board also have the authority to award discretionary cash bonuses in addition to annual incentive awards, if in their judgment, there has been exceptional performance by an executive officer which has contributed to the overall operating results of A.C. Moore. The Board believes that the potential for such awards will help to motivate and retain more talented executive officers. In fiscal 2008, no executive officer received a discretionary cash bonus award.

Fiscal 2008

In March 2008, the Compensation Committee and the Board approved the Annual Incentive Plan for performance in 2008. For performance in fiscal 2008, except for the Chief Executive Officer, participants were eligible to receive a cash payment depending on both A.C. Moore's performance relative to Company metrics and the individual's achievement of pre-determined, measurable performance goals. Each metric or goal had an identified threshold, target and maximum level. Each of the Company metrics was weighted based on the overall significance to the business and operating plan. Bonuses for 2008 performance were to be paid in the event that A.C. Moore or the individual achieved one of the metrics, with the payment amount proportionate to the weight assigned to the specific metric achieved. Payouts were interpolated between threshold, target and maximum. In addition, the bonus opportunity is pro-rated based on time in position.

The Chief Executive Officer was eligible to receive a cash payment denominated as a percentage of base salary depending solely on A.C. Moore's performance in fiscal 2008 relative to the Company metrics set forth below. For our Chief Operating Officer and Chief Financial Officer, the potential bonus amount depended 80% on the Company's performance relative to these metrics, with 20% relating to achievement of individual performance goals. For our Vice President and General Counsel, the ratio was 75% related to Company performance and 25% related to individual performance. Weighting of the Company metrics was adjusted proportionately downward to take into account the value of the individual performance component.

Table of Contents

Target bonus amounts are specified as a percentage of a participant's base salary. Target amounts increase with job scope and complexity, thus increasing the potential bonus opportunity for positions likely to have a greater impact on our operating results. For fiscal 2008, the Chief Executive Officer was eligible to receive 100% of base salary at target. The 2008 potential bonuses at target for each of the Chief Operating Officer and Chief Financial Officer were 75% of base salary, and 35% of base salary for our Vice President and General Counsel.

The Board and the Compensation Committee set the performance metrics for the Annual Incentive Plan for 2008 based on the importance of these criteria to A.C. Moore's business and operating plan, but recognizing the increasing difficulty of attaining targets in light of the overall macro-economic conditions. The Company metrics at target and weightings approved by the Board and the Compensation Committee were pre-tax income of \$1.7 million (55%), gross margin of 42.5% (15%), comparable store sales decrease of 4.7% (15%) and cash at fiscal year end of \$51.9 million (15%).

For fiscal 2008, A.C. Moore achieved the cash metric at maximum but did not meet the threshold requirement for payout for the pre-tax income, gross margin or comparable store sales metrics. In addition, Mr. Jeffries, Mr. Zawoysky and Ms. Rhoades each achieved certain of their individual performance goals. As indicated above, Mr. Lepley's eligibility for a payout under the Annual Incentive Plan was based solely on A.C. Moore's performance and did not include an individual component. Mr. Lepley, Mr. Jeffries, Mr. Zawoysky and Ms. Rhoades were entitled to receive payouts of \$144,375, \$101,064, \$62,349 and \$29,573, respectively, under the Annual Incentive Plan for 2008. However, because of A.C. Moore's overall performance in fiscal 2008, despite A.C. Moore achieving the cash metric and the executive officers achieving certain of their individual goals, no amounts were paid to the executive officers under the Annual Incentive Plan for 2008, with the exception of Ms. Rhoades. Ms. Rhoades received a cash payout of \$16,544 related to achievement of her individual performance goal for 2008.

Fiscal 2009

In February 2009, the Compensation Committee determined that, in light of the current economic environment, there would be no executive Annual Incentive Plan for performance in fiscal 2009. Accordingly, no provision has been made in A.C. Moore's 2009 financial plan for bonuses to senior management, including the executive officers. The Compensation Committee and the Board reserved the right to award discretionary bonuses for performance in 2009 if they determine that any such award has been earned.

Long-Term Equity Incentives. Long-term incentive equity awards are granted to executives under the Stock Incentive Plan previously approved by shareholders. The Chief Executive Officer and other members of management, as appropriate, recommend to the Compensation Committee the actual grants for approval based on performance potential and market data. The named executive officers and other members of management participate in this process in order to provide insight into performance of individuals over whom they have supervision and adjust the size of the grant accordingly. The Compensation Committee or the Board approves these grants. When approving the amount of the grants, the Compensation Committee takes into consideration individual and A.C. Moore performance, both within the context of market practices. As with other elements of compensation, A.C. Moore targets the median of the market with regard to the size of long-term equity grants.

Historically, A.C. Moore relied on stock options as its primary long-term equity vehicle through grants under the 1997 and 2002 Plans. Option exercise prices are at the fair market value of our Common Stock on the date of grant.

Table of Contents

A.C. Moore believes the Stock Incentive Plan, approved by A.C. Moore's shareholders in June 2007, provides flexibility in granting awards through a variety of equity vehicles. The Stock Incentive Plan permits grants of appreciation only vehicles (such as stock options or stock appreciation rights), full value vehicles (such as restricted stock or restricted stock units) and performance-based awards (such as performance shares or performance vested restricted stock). A.C. Moore intends that the types of equity awards granted, vesting schedules and the mix of equity vehicles used under the Stock Incentive Plan will directly support the objectives of A.C. Moore's compensation program. In addition, in reaching the decision as to what types of equity will be awarded under the Stock Incentive Plan, the Compensation Committee evaluates, among other considerations, industry long-term incentive practices and changes to the required accounting and tax treatment of equity awards. Awards may also be granted at the time of a special event, such as upon employment, or at the Compensation Committee's discretion.

Fiscal 2008

In March 2008, except for Mr. Lepley, the current executive officers received a grant of performance accelerated restricted stock (referred to as PARS) and stock-settled stock appreciation rights (referred to as SARs) as the 2008 long-term incentive opportunity. The PARS vest in four equal installments upon A.C. Moore's achievement of certain financial performance targets and vest in full on the date that is five years from the grant date, if not earlier vested. Mr. Lepley received a grant of time-vested restricted stock, which vests in three equal annual installments, and SARs. The SARs granted to the executive officers, including Mr. Lepley, vest in three equal annual installments, have a base price equal to the NASDAQ closing price per share on the grant date and have a seven-year term. The number of shares of the March 2008 grant to Mr. Lepley was provided for in his employment agreement. Mr. Lepley also received a grant of SARs in connection with the extension of his employment agreement entered into in December 2008. In September 2008, Mr. Zawoysky received a grant of PARS and SARs in connection with his appointment as Chief Financial Officer. The grant date fair value and terms of these grants are presented in the executive compensation tables below.

Fiscal 2009

In February 2009, the executive officers received a grant of PARS and SARs as the 2009 long-term incentive opportunity. The PARS vest in three equal annual installments or upon the Company's achievement of certain financial performance targets. The SARs vest in three equal annual installments, have a base price equal to the NASDAQ closing price per share on the grant date and have a seven-year term.

Retirement and Other Benefits. The Chief Executive Officer and other named executive officers are eligible to participate in the full range and scope of retirement and health and insurance and other benefits plans, as are all other employees of A.C. Moore. A.C. Moore targets these types of benefits to be competitive with the median of the market. A.C. Moore sponsors a 401(k) retirement plan for salaried and hourly employees. The 401(k) plan is a tax-qualified, defined contribution plan under which fixed contributions are made to the account of each participating employee each year. Under the 401(k) plan, a matching contribution is made in the amount of 25% of the first 6% of eligible compensation to a maximum of \$1,500 so long as an employee has reached 21 years of age and has three months of service. Participating employees may direct the investment of A.C. Moore matching and individual contributions into one or more of the investment options offered by the 401(k) plan. A.C. Moore believes that its employee benefit plans, including retirement plans and health and life insurance plans, are of the type commonly offered by other employers. These benefits form part of our compensation philosophy because A.C. Moore believes they are necessary in order to attract, motivate and retain talented executives.

Table of Contents

In light of the current downturn in the economy, including forecasts that the economy will continue to be difficult in 2009, A.C. Moore determined to suspend the 401(k) plan matching contribution for the fiscal year ending January 2, 2010. A.C. Moore will reevaluate this determination at the end of fiscal 2009 to consider whether to reinstate the matching contribution.

Employment, Change-in-Control and Severance Agreements

The employment agreements or letters, which include change-in-control provisions, between A.C. Moore and the named executive officers are summarized in Agreements with Named Executive Officers below. A.C. Moore believes these agreements reflect market practice at the time they were signed or amended.

Special Retention Award Opportunity

On March 31, 2008, A.C. Moore's Board approved a special cash retention award for certain key employees. The purpose of the award is to maintain stability of A.C. Moore's leadership team by providing an incentive for these individuals to remain with A.C. Moore during the approximately 22-month period over which the award vests. A.C. Moore believes that the award is an important component of its compensation package at a time when A.C. Moore is seeking to successfully execute its business strategy.

The terms of each cash retention award are set forth in an award agreement between A.C. Moore and the employee. The total cash amount of the special retention award is equal to 100% of the employee's current base salary. The award vests on September 30, 2008 with respect to 25% of the total amount, on June 30, 2009 with respect to 25% of the total amount and on January 31, 2010 with respect to the remaining 50%. The right to receive any amount that has vested is contingent on continuous full-time employment with A.C. Moore and continuing to meet performance expectations under A.C. Moore's internal review process, each through the respective vesting date.

Any unvested amounts will be forfeited upon termination of full-time employment, except for termination due to death or permanent disability. For terminations for those reasons, the employee will receive an amount of the total award that varies depending on when the death or permanent disability occurs. The special retention award agreement also provides for automatic vesting of the awards on a change in control (as defined in the Stock Incentive Plan).

The total amounts of the special retention award, subject to the vesting requirements set forth above, for the following executive officers are: Rick A. Lepley \$550,000; Joseph A. Jeffries \$280,000; and Amy Rhoades \$179,580.

Messrs. Lepley and Jeffries and Ms. Rhoades each received 25% of their respective amounts upon vesting on September 30, 2008. The total amount of the special retention award Mr. Katz was entitled to receive was \$310,000.

Mr. Katz resigned in June 2008 prior to the first vesting date and did not receive any portion of the retention award. The total amount of the special retention award Mr. Zawoysky was entitled to receive was \$175,000. Mr. Zawoysky received 25% of this amount upon vesting on September 30, 2008. Mr. Zawoysky resigned from A.C. Moore in April 2009 and will not receive any of the remaining balance of his special retention award. These amounts received are reflected in the Summary Compensation Table below.

Stock Ownership Guidelines

Consistent with its executive compensation philosophy and the principle of aligning executive and shareholder interests, A.C. Moore believes officers should retain minimum ownership levels of A.C. Moore's Common Stock. Upon recommendation of Hay Group, the following stock ownership guidelines were established by the Board in April 2007.

Executive	Ownership Multiple of Base Salary
Chief Executive Officer	Three (3) times
All Other Officers at the Vice President level and above	One (1) times
The Chief Executive Officer is expected to comply with these ownership requirements by the end of a five-year period beginning in 2007. A five-year compliance period for all other officers at the Vice President level and above began in 2008. Shares that are counted for purposes of satisfying ownership requirements are shares directly and indirectly owned, grants and awards under equity incentive plans (such as vested and unvested restricted stock), and shares held in the officer's account under A.C. Moore's 401(k) plan. Stock options and SARs do not count towards satisfaction of the ownership requirements.

Equity Incentive Plans

Old Plans

A.C. Moore's stock option plans consist of the 2002 Plan and the 1997 Plan (referred to together as the "Old Plans"). The purpose of the Old Plans was to encourage ownership of A.C. Moore's Common Stock by employees and directors of A.C. Moore (and by certain consultants in the case of the 1997 Plan) in order to attract such persons, induce them to work for the benefit of A.C. Moore and provide additional incentive for them to promote the success of A.C. Moore. Options granted under each plan were either incentive stock options intended to qualify under Section 422 of the Code, or options not intended to so qualify, except that incentive stock options could only be granted to employees. The maximum total number of shares of A.C. Moore's Common Stock for which awards could be granted under the 2002 Plan and 1997 Plan is 1,500,000 and 2,000,000 shares, respectively, subject to adjustment in a manner determined by the Compensation Committee of the Board to reflect changes in A.C. Moore's Common Stock. Payment of the exercise price for options granted under the Old Plans may be made in cash, shares of Common Stock or a combination of both. All options granted pursuant to the Plans are exercisable in accordance with a vesting schedule and prior to an expiration date, each of which were set at the time of the issuance of the option. As of January 3, 2009, there were a total aggregate of options to purchase 1,046,099 shares of Common Stock outstanding under the 2002 Plan and 1997 Plan.

All directors, officers and key employees (and certain consultants in the case of the 1997 Plan) were eligible to receive options under the Old Plans. The Old Plans are administered by the Compensation Committee or, at the option of the Board, the Board may administer the Old Plans. The Compensation Committee approved the optionees and determined the nature of the option granted, the number of shares subject to each option, the option vesting schedule and other terms and conditions of each option. The Compensation Committee could modify or amend each Plan, provided that without the consent of the participant, such action could not affect a participant's rights under previously granted options. With the consent of a participant, the Compensation Committee may amend outstanding options in a manner not inconsistent with the applicable Plan.

The Stock Incentive Plan described below effectively replaced the Old Plans and no further grants or awards are made under the Old Plans. All grants and awards are made under the shareholder-approved Stock Incentive Plan. The Old Plans will continue in effect until their respective expiration dates for the limited purpose of administering such plans.

Stock Incentive Plan

On June 7, 2007, A.C. Moore's shareholders approved the Stock Incentive Plan. The purpose of the Stock Incentive Plan is to provide incentives to attract, retain, motivate and reward non-employee directors, executive officers and other key employees of A.C. Moore by providing them opportunities to receive shares of Common Stock or to receive monetary payments based on the value of such shares. The Stock Incentive Plan is intended to assist in further aligning the interests of participants in the Stock Incentive Plan with those of A.C. Moore's shareholders.

Table of Contents

The following types of awards or any combination of them may be granted under the Stock Incentive Plan: (i) stock options (both incentive stock options and non-qualified options) to receive shares of Common Stock; (ii) stock appreciation rights, which entitle the grantee to receive an amount in cash, shares of Common Stock, or a combination of cash and shares of Common Stock, determined by reference to appreciation in Common Stock value; (iii) stock awards, which entitle the grantee to receive shares of Common Stock which may be subject to certain restrictions such as restrictions on transferability; (iv) performance awards, which entitle the grantee to receive, without payment, an award following the attainment of performance goals; and (v) stock units, which entitle the grantee to receive an amount in cash or, if the grantee and the Compensation Committee so agree, in shares of Common Stock or a combination of cash and shares of Common Stock, with or without other payments by the grantee, as may be determined by the Compensation Committee (each as described above is referred to as an Award and collectively, the Awards). In addition, other forms of awards valued in whole or in part by reference to A.C. Moore's Common Stock may be granted either alone or in addition to the foregoing Awards. Each Award is subject to such terms and conditions consistent with the Stock Incentive Plan, as determined by the Compensation Committee and as set forth in an Award agreement.

All non-employee directors, executive officers and other key employees of A.C. Moore or any of its affiliates who are significantly responsible for the success and future growth and profitability of A.C. Moore, as determined by the Compensation Committee, are eligible to be participants in the Stock Incentive Plan. The Stock Incentive Plan is administered by the Compensation Committee. Under the Stock Incentive Plan, the Compensation Committee has the power to interpret the Stock Incentive Plan and to adopt such rules and regulations as it considers necessary for purposes of administering the Stock Incentive Plan. The Compensation Committee is authorized to grant Awards to the participants in the Stock Incentive Plan and to determine the number and types of such Awards and the terms, conditions and limitations applicable to each such Award. The Compensation Committee may delegate its powers and authority under the Stock Incentive Plan to designated officers or employees of A.C. Moore. In addition, the independent members of the full Board may exercise any of the powers and authority of the Compensation Committee under the Stock Incentive Plan.

The aggregate number of shares of Common Stock that may be subject to Awards to be granted under the Stock Incentive Plan is 1,000,000 shares, subject to adjustments for stock splits, recapitalizations and other specified events. This share reserve will be increased by a number of shares of Common Stock equal to the number of shares of Common Stock that are issuable pursuant to option grants (referred to as the Existing Options) outstanding under the Old Plans as of the effective date of the Stock Incentive Plan that but for the suspension of the Old Plans would otherwise have reverted to the share reserve of the Old Plans, as applicable, as a result of the expiration, termination, cancellation or forfeiture of such Existing Options.

Annual Incentive Plan

The purpose of the Annual Incentive Plan is to provide an annual performance based incentive for employees who are in a position to contribute materially to the success of A.C. Moore. The Compensation Committee and the Board believe that A.C. Moore will significantly benefit from having A.C. Moore's employees receive cash bonus awards under the Annual Incentive Plan. A.C. Moore's success depends, in large measure, on its ability to attract and reward talented employees with outstanding abilities and experience. To achieve this objective, the Board adopted the Annual Incentive Plan as a tool to attract and provide additional motivation to key employees to use their best efforts in performing their respective duties and obligations at A.C. Moore.

All present and future employees, including executive officers, of A.C. Moore will be eligible to receive awards under the Annual Incentive Plan. A participant in the Annual Incentive Plan will be selected, from time to time, by the Compensation Committee among such employees. The Annual Incentive Plan generally is administered by the Compensation Committee comprised of not less than two members who each qualifies as an outside director within the meaning of Code Section 162(m) and the regulations thereunder. The Compensation Committee has general authority to impose any limitation or condition upon an award the Compensation Committee deems appropriate to achieve the objectives of the award and the Annual Incentive Plan.

Table of Contents

The Compensation Committee has the power and complete discretion to determine which employees will receive an award and the nature of the award, (ii) the amount of each award, (iii) the time or times when an award will be granted, (iv) whether a disability exists, (v) the terms and conditions applicable to awards, and (vi) any additional requirements relating to awards that the Compensation Committee deems appropriate.

Agreements with Named Executive Officers

We have entered into agreements, which include change of control provisions, with our current executive officers. In fiscal 2008, we entered into amendments to agreements with Messrs. Lepley, Jeffries and Zawoysky. The material terms of these agreements, as amended, are described below.

The agreements with named executive officers provide enhanced payments and benefits in the event of a change of control (as defined in these agreements). The basic rationale for this change of control protection is to diminish the potential distraction due to personal uncertainties and risks that inevitably arise when a change of control is threatened or pending. The termination benefits payable in connection with a change of control generally require a double trigger, which means that after a change of control (the first trigger) a covered executive's employment is either involuntarily terminated without cause or the executive resigns for good reason (as both terms are defined in the relevant agreement), either of which would constitute the second trigger. A double trigger was selected to increase the likelihood that an executive would remain with A.C. Moore after a change of control. The agreements also have a single trigger approach with regard to equity grants held on the date of a change in control, which means that all grants held on such date immediately vest and become exercisable, as applicable, upon a change in control. In addition, the Stock Incentive Plan contains a single trigger approach with regard to vesting of awards. The Annual Incentive Plan permits the Board, in its discretion, to accelerate vesting and payouts in the event of a change in control. In addition, the special retention award agreements provide for automatic vesting upon a change in control.

Employment Agreement with Rick A. Lepley

On June 1, 2006, A.C. Moore entered into an employment agreement with Mr. Lepley to serve as A.C. Moore's Chief Executive Officer effective as of June 1, 2006. The employment agreement was amended on November 15, 2006 and November 19, 2007. Mr. Lepley's employment agreement had an initial term of three years to be extended automatically for successive one year terms, unless either party provides written notice of termination at least six months prior to the end of the term. In December 2008, A.C. Moore and Mr. Lepley entered into an amendment to Mr. Lepley's agreement pursuant to which Mr. Lepley's employment as Chief Executive Officer was extended through December 31, 2010. Mr. Lepley receives a base salary of \$550,000 per fiscal year (using a fiscal year starting on June 1), subject to annual review and adjustment.

Pursuant to the December 2008 amendment, Mr. Lepley was granted 150,000 SARs. Vesting, base price, term and grant date fair value of the SARs granted in December 2008 are disclosed above. The December 2008 amendment also provided that if Mr. Lepley's employment is terminated without cause or for good reason (as defined in his employment agreement), if termination occurs from January 1, 2009 through December 31, 2009, he will be entitled to his then current base salary from the date of termination for the remaining months of the employment term through December 31, 2010 plus his pro rata bonus (as defined in the employment agreement) and, if termination occurs during any other time during the employment term, his base salary through the twelfth month anniversary of termination plus his pro rata bonus.

Table of Contents

Mr. Lepley's employment agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation. Mr. Lepley may not compete with, solicit employees from or interfere with business relationships of A.C. Moore for the same term during which he is entitled to receive base salary after termination, with a minimum of no less than 12 months in any circumstance. The non-competition provision prohibits Mr. Lepley from engaging in any business competing with A.C. Moore's business as such business exists or is in process on the date of the termination of Mr. Lepley's employment, within any geographical area in which A.C. Moore engages or actively plans to engage in such business. If Mr. Lepley violates these post-employment covenants, among other remedies, A.C. Moore is entitled to cease making post-employment payments to Mr. Lepley.

Upon a change of control (as defined in his employment agreement), Mr. Lepley receives an automatic two-year employment term from the date of the change of control, during which his base salary, annual bonus and other benefits are guaranteed to be at least at the level which he received in the 12 months prior to the change of control. If during this two-year term A.C. Moore terminates Mr. Lepley's employment other than for cause, death or disability or Mr. Lepley terminates for good reason, Mr. Lepley is entitled to receive a lump sum cash payment equal to the aggregate of his base salary through the date of termination, two times the pro rata portion of his annual bonus and two times the amount of his base salary. For termination due to death or disability following a change of control, he or his estate will receive a cash lump sum payment equal to the aggregate of his base salary through the date of death or disability and a pro rata bonus determined in the same manner as if there were no change of control. If A.C. Moore terminates for cause or Mr. Lepley terminates without good reason following a change of control, he is entitled to base salary through the date of termination. In addition, all options, SARs and restricted stock held by Mr. Lepley on the date of a change of control will immediately vest and remain exercisable for different periods of time depending upon continued employment. If Mr. Lepley's employment is terminated without cause following the change of control, he will have until the earlier of the end of the original option or SAR term and 18 months after the termination date to exercise the options and SARs. Upon a termination without cause following a change of control, all SARs and restricted stock to which Mr. Lepley would be entitled to receive will immediately be deemed granted and vested and Mr. Lepley will have 18 months after the termination date to exercise these SARs.

If any payments to Mr. Lepley upon a change in control as described above would constitute an excess payment under Code Section 280G and be subject to the excise tax imposed by Code Section 4999 on such excess payments, Mr. Lepley is entitled to a tax gross-up payment of such amount that would leave him in the same tax position as if no such excise tax (including related penalties or interest) was applicable.

Letter Agreement with Joseph A. Jeffries

On November 28, 2007, A.C. Moore entered into a letter agreement with Joseph A. Jeffries to serve as A.C. Moore's Executive Vice President of Operations effective as of November 28, 2007. Mr. Jeffries receives a base salary of \$280,000 per year, subject to annual review and adjustment.

If A.C. Moore terminates his employment without cause, Mr. Jeffries is entitled to receive base salary and insurance benefits through the sixth-month anniversary of the termination date. In the event Mr. Jeffries remains unemployed after six months from his termination date, he will receive an additional month of severance and insurance benefits for each month he remains unemployed, up to a maximum of six additional months.

Table of Contents

On August 6, 2008, A.C. Moore and Mr. Jeffries entered into the first amendment to his employment letter. Pursuant to the amendment, Mr. Jeffries' title was changed from Executive Vice President of Operations to Executive Vice President and Chief Operating Officer. In addition, the amendment provides for an automatic one-year term from the date of a change of control (as defined in the amendment), during which Mr. Jeffries is guaranteed a base salary equal to 12 times his highest monthly base salary during the 12-months preceding the change of control, as well as an annual cash bonus at least equal to the amount received for the last full calendar year. If A.C. Moore terminates his employment other than for cause, death or disability or Mr. Jeffries terminates for good reason, Mr. Jeffries is entitled to receive a lump sum cash payment equal to the aggregate of base salary through the date of termination, pro rata bonus and twelve months of base salary. Mr. Jeffries will also receive insurance benefits during this period. For termination due to death or disability, he or his estate will receive a cash lump sum payment equal to the aggregate of his base salary through the date of death or disability and his pro rata bonus. If A.C. Moore terminates for cause or Mr. Jeffries terminates without good reason following a change of control, he is entitled to base salary through the date of termination. The amendment provides that Mr. Jeffries' options, SARs and restricted stock vest immediately upon a change of control. If Mr. Jeffries' employment is terminated without cause following a change in control, he will have until the earlier of the original option or SAR term or 18 months after the termination date to exercise the options or SARs.

Mr. Jeffries' letter agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Lepley, except that the non-competition and non-solicitation prohibition is for 12 months following the termination of his employment.

Letter Agreement with Michael G. Zawoysky

On September 24, 2008, A.C. Moore entered into an amended and restated employment letter (the "letter agreement") with Michael G. Zawoysky to serve as the Company's Executive Vice President and Chief Financial Officer.

Mr. Zawoysky resigned as A.C. Moore's Executive Vice President and Chief Financial Officer effective April 24, 2009 to pursue an opportunity in the private equity sector. Upon his resignation, pursuant to the terms of his employment letter, he did not qualify to receive any payments or benefits upon termination or change in control. Pursuant to the letter agreement, Mr. Zawoysky received a base salary of \$250,000 per year. On September 24, 2008, in connection with entry into the letter agreement, Mr. Zawoysky was granted 7,500 shares of performance accelerated restricted stock and 25,000 stock-settled stock appreciation rights under the Company's 2007 Stock Incentive Plan.

If A.C. Moore had terminated his employment without cause, Mr. Zawoysky would have been entitled to receive base salary and insurance benefits through the sixth-month anniversary of the termination date. In the event Mr. Zawoysky remained unemployed after six months from his termination date, he would have received an additional month of severance and insurance benefits for each month he remained unemployed, up to a maximum of six additional months. In this instance, Mr. Zawoysky was required to actively seek employment after the termination date in order to receive the additional monthly severance.

The letter agreement provided for an automatic one-year term from the date of a change of control (as defined in the letter agreement), during which Mr. Zawoysky was guaranteed a base salary equal to 12 times his highest monthly base salary during the 12 months preceding the change of control, as well as an annual cash bonus at least equal to the amount received for the last full calendar year. If A.C. Moore had terminated his employment other than for cause, death or disability or Mr. Zawoysky terminated for good reason, Mr. Zawoysky would have been entitled to receive a lump sum cash payment equal to the aggregate of base salary through the date of termination, pro rata bonus and twelve months of base salary. Mr. Zawoysky would have also received insurance benefits during this period. For termination due to death or disability, he or his estate would have received a cash lump sum payment equal to the aggregate of his base salary through the date of death or disability and his pro rata bonus. If A.C. Moore terminated for cause or Mr. Zawoysky terminated without good reason following a change of control, he would have been entitled to base salary through the date of termination. The amendment provided that Mr. Zawoysky's options, stock appreciation rights and restricted stock vested immediately upon a change of control. If Mr. Zawoysky's employment were terminated without cause following a change in control, he would have until the earlier of the original option or stock appreciation right term or 18 months after the termination date to exercise the options or stock appreciation

rights.

Table of Contents

Mr. Zawoysky letter agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Lepley, except that the non-competition and non-solicitation prohibition is for 12 months following the termination of his employment.

Employment Agreement with Amy Rhoades

On July 24, 2006, A.C. Moore entered into an employment agreement with Amy Rhoades to serve as A.C. Moore's Vice President and General Counsel effective July 24, 2006. Ms. Rhoades' employment agreement was amended on November 15, 2006 and November 19, 2007. Ms. Rhoades' employment agreement has an initial term of one year to be extended automatically for successive one year terms, unless either party provides written notice of termination at least 60 days prior to the end of the term. Ms. Rhoades receives a base salary of \$175,000 per year under her employment agreement, subject to annual review and adjustment.

If A.C. Moore terminates her employment without cause or Ms. Rhoades terminates for good reason or there is a non-renewal of the employment agreement, Ms. Rhoades is entitled to receive base salary, pro rata bonus, vested and earned but unpaid amounts under A.C. Moore's incentive plans through the twelfth-month anniversary of the termination date. If A.C. Moore terminates for cause or Ms. Rhoades terminates without good reason, Ms. Rhoades is entitled to receive base salary through the termination date but will not be entitled to payment of a pro rata bonus. If termination occurs due to death or disability, Ms. Rhoades or her estate will be entitled to receive the sum of her base salary through the termination date, her pro rata annual bonus and vested and earned but unpaid amounts under incentive plans and other programs.

Ms. Rhoades' employment agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Lepley, except that the non-competition and non-solicitation prohibition is for 12 months following the termination of her employment.

Upon a change of control (as defined in her employment agreement), Ms. Rhoades' employment agreement provides for an automatic one-year term from the date of the change of control, during which Ms. Rhoades is guaranteed a base salary equal to 12 times her highest monthly base salary during the 12-months preceding the change of control, as well as an annual cash bonus at least equal to the amount received for the last full calendar year. If A.C. Moore terminates her employment other than for cause, death or disability or Ms. Rhoades terminates for good reason, Ms. Rhoades is entitled to receive a lump sum cash payment equal to the aggregate of base salary through the date of termination, pro rata bonus and twelve months of base salary. If A.C. Moore terminates for cause or Ms. Rhoades terminates without good reason following a change of control, she is entitled to base salary through the date of termination. The employment agreement provides that Ms. Rhoades' options, SARs and restricted stock vest immediately upon a change of control. If Ms. Rhoades' employment is terminated without cause following a change in control, she will have until the earlier of the original option or SAR term or 18 months after the termination date to exercise the options or SARs.

Table of Contents***Employment Agreement with Marc Katz, Former Chief Financial Officer***

On September 6, 2006, and effective as of September 13, 2006, A.C. Moore entered into an employment agreement with Marc Katz to serve as our Executive Vice President and Chief Financial Officer. Mr. Katz resigned from A.C. Moore effective June 27, 2008 to pursue an opportunity in the private equity sector. Upon his resignation, pursuant to the terms of his employment agreement, he did not qualify to receive any payments or benefits upon termination or change in control.

Mr. Katz received a base salary of \$275,000 per year under his employment agreement, subject to annual review and adjustment. Mr. Katz's employment agreement contains restrictive covenants relating to confidentiality, non-competition and non-solicitation that are substantively the same as those described above for Mr. Lepley, except that the non-competition and non-solicitation prohibition is for 12 months following the termination of his employment.

Tabular Information Relating to Potential Payments or Benefits upon Termination and Change in Control

The following tables quantify the potential termination and change in control payment and benefit amounts for Messrs. Lepley, Jeffries and Zawoysky and Ms. Rhoades pursuant to their agreements, assuming a hypothetical triggering event had occurred as of January 3, 2009. The terms and conditions of the post-employment provisions for Messrs. Lepley, Jeffries and Zawoysky and Ms. Rhoades are described in detail above under Agreements with Named Executive Officers.

Tabular information for Mr. Katz is not included in below, as he resigned effective June 27, 2008 and therefore was not employed by A.C. Moore as of the last day of fiscal 2008. Upon his resignation, pursuant to the terms of his employment agreement, he did not qualify to receive any payments or benefits.

Under the Stock Incentive Plan, all named executive officers may receive benefits in the event of death, disability and retirement. All unvested awards immediately vest in full upon the occurrence of a change in control under the Stock Incentive Plan. In addition, Mr. Lepley and Ms. Rhoades receive benefits under the Old Plans in the event of death or disability. The Stock Incentive Plan and the Old Plans do not discriminate in terms of scope, terms or operation in favor of executive officers and these benefits are available generally to all participants.

Process and Procedures for Determining Director Compensation

In January 2008, the responsibility for reviewing and recommending non-employee director compensation transferred to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee solicits input from the Compensation Committee, as well as from independent outside consultants engaged by the Board, from time to time. The full Board, upon the recommendation of the Nominating and Corporate Governance Committee, approves director compensation.

Prior to January 2008, the Compensation Committee was responsible for determining director compensation. In February 2007, the Compensation Committee asked Hay Group, the independent outside compensation consultant retained to assist the Compensation Committee in its analysis of A.C. Moore's executive compensation programs, to perform an analysis of A.C. Moore's non-employee director compensation and make recommendations to the Compensation Committee regarding any changes to director compensation, including the implementation of director stock ownership guidelines. Hay Group presented data on director compensation at comparable companies in A.C. Moore's market to the Compensation Committee. Hay Group worked directly with the Compensation Committee, receiving assignments and direction from the Compensation Committee Chair.

Director Compensation

Fees. Based on recommendations by Hay Group, in April 2007 the Board approved the following new compensation structure for non-employee directors:

an annual cash retainer of \$35,000;

Table of Contents

an additional annual cash retainer of \$50,000 for the Chairman of the Board;

an additional annual cash retainer of \$15,000 for the chair of the Audit Committee and \$10,000 for each other member of the Audit Committee;

an additional annual cash retainer of \$10,000 for the chair of the Compensation Committee and \$5,000 for each other member of the Compensation Committee;

an additional annual cash retainer of \$7,500 for the chair of the Nominating and Corporate Governance Committee and \$5,000 for each other member of the Nominating and Corporate Governance Committee; and

an annual grant of restricted stock with a market value of approximately \$50,000 on the date of grant.

Stock Ownership Guidelines for Directors. Based on Hay Group's recommendations, the Board has approved the implementation of stock ownership guidelines for the non-employee directors. Requiring minimum levels of stock ownership by non-employee directors is consistent with the Board's objective of aligning director and shareholder interests.

Directors Subject to Guidelines

Ownership Multiple of Annual Cash Retainer

All Non-Employee Directors

Three (3) times

Non-employee directors are expected to comply with these ownership requirements by the end of a five-year period beginning in 2007. Shares that are counted for purposes of satisfying ownership requirements are shares directly or indirectly owned and grants and awards under equity incentive plans (such as vested and unvested restricted stock). Stock options and stock appreciation rights (SARs) do not count towards satisfaction of the ownership requirements. ***Stock Grant to Non-Employee Directors.*** Consistent with the new compensation structure set forth above, on June 19, 2008, the non-employee directors were granted restricted stock with a market value of approximately \$50,000 on the date of grant, or 6,024 shares. The shares vest equally over three years from the date of grant.

Compensation Committee Interlocks and Insider Participation

The following persons served as members of the Compensation Committee in fiscal 2008: Lori J. Schafer, Joseph F. Coradino, Michael J. Joyce and Neil A. McLachlan. ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE.

Related Party Transactions Policy and Procedures

In April 2007, the Board adopted a written Related Party Transactions Policy and Procedures. This policy applies to transactions or arrangements in which A.C. Moore is a participant and a related party (namely directors, nominees for director, executive officers, 5% shareholders and their respective immediate family members) with a direct or indirect material interest in the transaction, including transactions requiring disclosure under Item 404(a) of Regulation S-K. Under this policy, no related party transaction can occur unless it is approved or ratified by the Audit Committee or approved by the disinterested members of the Board. The Audit Committee is primarily responsible for reviewing and approving related party transactions, and in doing so, will consider all matters it deems appropriate, including, but not limited to, the dollar value of the proposed transaction, the relative benefits to be obtained and obligations to be incurred by A.C. Moore, and whether the terms of the transaction are comparable to those available to third parties.

Table of Contents**Related Party Transactions**

Neil A. McLachlan, a member of A.C. Moore's Board, is President of the Consumer & Office Products Group of MeadWestvaco Corporation. A.C. Moore purchased \$322,233 of merchandise to sell in its stores from MeadWestvaco Corporation in the fiscal year ended January 3, 2009. Mr. McLachlan was not involved in these transactions and did not receive any compensation for these transactions.

Independence

The Board has three standing committees: Audit, Compensation and Nominating and Corporate Governance. The Board has determined that all members of the Board are independent as defined in the applicable listing standards of The NASDAQ Stock Market LLC and the regulations of the Securities and Exchange Commission.

ITEM 14. PRINCIPAL ACCOUNTING FEES AND SERVICES.

Aggregate fees for professional services rendered for A.C. Moore by PricewaterhouseCoopers LLP, our independent registered public accountant as of or for the fiscal years ended January 3, 2009 and December 31, 2007 were:

Services Rendered⁽¹⁾	01/03/2009	12/31/2007
Audit Fees	\$ 729,110	\$ 975,605
Audit Related Fees		
Tax Fees	8,000	2,500
All Other Fees		
Total	\$ 737,110	\$ 978,105

(1) The aggregate fees included are fees billed for the fiscal years.

Audit fees for the fiscal years ended January 3, 2009 and December 31, 2007 were for professional services rendered for the audits of the consolidated financial statements of A.C. Moore and for the audit of A.C. Moore's internal control over financial reporting as required by the Sarbanes-Oxley Act of 2002, quarterly reviews, issuance of consents, and assistance with review of documents filed with the SEC. The audit fee increase for the year ended December 31, 2007 reflects fees related to the inventory accounting review.

Tax fees consist of fees for tax compliance efforts.

The Audit Committee has considered and determined that the services provided by PricewaterhouseCoopers are compatible with PricewaterhouseCoopers maintaining its independence.

The Audit Committee has adopted a policy that requires advance approval of all audit, audit related, tax services and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The Audit Committee pre-approved all of the audit and non-audit services provided to A.C. Moore by PricewaterhouseCoopers in fiscal 2008 and fiscal 2007.
