Scrip dividend for the financial year 2014: Announcement of final terms and number of new Credit Suisse Group AG shares to be issued

Zurich, May 19, 2015 Credit Suisse Group AG today announced the issuance of 31,226,399 new shares as a result of the scrip dividend elections for the financial year 2014, representing 1.9% of the Credit Suisse Group AG share capital currently issued. The issue price of the new shares is CHF 23.00.

The election period during which eligible shareholders could make their election on how to receive their distribution for the financial year 2014 ended on May 18, 2015 (12:00 CEST). During the election period, 1,026,005,822 election rights were exercised for the receipt of new Credit Suisse Group AG shares. This results in 31,226,399 new Credit Suisse Group AG shares to be issued out of authorized capital, representing 1.9% of the share capital of Credit Suisse Group AG currently issued.

The reference share price is calculated based on the average of the daily volume-weighted average prices of the Credit Suisse Group AG shares on SIX Swiss Exchange from May 11, 2015 to May 18, 2015, and is CHF 24.47. Less the discount of 6% to the reference share price, the issue price of the new Credit Suisse Group AG shares is CHF 23.00, resulting in a conversion ratio of 1 new share for 32.857 existing shares.

63.8% of the distribution for the financial year 2014 will be paid in new Credit Suisse Group AG shares. Election rights not exercised for the receipt of new Credit Suisse Group AG shares during the election period will be paid out in cash in the amount of CHF 0.70 per registered share, as decided at the Annual General Meeting on April 24, 2015.

The delivery of the new Credit Suisse Group AG shares as well as the payment of the cash distribution is expected to occur on May 21, 2015. Further information about the scrip dividend can be found in the documentation "Shareholder Information – Summary Document", which is available on the Credit Suisse website at: www.credit-suisse.com/agm

Cautionary statement regarding forward-looking information

This press release contains statements that constitute forward-looking statements. In addition, in the future we, and others on our behalf, may make statements that constitute forward-looking statements. Such forward-looking statements may include, without limitation, statements relating to the following:

- our plans, objectives or goals;
- our future economic performance or prospects;
- the potential effect on our future performance of certain contingencies; and
- assumptions underlying any such statements.

Words such as “believes,” “anticipates,” “expects,” “intends” and “plans” and similar expressions are intended to identify forward-looking

statements but are not the exclusive means of identifying such statements. We do not intend to update these forward-looking statements except as may be required by applicable securities laws. By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and risks exist that predictions, forecasts, projections and other outcomes described or implied in forward-looking statements will not be achieved. We caution you that a number of important factors could cause results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in such forward-looking statements. These factors include:

- the ability to maintain sufficient liquidity and access capital markets;
- market volatility and interest rate fluctuations and developments affecting interest rate levels;
- the strength of the global economy in general and the strength of the economies of the countries in which we conduct our operations, in particular the risk of continued slow economic recovery or downturn in the US or other developed countries in 2015 and beyond;
- the direct and indirect impacts of deterioration or slow recovery in residential and commercial real estate markets;
- adverse rating actions by credit rating agencies in respect of us, sovereign issuers, structured credit products or other credit-related exposures;
- the ability to achieve our strategic objectives, including improved performance, reduced risks, lower costs, and more efficient use of capital;
- the ability of counterparties to meet their obligations to us;
- the effects of, and changes in, fiscal, monetary, exchange rate, trade and tax policies, as well as currency fluctuations;
- political and social developments, including war, civil unrest or terrorist activity;
- the possibility of foreign exchange controls, expropriation, nationalization or confiscation of assets in countries in which we conduct our operations;
- operational factors such as systems failure, human error, or the failure to implement procedures properly;
- actions taken by regulators with respect to our business and practices and possible resulting changes to our business organization, practices and policies in countries in which we conduct our operations;
- the effects of changes in laws, regulations or accounting policies or practices in countries in which we conduct our operations;
- competition or changes in competitive position in geographic and business areas in which we conduct our operations;
- the ability to retain and recruit qualified personnel;

~~the ability to maintain our reputation and promote our brand;~~
~~the ability to increase market share and control expenses;~~
~~technological changes;~~
~~the timely development and acceptance of our new products and services and the perceived overall value of these products and services by users;~~
~~acquisitions, including the ability to integrate acquired businesses successfully, and divestitures, including the ability to sell non-core assets;~~
~~the adverse resolution of litigation, regulatory proceedings, and other contingencies;~~
~~the ability to achieve our cost efficiency goals and cost targets; and~~
~~our success at managing the risks involved in the foregoing.~~

We caution you that the foregoing list of important factors is not exclusive. When evaluating forward-looking statements, you should carefully consider the foregoing factors and other uncertainties and events, including the information set forth in “Risk factors” in chapter I – Information on the company in our Annual Report 2014.
