Dear Stockholder:

We are asking for your vote to allow us to broaden our investment class in order to give us the ability to respond to potential changes in the Agency Mortgage Backed Securities market. As you know, there is considerable debate and discussion in Washington about the on-going role of the GSEs – FNMA, FHLMC, and GNMA. We do not know what direction policymakers will choose – we do know that we have to be prepared for a variety of potential outcomes.

The Board and Management remains committed to the Agency mortgage market for so long as supply and price are appropriate for ARMOUR's investment plan. We must, however, be ready to invest in the successor to Agency MBS when and if it emerges. We do not think it is prudent for ARMOUR to bear the risk of a sudden change in GSE policy or the Agency MBS market that might require us to halt investment operations and that is why we are seeking this change now. This ability to evolve with government policy in our investments will improve our risk management, give us better tools to protect the dividend, and the same flexibility as our peers in the Agency REIT sector.

You are cordially invited to attend a Special Meeting of the Stockholders of ARMOUR Residential REIT, Inc. We will hold the Special Meeting on Tuesday, November 1, 2011, at 12:30 p.m. at the Holiday Inn Oceanside, 3384 Ocean Drive, Vero Beach, Florida 32963. We hope that you will be able to attend.

Your vote is very important to us. Whether or not you plan to attend the Special Meeting in person, your shares should be represented and voted. After reading the enclosed proxy statement, please vote your shares as soon as possible. Stockholders may vote in person at the Special Meeting or by completing and returning a proxy card. Submitting a vote before the Special Meeting will not preclude you from voting in person at the Special Meeting should you decide to attend. In addition, this proxy statement, the notice of special meeting and the proxy card will be mailed or made accessible via the Internet on ARMOUR's website at <http://www.armourreit.com> on or about August 22, 2011.

On behalf of our Board of Directors, I extend our appreciation for your continued support.

Sincerely,

/s/ Scott J. Ulm

What is a proxy?

A "proxy" allows someone else (the "proxy holder") to vote your shares on your behalf. Our Board of Directors is asking you to allow either of the following persons to vote your shares at the Special Meeting: Jeffrey J. Zimmer and Scott J. Ulm.

How do I vote?

If your shares are registered in your name, you may vote your shares in person at the Special Meeting or by proxy.

If you have received your proxy materials by mail, you may vote by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope.

Even if you plan to be present at the Special Meeting, we encourage you to vote your common stock by proxy. Stockholders of record who attend the meeting may vote their common stock in person, even though

they have sent in proxies.

If you hold your common stock in an account with a bank or broker (i.e. in “street name”), you may vote by following the instructions on the voting instruction card provided to you by your bank or broker.

May I change or revoke my vote? Yes. You may change your vote in one of several ways at any time before your proxy is exercised:

- Submit another proxy card (or voting instruction card) with a date later than your previously delivered proxy card (or voting instruction card);
- Notify Jeffrey J. Zimmer or Scott J. Ulm in writing before the Special Meeting that you are revoking your proxy or, if you hold your shares in “street name,” follow the instructions on the voting instruction card; or
- If you are a holder of record, or a beneficial owner with a proxy from the holder of record, vote in person at the Special Meeting.

What is a quorum?

A quorum is necessary to hold a valid meeting. The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at such meeting on any matter shall constitute a quorum for the conduct of business.

What vote is required in order to approve each proposal?

For Proposal 1, the affirmative vote of the holders of common stock having a majority of the votes entitled to be cast on such proposal at the Special Meeting is required. Pursuant to Maryland law (i) shares of common stock which are represented by “broker non-votes” (i.e., common stock held by brokers which are represented at the Special Meeting but with respect to which the broker is not empowered to vote on a particular proposal) and (ii) shares which abstain from voting on any matter, are not included in the determination of the common stock voting on such matter, but are counted for quorum purposes.

## PROPOSAL 1:

### APPROVAL OF AN AMENDMENT TO ARMOUR'S CHARTER TO BROADEN OUR INVESTMENT ASSET CLASS IN RESPONSE TO POTENTIAL CHANGES IN AGENCY MORTGAGE BACKED SECURITIES ISSUED OR GUARANTEED BY THE GOVERNMENT SPONSORED ENTITIES

#### Introduction

Our Charter currently allows us to invest only in securities issued or guaranteed by a U.S. Government-chartered entity ("collectively, "Agency Securities"), which, as a practical matter, means securities issued or guaranteed by the Federal National Mortgage Association ("Fannie Mae"), the Federal Home Loan Mortgage Corporation ("Freddie Mac") or guaranteed by the Government National Mortgage Administration, a U.S. Government corporation ("Ginnie Mae") (collectively, the "Government Sponsored Entities").

Based on recent federal legislative and regulatory developments, it appears clear that the role of the Government Sponsored Entities will change in the future. The exact nature and pace of that change, however, is highly uncertain. The recent U.S. Treasury/Department of Housing and Urban Development report "Reforming America's Housing Finance Market" discusses three options, ranging from essentially complete privatization of the mortgage market to a back-up catastrophic guarantee. Our Board of Directors expects the debate on the U.S. Government's role in the mortgage market to proceed for some time. While we are committed to investing in Agency Securities for as long as appropriate supply and pricing exist, our Board of Directors is concerned that our existing investment asset class restriction might leave us with restricted investment options. As a result, our Board of Directors is seeking stockholder approval to broaden our investment asset class.

#### The Proposal

For the reasons set forth below, our Board of Directors has adopted and is submitting for stockholder approval an amendment to broaden the language of Article 5.10, "Investment Asset Class Restriction," of our Charter.

ARMOUR is currently restricted by our Charter to investing in Agency Securities. U.S. Government policy initiatives are likely to result in substantial changes to the Government Sponsored Entities that issue and guaranty Agency Securities. The nature, extent, and timing of these changes are unclear, but potentially could cause ARMOUR to slow or halt its investment program pending future shareholder approval, potentially reducing or eliminating earnings and dividends. The Board and management believe it is prudent to seek to broaden the investment authority at this point in order to reduce this risk. Allowing our investment program to evolve with US Government policy will improve our risk management, give us tools to better protect our dividend and provide us with the same flexibility as our peers in the Agency REIT sector.

ARMOUR will continue to invest in Agency Securities. This proposal will allow ARMOUR to invest in the successor to Agency Securities when and if it exists. Any investment outside of Agency Securities would be subject to our manager's decision with oversight by our Board of Directors.

Article 5.10 of our Charter currently provides in relevant part as follows:

**Investment Asset Class Restriction.** The Corporation will be restricted to investing, on a leveraged basis, primarily in hybrid adjustable-rate, adjustable-rate and fixed-rate residential mortgage-backed securities issued or guaranteed by a U.S. Government-chartered entity, such as the Federal National Mortgage Association (more commonly known as Fannie Mae) and the Federal Home Loan Mortgage Corporation (more commonly known as Freddie Mac), or guaranteed by the Government National Mortgage Administration, a U.S. Government corporation (more commonly known as Ginnie Mae) (collectively, "Agency Securities").

Article 5.10 of our Charter will be amended to read as follows if the proposed amendment is approved by our stockholders:

**Investment Class Restriction:** The Corporation will be restricted to investment, on a leveraged basis, primarily in hybrid adjustable-rate, adjustable-rate and fixed-rate residential mortgage-backed securities issued or guaranteed by a U.S. Government-chartered entity, such as the Federal National Mortgage Association (more commonly known as Fannie Mae) and the Federal Home Loan Mortgage Corporation (more commonly known as Freddie Mac), or guaranteed by the Government National Mortgage Administration, a U.S. Government corporation (more commonly known as Ginnie Mae) (collectively, "Agency Securities"), or other residential mortgage backed securities determined to be of appropriate quality by the Corporation's manager with oversight by the Board of Directors.

**Recommendation of the Board of Directors**

ARMOUR's Board of Directors unanimously recommends a vote "FOR" approval of an amendment to ARMOUR's Charter to broaden ARMOUR's Investment Asset Class. The voting requirements for this proposal are described in the "Questions and Answers About Voting Your Common Shares" section above.

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of our common stock as of August 10, 2011 by:

- each person known by us to be the beneficial owner of more than 5% of our outstanding shares of common stock;
- each of our officers and directors; and
- all of our officers and directors as a group.

As of August 18, 2011, we had 76,564,835 shares of common stock issued and outstanding. Unless otherwise indicated, we believe that all persons named in the table have sole voting and investment power with respect to all shares of common stock beneficially owned by them.
