UNIFI, INC.

COMMON STOCK

This prospectus supplement No. 3 supplements and amends the prospectus dated February 9, 2007, as supplemented by prospectus supplement No. 1 dated May 29, 2007 and prospectus supplement No. 2 dated June 29, 2010, relating to the offer and sale from time to time by certain of our shareholders of certain shares of our common stock. The original prospectus covered the offer and sale by certain of our shareholders of up to 2,777,777 shares of our common stock, and this prospectus supplement No. 3 relates to the offer and sale of the remaining 1,794,098 shares of our common stock which were not disposed of previously. We are not selling any shares of common stock in this offering and therefore will not receive any proceeds from this offering. You should read this prospectus supplement No. 3 together with the prospectus. All share amounts in this prospectus supplement No. 3 reflect our November 3, 2010 1-for-3 reverse stock split.

The table on page 16 of the prospectus, which was subsequently amended by prospectus supplement No. 1 and prospectus supplement No. 2, sets forth information with respect to the selling shareholders and the respective amounts of shares of our common stock beneficially owned by each selling shareholder that may be offered pursuant to the prospectus. This prospectus supplement amends and restates that table in its entirety, as follows:
