Item 1.02 Termination of a Material Definitive Agreement

Asset Purchase Agreement

On September 7, 2012, Calibrus Hosted Business Solutions, LLC, an Arizona limited liability company (“Buyer”) notified Calibrus, Inc. (the “Company”) that it was terminating the previously announced Asset Purchase Agreement, dated as of June 15, 2012 (the “Asset Purchase Agreement”), between Buyer and the Company under which Buyer had agreed to purchase substantially all of the assets of the Company’s hosted business solutions business segment (the “TPV Business”) for \$3,000,000 in cash (the “Proposed Transaction”). The closing date (the “Closing Date”) of the Proposed Transaction had been scheduled to be on or before August 31, 2012, but in any event no later than September 7, 2012. Prior to such date, the Company had notified the Buyer that it had satisfied all of the required conditions to close the Proposed Transaction under the Asset Purchase Agreement. The Buyer disagreed with the Company's position and breached the Asset Purchase Agreement by refusing to close the Proposed Transaction.

The Company had previously agreed to sell its TPV business in order to provide funding for Fanatic Fans, its location-based social media/social networking application for smart phones. Management is considering other alternatives in relation to its operation of both the TPV business and Fanatic Fans.
