JETBLACK CORP.

(A DEVELOPMENT STAGE COMPANY)

Notes to the Consolidated Financial Statements

(Unaudited)

NOTE 1 - BASIS OF PRESENTATION

The accompanying unaudited interim consolidated financial statements of Jetblack Corp. (the "Company") have been prepared in accordance with accounting principles generally accepted in the United States of America and the rules of the Securities and Exchange Commission ("SEC"), and should be read in conjunction with the audited financial statements and notes thereto contained in the Company's Form 10-K. In the opinion of management, all adjustments, consisting of normal recurring adjustments, necessary for a fair presentation of financial position and the results of operations for the interim periods presented have been reflected herein. The results of operations for interim periods are not necessarily indicative of the results to be expected for the full year. Notes to the financial statements which would substantially duplicate the disclosures contained in the audited financial statements for the most recent fiscal year ended August 31, 2012 as reported in Form 10-K, have been omitted.

Going Concern

The financial statements have been prepared on a going concern basis which assumes the Company will be able to realize its assets and discharge its liabilities in the normal course of business for the foreseeable future. The Company has incurred a loss since inception resulting in an accumulated deficit of \$198,783 as of February 28, 2013 and further losses are anticipated in the development of its business. These factors raise substantial doubt about the Company's ability to continue as a going concern.

The ability to continue as a going concern is dependent upon the Company generating profitable operations in the future and/or to obtain the necessary financing to meet its obligations and repay its liabilities arising from normal business operations when they come due. Management intends to finance operating costs over the next twelve months with existing cash on hand and advances from officers and/or issuance of common stock for cash.

Item 2. Management's Discussion and Analysis or Plan of Operation.

FORWARD-LOOKING STATEMENTS

This quarterly report contains forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. These statements relate to future events or our future financial performance. In some cases, you can identify forward-looking statements by terminology such as "may", "should", "expects", "plans", "anticipates", "believes", "estimates", "predicts", "potential" or "continue" or the negative of these terms or other comparable terminology. These statements are only predictions and involve known and unknown risks, uncertainties and other factors, including the risks in the section entitled "Risk Factors", that may cause our or our industry's actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements.

Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, we do not intend to update any of the forward-looking statements to conform these statements to actual results.

Our financial statements are stated in United States Dollars (US\$) and are prepared in conformity with generally accepted accounting principles in the United States of America for interim financial statements. The following discussion should be read in conjunction with our financial statements and the related notes that appear elsewhere in this quarterly report.

As used in this quarterly report, the terms "we", "us", "our company", and "Jetblack" mean Jetblack Corp., unless otherwise indicated. All dollar amounts refer to US dollars unless otherwise indicated.

General

Our Business

We were incorporated on April 17, 2002, under the laws of the State of Nevada under the name Tortuga Mexican Imports Inc. Effective March 15, 2010, the Company changed its name to Jetblack Corp., by way of a merger with the Company's wholly owned subsidiary Jetblack Corp., which was formed solely for the change of name.

We have commenced limited operations, and have generated revenue of \$7,569 to date. We are still a development stage corporation.

The authorized capital of our company is 1,350,000,000 shares of common stock with a par value of \$0.001.

Since March, 2012 our business focus has been developing an online reservation system to access numerous private jet aircraft, airports worldwide and a network of pre-approved, safety-checked operators. We intend to develop a booking engine, which will provide real-time availability of small jets available for charter in certain areas and select the best option from the inventory of aircraft.

Properties

Our office is located at 20 Broadwick Street, West End, London, UK. We do not have other properties.

Results of Operations

Three months ended February 28, 2013 and February 29, 2012

During the three months ended February 28, 2013, we generated no revenue and incurred expenditures of \$11,159 and posted losses of \$11,159. During the three months ended February 29, 2012, we incurred expenditures of \$8,982 and posted losses of \$8,982. The increase was due to increase in accounting, audit and auditor's quarterly review fees in 2013.

Six months ended February 28, 2013 and February 29, 2012

During the six months ended February 28, 2013, we generated no revenue and incurred expenditures of \$15,960 and posted losses of \$15,960. During the six months ended February 29, 2012, we incurred expenditures of \$14,506 and posted losses of \$14,506. The increase was due to increase in filing, accounting, and audit and auditors' quarterly review fees in 2013.

Financial Condition, Liquidity and Capital Resources

Our principal capital resources have been through issuance of common stock and shareholder loans.

At February 28, 2013, we had a working deficit of \$2,936.

At February 28, 2013, our current and total asset was cash of \$13,896 and our current and total liabilities were \$16,832.

Plan of Operation and Funding

Over the next twelve months we believe we will need \$50,000 to carry out our ongoing operations and to expand our operations which will come from funds currently available and additional financing.

We intend to raise the capital required through equity and/or debt financing. We have no agreements in place to do this at this time.

There are no assurances that we will be able to obtain additional funds required for our continued operations. In such event that we do not raise sufficient additional funds, we will consider alternative financing options, if any, or be forced to scale down or perhaps even cease our operations.

Recent Accounting Pronouncements

Management does not anticipate that the recently issued but not yet effective accounting pronouncements will materially impact the Company's financial statements.

Off-balance Sheets Arrangements

As of the date of this Quarterly Report, we do not have any off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on our financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that are material to investors.

Going Concern

We have funded our initial operations through the issuance of 67,352,000 shares of capital stock for net proceeds of \$193,795 and advance from shareholder of \$910. Due to the uncertainty of our ability to generate sufficient revenues from our operating activities and/or to obtain the necessary financing to meet our obligations and repay our liabilities arising from normal business operations when they come due, in their report on our financial statements for the fiscal year ended August 31, 2012, our registered independent auditors included additional comments indicating substantial doubt about our ability to continue as a going concern. Our financial statements contain additional note disclosures describing the circumstances that led to this disclosure by our registered independent auditors. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Management plans to continue to seek financing on favorable terms; however, there is no assurance that such financing can be obtained on favorable terms. If we are unable to generate sufficient revenue or obtain additional funds for our working capital needs, we may need to cease or curtail operations.

Item 3. Quantitative and Qualitative Disclosures About Market Risks

We are a smaller reporting company as defined by Rule 12b-2 of the Securities Exchange Act of 1934 and are not required to provide the information under this item.

Item 4. Controls and Procedures.

Evaluation of Disclosure Controls and Procedures

Under the supervision and with the participation of our management, including our principal executive officer who is also our principal financial officer, we have conducted an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) under the Securities and Exchange Act of 1934, as of the end of the period covered by this report. Based on this evaluation, our principal executive officer who is also our principal financial officer concluded as of the evaluation date that our disclosure controls and procedures were effective such that the material information required to be included in our Securities and Exchange Commission reports is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms relating to our company, particularly during the period when this report was being prepared.

Changes in internal control over financial reporting.

There were no changes in our internal control over financial reporting during our most recent fiscal quarter that materially affected, or were reasonably likely to materially affect our internal control over financial reporting.

PART II - OTHER INFORMATION

Item 1. Legal Proceedings.

None.

Item 1A. Risk Factors

We are a smaller reporting company as defined by Rule 12b-2 of the Securities Exchange Act of 1934 and are not required to provide the information under this item.
