ITEM 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On September 30, 2016, the Board of Directors (the "Board") of Capitol Federal® Financial, Inc. (the "Corporation") approved, and adopted effective as of such date, an amendment to the Corporation's Amended and Restated Bylaws (the "Amended and Restated Bylaws") to provide for a majority voting in uncontested director elections. The amendment changes the voting standard for uncontested director elections from a plurality voting standard to a majority voting standard. The revised Section 7 to Article I provides that in order to be elected in an uncontested election, a director nominee must receive a majority of the votes cast with respect to that nominee's election, meaning that in order to be elected, the number of votes cast "for" a director nominee's election must exceed the number of votes cast "against" such director nominee's election. The Amended and Restated Bylaws retain the plurality voting standard in contested elections.

The Amended and Restated Bylaws also provide that an election for directors at a meeting of stockholders shall be deemed a "Contested Election" if, in connection with such meeting, (i) the Corporation shall have received one or more notices that a

stockholder has nominated or intends to nominate a person or persons for election as a director, which notice(s) purport to be in compliance with the requirements of Article I, Section 6(b) of these Bylaws or the requirements of applicable rules of the SEC then in effect, irrespective of whether the Corporation has determined that any such notice is in compliance with such requirements, and (ii) as of the fourteenth (14th) day prior to the date on which the Corporation files its definitive proxy statement for such meeting with the SEC (regardless of whether such proxy statement thereafter is revised or supplemented), such nomination(s) or proposed nomination(s) have not been withdrawn by such stockholder and, as a result, the number of nominees or proposed nominees for election at such meeting exceed the number of directors to be elected at such meeting.

The foregoing description of the Amended and Restated Bylaws does not purport to be complete and is qualified in its entirety by reference to the Amended and Restated Bylaws, which are attached to this Current Report on Form 8-K as Exhibit 3(ii) and incorporated herein by reference.
